| <p><i>Course dates are subject to change. However, this course will continue to be a summer course, held in June – August.</i></p> | | | |
| <p>How do the POST Modules Work?</p> | <p>We have designed a format to allow a student to complete Modules III, II, and I in less than a year’s time. The plan is to offer Modular III each Summer, Modular II during the fall and finishing Modular I in spring. Completion of three modules will give a student the same P.O.S.T. certification as the Regular Basic Course – full-time Academy. Please review this link for more information about Reserve Officer assignments and training: Regular Basic Course - Modular Format (ca.gov) Modular Format - Module III Training Specifications</p> | | |
| <p>How Do I Prepare?</p> | <p>It is highly recommended that students complete their general education courses as soon as possible. Yuba College students can petition for a Basic Police Academy Associates of Science (non-transferrable), 2-year degree. Please refer to the college catalog for more information. Catalog - Yuba College (yccd.edu)</p> <p>To Prepare a 2-year Educational Plan, schedule a counseling appointment at 530-634-7766. Additionally, the Educational Plan will be required for VA Benefits and/or Financial Aid benefits. https://yc.yccd.edu/student/</p> <p>We recommend interested participants consider a preparatory course offered each spring semester. This course IS NOT required; it is recommended and an available option to those students who may need assistance with report writing skills. Please see spring semester schedule of courses for offerings: Class Schedule - Yuba College (yccd.edu)</p> <ul style="list-style-type: none"> • AJ78 – Report Writing <p>Yuba College New Semester Application Dates will open sometime in November for spring courses and April for summer and fall. Academy Uniforms

Academy uniforms purchased at almost any uniform store that handles police uniforms. However, the shirts and pants must be of a specific make and model number. Not all uniform shops have the uniform specifications for Yuba College. Vendor Fees are subject to Change.

Equipment: Vendor of your choice

Duty Gear: Cadets can wear any gear they prefer; however, cadets cannot mix their gear (i.e. nylon holster and leather belt). The duty belt, **at minimum**, consists of belt, holster, flashlight (e.g., Stinger brand), double magazine carrier (carries a minimum of two magazines), handcuff case with handcuffs and belt keepers (minimum of four needed).

Holster: The holster is as important as the firearm. Make sure when ordering a holster, you have the make and model number of your weapon. When ordering, make sure that it has an inside thumb break. For those that are unfamiliar with weapons, one holster will not accept all firearms. For questions regarding holsters, contact the coordinator of the Modular Format Police Academy.

Firearm: Cadets will have to purchase or have access to their own firearm. The college does not have enough weapons. However, if a cadet's weapon breaks and while repair of the cadet's weapon, one *may* be issued. Weapons are available for loan under special circumstances and discussed with the facilitators.

Students will go through approximately 2,500 rounds of pistol ammunition during Levels III, II & I. Firearms Training is throughout the modular academy with approximately nine days on the range. You will not need to purchase all your ammunition at one time. With recent changes to CA state regulations for the purchase of ammunition, it is imperative that students do not wait until the last minute to purchase ammo. There could be up to a 4-10 day wait period to purchase, plus additional processing fee added to the overall cost.

When deciding which type of weapon to purchase, the cadet should keep in mind that he/she will not have confidence in the weapon if it does not fit right. Each cadet is different. Not all weapons fit everyone's hands. The cadet should at least hold a weapon, and preferably shoot it, to see if it feels comfortable in their hand. If it does not feel good, then do not purchase!

Weapons must be 9mm or larger (no .380's), double/single action and made by a reputable manufacturer. If you do not know what double/single action means, make sure and tell whomever when purchasing your weapon. This will ensure that you have a proper weapon. The following weapons are acceptable: Glock, Smith & Wesson, Beretta, H & K, Sig Sauer and Ruger. There are other weapons allowed, however, they need clearance through an academy range master. An academy range master will inspect all weapons.

Do You Still Have Questions? Contact the office at the number listed below or email dcoats@yccd.edu. Please keep in mind we will continue to provide updates, information and forms every step of the way. If you follow these dates and processes, you should have no major concerns for successful enrollment. We are looking forward to working with all of you!
