Yuba College Nursing utilizes a Multi-Criteria Screening Process to score and rank program applicants. Course prerequisites, preadmission testing, must be completed prior to submitting an application. All application instructions, materials, guidelines, deadlines, and evaluation tools are available at nursing.yccd.edu. Potential applicants are strongly encouraged to become familiar with and utilize these resources to ensure their application is complete and complies with all current requirements.

Program applications will be accepted in the fall and spring, this program is based on space availability with possible entry

in spring or fall. If the applicant is not selected, they are welcome to apply to the next application cycle.
