OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Rad Tech, ADN, Psych Tech, etc.);
- Courses closed by maximum enrollment of students by the “priority registration” policy;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and Dean approval).

Non-Discrimination Statement Yuba College does not discriminate on the basis of race, color, national origin, sex, disability, or age in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the *Americans with Disabilities Act of 1991*, *Title VI of the Civil Rights Act of 1964* (pertaining to race, color, and national origin), *Title IX of the Education Amendments of 1972* (pertaining to sex), *Section 504 of the Rehabilitation Act of 1973* (pertaining to handicap), and *Age Discrimination Act of 1975* (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College’s programs and activities, including vocational education.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. Continuing Students

If you were enrolled in a Yuba Community College District class in the Fall 2012 semester (August-December 2012) you are a CONTINUING student:

Students who were enrolled in high school during the Fall 2012 semester are NOT continuing students -- see "CURRENT High School Students" section if still enrolled in high school or "NEW Student" section if you have now graduated, for registration process.

1. Apply for enrollment fee waiver (at Financial Aid Office) BEFORE registering.

➔ **Submit the FAFSA to see if you qualify for a fee waiver and additional grants!**
fafsa.ed.gov.
Apply for BOGW! *cccapply.org*

If you were on a fee waiver for the summer or Fall, you are covered for the Spring 2013 semester.

2. Active duty - Beale AFB?
Go to the Beale Center to register (required by Air Force for tuition assistance).
3. Clear all outstanding debts and holds
4. Use WEBADVISOR (yc.yccd.edu) to register on your PRIORITY registration date. See chart (opposite) for priority date.

Adds and drops should be processed through WEBADVISOR

It is your responsibility to verify that all transactions are processed by the established deadlines.

Take advantage of your status to register BEFORE new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Continuing students who are receiving Financial Aid **MUST** be registered prior to January (for the Spring semester) to receive the first financial aid check during the first week of the semester.

Continuing Students WebAdvisor Registration Dates for Spring

New-Transfer-Returning Students

Definition: Never enrolled in Yuba Community College District OR enrolled prior to Spring 2010--OR only enrolled in Summer classes

1. **Complete (Matriculation Process):**

a. **An application**

Apply on-line at yc.yccd.edu

b. **On-line Orientation:**

From the website at yc.yccd.edu, click on Student Services-Counseling/Testing. Complete the Orientation.

c. **Complete the Yuba College Placement Exam if you plan to take a class with a prerequisite or if you plan to meet with a counselor for course placement.**

Contact Testing Office - 741-6864 for placement exam times. PICTURE I.D. IS REQUIRED.

d. **Prerequisite Verification:**

If you completed a prerequisite course at another college, provide documentation prior to registration.

e. **Counseling:**

Call the Counseling Office at (530) 634-7766 to schedule a date for counseling, assistance in selecting appropriate classes, and completion of an educational plan.

2. After completion of application and on-line orientation process, **you will be eligible to register for classes starting December 5**

CURRENT High School Students:

The Yuba Community College District may accept as a PART-TIME student, eligible high school students who have completed the eighth grade.

Students must submit an Application AND "High School Recommendation Form," including the signature of the high school principal **AND** the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.) The Placement Exam can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
5. **Register starting December 14 in person.**

California residents are not required to pay enrollment fee -- only the student services fee (\$10.00) to register. **Non-resident students MUST pay non-resident tuition and the \$10 fee.** (Note: Concurrently enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Late Registration & Changes

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature) on an add form is required.

WebAdvisor Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu

Residency

RESIDENCY IS DETERMINED BY THE LAWS OF THE STATE OF CALIFORNIA.

California residents are those who have maintained legal residency status in California for one year PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that PHYSICAL PRESENCE, PROOF OF INTENT AND FINANCIAL INDEPENDENCE MUST BE MET one full year prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The BURDEN OF PROOF rests with the student.

NON-RESIDENTS who attended a California High School for three years or more AND graduated from a California high school may be eligible for AB 540 Non-Resident tuition. If you did, please request a California Non-Resident tuition exemption request from the Registration office. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify. If you qualify, you will NOT be eligible for the BOGW enrollment fee waiver.

WebAdvisor Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

BOGW -- For California Residents and Active Military:

Apply for Financial Aid BEFORE you access WebAdvisor.

LOG IN:

1. Use your mouse to click on the Log In button.
2. Your "Log In" ID (also known as "MyCampus Key") is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
3. Enter your (previously established) password. If you have never used WebAdvisor before, your initial password is your birth date in the format MMDDYY (i.e., Jan. 10, 1963, is 011063).
4. Click on the SUBMIT button.

To use WebAdvisor, log onto yc.yccd.edu
 Click on My Campus Portal
 Log in to Portal
 Click on WebAdvisor Online Registration

To Register or Add a class:

Click on Registration/Register or Drop

If you know the 4-digit synonym/class code (listed in the Schedule of Classes), select **Express Registration**. Enter the 4-digit code in the synonym/class code column. When you have entered the synonym/class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

If you do not know the 4-digit synonym, use the Search/Register for Sections. Use the pull-down menu to select appropriate term. Use the pull-down screen to enter the Subject (i.e., Art) of the class. Scroll down the screen to the "location" field and use the pull-down menu to select the location. (You need to enter the location of a class IF you are only interested in classes at a particular location. For example, a student who only wants to take a Marysville class would not want to view the classes taught at Clearlake or Woodland.) Click Submit button.

When you have the classes displayed, review the classes (including location) . Click in the Select Section(s) column for those classes you want. Click Submit button.

This will create a "shopping cart" of Preferred Sections including location. **Preferred sections are NOT registered classes** -- see next step. You can select the pull-down menu to register for all sections listed, or use the pull-down menu under the ACTION Column to select "RG-Register" for each section.

You can add your name on a waitlist (if the class is full and has a waitlist). All registration rules will apply to waitlisted courses. You can only be placed on one waitlist per course -- and if you enroll in another section of that class, your name will be REMOVED from the waitlist. If you have a time conflict, you cannot be registered for a class. Time conflicts will result in you being dropped from the waitlisted class.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, etc. A class with a problem will NOT be added.

WebAdvisor Registration-Continued

DROPPING A CLASS:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button. The next screen will display a list of the REMAINING classes you are still registered in.

To verify that the course was dropped successfully either: 1) print the revised schedule, or 2) close out of WebAdvisor, then re enter and review your schedule. **Petitions will no longer be approved for registration procedure errors.**

Print a copy of your Schedule from WebAdvisor as your verification of enrollment. You will NOT be mailed a copy of your class schedule.

Report cards are NOT mailed at the end of the semester -- you will access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is **YOUR** responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

Payment Options/How to Pay Fees

10 Days to Pay

Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. The new policy for dropping due to non payment began in the Spring 2012 semester. Payment is due within 10 days of registration if you do not qualify for a Board of Governor's Fee Waiver.

Students must:

- Be approved for a BOGW (Board of Governor's Fee Waiver) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending.

Students who do not take one of these actions will be subject to being dropped from their classes for non-payment.

Before registering for classes, **you must have your BOGW waiver in place** or you will be directed to:

1. Pay your registration fees in full at MyCampus Portal located on our website, yc.yccd.edu

Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. Setup a Payment Plan

Students may sign up for a payment plan at yc.yccd.edu. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. There is a \$25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, ATM, fee waiver or payment plan.

BOARD OF GOVERNORS ENROLLMENT FEE WAIVER

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California Board of Governors Fee Waiver (BOGW). If you qualify, the BOGW program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

The best way to apply for this BOGW program is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov. When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a BOGW you will save the cost of tuition and possibly qualify for a Pell Grant which can help pay for your books.

SUBMIT YOUR FAFSA NOW! YUBA COLLEGE FEDERAL SCHOOL CODE: 001344

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit. Fees are set by State. If fee is increased students are billed at the new rate.	All students, except those eligible for a Board of Governors' Enrollment Fee Waiver (BOGW) & Concurrently enrolled students
Student Services Fee	\$10 per semester	All students, except those qualified for the BOGW waiver
Parking Decals	\$40 fee per semester or \$2.00 per day (BOGW = \$20) \$20 Summer Session (Subject to change)	All vehicles using campus facilities must display a valid permit.
Foreign Student Tuition Non-Resident Tuition	\$190 non-resident fee - \$20 capital outlay fee Total: \$210 per unit	All non-resident foreign students (from another country)

REFUNDS: Full term Classes Jan. 25

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in Webadvisor. If fees were paid by check or cash, there will be a 3-6 week waiting period before refunds can be processed. For fees paid by credit card, the refund can be credited back to the student's account -- contact the District Cashier (530-634-7633) for details.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

ATTEND THE FIRST DAY OF CLASS!

Information and expectations presented in the first class session are critical to successful participation in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day “may” be dropped. **HOWEVER, DO NOT ASSUME THE INSTRUCTOR WILL AUTOMATICALLY DROP YOU FROM CLASSES.** *Students are responsible for dropping classes they do not attend.*

Deadline Dates for Short-term Classes

EACH Short-term class has a different deadline date.

REFUND Deadline for short-term classes:

******* You MUST drop your class by the end of the SECOND class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:
 31-40 days – end of 3rd class meeting
 41-50 days – end of 4th class meeting

NURSING

NURS-1 FUNDAMENTALS OF MEDICAL SURGICAL NURSING

Fundamentals of Medical Surgical Nursing introduces the foundational concepts, knowledge and skills essential to the practice of professional nursing. This course provides an introduction for the first semester nursing student to concepts and practices as they relate to the non-critical young adult through geriatric adult in the medical surgical (and/or skilled care) environment. Through utilization of the nursing process, the student will begin to recognize alterations in physiological functioning and formulate age and acuity appropriate nursing interventions. Selected psychomotor skills associated with meeting the basic needs, medication administration, physical assessment, and sterile techniques will be studied and practiced. Nursing 1 is a web-enhanced course using the college Blackboard learning system. Co-requisites: NURS 11R, Pre-requisites: NURS 26, NURS 36, and formal admission to the Yuba College Nursing program. Computer literacy skills are recommended. (L,M)

Beale Air Force Base Security Forces require that Yuba College provide specific student data for all civilian students enrolled in Beale classes. Security Forces will use this information (including driver's license number) to insure that students entering Beale Air Force Base are free of any outstanding wants and warrants. Students without a valid Drivers License must present a valid California Identification Card (issued by the DMV). In order to collect and report the required data, each student enrolling in Beale Center classes must complete a "Yuba College - Beale Air Force Security Information Release and Agreement" form.

The required form, along with other information related to civilian access to Beale AFB, can be found at <http://yc.yccd.edu/campuses-centers/beale/civilian>

For more information, contact
Yuba College Beale at 530-788-0973.

YCCD eLearning & Instructional Television Courses

The YCCD eLearning and Instructional Television courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

The following courses are highly recommended for digital literacy and online research.

EDUC/MCOMM 40: Intro to Online Learning LIBSC 1: Basic Research IT 42AR: Internet Literacy & Safety

Exam proctoring is available for ITV & Online courses. Contact jobryan@yccd.edu or 530-741-6754

If you can answer "yes" to five of the six questions below, you are probably ready to take an online class.

1. Do you have regular access to a computer? Yes _____ No _____

You will regularly need to access the class via the Internet 2 or more times for approximately 10 hours per week. Recommended computer specifications and other helpful information can be found at: <http://de.yccd.edu/system-requirements.aspx>.

2. Are you able to work on your own and are you a self-starter? Yes _____ No _____

Online classes require you to take responsibility for your education. Do you complete assignments ahead of time? Are you well organized? Do you manage time well?

3. Do you have basic computer and word processing skills? Yes _____ No _____

You don't have to be a computer expert to take an online class, but you need to be able to navigate the web, download materials, print materials, word process, use e-mail and have other basic skills.

4. Do you have good reading and comprehension skills? Yes _____ No _____

Most materials for online classes are provided in writing – generally you will not hear lectures, you will read them. The textbook for online classes is generally more critical than in a regular class. If you are a poor reader, you are not ready to take an online class.

5. Can you allocate at least 10 hours a week for online class work? Yes _____ No _____

Online students are expected to learn content, post assignments, take exams and participate in online discussions. Successful students commit time weekly for their online learning.

6. Have you taken an online class before and/or have you viewed the YCCD eLearning (Blackboard) Orientation?

Yes _____ No _____

View the YCCD eLearning (Blackboard) Orientation linked off the Distributive Education home page prior to the first day of classes: <http://de.yccd.edu/bb-orientation.aspx>

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

User Requirements: A personal computer with internet browser (IE 7.0 or higher or Firefox 2.0 or higher, Safari 5.0 or higher), Real player 10 or higher, and a reliable internet connection at least a 56.5 Kbps modem; broadband connection such as DSL, cable, or satellite highly recommended. All plug-ins and supported browsers are available to download at <http://de.yccd.edu/system-requirements.aspx>.

YCCD eLearning (Blackboard) – <http://de.yccd.edu> Log in before classes start to run a browser check, to view the orientation and FAQ section. To login to YCCD eLearning (Blackboard) use the same information as your WebAdvisor login. User name: First initial of your last name (capitalized) followed by your student ID number. Default Password: Your birth date in mmddyy format. Note: If you have changed your password in WebAdvisor, use that password for your login.

To reset password to birth date: <https://webadvisor.yccd.edu/WebAdvisor/html/password.html>

Placement Levels - Exam Information

Assessment in reading, English, and math helps to determine the student's academic skill levels and needs. Placement exam results are one of the multiple criteria used to counsel and help place students into suitable classes and to create a Student Educational Plan (SEP) to define educational goals. The exam may also be used to meet course prerequisites. The exam is NOT used for admission purposes and is given free of charge. **(PICTURE I.D. is REQUIRED to take the exam.)**

The Yuba Community College District offers the College Board Computerized Placement Test System (CPTS). Students receive their placement exam results immediately upon completing the test. No computer skills are necessary to take the exam. A **PRACTICE** exam is available on our web site - www.yccd.edu. Click on "Students" and "Sample Test."

All District sites offer the exam by appointment, and some also offer walk-in convenience. Students may enroll in courses above their placement level only through the challenge process.

Placement Exam Locations:

Call the office at (707) 995-7900 to obtain information on dates and times which will be most convenient for you to complete the placement exam.

After satisfactorily completing the beginning level class (grade of "C" or better), students progress to the next higher class level. All students are advised to discuss their placement options with a Yuba Community College District counselor.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a "(L)", "(M)", or "(L)(M)" in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

Students may meet the requirements for the (L) courses by:

1. Completing Reading 70 with a grade of "C" or better, or being concurrently enrolled in Reading 70, or achieving a reading placement level of "3004" or higher; or
2. Achieving an English placement level of "1003" or higher, or by achieving a grade of "C" or better in English 105 or 106, or concurrent enrollment in English 105 or 106.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by: Achieving a math placement level of "2003") or higher, or by completing with a "C" or better, Math 110, Math 111, or General Business 100; or by concurrent enrollment in Math 110, Math 111, or General Business 100.

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All new, transfer, and returning students (who have not attended a Yuba Community College District class within the last three years) will complete the matriculation process. The Yuba Community College District is committed to helping students achieve their educational goals through the matriculation process, which includes:

- .. Admission to the College
- .. Assessment of reading, English, and mathematical skill levels
- .. Orientation - provides information about programs & services, academic expectations, and procedures
- .. Counseling to assist in defining goals and developing a plan to achieve those goals
- .. Registration for classes
- .. Follow-up services to help students progress toward their educational goals.

Students are responsible for expressing a broad educational intent at the time of admission, declaring a specific educational objective within a reasonable period of enrollment, attending classes and completing assigned course work, conferring with a counselor to discuss choices, seeking out support services as needed, completing courses, and maintaining academic progress toward an educational goal.

All students are encouraged to participate in the matriculation process. However, individual students may be eligible for an exemption based upon two or more of the following criteria:

- (1) have an Associate or higher degree;
- (2) concurrently enrolled in high school;
- (3) enroll only in classes for which they have approved previous training (i.e., firefighters taking a fire science class);
- (4) enroll in fewer than 6 units;
- (5) do not plan to earn a degree or certificate;
- (6) concurrently attend at a four-year college or university;
- (7) enroll in only performance classes (e.g., acting, drawing) or activity classes (e.g., physical education);
- (8) enroll in only job-skill upgrade, self-improvement, or general interest courses.

Exemption from taking the placement exam may apply to students who:

- (1) have completed previous coursework in math, English, and reading.
- (2) have completed placement tests at another post-secondary institution and provide documentation.

Students seeking an exemption from the matriculation process must obtain an exemption form from a counselor.

Matriculation - Students' Rights, Challenge, and Complaint process:

Students may challenge any matriculation component. To do so, consult with a college counselor. Complaints may be filed with the Dean of Student Development, who is responsible for investigation and resolution of such complaints. The Dean will maintain a file on all formal complaints.

Public Law 101-542 and 102-26: Student Right to Know

Student Right-to-Know Rates for Fall 2006 cohort

Completion Rate: 19.26 %

Transfer Rate: 14.12 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990(Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2006, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2006 to Spring 2009. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2007 to Spring 2009, are transfer students.

Academic and General Information:

Address Changes

It is the student's responsibility to notify the college of an address change.

Adds and Drops

It is the **Student's Responsibility** (not the instructor's) to submit all adds and drops. Drop classes throughout the semester by Webadvisor

ASSIST

ASSIST is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from community colleges to universities.

The ASSIST database includes all of the most current official articulation agreements that every CSU and UC campus has established with any of the 112 California Community Colleges. ASSIST also includes the following complete and historical information for all 112 California Community Colleges — UC Transferable Course Agreements; CSU Baccalaureate Course Lists; IGETC Course Lists; CSU GE Certification Course Lists.

ASSIST operates as California's official statewide source for course articulation and transfer information and is freely available to all students, faculty and staff via the Internet at www.assist.org.

Attendance

Attend the first class meeting of each new class. If you can't attend, notify your professor in advance. Without prior notification, you will be dropped and waiting students will be admitted in your place. A student must be registered in order to attend classes. It is YOUR responsibility to drop by the deadline to avoid paying fees or receiving a grade.

Audit Policy

An audit fee will be charged for audited classes. The BOGW fee waiver does NOT cover the audit fee. There are restrictions on auditing a class. Please check with the Registration Office for more information.

C.S.U. General Education - Breadth Requirements

Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses. Students are also encouraged to contact the Transfer Center.

Computer/Network Use Policy

The Yuba Community College District administration has developed regulations and procedures setting forth the specific responsibilities and obligations related to use of District computers and networks. The administration has also established disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of employees and students. Contact the Information Systems Director for a copy of the regulations governing this policy.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at "C" or higher level. "D" or "F" work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

Grade Grade Points Definition

A	4	Excellent
B	3	Good
C	2	Satisfactory
D	1	Passing (less than satisfactory)
F	0	Failing

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

Grade Definition

P	Pass ("C" or better)
NP	No Pass ("D" or "F")
W	Withdrawal
I	Incomplete
IP	In Progress
RD	Report Delayed

Drug-Free School Policy

Yuba Community College District recognizes that substance abuse is a major health problem throughout the United States. Substance abuse is wrong and dangerous, and will not be tolerated.

The Yuba Community College District has implemented a comprehensive substance abuse strategy to work in combating potential drug use and use of drugs by students. The policy sets forth the procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs. More detailed information on the policy may be obtained from the Vice President of Student Services.

Graduation

Students who plan to graduate must file a PETITION for graduation. The graduation ceremony will occur near the end of the Spring semester. However, a student may graduate in the Summer, Fall, or Spring -- see DEADLINE dates to apply for graduation. It is the student's responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Records Office technicians.

I.G.E.T.C. - Intersegmental General Education Transfer Core

IGETC is a program which transfer students may use to fulfill lower division general education requirements in either the C.S.U. or U.C. system.

Completion of the IGETC does not improve eligibility for admission to the C.S.U. or U.C. system, or admission to a specific campus or program. See a counselor for segmental and campus-specific admission requirements and lower division major requirements. All courses must be completed with a grade of "C" or better. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

Parking Regulations

Parking decals are REQUIRED and must be affixed to the inside right corner of the windshield.

Decals are not transferable and do not guarantee that parking space will be available. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department.

Prerequisites, Corequisites, Advisories (Recommendations)

It is the intent of the Yuba Community College District to guide students into courses in which they will have the greatest chance for academic success. Some courses have prerequisites, corequisites, or advisories (recommended preparation) in their description. Following are the definitions for prerequisites, corequisites, and advisories on recommended preparation:

- A) "Prerequisite" is a course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program.
- B) "Corequisite" means a course that a student is required to take in the same semester with another course, i.e., Biology 15 requires a Biology 15 lab.
- C) "Advisory or Recommended Preparation" means a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

State regulations mandate that students have met the prerequisite for any class in which they are enrolled. The student must have documentation on file (placement exam, college/high school transcripts, etc.) verifying completion of English and math prerequisites. Students should consult a counselor.

Students who wish to challenge a prerequisite may file a challenge with the appropriate dean if the student can show that grounds exist for one of the following conditions:

- I. Prerequisite course is not available.
- II. Prerequisite has not been validated.
- III. Student has the knowledge or ability to succeed in the course without meeting the prerequisite; or
- IV. Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Students wishing to challenge a prerequisite should consult a counselor to discuss the procedures.

Probation Status

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how they may affect a student's educational goals. Students who are receiving financial aid or veterans' benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

Release of Student Information

In order to help protect your privacy, a PICTURE I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. Directory information may include your name, address, telephone listing, student class schedule, date of birth, other institutions attended, major, participation in activities and sports, weight and height of athletes, dates of attendance, degrees and awards received, etc. If you do not wish this information released (for example to the newspaper for the Honors List), you must file a request at the Registration Office within seven calendar days of registration. (See catalog for further details.)

Repeated Courses

Course Repetition

State legislation has recently changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal ("W") to be calculated in as a repeat. If a student receives a "W" or substandard grade, the student is only able to attempt the course for a "W" or passing grade a total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student's academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student's academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

Residency Information

Non-residents will be charged non-resident tuition to register in classes. Further information is listed in the Catalog.

Selective Service Registration

By law, MEN must register with Selective Service at age 18. If you do not register, you could be prosecuted and fined up to \$250,000 and/or be put in jail for up to five years. Registration is also required to qualify for federal student financial aid, job training benefits, and most federal employment. The Selective Service registration form can be obtained from the Registration Office, from your local post office, or by contacting the Selective Service at <http://www.sss.gov>.

Short-term Courses

Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Credit/No Credit grading option. Contact the Registration Office for deadline dates.

Smoking Policy

Smoking, and other uses of tobacco, are prohibited in all District buildings. Smoking is permitted on the campus ONLY in designated areas. Smokers are requested to deposit cigarettes, etc. in receptacles to maintain a clean campus.

Student Learning Outcomes

Student Learning Outcomes (SLO's) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO's differ from traditional measures of student success—letter grades—in that they measure specific skills within a course—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

Academic Probation:

Full-time students are placed on Academic Probation when their cumulative grade point average is less than 2.0, including grades earned in the Yuba Community College District and any other institution of higher education. Part-time students are subject to these regulations after enrolled in an accumulated total of 12 semester units in the Yuba Community College District.

Progress Probation:

Full-time students are placed on Progress Probation when 50% or more of the accumulated Yuba Community College District units of enrollment are entries of W, I, and NC. Part-time students are subject to these regulations after enrolled in an accumulated total of 12 semester units in the Yuba Community College District.

Removal from Probation:

Students are removed from Academic probation when their cumulative GPA reaches 2.00 or higher. Students are removed from Progress probation when the units of W, I, and NC grades drop below 50% of the accumulated units of enrollment as showing on their official academic record.

Dismissal:

Students who have been on Academic or Progress probation during two contiguous semesters (even though there may have been a break in attendance) are subject to dismissal from college. Dismissal may be postponed by the College Standards Subcommittee when evidence of academic improvement or extenuating circumstances exists.

Readmission:

A dismissed student may petition for readmission after consultation with a counselor. The College Standards Subcommittee will then consider the petition.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Responsibility

It is each student's responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts

The Yuba Community College District will issue the first two (ever) transcripts free of charge. Additional copies thereafter cost \$5.00 per copy. An additional \$10.00 processing fee will be charged for rush requests.

Signatures are required for release of a transcript to a student or employer. Transcripts that are to be sent to another college may be requested over the telephone. Contact the Records Office for more information. In order to protect student records, a PICTURE I.D. will be required for a student to pick up a copy of his/her transcript or schedule.

Unit Limitation

You may not take more than 19 units without approval by a counselor.

Wait Lists

Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be "added" and notified by mail. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Registration Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on the wait list.

Student Services

A.S.Y.C. - Student Government

The Associated Students of Yuba College controls student affairs, under the guidance of Campus Life. The Student Senate is the governing body of the ASYC and provides services and social activities for students. They also represent students' views to the Board of Trustees through participation on the Governing Board and college committees.

Bookstore

The Bookstore is located in the 300 building, adjacent to the cafeteria. In addition to making available for purchase the required books for each class, the bookstore also sells assorted supplies (binders, pens, paper, etc.) Hours of operation will be posted at the Bookstore. Phone: (530) 741-6998 Toll-Free: (800) 434-1443

CalWORKs

The CalWORKs program at Yuba College offers services for eligible students in the following areas: Counseling, Job Placement, and Child Care. Please contact the CalWORKs office at (530) 634-7734 for more information.

C.A.R.E. Program

The Cooperative Agencies Resources for Education (C.A.R.E.) is a state-funded program to provide educational opportunities for persons receiving TANF benefits; to provide support for their retention and academic success; to assist them in their academic or vocational objectives; and to assist them in breaking away from welfare rolls. The program provides academic, vocational, and personal counseling; financial assistance, assistance with books, child care, transportation, and group support; tutoring, peer counseling; seminars on career awareness, decision-making skills, job-seeking techniques, and parenting skills; and referral services. For further information, contact the C.A.R.E. office at (530) 741-6995.

Career Center

The Career Center offers services to assist students in selecting suitable career goals and securing employment. In addition, assessment, career decision making, career explorations, and job placement are available, plus:

- career/vocational assessment and testing;
- occupational, career, and college information;
- local/regional labor market information;
- job development with students/employers;

- job announcements and classified ads;
 - interviewing techniques and resume writing;
 - academic/civil service test preparation;
 - federal college work-study placements;
 - matching skills to job requirements;
 - directory of local/regional job lines;
 - on-campus recruitment;
 - outreach placement services to organizations, employers, Chamber of Commerce, etc.
- Appointments are preferred for assessment and employability skills information.

Child Care Center

The Child Care Center is open for the convenience of students. Children must be three years through kindergarten age and must be toilet trained. Priority is given to children of parents carrying 12 or more units. Children must be signed up for at least a half-day session. Fees for the Center vary based on the session for which each child is registered. The Center offers a pre-school program of planned learning experiences following a regular daily schedule. Facilities are available for outdoor and indoor play, learning activities and for naps. For more information, call (530) 749-3808.

Child Development Center and Preschool - Infant/Toddler

Need child care during (day, evening, Saturday) class/study time for your three to four year old? Yuba College State Preschool/Child Development Center (530) 749-3808 and Yuba-Sutter Head Start (530) 741-2995 are located at Yuba College and provide low/no-cost preschool to qualified students. Pre-registration is necessary. Call today for details, registration forms, and to secure your child's name on the waiting list. Additional low-cost child care for preschoolers/school age children is available through the Marysville Joint Unified School District (530) 741-6165, and Yuba City Unified School District (530) 741-5235.

College Success Center

The College Success Center, located in the Library, is the place to come for one-on-one help that focuses on test preparation. Peer tutors help explain classroom materials that are giving you trouble. Services are available to all students free of charge. Call (530) 741-6759 for more information.

Counseling Services

The District provides counseling services to assist students in educational planning, career assessment, and personal growth and development. Appointments are strongly recommended for developing an educational plan to assure you are taking the right courses to transfer or to meet your educational goals. Counselors can assist you with concerns that may affect your successful participation in the college experience. Call (530) 634-7766 to schedule a counseling appointment.

Student Peer Advisors are available to assist students with basic college information, completing forms, and learning about opportunities available.

Disabled Student Program & Services

The DSPS Resource Center is designed to equalize vocational and educational opportunities for students with physical limitations and/or learning disabilities. The district has a program of special services, including an adaptive physical education program, a specialized computer lab, a disabled students resource center with study aids and tutoring available. Most of the campus facilities are identified by state-approved decals as "Barrier Free." Special parking is provided for those students who have a DMV placard or special DMV license plates. DSPS students should register early, as the coordination of services does take extra time. Interested applicants should contact the program at (530) 741-6795.

English as a Second Language (ESL) Program

The ESL Program is designed to provide assistance and support to non-native English speakers. The goal is to help ESL students develop their communication skills in English and prepare them to transition into other academic subjects, vocational programs and career fields. Interpreters (Spanish/Punjabi/Hmong); counseling; placement testing; and assistance with registration are available.

Extended Opportunity Programs and Services (EOPS)

E.O.P.&S. is a state-funded program that provides financial assistance and educational support services to eligible financially and educationally disadvantaged, non-traditional students. E.O.P.&S. includes intensive supportive services which enhance the potential for student retention, successful completion of academic and vocational programs, and transfer to other educational institutions. For further qualification information, please call (530) 741-6995.

Financial Aid

Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) on-line for faster processing. Applications should be completed as soon as possible. FAFSA may be filed on line at www.fafsa.ed.gov

If you need financial assistance, stop by the Financial Aid Office in Building 100B to talk with a staff person (PICTURE I.D. REQUIRED).

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Learning Resource Center

The LRC offers a collection of books, magazines, newspapers, pamphlets, tutorial cassettes, videotapes, and internet access through our OML (Open Media Lab). For information on the LRC services, call (530) 741-6755.

ESL Counseling/Admissions Services

For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Hmong students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

Student Publication Notice/Academic Accommodations

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website: www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extracurricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

Student Support Service Program

Student Support Services (SSS) is a federally funded TRIO program. The program is designed to provide a supportive environment for low-income students who are first generation college students or students with disabilities. SSS provides academic support and specialized counseling services, in addition to financial aid assistance, a course textbook loaning library, campus visits (both local and overnight) and cultural enrichment activities. The goal of SSS is to increase the college retention rates and to help students transfer to a 4-year college or university.

Tech Prep “2+2” - Articulation Agreements

The Yuba Community College District has developed articulation agreements with many of its area high schools and ROP programs. These agreements permit students to move from secondary to post-secondary institutions without experiencing a delay or duplication of learning. Students who have met the conditions of the 2+2 articulation agreement may be eligible for advanced placement in identified courses and may also be eligible for college credit. Specific information should be obtained from a high school or college counselor or the YCCD Tech Prep Office.

Transfer Center

The Transfer Center is the District’s clearinghouse for transfer activities and programs. It links the District with

campuses of the University of California, the California State University system, independent, and out-of-state colleges and universities. The Transfer Center has a strong commitment to serving all students, with a key focus on under-represented students. The Transfer Center offers the following services:

A resource library of college catalogs, transfer guides, articulation agreements and information, applications for four-year colleges and universities, and other related transfer information;

Appointments with representatives from four-year institutions; Transfer Day and College/University Day programs; Workshops in a variety of areas. Call (530) 741-6790 for more information.

Veterans Affairs

The Yuba Community College District is approved for the training of veterans and veterans’ dependents under various laws of the United States and California. All veterans who plan to collect benefits must consult a counselor who will provide guidance in selecting programs which qualify the veteran for benefits. The student must also be approved through the Veterans Affairs Office of the Yuba Community College District. For more information on veteran’s benefits, call (530) 741-6822.

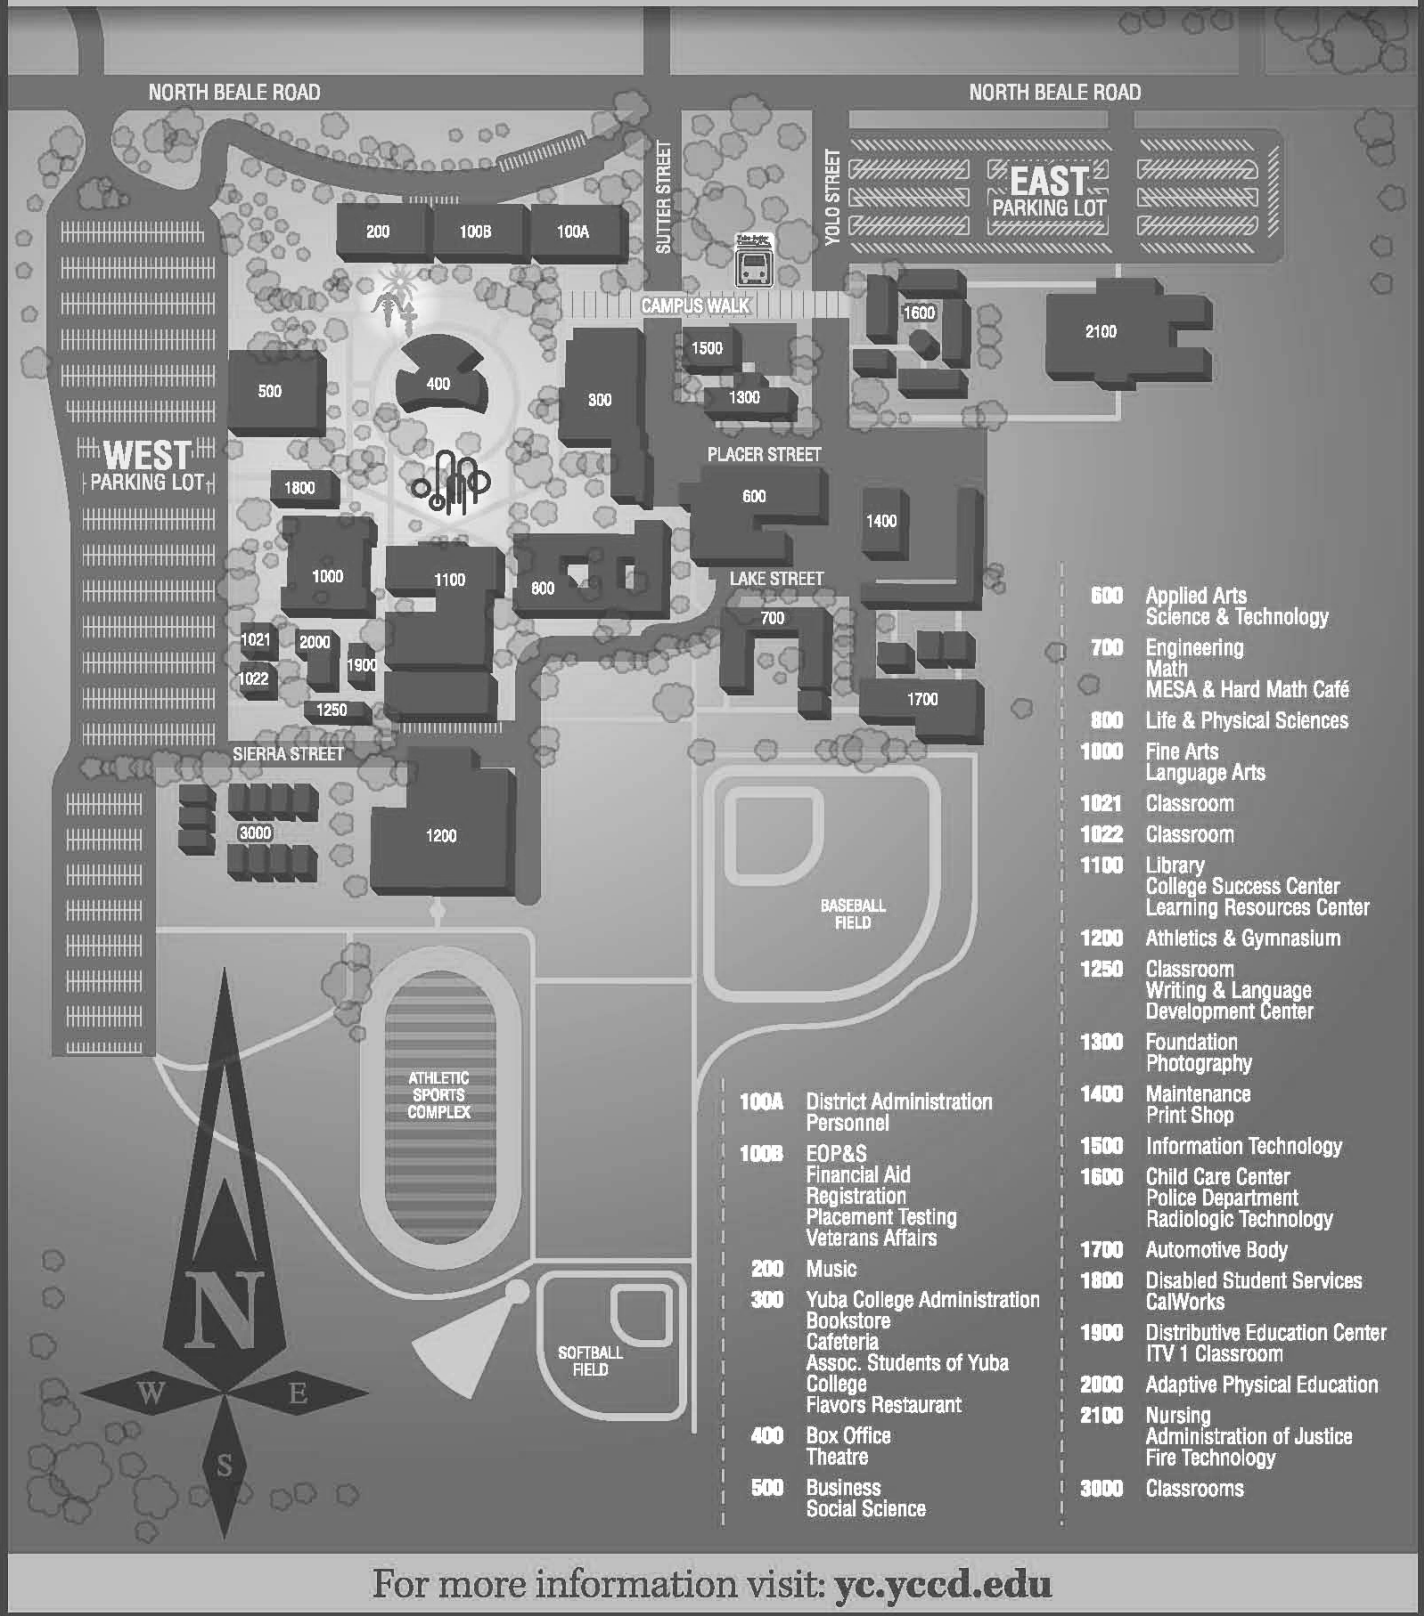

Workforce Investment Act (WIA)

The Workforce Investment Act (WIA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have un-met needs after applying for the tuition fee waiver and financial aid.

Acquiring employment, retention, and self-sufficiency through training are priorities with WIA.

The W.I.A. office on the Marysville Campus is part of the Yuba College One Stop Center. It is located in room 121. Office hours are Monday through Friday, from 8:00 AM to 5:00 PM. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, childcare, tools, fees, testing, transportation assistance, and other school related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOP&S, CARE, re-entry, unemployment, scholarships, and certain types of disability income and still qualify. For more information, please call (530) 741-6830 or e-mail: jdech@yccd.edu.
