

LVN Career Mobility Program General Information

1. [Prerequisite](#) Courses Required Prior to Application

- Nursing 37 LVN to RN Bridge course (Yuba College course only)
- No “in progress” prerequisite courses when applying
- There is no recency requirement for prerequisites

2. Program Requirements

- Complete all prerequisites
- 5 cumulative grade-point average (GPA) of 2.5 for these courses: Anatomy, Physiology, Microbiology, Pathophysiology, English 1A or higher
- TEAS test score >62%
- Hold an active unrestricted LVN California license
- Current Intravenous Therapy certification
- Pass the Yuba College Nursing 37 LVN to RN Bridge course prior to entry into the program- you can apply if you are currently enrolled in course or have completed

3. Program Sequencing

- 1st semester Intermediate Medical Surgical Nursing, Pediatrics
- 2nd semester Advanced Medical Surgical Nursing, Leadership, Preceptorship, Mental Health/Psychiatric Nursing

4. Time Commitment

- Full time about 4 hours of theory and 16-18 hours of clinical time
- Typically, class/clinical 3-4 days a week
- About 20-30 hours of study/homework time, varies depending on student
- Students must achieve 75% or higher in each class

to progress in the program

5. **Additional Requirements**

- [Mandatory Orientation/Onboarding](#) for all Accepted and Current Nursing Students
 - These are throughout the program

6. [Cost of Program](#)

- Student's may be eligible for financial aid

7. [Financial Aid](#)

- Available, takes months to process; go to the Yuba College Financial Aid website to find out more
- Many scholarships available

8. **Convictions and Arrest Record**

- Prior to admission into the program, if criminal history is a concern, check the BRN website brn.gov; to ensure you qualify for a nursing license
- BRN possesses the right to deny any graduate to take NCLEX
- Criminal history may keep you from admission into the program because our clinical partners may not allow it.
- All students will have a [Criminal Background Check](#) once accepted into the program.
- When submitting application to the BRN you will need written details of conviction and consequences, fines paid, proof of rehabilitation, certified copy of court proceeding, letters of recommendation; DUI's are reportable offenses

9. **Assessment Testing**

- Must take ATI [TEAS](#) before applying; highly recommend studying for the test
- Must have 62% or higher to apply to the program
- Higher scores earn more points which increase applicants' chances of selection to enter program
- For testing sites and more information go to atitesting.com

10. **Application Process**

- Multicriteria enrollment process; online applications
- Applications open [twice a year](#)
- Check out our [Admissions Process](#)
- Must [apply to the college cccapply.org](#) in order to obtain a student ID#
- With student ID# applicants can access the application
- Multicriteria utilizes previous experience/knowledge, GPA, and TEAS test scores to rank applicants
- Class selected from the top scores on the [Multicriteria](#) tool; no waitlist; check out our [LVN-to-RN-Merit-worksheet](#)

This program is on a space available entry.

The logo for Yuba College features a large, stylized 'Y' and 'C' that overlap. The word 'Yuba' is written in a serif font across the middle of the 'Y', and the word 'College' is written in a similar serif font across the bottom of the 'C'.
