

# ATHLETIC HALL OF FAME

## Hall of Fame Selection Criteria Participation & Special Recognition

### Participant/Athlete or Team

Outstanding achievement in intercollegiate athletics at Yuba College

- Setting school, conference or state records
- Recognition at the school, conference, regional or preferably state levels

Unusual distinction in one or more intercollegiate sports.

- Unusual distinction is made by comparing the performance of the person and/or team under consideration not only with contemporaries but also with other athletes similarly performing during other periods of years

Accomplishment should be achieved in a manner that exemplifies the Yuba College concept of a student-athlete and/or team

- Graduation is not a necessary condition
- Meaningful progress toward graduation is necessary, and that the overall conduct as a student is at least equal to that expected of the average student

Five-year period must have elapsed from the most recent participation in the intercollegiate athletic program.

### Non-participant Coaches and Support Staff

Must have contributed significantly and with equal distinction to intercollegiate athletics.

A nominee who is a Yuba College employee must have a five-year period elapsed since completion of that involvement which leads to consideration for induction.

A non-Yuba College employee is eligible for immediate consideration.

### Special Recognition- Outside Contributors

Must have made significant contributions with unusual distinction to intercollegiate athletics as a volunteer. The individual may be employed by the College; however, their contributions to ICA shall not be of paid status or as part of an employee's College position.

'The nominee's contributions should be achieved in the manner that exemplifies, promotes and ensures the integrity and tradition of the Yuba College philosophy of success as a student as well as success in intercollegiate sports. Their contributions of unusual distinction should be made by comparing the contributions of other persons under consideration, their contemporaries, and those who have made similar contributions over the years.
