PE = Petition (planning)

U = Unknown

Recommendations for Success	Required	Recommended	Documentation Submitted
Academic Strategies			
Skills Laboratory			
YC Counselor			
Other			

Student Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Instructor Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Students are allowed to register in veterinary technology courses twice. If a student withdraws or fails to complete the course with an acceptable grade (CR, C or above) a second time, the result will be permanent suspension from the program. Students will not be allowed to enroll a third time. This policy applies to VT 53A, VT 53B, VT 53C, VT 53D, and all other veterinary technology course work leading to the Associate Degree in Veterinary Technology.

It is the student's responsibility to complete and submit drop forms with the Registration Office. The deadline for drops is published in the class schedule each semester. Failure to submit this form may result in a grade of NC or F.

Any individual with a failure, recorded drop, or withdrawal from a course in the Veterinary Technology program, seeking to be readmitted must comply with steps as outlined in the Student Handbook.
