## **PROGRAM APPLICATION AND ADMISSION INFORMATION**

Yuba College offers a full-time Radiologic Technology Program.

Program application can be downloaded at any time, but will only be accepted from January 2 through the second Friday in February. This application packet contains detailed information on the admission process. Accepted students are to read, sign, and submit the application and Radiologic Technology Program Acknowledgement Form.

Students are required to meet with a Yuba College Counselor and submit a prerequisite checklist (signed by a counselor) with the application. Applications are not reviewed prior to the closing date. Applications must be complete.

Deadline to apply for the RT Program: the second Friday in February at 4:00 p.m. Applications should be mailed to Yuba College, attend Radiologic Technology. Applications may be dropped off at the Yuba College Campus in the Allied Health Department. Please note mailing and drop off address is at the top of the page. After the application deadline, all applications will be reviewed and eligible applications will be submitted to the lottery. This review will take approximately 10 business days.

Students have the option of two campus locations. The student may select only ONE location on the application. If more than one location is selected, the application will be withdrawn from the application pool.

Applicants selected by lottery will receive an e-mail notification by **approximately** February 25. Notifications will be sent to the selected students via their Yuba College @go e-mail accounts.

All other applicants (not selected, incomplete application, alternate) will receive a notification, with a clarification of their status regarding the RT Program.

All selected students and alternates must enroll in RADT 55 (Introduction to Radiologic Sciences) in the spring semester of application. Alternate students who are not admitted to the program in the year of application are guaranteed a slot in the next application cycle. Alternate students must enroll in RADT 55 in the following year, but will audit the course.

## CONTACT INFORMATION

If you have questions about the program or application process, please refer to Radiologic Technology website: <https://yc.yccd.edu/radtech/program>. If you would like to discuss your academic progress, program prerequisites, or specific degree requirements, please contact the Counseling Department and make an appointment. <https://yc.yccd.edu/student/counseling>.

## CANDIDATE SELECTION PROCESS

20 Applicants will be accepted into the Marysville Campus.

4 Applicants will be accepted for the Redding Campus.(during the 2020 application cycle only 2 students will be accepted for the Redding Campus).

5 Alternates will be accepted for the Marysville Campus.

- Applicants with complete and accepted applications will be placed into the lottery drawing by the Yuba College Research Department.
- Applicants selected by lottery will receive an acceptance letter by approximately February 25 via Yuba College @go e-mail accounts.
- These letters must be signed and returned by the date stated on the letter.
- All other applicants will receive a notification, with a clarification of their status regarding the RT Program.
- Applicants not accepted for admission to the program are encouraged to reapply the following year. Application are not kept on file.
- Students accepted as alternates are required to attend the first class – RT 55 in the Spring semester.
- Alternates are required to keep all immunizations current and can be selected for placement up to the first week of class.
- Any alternate not given the opportunity to participate in the program the year they are selected as an alternate, will be given a spot in the following years cohort (assuming they are still current with program requirements).
- Admission deferrals are not accepted.
- If an application is not accepted for any reason (including those not chosen by lottery) the student is invited to reapply during the next application cycle.

## IMMUNIZATIONS

Students are required to provide proof of completed immunizations and titers **within 90 days** of program acceptance. Failure to provide this information by the specified timeframe will result in withdrawal of program acceptance offer. There will be no exceptions.

- Immunization records ○ Tetanus ○ Diphtheria
  - Pertussis
- Titer results (Titers are blood tests that check your immune status to vaccinations.) ○ Rubella ○ Rubeola
  - Mumps
  - Hepatitis B ○ Varicella
    - If you have completed the immunization, but the titer results are negative, you must submit both the titer results and proof of immunization. You may be required to repeat the immunizations while enrolled in the program.

## PREREQUISITE COURSES:

- Biol 4 (Anatomy)
- Biol 5 (Physiology)
- English 1A
- Any math or Statistics course with a Math 52 prerequisite
- Speech 1, 7, or 8
- Area A Natural Science
- Area B Social Science
- Area C Humanities

The Rad Tech Program has updated their prerequisites. All applicants must have completed all of the above prerequisites by Fall 2019 with the exception of Speech 1, 7, or 8, and Stats 1 or any math that has a prerequisite of Math 52 or higher. **Students that have not completed the Speech 1, 7, or 8 and Math 52 or higher requirement at the time of application must complete these courses with a C- or higher by May 29, 2020.** Unofficial transcripts must be emailed to [lschrett@yccd.edu](mailto:lschrett@yccd.edu) by June 5, 2020. Failure to submit your unofficial transcript by this date will result in your admission to the program being rescinded.

**Please note that this exception is only for Spring 2020 lottery and will not be honored in the future.**

The application begins on page 6 and continues through page 8. Please submit these three pages to the college for consideration for the Radiologic Technology Program.

## WHAT IS NEEDED TO APPLY

- Yuba College student ID and @go email address.
  - All applicants must first apply to Yuba College via [CCCApply](#). Upon completion, each applicant will establish a Yuba College student ID and a @go email address.
- Transcripts
  - The educational institution in a sealed envelope must issue official transcripts.
  - Delivery and evaluation of transcripts can take several weeks. Be sure transcripts are in the office of the registrar at Yuba College by the second Friday in February no later than 4:00 p.m.
  - Please have an official transcript sent directly to the: Yuba College  
 Transcript Office, Radiologic Technology Applicant  
 2088 North Beale Road  
 Marysville, CA 95901  
**PLEASE DO NOT SUBMIT TRANSCRIPTS WITH THE APPLICATION.**
- Program prerequisite checklist signed by a counselor
- Signed Radiologic Technology Program Acknowledgement Form □ Official Application (pages 6-8)

## **RADIOLOGIC TECHNOLOGY APPLICATION CHECKLIST**

While it is the applicant's responsibility to ensure all program requirements are met prior to submitting an application to the Yuba College Allied Health Department, this checklist has been designed to aid you with the submission process. Incomplete applications will be disqualified from admission consideration.

- ☐ Submit your [Yuba College Application](#)
- ☐ Activate your [@go student email](#) account

- ☐ Complete the Radiologic Technology Program Application
- ☐ Meet with a counselor and attach a signed Program Prerequisite Checklist
- ☐ Attach signed Program Admission Policy Acknowledgment
- ☐ Submit Official Transcript to Yuba College Transcript Office
- ☐ Submit Application and Program Admission Policy Acknowledgement to Yuba College.

**RADIOLOGIC TECHNOLOGY PROGRAM**  
**ADMISSION POLICY ACKNOWLEDGEMENT**

- I understand that all official correspondence regarding my RT application are sent to my @go Yuba College student email account. I am aware that if I fail to respond to any correspondence, I will forfeit my ability to continue with the admission process.

- I understand that it is my responsibility to keep the Radiologic Technology Program informed of any changes to my name, address, or phone number.
- I am aware that the findings of the drug screen and criminal background check may affect my eligibility for clinical placement in the RT Program and continued enrollment in the program.
- My signature below authorizes the release of my background information to all affiliated agencies necessary for placement in required clinical course rotations.
- I understand that RT Program didactic courses are taught in Marysville and Redding. I understand that if selected, I may not change campus locations.
- I am aware that I will be required to commute to clinical sites during the program and have carefully considered the human and financial costs of traveling. I understand that the district will not provide me with transportation to these clinical sites.
- I agree to attend any clinical site assigned to me during the Program.
- I understand that Math and Speech classes may be “in progress” at the time of application. I give the Yuba College Radiologic Technology program permission to access my final grade in those courses.
- I understand that ALL courses must be completed with a “C” or better by the end of Spring 2020. Failure to do so will result in any conditional offers of acceptance will be withdrawn.

I acknowledge that I have read and understand the above information.

### **Radiologic Technology Program Prerequisites Checklist**

Student's Name \_\_\_\_\_ Date \_\_\_\_\_

Student's ID# \_\_\_\_\_ Counselor \_\_\_\_\_

This evaluation is to assist you in working toward completion of the Radiologic Technology (RT) Program requirements. This is not an official evaluation of your transcripts and is not the final graduation evaluation. You are aware of the requirements for completion of the RT Program and it is your responsibility to complete all of the required Associate Degree and RT Program requirements. Courses taken outside of the Yuba Community College District to meet general education must be approved in the catalog of the college at which the courses were taken in the semester they were completed.

Prerequisite	Met (Grade)	Out of District Equivalent Course	Petition	Missing; need to take
<b>Complete all courses before application to the Radiologic Technology Program.</b>				
<b>Biol 15 or 1</b> (This is a Yuba College prerequisite for Biol 4 and 5)				
<b>*Biol 4 (Anatomy)</b>				
<b>*Biol 5 (Physiology)</b>				
<b>English 1A</b>				
<b>Any math or Statistics course w/a Math 52 prerequisite</b>				
<b>Speech 1, 7 or 8</b>				
<b>*Area A Natural Science (if needed)</b>				
<b>Area B Social Science</b>				
<b>Area C Humanities</b>				

Complete all of the above courses with a C- or higher grade before applying to the Radiologic Technology Program. The RT Program accepts applications every year, from January 2 – the second Friday in February, by 4:00 p.m. Students admitted to the RT Program are expected to enroll in RADT 55 in the spring semester of application. The RT Program begins once per year, in the fall semester.

\*If Anatomy and Physiology are taken at another college, then neither Biol 15 nor Biol 1 is required for the program; however, another course may be needed to meet the Area A Natural Science requirement.

NOTE: Completion of the Radiologic Technology Program satisfies the PE/Health and Multicultural Graduation Requirements.

Prerequisites Completed ☐ Counselor's Signature \_\_\_\_\_
