Yuba College Nursing utilizes a Multi-Criteria Screening Process to score and rank program applicants. Course prerequisites, preadmission testing, must be completed prior to submitting an application. All application instructions, materials, guidelines, deadlines, and evaluation tools are available on the Nursing Department website- (http://nursing.yccd.edu). Potential applicants are strongly encouraged to become familiar with and utilize these resources to ensure their application is complete and complies with all current requirements.

Program applications will be accepted in the fall and spring, and the top 30 applicants (30 students fall/spring semester) will be selected to enroll in the upcoming academic year. Twenty (10) alternates will notified for (10 fall/spring). If alternate is not selected for the upcoming academic year, applicant will need to wait until the next application cycle to reapply to the program.
