Registration Hours

November 18, 2013 - January 3, 2014:

Monday - Thursday: 8:00 a.m. - 4:45 p.m.

Friday: 8:00 a.m. - 12:00 p.m.

December 24, 2013 - January 1, 2014:

Campus Closed: Winter Recess

January 6 - January 24, 2014:

Monday - Thursday: 8:00 a.m. - 6:00 p.m.

Friday: 8:00 a.m. - 4:45 p.m.

January 20, 2014:

Campus Closed;

Martin Luther King Day Observed

Starting January 27, 2014:

Monday: 8:00 a.m. - 6:00 p.m.

Tuesday - Thursday: 8:00 a.m. - 4:45 p.m.

Friday: 8:00 a.m. - 12 p.m.

Starting March 1, 2014:

Monday - Thursday: 8:00 a.m. - 4:45 p.m.

Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, Veterinary Technology, ADN, Psychiatric Technician, etc.)
- Courses closed by maximum enrollment of students by the “priority registration” policies;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Nondiscrimination Statement

Yuba College does not discriminate on the basis of race, color, national origin, sex (gender), physical and mental disability, age, sexual orientation, religion, medical condition, ancestry, or marital status in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the *Americans with Disabilities Act of 1991*, *Title VI of the Civil Rights Act of 1964* (pertaining to race, color, and national origin), *Title IX of the Education Amendments of 1972* (pertaining to sex), *Section 504 of the Rehabilitation Act of 1973* (pertaining to handicap), and *Age Discrimination Act of 1975* (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College's programs and activities.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. The district reserves the right to correct, modify, or change this document without notice for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District. The District further reserves the right to add to, amend, or repeal any of their rules, regulations, and procedures, consistent with applicable laws. Please be advised, students should review the latest schedule changes on WebAdvisor prior to registering for courses.

Spring 2014

Spring Semester 2014 - 84 days of regular instruction

January 13	Instruction begins for Spring Semester
January 17	**Last day to add courses or register without special permission
January 20	Academic and Administrative Holiday – Martin Luther King Day observance (Monday)
January 24	**Last day to be eligible for refund of enrollment, parking, student services fees, and non-resident tuition
January 31	Instructors are to drop No Shows for Census Roster Clearance
January 31	**Last day to drop classes without a “W” grade on permanent record
February 3	Census Date
February 7	Academic and Administrative Holiday – Lincoln’s Birthday observance (Friday)
February 14	**Last day to elect Pass/No Pass grading option
February 17	Academic and Administrative Holiday – Washington’s Birthday observance (Monday)
February 18	Academic Holiday (Tuesday)
March 2	Cal Grant deadline – Free Application for Federal Student Aid (FAFSA) completed and submitted to the federal government to determine Cal Grant eligibility and federal aid priority funding
March 31 – April 4	Spring recess; academic holidays
March 31	Administrative Holiday - Cesar Chavez Day observance (Monday)
April 3-4	Administrative Holidays
April 15	Deadline to apply for Spring 2014 Graduation
April 18	**Last day to drop classes with a “W” grade on permanent record
May 5-21	Limited student activities
May 14-21	Final examination period
May 15	Closing date for International Student Applications for Fall 2014
May 16	Commencement ceremonies
May 21	Conclusion of Spring Semester; Academic Year 2013-2014 ends
May 26	Academic and Administrative Holiday – Memorial Day observance
May 27	Grades from instructors are due for Spring 2014 semester

****Dates apply to full-semester classes; short-term class dates will vary.**

Summer 2014

June 9	Summer Session 2014 commences for regular six-week summer classes; other classes have different dates
July 1	Deadline to apply for Summer 2014 graduation

Enrollment Priorities

Statewide Priority Enrollment

(goes into effect in spring 2014 for summer/fall 2014 registration)

Order of Priority

Academic Conditions:

- 100 unit threshold
- Good standing: not on academic or progress probation for 2 consecutive terms (title 5, 55031)

1. **Ed Code:** Active duty military & veteran students, CalWORKS, and current and former foster youth* who are new & fully matriculated or continuing in good standing

2. **Existing Title 5:** New and continuing fully matriculated EOPS and DSPS students in good standing

3. Continuing students in good standing and new, fully matriculated students

District flexibility to set priorities and categories for other students

Refunds: Deadline for Short Term Classes:

You **must** drop your class by the end of the **second** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:
 31-40 days – end of 3rd class meeting
 41-50 days – end of 4th class meeting
 51-60 days – end of 5th class meeting

Deadline for Full Term Classes: January 24, 2014

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in Webadvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

Registration for Continuing Students:

Definition: If you were enrolled in a Yuba Community College District class in the Fall 2013 semester (August - December 2013) you are a continuing student:

Students who were enrolled in high school during the Fall 2013 semester are **not** continuing students. See "Current High School Students" section if still enrolled in high school or "New/Transfer/Returning Student" section if you have now graduated, for registration process.

Continuing Students Registration Process:

- 1 Apply for enrollment fee waiver (at Financial Aid Office) before registering.

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at fafsa.ed.gov.

Apply for BOGW at your local Financial Aid Office

If you were on a fee waiver for any part of the 2012-2013 year, you must re-apply.

- 2 Active duty military at Beale AFB
Go to the Beale AFB Outreach Services to register (required by Air Force for tuition assistance).

- 3 Clear all outstanding debts and holds

- 4 Use WebAdvisor at yc.yccd.edu to register on your PRIORITY registration date.
See chart (opposite) for priority date.

Adds and drops should be processed through WebAdvisor

It is your responsibility to verify that all transactions are processed by the established deadlines.

Continuing Students WebAdvisor Registration Dates for Spring

WebAdvisor registration is scheduled by the last four digits of your Social Security Number.

You may register on your scheduled priority date (see below) or thereafter.

<u>Last 4 digits of Social Security Number</u>	<u>Date for WebAdvisor Registration</u>
0000-2500.....	November 19, 2013
2501-5000.....	November 20, 2013
5001-7500.....	November 21, 2013
7501-9999.....	November 22, 2013
(and students who have no SSN on file)	

Take advantage of your status to register before new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Registration for Priority Returning Students

Definition: Enrolled at any Yuba Community College District site in the last THREE years (Fall 2011-2013), not counting Summer Session classes.

- ① Apply on-line at yc.yccd.edu
- ② You will then be eligible to use WebAdvisor (yc.yccd.edu) registration beginning: **November 25, 2013.**

Yuba College Assessment and Testing Center Hours - Room 134

December 1-19, 2013:

Monday -Thursday: 7:30 a.m. to 2 p.m.
Friday: 8 a.m. to 1:00 p.m.
(Arrive 30 minutes before closing.)

Closed December 20, 2013 - January 5, 2014

January 6-17, 2014

Monday-Thursday: 7:30 a.m. to 4:30 p.m.
Friday: 8 a.m. to 1:00 p.m.
(Arrive 30 minutes before closing)

Closed January 20, 2014

(Martin Luther King Day Observed)

Beginning January 21, 2014 (Regular Schedule):

Monday -Thursday: 7:30 a.m. to 2 p.m.
Friday: 8 a.m. to 1:00 p.m.
(Arrive 30 minutes before closing.)

Notice: Schedule subject to change without notice.
Please Call (530) 741-6864 to verify hours.

Registration New/Transfer/ Returning Students

Definition: Never enrolled in Yuba Community College District or enrolled prior to Spring 2011 or only enrolled in Summer classes

- ① **Complete (Matriculation Process):**
 - a. **An application**
Apply on-line at yc.yccd.edu
 - b. **On-line Orientation:**
From the website at yc.yccd.edu, click on Student Services-Counseling/Testing. Complete the Orientation.
 - c. **Complete the Yuba College Placement Exam if you plan to take a class with a prerequisite or if you plan to meet with a counselor for course placement.**
Contact Assessment and Testing Center, 741-6864 for placement exam times.
PICTURE I.D. IS REQUIRED.
 - d. **Prerequisite Verification:**
If you completed a prerequisite course at another college, provide documentation prior to registration.
 - e. **Counseling:**
Call the Counseling Office at (530) 634-7766 to schedule a date for counseling, assistance in selecting appropriate classes, and completion of an educational plan.
- ② After completion of application and on-line orientation process, **you will be eligible to register for classes starting November 26, 2013.**

Current High School Students:

The Yuba Community College District may accept as a Part-Time student, eligible high school students who have completed the eighth grade.

Students must submit an Application and "High School Recommendation Form," including the signature of the high school principal and the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). The Placement Exam can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
5. **Register starting December 9, 2013 in person.**

California residents are not required to pay enrollment fee -- only the student services fee (\$10.00) to register. **Non-resident students must pay non-resident tuition and the \$10 fee.** (Note: Concurrently enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Late Registration and Changes:

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature and date) on an add form is required.

WebAdvisor Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu

Don't assume you won't qualify, APPLY NOW!

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at: fafsa.ed.gov

Apply for BOGW at your local Financial Aid Office

Residency:

Residency is determined by the laws of the State of California.

California residents are those who have maintained legal residency status in California for one year PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The burden of proof rests with the student.

Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 Non-Resident tuition. If you qualify, you may be eligible for the BOGW enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.

WebAdvisor Step-by-Step Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

**Apply for
Financial Aid
before you
access
WebAdvisor.**

① Log In:

1. Use your mouse to click on the Log In button.
2. Your "Log In" ID (also known as "MyCampus Key") is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
3. Enter your (previously established) password. If you have never used WebAdvisor before, your initial password is your birth date in the format MMDDYY (i.e., Jan. 10, 1963, is 011063).
4. Click on the SUBMIT button.
To use WebAdvisor, log onto yc.yccd.edu
Click on My Campus Portal
Log in to Portal
Click on WebAdvisor Online Registration

② To Register or Add a class:

Click on Registration/Register or Drop

If you know the 4-digit synonym/class code (listed in the Schedule of Classes), select **Express Registration**. Enter the 4-digit code in the synonym/class code column. When you have entered the synonym/class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

If you do not know the 4-digit synonym, use the Search/Register for Sections. Use the pull-down menu to select appropriate term. Use the pull-down screen to enter the Subject (i.e., Art) of the class. Scroll down the screen to the "location" field and use the pull-down menu to select the location. (You need to enter the location of a class IF you are only interested in classes at a particular location. For example, a student who only wants to take a Marysville class would not want to view the classes taught at Clearlake or Woodland.) Click Submit button.

When you have the classes displayed, review the classes (including location). Click in the Select Section(s) column for those classes you want. Click Submit button.

This will create a "shopping cart" of Preferred Sections including location. **Preferred sections are NOT registered classes** -- see next step. You can select the pull-down menu to register for all sections listed, or use the pull-down menu under the ACTION Column to select "RG-Register" for each section.

You can add your name on a waitlist (if the class is full and has a waitlist). All registration rules will apply to wait-listed courses. You can only be placed on one waitlist per course -- and if you enroll in another section of that class, your name will be REMOVED from the waitlist. If you have a time conflict, you cannot be registered for a class. Time conflicts will result in you being dropped from the waitlisted class. You will be automatically moved from the waitlist to enrolled status once a space becomes available. Please review your schedule regularly.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, etc. A class with a problem will NOT be added.

WebAdvisor Registration (Continued)

③ Dropping a Class:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button.

The next screen will display a list of the REMAINING classes you are still registered in.

To verify that the course was dropped successfully either: 1) print the revised schedule, or 2) close out of WebAdvisor, then re enter and review your schedule. **Petitions will no longer be approved for registration procedure errors.**

④ Print:

Print a copy of your Schedule from WebAdvisor as your verification of enrollment. You will NOT be mailed a copy of your class schedule.

Report cards are *not* mailed at the end of the semester. Access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is *your* responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

Payment Options/How to Pay Fees

10 Days to Pay

Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. The new policy for dropping due to non payment began in the Spring 2012 semester. Payment is due within 10 days of registration if you do not qualify for a Board of Governor's Fee Waiver.

Students must:

- Be approved for a BOGW (Board of Governor's Fee Waiver) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan (deadline to enroll is: January 17, 2014)

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending.

Students who do not take one of these actions will be subject to being dropped from their classes for non-payment. Before registering for classes, **you must have your BOGW waiver in place** or you will be directed to:

1. Pay your registration fees in full at MyCampus Portal located on our website, yc.yccd.edu

Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. Setup a Payment Plan

Students may sign up for a payment plan at yc.yccd.edu. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. There is a \$25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, fee waiver or payment plan.

Board of Governors Enrollment Fee Waiver:

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California Board of Governors Fee Waiver (BOGW). If you qualify, the BOGW program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

The best way to apply for this BOGW program is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov. When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a BOGW you will save the cost of tuition and possible qualify for a Pell Grant which can help pay for your books.

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit. Fees are set by State. If fee is increased students are billed at the new rate.	All students, except those eligible for a Board of Governors' Enrollment Fee Waiver (BOGW) & Concurrently enrolled students
Student Services Fee	\$10 per semester	All students, except those qualified for the BOGW waiver

Foreign Student Tuition Non-Resident Tuition	\$190 non-resident fee - \$20 capital outlay fee Total: \$210 per unit	All non-resident foreign students (from another country)

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

Attend the first day of class!

Information and expectations presented in the first class session are critical to successful participation in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day "may" be dropped. However, **do not assume the instructor will automatically drop you from classes. Students are responsible for dropping classes they do not attend.**

AB 540 Dream Act

The Law: AB 540 authorizes any student, including undocumented students, who meet specific criteria to pay instate tuition at California's public colleges and universities.

AB 540 Eligibility Requirements:

- Must have attended a California high school for 3 or more years;
- Must have graduated from a California high school or attained the equivalent of a high school diploma (received a GED or passed the California High School Proficiency Exam);
- Must have registered or currently be enrolled at an accredited institution of higher education in California;
- Must have filed or will file an affidavit stating that will apply for legal residency as soon as possible; and
- May not be a non-immigrant holding a valid lettered non-immigrant Visa 5.

AB 540 Affidavit - "California Non-Resident Tuition Exemption Request"

In order to receive the exemption from non-resident tuition, students must obtain, complete, and submit the AB 540 Affidavit to the Admissions and Records Office. Students may be required to submit additional documentation such as high school transcripts and appropriate records of high school graduation or the equivalent.

The California Dream Act

AB 130 allows students, who meet AB 540 criteria (California Education Code 68130.5(a)), to apply for and receive non-state funded scholarships for public colleges and universities; AB 131 allows students, who meet AB 540 criteria, to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant. Therefore, AB 540 students are allowed to apply for the following types of financial aid:

- Board of Governors Fee Waivers (BOG) beginning in the Spring of 2013.
- State financial aid like Cal Grants and Chafee Grants beginning 2013-2014 Academic year.
- Assistance from EOPS, CARE or Cal-WORKS
- Privately-funded scholarships

If eligible for the AB 540, students must:

- Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
- Contact the Financial Aid Office to determine the next steps to take
- Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
- Students who do not have a Social Security Number need to enter a California Dream Act
- Application at: <https://dream.csac.ca.gov/>

E-mail, Sky Drive, Photo Gallery and Web Office

Why Should You Use Yuba College E-mail?

- The college will use this e-mail to communicate with you.
- You can create documents using Microsoft Word, Excel, Power Point and OneNote
- Store up to 25 gigabytes of data on the skydrive
- Create and share photo albums

Instructions:

- ➊ Go to the Yuba College web site: yc.yccd.edu
- ➋ Click on My Campus Portal (Left blue bar)
- ➌ Use your WebAdvisor login and password BUT put `ycdweb\` in front of your WebAdvisor log in
- ➍ Your password is your WebAdvisor password

Placement Levels: *Exam Information*

Assessment in reading, English, and math helps to determine the student's academic skill levels and needs. Placement exam results are one of the multiple criteria used to counsel and help place students into suitable classes and to create a Student Educational Plan (SEP) to define educational goals. The exam may also be used to meet course prerequisites. The exam is NOT used for admission purposes and is given free of charge. **(Picture I.D. is required to take the exam.)**

The Yuba Community College District offers the College Board Computerized Placement Test System (CPTS). Students receive their placement exam results immediately upon completing the test. No computer skills are necessary to take the exam. A **PRACTICE** exam is available on our web site - www.yccd.edu. Click on "Students" and "Sample Test."

All District sites offer the exam by appointment, and some also offer walk-in convenience. Students may enroll in courses above their placement level only through the challenge process.

Placement Exam Locations:

Call the office at (530) 741-6864 to obtain information on dates and times which will be most convenient for you to complete the placement exam.

After satisfactorily completing the beginning level class (grade of "C" or better), students progress to the next higher class level. All students are advised to discuss their placement options with a Yuba Community College District counselor.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a "(L)", "(M)", or "(L,M)" in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

Students may meet the requirements for the (L) courses by:

1. Completing Reading 70 with a grade of "C" or better, or being concurrently enrolled in Reading 70, or achieving a reading placement level of "3004" or higher; or
2. Achieving an English placement level of "1003" or higher, or by achieving a grade of "C" or better in English 105 or 106, or concurrent enrollment in English 105 or 106.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by: Achieving a math placement level of "2003" or higher, or by completing with a "C" or better, Math 110, Math 111, or General Business 100; or by concurrent enrollment in Math 110, Math 111, or General Business 100.

		2009	Math 1A				

Important Reminders:

Prior to your first semester:

- Submit your application
- Apply for a Fee Waiver and/or Financial Aid
- Provide official copies of all educational transcripts
- Take the placement exam
- Locate the Library, College Success Center, Hard Math Cafe, Veterans Service Office, Career and Job Placement Offices, Transfer Center, Bookstore, Re-entry/WIA Office, CalWORKS Office, and DSPS Office
- Complete an on-line orientation
- Meet with a counselor
- Initiate an educational plan
- Register for classes and pay fees
- Tour the campus

Every semester:

- Meet with your counselor
- Update your educational plan
- Research careers in the Career Center
- Meet with university representatives
- Research transfer universities at the Transfer Center
- Check on scholarships
- Request tutoring, if needed, in the College Success Center

Learning Resource Center Opens!

The following offices will relocate to the LRC, Building 1100, beginning in January 2014:

Adjunct Faculty Resource Center
 College Success Center
 Distributive Education
 Fine Arts and Language Arts Dean
 ITV Classroom
 Journalism
 Language Arts Faculty
 Library & Cyber Lab
 LRC Receiving
 Mass Communications
 Media Services
 Writing and Language Development Center

CODE DAYS TIMES INSTRUCTOR ROOM

Agriculture and Plant Science

AG 14 Entrepreneurship 3 units

Transferable to CSU

Principles of establishing and managing a small business, including the preparation of a business plan; emphasis on goal-setting, types of business organizations, obtaining licenses and permits, financing options, accounting aspects, legal requirements, managing the enterprise, and other aspects in business entrepreneurship. Not open for credit to students with credit in MGMT 14. (L,M)

On-Line

9433 TBA TBA C.Peterson NET

AG 45 Principles of Animal Science 3 units

Transferable to CSU/UC

An overview of the principles of animal science and the interrelationships of domestic animals and humankind. This course will investigate animal anatomy, physiology, reproduction, nutrition, health, products and by-products, as well as behavior and genetics from a scientific prospective. Current topics on influences of humans on genetic potential and productivity will be addressed. Experimental design and reporting, animal dissections, basic animal handling and husbandry practices, recognition of animal health, and use of biotechnology in animal science. Not open for credit to students with credit in AG 45L. (L,M)

On-Line

9784 TBA TBA B.Strong NET
9911 TBA TBA B.Asmus WNET

Plant Science

PLSCI 21 Fertilizers and Plant Nutrition 3 units

Transferable to CSU

Covers the composition, value, selection, and use of fertilizer materials and soil amendments. Soil, plant, and fertilizer relationships will be covered. Application practices currently being used in California will be discussed. Organic fertilizers will also be discussed. (L,M)

On-Line

9582 TBA TBA M.Howard NET

PLSCI 22 Introduction to Soils 3 units

Transferable to CSU/UC - UC Unit Limit

Physical, chemical, and biological properties of soils as related to plant growth and soil formation. Including the study of soil development, classification and characteristics; soil use and management including erosion, moisture retention, structure, cultivation, organic matter and microbiology. Not open for credit to student with credit in PLSCI 22L.(L,M)

Yuba College

PLSCI 30 Principles of Pest Management 3 units

Transferable to CSU

Principles of pesticide management including: pesticide laws and regulations; identification and symptoms of plant pests; modes of pesticide action; principles of integrated pest management; non-pesticide pest control; effective and safe use of herbicides, insecticides, fungicides, and other crop protection chemicals; and pesticide record-keeping. Assists students in preparation for the State applicator certification test. (L,M)

On-Line

9425 TBA TBA S.Haskell NET

PLSCI 31 Introduction to Sustainable Agriculture 3 units

Transferable to CSU

Introduction to the history, definitions, concepts, principles, and practices of sustainable agricultural systems. Sustainability topics to be discussed include: organic farming, integrated pest management, holistic resource management, non-organic sustainable agriculture, low-input sustainable agriculture, etc. Local examples of enterprises using sustainable agricultural systems will be discussed. (L)

On-Line

9672 TBA TBA B.Asmus WNET

Anthropology

ANTHR 1 Introduction to Physical Anthropology 3 units

Transferable to CSU/UC

Study of human biology, genetics, theory of evolution, primatology, changes in humans through time, human fossil record, human variations today, significance of culture. (L)

Sutter County

7661 MW 4:00PM-5:15PM J.Hale SF-211

Automotive Technology

AUTO 70 Introduction to Autobody Technology 4 units

Introduces the student to the fundamentals of autobody collision repair. Topics will include Hazardous Material Regulations including handling, storage, and disposal of hazard wastes, MSDS code information, personal protective equipment, repair facility safety, Oxyacetylene applications, the brazing process, vehicle design and collision energy management, repair issues, interior and exterior hardware, painted pinstripes, speaker mountings, and other bolt-on accessories. (L)

Yuba College

6782	M	9:00AM-11:50AM&	D.Schumacher	M-1701
	W	9:00AM-11:50AM		

AUTO 75 I-Car Structural Steel I 4 units

This course will cover the first two sections of straightening structural steel. Course will include computerized measuring, vehicle dimensions, measuring equipment and operation and correcting structural damage. (L)

Yuba College

3926	M	1:00PM-3:50PM&	D.Schumacher	M-1701
	W	1:00PM-3:50PM		

AUTO 78A I-Car Autobody Shop Experience 4 units

Designed to refine the student's skills needed to be successful in a collision repair environment. Student will use the latest industry training standards to repair and refinish late model vehicles to factory standards. The student will be tasked with estimating and preparing a repair plan and completing those repairs. Corequisite: AUTO 75, WELD 20. Prerequisite: AUTO 70, 76, 77.

Yuba College

1846	T	9:00AM-11:50AM&	D.Schumacher	M-1701
	TH	9:00AM-11:50AM		

AUTO 95 State Emission Control License 7 units

Emphasis on preparing individuals who desire to be qualified in order to pass the State Emission Control License. Intended for A-6 & A-8 certified automotive technicians and majors. Prerequisite: AUTO 55.

Yuba College

1845	M	6:00PM-9:50PM&	M.Morse	M-616
	W	6:00PM-8:15PM&

CODE DAYS TIMES INSTRUCTOR ROOM

Biology

BIOL 1 Principles of Biology 5 units

Transferable to CSU/UC

An introduction to biology for majors that emphasizes the molecular, cellular, and environmental processes that are common to most organisms. Topics include an introduction to: biomolecules, cell structure, reproduction, enzymes, fermentation, respiration, photosynthesis, molecular genetics, heredity, and evolution. Background in high school biology or chemistry is recommended. Prerequisite: MATH 52. (L,M,C)

Yuba College

3498	MWF	11:00AM-11:50AM&	MS-Staff	M-803&
	MW	8:00AM-10:50AM		M-804
3499	MWF	11:00AM-11:50AM&	MS-Staff	M-803&
	MW	1:00PM-3:50PM		M-804

BIOL 3 General Botany 4 units

Transferable to CSU/UC

Applies the concepts introduced in Biology 1 to the study of plants and general ecology. Topics include morphology, physiology, systematics, and evolutionary trends among cyanobacteria, algae, fungi, and plants. Population, community, and ecosystems dynamics of higher plants will be emphasized. Designed primarily for biology majors and related fields but open to all qualified students. Prerequisite: BIOL 1 (BIOLOGY MAJORS) or BIOL 15 and MATH 52. (L)

Yuba College

2601	TTH	8:00AM-8:50AM&	MS-Staff	M-803&
	TTH	9:00AM-11:50AM		M-804

BIOL 4 Human Anatomy 4 units

Transferable to CSU/UC

An introduction to the gross and microscopic structure of the human body with an emphasis on the anatomy and the interrelationship between structure and function of the tissues, organs, and organ systems. Prerequisite: BIOL 1 or 15.(L,C)

Yuba College

3831	TTH	1:00PM-1:50PM&	J.Stollberg	M-846&

Cooperative Work Experience Education

Mandatory:

All students enrolled in CWEE must attend one orientation session: Room 2149

Full Semester Classes:

Tuesday, January 14 or 21 from 12:15 p.m.-1:00 p.m.
Thursday, January 16 or 23 from 12:15 p.m.-1:00 p.m.
Friday, January 17 or 24 from 5:30 p.m.-6:20 p.m.

Second Half Semester Classes:

Tuesday, March 18 from 12:15 p.m.-1:00 p.m.
Thursday, March 20 from 12:15 p.m.-1:00 p.m.
Friday, March 21 from 5:30 p.m.-6:20 p.m.

CWEE 44A 1st Semester General Work Experience v1-3 units

Transferable to CSU

Coordination of introductory on-the-job learning with college experience to develop desirable work habits, attitudes, and career awareness through supervised "paid" employment. A maximum of sixteen (16) semester units can be earned in General Work Experience during a student's enrollment at Yuba Community College District with a three(3) unit maximum in any one semester. Students enrolled in this class are not eligible for other Cooperative Work Experience/Internship classes during the same semester. Students may not exceed sixteen (16) units in the combination of programs (CWEE 44A/44B, CWEE 45A/B or INTRN 46A/B). Co-requisite: Must have PAID position. Grades are P/NP. (L)

Transferable to CSU

Methods of tutoring to include the role of the tutor, effective communication skills, tutoring a diverse multicultural population, utilization of learning resources, learning styles, study strategies, and evaluation of effectiveness of tutoring. Focus will be on psychological and social factors fundamental to learning.

On-Line

9671 TBA TBA L.Richard WNET

LEARN 155 Beginning Assistive Computer Technology 2 units

Designed for students with disabilities who have limited computer experience. Focus is on use of keyboard/mouse, personal data storage, basic MS Word, use of MyCampus Portal and Blackboard, Internet use, educational websites and software for independent learning. Incorporates an overview of currently available assistive computer technology used to meet the educational needs of students with physical, learning, and cognitive impairments. Grades are P/NP.

Yuba College

6648 TTH 10:00AM-10:30AM& T.Hukill-Derock M-1820
TTH 10:30AM-11:50AM

LEARN 156 Intermediate Assistive Computer Technology 1 unit

Designed for students with disabilities in need of assistive computer technology to ensure equal access to college materials and improved efficiency on academic tests. Prepares students for independent use of current technologies available in college computer labs, modern work environments and personally adapted home computer systems. Recommendation: basic reading/writing skills and familiarity with computers. Grades are P/NP.

Yuba College

7704 TTH 1:00PM-1:15PM& J.Frost M-1820
TTH 1:15PM-1:50PM

LEARN 174 Basic Math Facts and Operations 3 units

Mastery of basic mathematical facts of addition, subtraction, multiplication, and division; basic operations with whole numbers; and addition and subtraction of like fractions. Grades are P/NP.

Yuba College

7043 TTH 12:00PM-12:50PM& P.Brokaw M-1015

Learning Assistance

LEARN 180 Reading and Writing Development 3 units

Designed especially for students with disabilities and others who have difficulty learning by traditional methods. Introductory course in basic reading/writing development in preparation for subsequent coursework requiring academic language arts skills. Emphasis on exploring current perception as a reader/writer, utilizing strategies for improved reading comprehension, understanding sentence/paragraph structure, building skills in mechanics of writing, and expanding vocabulary. This class will incorporate the use of educational technology to accelerate learning as a tool for raising efficiency of reading/writing tasks. Recommendation: Basic reading/writing skills, familiarity with computers and readiness for college participation.

Yuba College

7495 MWF 11:00AM-11:50AM T.Gustie M-1016
4253 TTH 1:00PM-2:15PM P.Brokaw M-1015

LEARN 251 Academic Evaluation .5 unit

Designed for students who wish to better understand their individual spectrum of learning aptitudes including current achievement levels. Eligibility for academic accommodations may be considered based on testing information using step-by-step guidelines mandated by the California Community College System. Grades are P/NP.

Yuba College

4313 TBA TBA T.Hukill-Derock M-1819
Instructor permission required to enroll in this course. 9 hours to be arranged with instructor. E-mail instructor at: thukilld@yccd.edu

Library Science

LIBSC 1 Basic Research Skills 1 unit

Transferable to CSU

This course will help students acquire beginning information literacy skills necessary to conduct academic or personal research. It provides a step-by-step guide to the research process that is applicable to term papers, course work, and life-long learning. It emphasizes developing effective search strategies, selecting information tools, locating and retrieving information sources, analyzing and critically evaluating information, and using information. John Steverson: Math 52

Bruce Troxel: Math 50 and 52

MATH 1A Single Variable Calculus I- 5 units

Early Transcendentals

Transferable to CSU/UC - UC Unit Limit

A first course in differential and integral calculus of a single variable: functions; limits and continuity; techniques and applications of differentiation and integration; fundamental theorem of calculus. Primarily for science, technology, engineering and mathematics majors. Prerequisite: MATH 7 or MATH 20 and MATH 21 or satisfactory score on the mathematics placement test. (L,M)

Yuba College

4236 MTWTHF 1:00PM-1:50PM C.Noffsinger M-843

CODE DAYS TIMES INSTRUCTOR ROOM

Mathematics

MATH 1B Single Variable Calculus II- 4 units

Early Transcendentals

Transferable to CSU/UC

A second course in differential and integral calculus of a single variable: integration; techniques of integration; infinite sequences and series; polar and parametric equations; applications of integration. Primarily for science, technology, engineering and mathematics majors. Prerequisite: MATH 1A. (L,M)

Yuba College

4237 MTTHF 10:00AM-10:50AM K.Boyes M-843

MATH 2B Differential Equations 3 units

Transferable to CSU/UC

Topics in ordinary differential equations. Various solutions to elementary differential equations, required for most Engineering majors. MATH 2A is recommended. Prerequisite: MATH 1B with a grade of "C" or better. (L,M)

Yuba College

4558 MWF 1:00PM-1:50PM K.Wardlaw M-713

MATH 3 Linear Algebra 3 units

Transferable to CSU/UC

The course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. Prerequisite: MATH 1B. Recommended successful completion of MATH 1C. (L,M)

Yuba College

4559 TTH 1:00PM-2:15PM K.Wardlaw M-713

MATH 9 Calculus for Business, Social/ 4 units

Life Science

Transferable to CSU/UC - UC Unit Limit

Topics of calculus including differentiation, integration, graphs, limits, and rates. Applications from economics, business, life science, and behavioral science. Not open for credit to student with credit in MATH 1A. Prerequisite: MATH 52 or MATH 52B. (L,M)

Yuba College

1086 TTH 8:00AM-9:50AM J.Thoo M-846

CODE DAYS TIMES INSTRUCTOR ROOM

Mathematics

MATH 50A Elementary Algebra First Half 3 units

Introductory algebra; topics include signed numbers, graphing, linear equations, and introduction to functions. Designed for a wide variety of students, including those who have been unsuccessful in MATH 50, are math anxious, or desire a slower paced, year-long version of MATH 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them, is the first half of Elementary Algebra and, together with MATH 50B, is equivalent to MATH 50 for courses that require MATH 50 as a prerequisite. Prerequisite: Qualifying score on Placement Examination, or MATH 111 with a grade of "C" or better. (L)

Yuba College

5539 TTH 1:00PM-2:15PM MS-Staff M-818

MATH 50B Elementary Algebra Second Half 3 units

Introductory algebra; topics include quadratic equations, absolute value equations, systems of linear equations in two variables, compound inequalities, factorization of polynomials. Designed for a wide variety of students, including those who have been unsuccessful in Math 50, are math anxious, or desire a slower paced, year-long version of Math 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them, is the second half of Elementary Algebra and, together with Math 50A, is equivalent to Math 50 for courses that require Math 50 as a prerequisite. Math 50B is also suitable for students who desire to review the latter part of Math 50 before taking Math 52. Prerequisite: MATH 50A with a grade of "C" or better. (L)

Yuba College

2774 TTH 9:00AM-10:15AM C.Noffsinger M-713

MATH 51 Plane Geometry 3 units

Introductory plane geometry, the study of geometric relationships in the plane from an inductive and deductive viewpoints. Satisfies the university admission requirement of high school plane geometry. Prerequisite: MATH 50 with a grade of "C" or better. (L,M)

Sutter County

7521 MW 5:30PM-6:45PM MS-Staff SF-102

Nursing

NURS 1 Fundamentals of Medical Surgical 9 units

Transferable to CSU

Fundamentals of Medical Surgical Nursing introduces the foundational concepts, knowledge and skills essential to the practice of professional nursing. This course provides an introduction for the first semester nursing student to concepts and practices as they relate to the non-critical young adult through geriatric adult in the medical surgical (and/or skilled care) environment. Through utilization of the nursing process, the student will begin to recognize alterations in physiological functioning and formulate age and acuity appropriate nursing interventions. Selected psychomotor skills associated with meeting the basic needs, medication administration, physical assessment, and sterile techniques will be studied and practiced. Nursing 1 is a web-enhanced course using the college Blackboard learning system. Corequisite: NURS 11. Prerequisite: NURS 36, NURS 26. Formal admission to the Yuba College Nursing Program. (L,M)

VETT 54 Public Health and Infectious Disease 3 units

This course introduces the core concepts of public health emphasizing zoonotic and infectious diseases important to both human and animal health. Collaborative efforts between human and veterinary medical professions through the "One Health Initiative" will be discussed, including issues and developments in food safety, global health and the principles of epidemiology in risk assessment and effective public health interventions. (L)

On-Line

9553	TBA	TBA	B.Loghry	NET
------	-----	-----	----------	-----

VETT 55 Veterinary Medical Terminology 3 units

The study and application of medical terms used in veterinary medicine. (L)

On-Line

9692	TBA	TBA	B.Loghry	NET
------	-----	-----	----------	-----

VETT 56 Shelter Medicine 3 units

An overview of animal shelter medicine and issues. Includes: behavioral assessment, infectious disease prevention and control, population perspective on disease management, emergency care and triage, and pet and shelter population dynamics will be discussed. (L)

On-Line

9684	TBA	TBA	S.Haskell	NET
------	-----	-----	-----------	-----

VETT 57 Animals and Society 3 units

An interdisciplinary approach to examining the diverse roles of animals in society, the evolution of human attitudes toward animals, and animal responses to humans. Emphasis will be placed in the role of animals in human society (anthrozoology), animal social construction, and the moral relationship of animals in human society. Directed independent work will provide the student with individual experiences in animal societal issues. Students will design and complete an independent study project. (L)

Welding Technologies

WELD 10 Introduction to Arc Welding (SMAW) 4 units

Transferable to CSU

This course to advance beginning arc welding skills with an emphasis on SMAW. Power sources, electrode identification, weldability of metals, joint design, air arc, oxyacetylene cutting, and introduction to GTAW and GMAW are covered. Activities include learning to weld stringer and weave bead, butt and fillet welds in the flat, horizontal, vertical and overhead positions. (L)

Yuba College

Beale AFB Outreach Services:

(530) 788-0973

Office Hours:

Monday-Thursday: 8:00 a.m. - 5:00 p.m.

Friday: 8:00 a.m. - 3:30 p.m.

Computerized Placement Exams:

Placement Examinations are available by appointment at Beale. Please call to schedule an appointment.

Counseling Services:

A Yuba College counselor is available at Beale AFB. Please call to schedule a counseling appointment.

Textbook Sales:

Books may be purchased at the Yuba College Bookstore.

Notice to Students Enrolling in Beale Air Force Base Classes:

Civilian student access to Beale AFB: Civilian students who fulfill the security clearance requirement will be allowed access to Beale Air Force. Beale Air Force Base Security Forces require that Yuba College provide specific student data for all civilian students enrolled in Beale classes. Security Forces will use this information (including driver's license number) to insure that students entering Beale Air Force Base are free of any outstanding wants and warrants. Students without a valid Drivers License must present a valid California Identification Card (issued by the DMV), In order to collect and report the required data, each student enrolling in Beale Center classes must complete a "Yuba College - Beale Air Force Security Information Release and Agreement" form. Students using telephone or web registration may access the form by clicking on the Beale AFB link at the Yuba College website. Completion of this form is required and is the student's responsibility. Without exception, students who fail to comply with this requirement will not be admitted to Beale Air Force Base.

Beale AFB Outreach Services:

Welcomes the opportunity to serve the active duty members and their families. The Beale AFB Outreach Services of Yuba College provides counseling, assessment, financial aid information and registration

Military members must register at Beale AFB Outreach, regardless of where classes are located.

HIST 17B United States History 3 units

Transferable to CSU/UC - UC Unit Limit
 Political, social, economic, and cultural history of the United States from the Industrial Revolution to the present. Focuses on the ideals, decisions, forces, institutions, individuals, events, and processes that affected the continuity and change during this time. Satisfies CSU Title V, Section 40404, U.S. History, Constitution, and American Ideals requirement when both HIST 17B and POLSC 1 or HIST 17A are completed. (L)

Beale AFB

4414 TTH 4:40PM-7:30PM T.Albertson B-BEALE
 03/17/14 to 05/21/14

Civilian students seeking admission to Beale AFB must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

HUMAN 5 Art Appreciation 3 units

Transferable to CSU/UC
 Introduction to art appreciation with an emphasis on basic 2D, 3D, and film mediums and their relationships to humanities. Historical and contemporary work with a multicultural focus will be emphasized. Not open for credit to student with credit in ART 5. (L)

Beale AFB

7374 TTH 4:40PM-7:30PM V.Constantino B-BEALE
 03/17/14 to 05/21/14

Civilian students seeking admission to Beale AFB Must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

MATH 50 Elementary Algebra 4 units

Introductory algebra. Topics include signed numbers, graphing, linear equations, quadratic equations, and systems of linear equations in two variables. Prerequisite: MATH 111 with a grade of "C" or better or qualifying score on Placement Examination. (L)

Beale AFB

4561 MW 4:40PM-6:30PM M.Davenport B-BEALE
 Civilian students seeking admission to Beale AFB must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

CODE DAYS TIMES INSTRUCTOR ROOM

MATH 52 Intermediate Algebra 4 units

Fundamental operations of algebra; linear and quadratic equations and inequalities; exponents and polynomials; rational expressions; radicals and fractional exponents; graph of a straight line; linear and quadratic system of equations; conic sections; exponential and logarithmic functions. (L) Prerequisite: MATH 50 with a grade of "C" or better. (L,M)

Beale AFB

4582 MW 7:40PM-9:30PM M.Davenport B-BEALE
 Civilian students seeking admission to Beale AFB must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

PHIL 1 Introduction to Philosophy 3 units

Transferable to CSU/UC
 To introduce students to the nature and practice of philosophic inquiry by focusing on traditional philosophic issues from a multicultural perspective. Particular emphasis will be given to classic Western philosophers as well as classic Eastern sources. (L)

Beale AFB

5046 MW 4:40PM-7:30PM W.Lester B-BEALE
 03/17/14 to 05/21/14

Civilian students seeking admission to Beale AFB must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

PHIL 20 World Religions 3 units

Transferable to CSU
 A survey of the beliefs and practices of Eastern and Western religious traditions. Emphasis will be given to the origin and development of each tradition, its major forms of expression, and the various ways in which each tradition addresses the most fundamental questions of human existence. (L)

Beale AFB

1338 MW 4:40PM-7:45PM W.Lester B-BEALE
 01/13/14 to 03/14/14

Civilian students seeking admission to Beale AFB must comply with requirements outlined at <http://yc.yccd.edu/campuses-centers/beale/civilian>

POLSC 1 Introduction to American Government 3 units

Transferable to CSU/UC
 Survey of American government and politics, covering three parts: the foundations, politics and institutions. First, it will explore the foundations of American democracy, such as: political culture, the Constitution, civil liberties, and civil rights. Second, it will analyze American politics in the aspects of the media, political parties, elections, and interest groups. Finally, political institutions will be examined, such as Congress, the presidency, the courts, and the federal bureaucracy. State and local governments are included. Satisfies Governments(s) Constitution(s) portion of California State University Title 5, Section 40404. (L)

Beale AFB

YCCD eLearning & Instructional Television Courses

The YCCD eLearning and Instructional Television courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Successful students must: **1)** Have reliable access to a computer and the internet; **2)** Commit to 10 hours per week, per course; **3)** Use good time management; **4)** Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research, **IT/BCA 42A:** Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

Exam proctoring is available for ITV & Online courses. Contact jobryan@yccd.edu **or 530-741-6754**

Television access to the following cable TV companies: Comcast Cable, Channel 18 (Yuba, Sutter); Comcast Cable, Channel 37 (Maxwell, Arbuckle, Williams); Wave Broadband, Channel 19 (Woodland); Cableview, Channel 96 (Esparto), MediaCom, Channel 8 (Clearlake); Comcast Cable, Channel 43 (Colusa). Students may also view ITV lectures in the Canvas course or in the portal Class Sites 🍏

Problems logging into Canvas contact: helpdesk@yccd.edu

Problems once you're logged into Canvas: select the help tap in the upper right corner and submit a ticket.

For additional info call: 530-741-6754.

MyCampus Portal course materials

If your instructor uses MyCampus Portal to post class materials, you will need to log into the MyCampus Portal to locate your Course Site. <http://yc.yccd.edu/campus/mycampus.aspx>

CHEM 10 Concepts of Chemistry				3 units	ECE 3 Child Growth and Development				3 units
<i>Transferable to CSU/UC - UC Unit Limit</i>					<i>Transferable to CSU/UC</i>				
A survey of basic concepts and practices of chemistry. Designed for non-science majors desiring an introduction to fundamental chemistry concepts and skills. Not intended for students who will enroll in subsequent chemistry coursework. (L)					This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual difference and analyze characteristics of development at various stages. Designed as a foundation course for careers in ECE, Education, Human Services, Health and related fields. (L)

Collaborative efforts between human and veterinary medical professions through the "One Health Initiative" will be discussed, including issues and developments in food safety, global health and the principles of epidemiology in risk assessment and effective public health interventions. (L)				
VETT 3 Pharmacology for Veterinary Technicians 3 units <i>Transferable to CSU</i> Concepts of veterinary anesthesia and pharmacology to include agents used as pre-anesthetics, induction agents, and general anesthesia, the physiological impacts of anesthesia on the body, patient prep, high-risk patients and complications. Pharmacokinetics in animals, principles and mechanism of drug action, drug types and legal requirements. (L,M)					On-Line 9553 TBA TBA B.Loghry NET				
On-Line 9552 TBA TBA T.Harison NET					VETT 55 Veterinary Medical Terminology 3 units The study and application of medical terms used in veterinary medicine. (L)				
VETT 5A Veterinary Technology Internship A v1-4 units <i>Transferable to CSU</i> Formal, structured off-campus clinical experience in licensed veterinary facilities, which serve as a means of instructing the student in practical, hands-on, clinical skills in all aspects of veterinary assisting. The student is under the direct supervision of one or more licensed veterinarians and/or credentialed veterinary technicians. The site of the preceptorship is approved by the veterinary technology program in consultation with the student and the veterinary professionals. Integration into a veterinary health care team and exposure to varied methodologies and practice philosophies in a variety of clinical settings. Practical application of knowledge, skills, and attitudes acquired in the concurrent course work. Rotation through various facilities is required. Apply clinical application of anatomy and physiology, interpersonal skills and effective team building. Perform patient assessments and administer basic clinical procedures. Prerequisite: VETT 91 or Consent of the instructor. (L,M)					On-Line 9692 TBA TBA B.Loghry NET				
On-Line 9670 TBA TBA M.Kratochvil NET					VETT 56 Shelter Medicine 3 units An overview of animal shelter medicine and issues. Includes: behavioral assessment, infectious disease prevention and control, population perspective on disease management, emergency care and triage, and pet and shelter population dynamics will be discussed. (L)				
VETT 9 Laboratory Animal Medicine 3 units <i>Transferable to CSU</i> Introduction to laboratory animal medicine. Appropriate methods of animal handling, restraint, management practices, husbandry, nursing, care and observation of laboratory species will be emphasized. Course will provide information and handling skills which will help the student prepare for AALAS certification. (L)					On-Line 9684 TBA TBA S.Haskell NET				
On-Line 9646 TBA TBA N.Rochin NET					VETT 57 Animals and Society 3 units An interdisciplinary approach to examining the diverse roles of animals in society, the evolution of human attitudes toward animals, and animal responses to humans. Emphasis will be placed in the role of animals in human society (anthrozoology), animal social construction, and the moral relationship of animals in human society. Directed independent work will provide the student with individual experiences in animal societal issues. Students will design and complete an independent study project. (L)				
					On-Line 9797 TBA TBA N.Rochin NET				

CODE DAYS TIMES INSTRUCTOR ROOM

CODE DAYS TIMES INSTRUCTOR ROOM

VETT 59 Veterinary Technology Board Review 2 units

Review of pertinent subject matter in preparation for the California State Veterinary Technician and National Board Examinations. Also includes test taking skills, test anxiety reduction techniques and practice board exams. Grades are P/NP. (L)

On-Line

9647 TBA TBA M.Kratochvil NET

VETT 91 Veterinary Assisting 3 units

Concepts of veterinary medicine needed to function effectively as a veterinary assistant, veterinary receptionist, kennel staff or animal shelter worker. This course does not lead to the AS Degree in Veterinary Technology but can be used as a step towards entry into that program. Not open for credit to students with credit in VETT 101.

On-Line

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All new, transfer, and returning students (who have not attended a Yuba College class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. Yuba College is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College
- Assessment of English, mathematics, and reading skill levels
- Orientation, which provides information about programs and services, academic expectations, and procedures
- Counseling to assist in defining goals and developing a plan to achieve those goals
- Registration for classes
- Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. (NOTE: These exemptions do **not** provide clearance for Priority Registration or enrollment into specified English, mathematics, or reading courses.)

- Have completed an Associate or higher degree, *provide verification of degree*;
- Concurrently enrolled in high school *need* permission form signed by parents and high school official
- Enrolled in only classes for which they have approved previous training (e.g., firefighters taking a fire science class);
- Enrolled in fewer than 6 units;
- Do not plan to earn a degree or certificate;
- Completed at least 24 units at another college within the past three years and were in good standing-verification required;
- Enrolled in only performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
- Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Students seeking an exemption from the matriculation process must submit an exemption form. Forms are available at all Admission and Record sites.

Matriculation – Students’ Rights, Challenge, and Complaint process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Office of Student Support Services, who is responsible for investigation and resolution.

Students who meet the criteria and receive an exemption from a Yuba College counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

- For the purpose of registration status classification, such a student will be classified as a non-matriculant.
- For purpose of academic classification, the student’s statement on the registration form will be accepted without verification.

Students classified as non-matriculants will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan.

Continuing students should schedule a counseling appointment for assistance in registration, advising, and completion of an educational plan.

All other applicants should file a *Registration Application*, complete the *Placement Examination*, and have high school and/or college transcripts sent to the Admissions and Records Office at the Yuba College campus. Applicants will complete orientation and meet with a counselor to discuss educational plans and select appropriate courses for registration.

Public Law 101-542 and 102-26: Student Right to Know

In compliance with the Student Right to Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became ‘transfer prepared’ during a three year period, from Fall 2009 to Spring 2012. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered ‘transfer-prepared’. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming ‘transfer-prepared’ during a five semester period, from Spring 2010 to Spring 2012, are transfer students.

The following are the numbers of degrees and certificates awarded District-wide for the last three years (counts Fall, Spring, and Summer). These totals do not consider the students’ status upon entering the District.

2009-10

Associate in Arts	107
Associate in Science	405
Certificate of Achievement	231
Certificate of Training	37
Total	780

2010-11

Associate in Arts	117
Associate in Science	427
Certificate of Achievement	255
Certificate of Training	18
Total	817

2011-12

Associate in Arts	89
Associate in Science	450
Certificate of Achievement	232
Certificate of Training	3
Total	774

Academic and General Information:

Address Changes

It is the student's responsibility to notify the college of an address change.

Adds and Drops

It is the Student's Responsibility (not the instructor's) to submit all adds and drops. Drop classes throughout the semester through WebAdvisor

ASSIST

The Articulation System Stimulating Interinstitutional Student Transfer (ASSIST) is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from Community Colleges to universities.

The ASSIST database includes the most current official articulation agreements that every CSU and UC campus has established with any of the 112 California Community Colleges. ASSIST also includes the following complete and historical information for all 112 California Community Colleges — CSU Transferable Courses; CSU GE-Breadth Certification Courses; IGETC Course Lists; UC Transferable Courses; UC Transfer Admission Eligibility Courses.

ASSIST operates as California's official statewide source for course articulation and transfer information and is available to all students, faculty and staff via the Internet at www.assist.org.

Attendance

A student is expected to attend all sessions of each class in which enrolled. Attendance is the student's responsibility. Any student who ceases to attend a class without officially dropping it through WebAdvisor or at the Admissions and Records Office may receive a failing grade.

Audit Policy

An audit fee will be charged for audited classes. The BOGW fee waiver does NOT cover the audit fee. There are restrictions on auditing a class. Please check with the Admissions and Records Office for more information.

C.S.U. General Education - Breadth Requirements

Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses. Students are also encouraged to contact the Counseling Office.

Computer/Network Use Policy

The Yuba Community College District Board of Trustees, in granting access to College computers and networks, expects that students, in their use of these systems, will adhere to legal and ethical standards consistent with the College's mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of college computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of students.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at "C" or higher level. "D" or "F" work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

Grade	Grade Points	Definition
A	4	Excellent
B	3	Good
C	2	Satisfactory
D	1	Passing (less than satisfactory)
F	0	Failing

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

Grade	Definition
P	Pass ("C" or better)
NP	No Pass ("D" or "F")
W	Withdrawal
I	Incomplete
IP	In Progress
RD	Report Delayed

Drug-Free School Policy

The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated. **Yuba College has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.**

It is the stated policy of the District to implement a comprehensive substance abuse strategy that will work more effectively in combating use and potential use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Graduation

Students who plan to graduate must file a PETITION for graduation. Yuba College has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or Summer (July 1) terms. Students must apply to graduate prior to the deadline in order to be considered. It is the student's responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admission and Records Office technicians.

I.G.E.T.C. - Intersegmental General Education Transfer Core

IGETC is a program which transfer students may use to fulfill lower division general education requirements in either the C.S.U. or U.C. system.

Completion of the IGETC does not improve eligibility for admission to the C.S.U. or U.C. system, or admission to a specific campus or program. See a counselor for segmental and campus-specific admission requirements and lower division major requirements. All courses must be completed with a grade of “C” or better. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

Parking Regulations

Parking decals are REQUIRED and must be affixed to the inside right corner of the windshield.

Decals are not transferable and do not guarantee that parking space will be available. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department.

Prerequisites, Corequisites, Advisories (Recommendations)

It is the intent of the Yuba Community College District to guide students into courses in which they will have the greatest chance for academic success. Some courses have prerequisites, corequisites, or advisories (recommended preparation) in their description. Following are the definitions for prerequisites, corequisites, and advisories on recommended preparation:

- A) “Prerequisite” is a course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program.
- B) “Corequisite” means a course that a student is required to take in the same semester with another course, i.e., Biology 15 requires a Biology 15 lab.
- C) “Advisory or Recommended Preparation” means a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

State regulations mandate that students have met the prerequisite for any class in which they are enrolled. The student must have documentation on file (placement exam, college/high school transcripts, etc.) verifying completion of English and math prerequisites. Students should consult a counselor.

Students who wish to challenge a prerequisite may file a challenge at the location where the student registers for the majority of her/his classes. Challenges at Yuba College should be filed with the Office of Student Support Services. Challenges at other locations should be filed with the executive dean or site administrator if the student can show that grounds exist for one of the following conditions:

- I. Prerequisite course is not available.
- II. Prerequisite has not been validated.
- III. Student has the knowledge or ability to succeed in the course without meeting the prerequisite; or
- IV. Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Check with a counselor, your site administrator, or the Office of Student Support Services to obtain the required forms.

Students wishing to challenge a prerequisite should consult a counselor to discuss the procedures.

Release of Student Information

In order to help protect your privacy, a PICTURE I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. Directory information may include your name, address, telephone listing, student class schedule, date of birth, other institutions attended, major, participation in activities and sports, weight and height of athletes, dates of attendance, degrees and awards received, etc. If you do not wish this information released, you must file a request at the Admissions and Records Office within seven calendar days of registration. (See catalog for further details.)

Repeated Courses

Course Repetition

State legislation has recently changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal ("W") to be calculated in as a repeat. If a student receives a "W" or substandard grade, the student is only able to attempt the course for a "W" or passing grade a total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student's academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student's academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

Selective Service Registration

Selective Service Registration

The United States (U.S.) Federal government requires male U.S. citizens, and male aliens living in the U.S., who are 18 through 25, to register for the military draft. However, men who currently register are not automatically inducted into military service. Presently, the United States operates its military through volunteer enlistment. The last time men were inducted into the military was during the Vietnam War. Registration for a possible future draft is required to ensure America's preparedness in the event of a military crisis. In the event of a crisis that necessitates a draft to be invoked, men would be called in sequence determined by random lottery number and year of birth. They would then be examined for mental, physical and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces. You may register as soon as you reach the age of 17 years and 3 months but must register within 30 days of turning 18.

Failure to register could result in prosecution with a fine up to \$250,000 and/or be put in jail for up to five years. Registration is also required to qualify for Federal student financial aid, job training benefits, and most Federal employment. The Selective Service Registration Form may be obtained from the Yuba College Registration Office or from your local post office.

Short-term Courses

Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading option. Contact the Admissions and Records Office for deadline dates.

Smoking Policy

Smoking, or other use of tobacco, is prohibited within all Yuba College buildings, including restrooms, dining areas, classrooms, laboratories, library, gymnasium, offices, and the theatre, along with any other interior building area, including quads. Smoking is only permitted on the Yuba College, Clear Lake Campus and Sutter County Center in outside open areas. Smokers are encouraged to deposit cigarettes, ashes, and matches in receptacles to maintain a refuse-free campus.

Student Learning Outcomes

Student Learning Outcomes (SLO's) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO's differ from traditional measures of student success—letter grades—in that they measure specific skills within a course and program that prepares students for roles outside of Yuba College transfer, workforce and citizenship—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how these types of probation may affect a student's educational goals. Students who are receiving financial aid or veterans' benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

Academic Probation:

Full-time students are placed on Academic Probation when their cumulative grade point average is less than 2.0, including grades earned in the Yuba Community College District. Part-time students are subject to these regulations after enrollment in an accumulated total of 12 semester units in the Yuba Community College District.

Progress Probation:

Full-time students are placed on Progress Probation when 50% or more of the accumulated Yuba Community College District units of enrollment are entries of W, I, and NP. Part-time students are subject to these regulations after enrollment in an accumulated total of 12 semester units in the Yuba Community College District.

Removal from Probation:

Students are removed from Academic probation when their cumulative GPA reaches 2.00 or higher. Students are removed from Progress probation when the units of W, I, and NP grades drop below 50% of the accumulated units of enrollment as showing on their official academic record.

Dismissal:

Students who have been on Academic or Progress probation during three consecutive semesters (even though there may have been a break in attendance) are subject to dismissal from college. Dismissal may be postponed by the Academic Integrity Committee when evidence of academic improvement or extenuating circumstances exists.

Readmission:

A dismissed student may petition for readmission after consultation with a counselor. The Academic Integrity Committee will then consider the petition.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Responsibility

It is each student's responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts

A student may apply for an official transcript of college courses at the Admissions and Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are \$5 each. Transcripts requested "over the counter" or a "48-hour rush mail" will require a \$10.00 "rush" fee.

Signatures are required for release of a transcript to a student or employer. Transcripts that are to be sent to another college may be requested by FAX or in person. Contact the Admissions and Records Office for more information. In order to protect student records, a PICTURE I.D. will be required for a student to pick up a copy of his/her transcript or schedule.

Unit Limitation

You may not take more than 19 units without approval by a counselor.

Wait Lists

Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be "added" and notified through an announcement in the college portal. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Admission and Records Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on the wait list.

Student Services

A.S.Y.C. - Student Government

The Associated Students of Yuba College controls student affairs, under the guidance of Campus Life. The Student Senate is the governing body of the ASYC and provides services and social activities for students. They also represent students' views to the Board of Trustees through participation on the Governing Board and college committees.

Bookstore

The bookstore is the place to go to purchase your school needs for the upcoming semester. When it comes to textbooks, whether it's a new copy, or one of the various affordable options: used, rental, or digital, the bookstore has what you need. We also carry every day supply items, your Yuba College clothing, gifts, general reference and bargain books, as well as snack food and drinks.

Phone: (530) 741-6997

CalWORKs

The CalWORKs program at Yuba College offers services for eligible students in the following areas: Counseling, Job Placement, and Child Care. Please contact the CalWORKs office at (530) 634-7734 for more information.

C.A.R.E. Program

The Cooperative Agencies Resources for Education (C.A.R.E.) is a state-funded program to provide educational opportunities for persons receiving TANF benefits; to provide support for their retention and academic success; to assist them in their academic or vocational objectives; and to assist them in breaking away from welfare rolls. The program provides academic, vocational, and personal counseling; financial assistance, assistance with books, child care, transportation, and group support; tutoring, peer counseling; seminars on career awareness, decision-making skills, job-seeking techniques, and parenting skills; and referral services. For further information, contact the C.A.R.E. office at (530) 741-6995.

Career Center

The Career Center offers services to assist students in selecting suitable career goals and securing employment. In addition, assessment, career decision making, career explorations, and job placement are available, plus:

- career assessment;
- occupational, career, and college information;
- local/regional labor market information;
- job announcements and classified ads;
- interviewing techniques and resume writing;
- directory of local/regional job lines;

Career Technical Education Transitions

The Career Technical Education Transitions (CTE) Program of the Yuba Community College District coordinates the awarding of college credit to high school students who meet approved articulation requirements. An articulated course is one in which the high school instructor/Regional Occupational Program (ROP) and Yuba College faculty have formally agreed that the high school's/ROPs course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Yuba College. Students receive credit on a Yuba College transcript once articulation requirements have been completed. The CTE Transitions Program prepares students to earn a certificate, an associate's degree or transfer to a 4-year university.

For more information about the CTE Transitions Program, contact the YCCD Career Technical Education Transitions Office at (530) 634-7785, visit the Admissions and Records Office at any of the campuses, or see your counselor. Also visit the CTE Transitions website at <http://www.yccd.edu/educational-services/cte/default.aspx>.

**Child Development Center –
Toddler and Preschool Services**

The Child Development Center offers no or low cost child care weekdays from 7:30 a.m. to 5:30 p.m. The Toddler classroom serves children from ages 18 – 36 months and children ages 3 to 5 years old are served in the Preschool classrooms. Eligibility is based on income with priority given to children of parents enrolled at Yuba College. The center offers planned age appropriate learning experiences and curriculum, indoor and outdoor play, meals, and napping in an Early Childhood Education lab school environment. Pre-registration is required. For more information, please call (530) 749-3808.

College Success Center

The College Success Center, located in the Library, is the place to come for one-on-one help that focuses on test preparation. Peer tutors help explain classroom materials that are giving you trouble. Services are available to all students free of charge. Call (530) 741-6759 for more information.

Counseling Services

The District provides counseling services to assist students in educational planning, career assessment, and personal growth and development. Appointments are strongly recommended for developing an educational plan to assure you are taking the right courses to transfer or to meet your educational goals. Counselors can assist you with concerns that may affect your successful participation in the college experience. Call (530) 634-7766 to schedule a counseling appointment.

Disabled Student Program & Services

DSP&S is designed to equalize educational opportunities for students with disabilities that impact their academic participation such as vision, hearing, psychological, mobility, and learning. Screening for learning disabilities is available to all currently registered Yuba College students experiencing difficulty in their classes or who have a history of special education needs. Support services for eligible students may include academic accommodations such as test proctoring, note taking, disability advising, priority registration, auxiliary aids, interpreter services, and mobility aids. Specialized classes are offered each semester at Yuba College including Adaptive Physical Education, Academic Strategies, Assisted Computer Technology, and Reading/Writing Development. Interested applicants should contact the program at (530) 741-6795, TTY (530) 741-6582.

ESL Counseling/Admissions Services

For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Hmong students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

English as a Second Language (ESL) Program

The ESL Program is designed to provide assistance and support to non-native English speakers. The goal is to help ESL students develop their communication skills in English and prepare them to transition into other academic subjects, vocational programs and career fields. Interpreters (Spanish/Punjabi/Hmong); counseling; placement testing; and assistance with registration are available.

Extended Opportunity Programs and Services (EOPS)

E.O.P.&S. is a state-funded program that provides financial assistance and educational support services to eligible financially and educationally disadvantaged, non-traditional students. E.O.P.&S. includes intensive supportive services which enhance the potential for student retention, successful completion of academic and vocational programs, and transfer to other educational institutions. For further qualification information, please call (530) 741-6995.

Financial Aid

Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) on-line for faster processing. Applications should be completed as soon as possible. FAFSA may be filed on line at www.fafsa.ed.gov

If students need financial assistance they are encouraged to stop by the Financial Aid Office in Building 100B to talk with a Financial Aid Technician (PICTURE I.D. REQUIRED).

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Library and Cyber Lab

The newly remodeled Library building offers quiet study areas, group study rooms, research computers, and low-cost copy machines. The Cyber Lab has 30+ computers, low-cost printing, and DE testing. Research assistance is provided by appointment, e-mail, phone, and in person. Our online collection of research databases and e-Books are available through My Campus Portal. The physical Library collection include reserve textbooks (many, but not all of the textbooks are available), a reference collection, book collection, and periodicals collection. The first Library/Media card is free for students. It is \$1.00 for community users. The cost of a replacement card is \$5.00. The library phone number is (530) 741-6755 and the Cyber Lab phone number is (530) 741-6752.

Student Publication Notice/***Academic Accommodations***

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website:www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extracurricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

Transfer Center

The Transfer Center is the College's resource for transfer activities and programs. It links the District with campuses of the University of California, the California State University system, independent and out-of-state colleges and universities. The Transfer Center has a strong commitment to serving all students. The Transfer Center offers the following services: A resource library of college catalogs, transfer guides, articulation information (through www.assist.org), assistance with the application process to four-year colleges and universities, and other related transfer information.

The Transfer Center hosts representatives from four-year institutions; an annual College Information Day; and can provide Workshops in a variety of areas. Call (530) 741-6790 for more information.

Veterans Service Office

The Yuba College's Veterans Service Office (VSO) is approved for the training of veterans and veteran's dependents relating to veteran's education benefits which are administered under various laws of the United States and California. Services available at the Yuba College VSO include: veterans education benefit advising, step-by-step instructions to begin benefits, assistance with on-line applications for education benefit processing, certification of benefits for pay, counselor referral, financial aid information, fee waiver and deferral assistance, work study opportunities and other services to help students achieve their educational goals. Veteran's services are offered at the main Yuba College campus, its centers and outreach facilities. For more information on veteran's benefits, call (530) 741-6822.

Workforce Investment Act (WIA)

The Workforce Investment Act (WIA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have un-met needs after applying for the tuition fee waiver and financial aid. Acquiring employment, job retention, and self-sufficiency through training are priorities with WIA.

The WIA Office is located at Yuba College in Room 121. The office offers a computer lab, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, tools, fees, testing, transportation assistance, resumes, job opportunities and other school related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOP&S, CARE, CalWORKS, welfare, unemployment, scholarships, veteran's benefits and certain types of disability income and still qualify.

For more information call (530) 741-6830 or e-mail: jdech@yccd.edu.

Writing and Language Development Center

The Writing and Language Development Center (WLDC) is open to all currently enrolled Yuba College students. Located in the Library, we offer the following services:

- Drop-in assistance for writing assignments in any Yuba College course
- Regular weekly appointments available for English, ESL, and reading
- Computer lab for students working on language arts assignments
- Technology assistance
- ESL conversation groups and grammar workshops
- MLA, APA, and Chicago style formatting help
- Informal study space
- Proofreading tips
- Kurzweil 3000 software for assisted reading & writing

For more information call (530) 740-1709.

There's a New On-line Learning Management System in Town!

Beginning in Spring 2014, Canvas will replace Blackboard for distance learning courses at all of the campuses and centers in the Yuba Community College District. To familiarize yourself with the new software, scan this code or use the web site address below for a Quick Start Guide.
