

Make a Difference.

Be a Volunteer!

Are you...

18 years or older?

Passionate about helping others ?

Considering a career in health care?

A nursing/pre-nursing student?

At Sierra Nevada Memorial Hospital, we strive for excellent patient care, provided with compassion and kindness. The Auxiliary is currently seeking volunteers to work at Nursing Stations and in the Emergency Department.

Volunteers at nursing stations answer phones and call lights, spend time with patients, respond to simple needs, and run errands. Volunteers in the Emergency Department, change bed linens, wipe down beds/stands/leads, stock supplies, and run errands.

In both service areas, you will be a valued member of the team, doing work which gives nurses and aides more time to provide care to our patients.

Applicants must be at least 18 years of age and be able to:

Commit to one year of service, volunteer at least 5 hours each month, and pass a background check and the required health clearance.

Applications are available in the Main Lobby & Outpatient Lobby.
