Although every effort has been made to ensure this document is accurate and up to date errors do occur. In addition, to this articulation grid Yuba College utilizes Sierra College and American River College's grids as well. For [Sierra College](#) (on their website go to Prerequisites to Apply section then the Equivalency Grid) for [American River College](#) (on their website scroll down to the most current Articulation Grid).

The Nursing Program office does **not** complete prerequisite course evaluations. If you have taken a prerequisite course outside of Yuba College, see a [Yuba College counselor](#) to get and Ed Plan to ensure the courses are equivalent and meet the prerequisites for our nursing program.

If you are using upper division courses for any prerequisites, it is mandatory to contact a [Yuba College academic counselor](#) to review the process for a possible course substitution.
