

**Yuba College Public Safety  
Training Center  
Emergency Medical Technician**

The EMT program is a comprehensive curriculum that provides knowledge and critical thinking skills necessary to provide Emergency Medical Care in a pre-hospital environment. Academic rigor encompasses legal and moral aspects, primary and secondary patient assessments, interventions, proper use of emergency medical equipment, recognizing signs and symptoms, and pathophysiology of medical emergencies and traumatic injuries. This course meets EMT curriculum requirements of the California Code of Regulations Title 22. Upon successful completion, students are eligible to take the National Registry EMT certifying examination and qualify for a California EMT License.
