

General information and Resources

TEAS Directions and Overview

- **TEAS** score needs to be for the 6th, 7th or higher version offered by ATI. We accept scores from all venues of testing (at an institution either on-campus or online using remote proctoring, an online exam using ATI Remote Proctors, and in-person at a PSI National Testing Center).
 - **The 6th version of TEAS will no longer be accepted starting February 15th, 2027**
- **All applicants must earn 70% or better to apply.** There is no rounding of scores. If you round your score on the application, that will be considered a discrepancy/error and will disqualify your application.
- There are two steps to apply related to your TEAS score.
 1. You must [send your official transcripts from ATI to Yuba College](#) if you did not test at Yuba

College. This only needs to be done once unless you need to send a new updated score. If you previously sent the official score you can not resend it again in the ATI system. So, if you are reapplying with the same score or you tested with Yuba College you do not send the official ATI TEAS score.

- These can be sent to us from ATI anytime. At the latest the last day of the application period.
 - Be sure you are requesting the correct date of test/score.
 - If we do not have your official transcripts on file, you cannot move forward in the application process. Your application will not be processed.
 - It is important to note that you can only send the same test/score one time to the same school. If you have sent the official transcripts for the test/score you are indicating on their application, we have them in our files.
 - If you are reapplying, you will need to ensure you upload the TEAS you want to have used for your application. For example, if you re-tested and got a better score upload that copy and send official result for that TEAS if not you have not yet sent them.
 - We use the TEAS the applicant uploads to their application as long as the applicant has sent official results to Yuba College.
2. You must upload your chosen [unofficial TEAS transcript](#) in your Yuba College nursing program application.

Registering for TEAS through ATI and sending official transcripts
