

Title IX Compliance

New Sport Form

At Yuba College, we are interested in fully gauging your interest and ability to participate in sports not currently offered. Your interest and feedback could drive the start of Yuba's newest sport in the very near future.

The first step in the process is to send us (athletics@yccd.edu) an email from your Yuba College email – this is how we know you are a current Yuba College student – requesting the link to the New Sports Form, (simple 6 questions). Data from this form, if there's enough interest in a particular sport, will lead to discussions on next steps.

According to Title IX, we are required to provide opportunity in Athletics to an adequate amount of unmet need for the under-represented gender. This process is aimed at measuring that unmet need. Your response and feedback are greatly appreciated.

If you have questions or concerns regarding Yuba Athletics, you can contact me at (530) 741-6779.

If you have questions or concerns regarding Title IX, you can contact me, or our Title IX Coordinator, (530) 741-6976, or the Executive Vice President of Instruction, (530) 741-6766.
