

Yuba College Math Department Meeting AGENDA

Date: 04/07/2022
Time: 1:00 - 3:00 PM
Coordinator: Karsten Stemmann
Members Present: TBD
Visitors: Fatima Ruiz

Location: Zoom Meeting
Zoom Link: [Department Meeting](#)
Recorder: Karsten Stemmann

No.	Description	Owner	Outcome/Discussion Topics
2022.04.08.01	Additions and approval of the agenda, approval of past minutes	Team	Additions to the agenda? Minutes from last meetings were sent out
	No additions to agenda and no revisions to minutes from last meeting.		
2022.04.08.02	Check in	Team	Are there any news you would like to share?
	Mukta shared with the department about Mike's retirement party and DMDM to be held at Colusa campus on May 20 at noon.		
2022.04.08.03	EMP Award	Team	Select recipient from list of candidates: <ul style="list-style-type: none"> • Jason Pritchard (may transfer in Spring 2023?) • Amelia Villagomez (transferring to Chico in fall)
	Both the candidates are excellent students, but they do not meet the requirements for the award. Department decided to not proceed with EPM award this year. Requirements for the EMP, as a reminder: (a) 3.5 GPA, (b) applying for transfer, (c) taken at least 2 of the following courses: Engr 35, Math 1C, Physics 4B, ComSci 3, or equivalent. (Substitutions are fine...such as CS9A instead of CS3)		
2022.04.08.04	Update to local math degree	Team	Do we want to resubmit our local degree as is, or are we going to change the degree to a Mathematics for Engineering degree to improve the chances of preserving the engineering courses? The questions that came up last time were the following: <ul style="list-style-type: none"> • Should we require an engineering course or make it part of the list of optional courses? • If requiring a course (or two) as part of the degree, which ones? I believe that the statics course was a strong contender. • Are there other courses that should be required (physics, drafting,)?
	The Department agreed to update the name of local math degree to-Engineering Mathematics. With following Required courses:		

	Math 1A, Math 1B, Math1C, Eng17 or Engineering 35. Choose one elective from the list: Math 2, Math 3, Engineering 17, Engineering 6, Engineering 35, Engineering 45 Degree Units 19/20	
2022.04.08.05		Team
2022.04.08.06		Team
2022.04.08.07		Team
2022.04.08.08		Team

Members Present: John Thoo, John Steverson, Dylan Noack, Christopher Noffsinger, Mukta Sharma, Mark Lydon.

Future agenda items:

- Math Competency Changes
- Course Caps – what are the caps at other colleges for their math/stats courses
- Common textbook for Math-20&21 – feedback from review
