Priority admission to graduates of Yuba College Nursing Students

Program is designed for working nurses (all courses are online except one that is completed in/near your own community). One clinical course, Community Health Nursing, is in the final summer of the program. Effort is made to place the students for this clinical in a community near where they live. 8-10 courses, 8 if you already have a bachelors degree.

Twenty units of NCLEX credit are issued.

CSUC has a "Jump Start Option" which provides a mechanism for Yuba students to take one or both Upper Division GE courses while still in their A.D.N. program.

The Jump Start Option is the CSU, Chico RN to BSN Program version of informal co-enrollment.

Has ADN to MSN track also open to you.
