

TEAS Testing

Which TEAS tests are accepted and where can you test

TEAS scores must be from the 6th, 7th, or higher version offered by ATI. **The 6th version of TEAS will no longer be accepted starting February 15th, 2027.**

We accept scores from all testing venues (at an institution, either on-campus or online using remote proctoring, an online exam using ATI Remote Proctors, and in-person at a PSI National Testing Center).

Testing at Yuba College

The nursing department does not proctor the TEAS test. The Yuba College testing center proctors the TEAS test. If you are scheduled to take the TEAS at Yuba College and have any questions, contact

Michael Enoksen 530-741-6864 or 530-751-5600
Yuba College Testing Center
100B, Room 124
2088 North Beale Road
Marysville CA 95901

If you have a documented emergency and are unable to test on the purchased date, you must send documentation to comments@atitesting.com and contact the Yuba College testing center.

For requests for testing accommodations, please contact DSPS 530-741-6795. Please contact DSPS 30 days prior to your test date.

You may test once a year at our location. If you wish to take the TEAS a 2nd time within one year at our location, you must complete the TEAS Remediation form found on the [Forms page](#) of the YC nursing website and email the completed form to nahp@yccd.edu. This form must be completed and signed prior to registering to retake the TEAS at our location.

Retesting at other locations will be subject to the policies of the respective testing site.
