Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission with the following exceptions:

- Courses that are specifically exempted by statute, including “impacted” allied health programs (Radiologic Technology, Veterinary Technology, ADN, Psychiatric Technician, etc.)
- Courses closed by maximum enrollment of students by the “priority registration” policies;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Nondiscrimination Statement

Yuba College does not discriminate on the basis of race, color, national origin, sex (gender), physical and mental disability, age, sexual orientation, religion, medical condition, ancestry, or marital status in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the *Americans with Disabilities Act of 1991*, *Title VI of the Civil Rights Act of 1964* (pertaining to race, color, and national origin), *Title IX of the Education Amendments of 1972* (pertaining to sex), *Section 504 of the Rehabilitation Act of 1973* (pertaining to handicap), and *Age Discrimination Act of 1975* (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College’s programs and activities.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. The district reserves the right to correct, modify, or change this document without notice for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District. Registration for Continuing Students:

Definition: If you were enrolled in a Yuba Community College District class in the Fall 2015 semester (August - December 2015) you are a continuing student:

Students who were enrolled in high school during the Fall 2015 semester are **not** continuing students. See "Current High School Students" section if still enrolled in high school or "New/Transfer/Returning Student" section if you have now graduated, for registration process.

Continuing Students Registration Process:

- 1 Apply for enrollment fee waiver (at Financial Aid Office) before registering.

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at fafsa.ed.gov.

Apply for BOGW at your local Financial Aid Office

If you were on a fee waiver for any part of the 2014-2015 year, you must re-apply.

- 2 Active duty military at Beale AFB
You may register on-line or go to the Beale AFB Outreach Services to register.

- 3 Clear all outstanding debts and holds.

- 4 Use WebAdvisor at yc.yccd.edu to register on your PRIORITY registration date.
See chart for priority date.

Adds and drops should be processed through WebAdvisor.

It is your responsibility to verify that all transactions are processed by the established deadlines.

Continuing Students WebAdvisor Registration Dates for Spring

WebAdvisor registration is scheduled by the Enrollment Priorities guidelines (AP 5055)

You may register on your scheduled priority date (see previous page).

Take advantage of your status to register before new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Registration for Returning Students

Definition: Enrolled at any Yuba Community College District site in the last THREE years (Fall 2013-2015), not counting Summer Session classes.

- 1 Apply on-line at yc.yccd.edu
- 2 See enrollment priorities guidelines

Registration for New and Transfer Students

Definition: Never enrolled in Yuba Community College District or enrolled prior to Spring 2013 or only enrolled in Summer classes

① Complete (Matriculation Process):

a. An application

Apply on-line at yc.yccd.edu

b. On-line Orientation:

From the website at yc.yccd.edu, click on Apply, Step 2.

Complete the Orientation.

c. Complete the Yuba College Placement Exam if you plan to take a class with a prerequisite or if you plan to meet with a counselor for course placement.

Contact Assessment and Testing Center, 741-6864 for placement exam times.
PICTURE I.D. IS REQUIRED.

d. Prerequisite Verification:

If you completed a prerequisite course at another college, provide documentation prior to registration.

e. Counseling:

Call the Counseling Office at (530) 634-7766 to schedule a date for counseling, assistance in selecting appropriate classes, and completion of an educational plan.

② After completion of the application, on-line orientation process, assessment, and completing a student educational plan **you will be eligible to register for classes starting November 23, 2015.**

Current High School Students:

The Yuba Community College District may accept as a Part-Time student, eligible high school students who have completed the eighth grade.

Students must submit an Application and "High School Recommendation Form," including the signature of the high school principal and the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). The Placement Exam can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
5. **Register starting December 7, 2015 in person.**

According to AP 5020 and AP 5030 high school students enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (Note: Concurrently enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Late Registration and Changes:

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature and date) on an add form is required.

WebAdvisor Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu

 **Don't assume you won't qualify, APPLY NOW!**

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at: fafsa.ed.gov

Apply for BOGW at your local Financial Aid Office

Residency:

Residency is determined by the laws of the State of California.

California residents are those who have maintained legal residency status in California for one year and a day **PRIOR** to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The burden of proof rests with the student.

Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the BOGW enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.

WebAdvisor Step-by-Step Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

**Apply for
Financial Aid
before you
access
WebAdvisor.**

❶ Log In:

1. Use your mouse to click on the Log In button.
2. Your "Log In" ID (also known as "MyCampus Key") is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
3. Enter your (previously established) password. If you have never used WebAdvisor before, your initial password is your birth date in the format MMDDYY (i.e., Jan. 10, 1963, is 011063).
4. Click on the SUBMIT button.
To use WebAdvisor, log onto yc.yccd.edu
Click on My Campus Portal
Log in to Portal
Click on WebAdvisor Online Registration

❷ To Register or Add a class:

Click on Registration/Register or Drop

If you know the 4-digit class code (listed in the Schedule of Classes), select **Express Registration**. Enter the 4-digit code in the class code column. When you have entered the class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

If you do not know the 4-digit class code, use the Search/Register for Sections. Use the pull-down menu to select appropriate term. Use the pull-down screen to enter the Subject (i.e., Art) of the class. Scroll down the screen to the "location" field and use the pull-down menu to select the location. (You need to enter the location of a class IF you are only interested in classes at a particular location. For example, a student who only wants to take a Marysville class would not want to view the classes taught at Clearlake or Woodland.) Click Submit button.

When you have the classes displayed, review the classes (including location). Click in the Select Section(s) column for those classes you want. Click Submit button.

This will create a "shopping cart" of Preferred Sections including location. **Preferred sections are NOT registered classes** -- see next step. You can select the pull-down menu to register for all sections listed, or use the pull-down menu under the ACTION Column to select "RG-Register" for each section.

You can add your name on a waitlist (if the class is full and has a waitlist). All registration rules will apply to wait-listed courses. You can only be placed on one waitlist per course -- and if you enroll in another section of that class, your name will be REMOVED from the waitlist. If you have a time conflict, you cannot be registered for a class. Time conflicts will result in you being dropped from the waitlisted class. You will be automatically moved from the waitlist to enrolled status once a space becomes available. Please review your schedule regularly.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, etc. A class with a problem will NOT be added.

WebAdvisor Registration (Continued)

③ Dropping a Class:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button.

The next screen will display a list of the REMAINING classes you are still registered in.

To verify that the course was dropped successfully either: 1) print the revised schedule, or 2) close out of WebAdvisor, then re enter and review your schedule. **Petitions will no longer be approved for registration procedure errors.**

④ Print:

Print a copy of your Schedule from WebAdvisor as your verification of enrollment.

You will NOT be mailed a copy of your class schedule.

Report cards are *not* mailed at the end of the semester. Access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is *your* responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

Payment Options/How to Pay Fees

10 Days to Pay

Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. The new policy for dropping due to non payment began in the Spring 2012 semester. Payment is due within 10 days of registration if you do not qualify for a Board of Governor's Fee Waiver.

Students must:

- Be approved for a BOGW (Board of Governor's Fee Waiver) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan (deadline to enroll is: January 22, 2016)

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending.

Students who do not take one of these actions will be subject to being dropped from their classes for non-payment. Before registering for classes, **you must have your BOGW waiver in place** or you will be directed to:

1. Pay your registration fees in full at MyCampus Portal located on our website, yc.yccd.edu

Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. Setup a Payment Plan

Students may sign up for a payment plan at yc.yccd.edu. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. There is a \$25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.

Use Your Student E-mail Because:

Yuba College will use your campus e-mail as a means to communicate with students.

You can create documents using Microsoft Word, Excel, PowerPoint and OneNote through your e-mail service.

Store up to 1 terabyte of data on OneDrive.

Create personal and shared Photo Albums.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, fee waiver or payment plan.

Board of Governors Enrollment Fee Waiver:

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California Board of Governors Fee Waiver (BOGW). If you qualify, the BOGW program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

The best way to apply for this BOGW program is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov. When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a BOGW you will save the cost of tuition and possibly qualify for a Pell Grant which can help pay for your books.

| FEE | AMOUNT | REQUIRED OF |
|---|--|---|
| Enrollment Fee | \$46 per unit. Fees are set by State. If fee is increased students are billed at the new rate. | All students, except those eligible for a Board of Governors' Enrollment Fee Waiver (BOGW) & Concurrently enrolled students |
| Health Fee | \$10 per semester | All students, except those qualified for the BOG waiver and concurrently enrolled students |
| Parking Decals | \$40 fee per semester or \$2.00 per day (BOGW = \$20) \$20 Summer Session (Subject to change) | All vehicles using campus facilities must display a valid permit (purchase on-line). |
| Non-Resident Tuition Foreign Student Tuition | \$220 non-resident fee Total: \$210 per unit | All non-resident and non-resident foreign students (from another country); concurrently enrolled students are exempt. |

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

Refunds: Deadline for Short Term Classes:

You **must** drop your class by the end of the **second** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:
31-40 days – end of 3rd class meeting
41-50 days – end of 4th class meeting
51-60 days – end of 5th class meeting

Deadline for Full Term Classes: January 29, 2016

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in Webadvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

AB 540 Dream Act

The Law: AB 540 authorizes any student, including undocumented students, who meet specific criteria to pay in-state tuition at California's public colleges and universities.

AB 540 Eligibility Requirements:

- Must have attended a California high school for 3 or more years;
- Must have graduated from a California high school or attained the equivalent of a high school diploma (received a GED or passed the California High School Proficiency Exam);
- Must have registered or currently be enrolled at an accredited institution of higher education in California;
- Must have filed or will file an affidavit stating that will apply for legal residency as soon as possible; and
- May not be a non-immigrant holding a valid lettered non-immigrant Visa 5.

AB 540 Affidavit - "California Non-Resident Tuition Exemption Request"

In order to receive the exemption from non-resident tuition, students must obtain, complete, and submit the AB 540 Affidavit to the Admissions and Records Office. Students may be required to submit additional documentation such as high school transcripts and appropriate records of high school graduation or the equivalent.

The California Dream Act

AB 130 allows students, who meet AB 540 criteria (California Education Code 68130.5(a)), to apply for and receive non-state funded scholarships for public colleges and universities; AB 131 allows students, who meet AB 540 criteria, to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant. Therefore, AB 540 students are allowed to apply for the following types of financial aid:

- Board of Governors Fee Waivers (BOG)
- State financial aid like Cal Grants and Chafee Grants
- Assistance from EOPS, CARE or Cal-WORKS
- Privately-funded scholarships

If eligible for the AB 540, students must:

- Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
- Contact the Financial Aid Office to determine the next steps to take
- Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
- Students who do not have a Social Security Number need to enter a California Dream Act
- Application at: <https://dream.csac.ca.gov/>

Placement Levels: Exam Information

Assessment in reading, English, and math helps to determine the student's academic skill levels and needs. Placement exam results are one of the multiple criteria used to counsel and help place students into suitable classes and to create a Student Educational Plan (SEP) to define educational goals. The exam may also be used to meet course prerequisites. The exam is NOT used for admission purposes and is given free of charge. **(Picture I.D. is required to take the exam.)**

The Yuba Community College District offers the College Board Computerized Placement Test System (CPTS). Students receive their placement exam results immediately upon completing the test. No computer skills are necessary to take the exam. A SAMPLE exam and Tutoring are available on our web site - www.yccd.edu. Click on "Students Resources" and "Assessment & Testing" and then "Placement Examination Information"

All District sites offer the exam by appointment, and some also offer walk-in convenience. Students may enroll in courses above their placement level only through the challenge process.

Placement Exam Locations:

Call the office at (530) 741-6864 to obtain information on dates and times which will be most convenient for you to complete the placement exam.

After satisfactorily completing the beginning level class (grade of "C" or better), students progress to the next higher class level. All students are advised to discuss their placement options with a Yuba Community College District counselor.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a "(L)", "(M)", or "(L,M)" in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

The (L) designation means that the content of the course is such that the student must have college-level language skills to successfully complete the course. Students may meet the requirements for the (L) courses by:

1. Achieving an English placement level of 1005 or higher, or
2. Achieving a grade of "C" or better in English 51 or 97, or
3. Achieving eligibility to enroll in English 1A, 1B, or 1C, or
4. Possessing an A.A., or A.S., degree or higher.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by:

1. Achieving a math placement level of 2005 or higher, or
2. Achieving a grade of "C" or better in Math 50 or 50B, or
3. Achieving eligibility to enroll in Math 51, 52, or 58, or
4. Possessing an A.A., or A.S., degree or higher

Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children, with emphasis on children with special needs. Prerequisites: ECE 3 and ECE 1A and ECE 1B and ECE 31 and ECE 17. (L)

Emergency Medical Technician

EMT 61 Emergency Medical Technician 7 units

The EMT program is a comprehensive curriculum that provides knowledge and critical thinking skills necessary to provide Emergency Medical Care in a pre-hospital environment. Academic rigor encompasses legal and moral aspects, scene safety, primary and secondary patient assessments, intervention and stabilization skills, proper use of emergency medical equipment, awareness of blood-borne pathogens and communicable diseases, recognizing signs and symptoms, and pathophysiology of medical emergencies and traumatic injuries. Practical skills training includes hands-on skills training and interactive simulations. This course meets EMT curriculum requirements of the California Code of Regulations Title 22, the California EMS Authority and the National Registry of Emergency Medical Technicians (NREMT). Upon successful completion, students are eligible to take the National Registry EMT certifying examination and qualify for a California State EMT certification. Other Requirements: *Current CPR Certification; *Students must be 18 yrs. of age at start of EMT course; *Have all course materials(Textbook with Premier Package)on the first day of class; *Provide proof of vaccinations; measles, mumps, and rubella (MMR) immunization; *Provide proof of negative tuberculin (TB) skin test taken within 3 months of start of course; *Provide proof of varicella (chicken pox) vaccine, immunization, or a positive varicella titer test; *Provide proof of completed Hepatitis B vaccine series with a positive Hep B titer test, OR sign a declination form stating your voluntary refusal to obtain this vaccination; *Provide proof of a current season flu shot vaccination; *Be prepared to purchase EMT uniform on the first day of class, and wear the uniform to all EMT class oriented activities (approximately \$100.00); *Complete and provide proof of completed drug screen test and criminal background. Information regarding this requirement is provided on the first day of class (approximate cost: \$90.00); *Obtain student ID. This course will help students acquire beginning information literacy skills necessary to conduct academic or personal research. It provides a step-by-step guide to the research process that is applicable to term papers, course work, and life-long learning. It emphasizes developing effective search strategies, selecting information tools, locating and retrieving information sources, analyzing and critically evaluating information, and using information. YCCD eLearning & Instructional Television Courses

The YCCD eLearning and Instructional Television courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Learning Management System: Canvas is the Learning Management System we use for our Online/ITV courses. Log into Canvas using the same ID and Password that you use for WebAdvisor/Portal. <http://de.yccd.edu>

Successful students must: **1)** Have reliable access to a computer and the internet; **2)** Commit to 10 hours per week, per course; **3)** Use good time management; **4)** Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research,
BCA 42A: Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com
Students can also see book info/view books & purchase books for their classes in WebAdvisor.

Exam proctoring is available for ITV & Online courses. Contact jobryan@yccd.edu **or**
530-741-6754

Television access to the following cable TV companies: Comcast Cable, Channel 18 (Yuba, Sutter);

Problems logging into Canvas contact: helpdesk@yccd.edu

Problems once you're logged into Canvas: select the help tab in the upper right corner and submit a Canvas help ticket.

For additional info call: 530-741-6754.

MyCampus Portal course materials

If your instructor uses MyCampus Portal to post class materials, you will need to log into the MyCampus Portal to locate your Course Site. <http://yc.yccd.edu/campus/mycampus.aspx>

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All first-time college students, transfer, and returning students (who have not attended a Yuba College class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. Yuba College is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College via the online application: yc.yccd.edu • Assessment of English, mathematics, and reading skill levels • Orientation, which provides information about programs and services, academic expectations, and procedures
- Counseling services to assist in defining goals and developing a plan to achieve those goals • Enrollment in classes via WebAdvisor
- Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as either Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. (NOTE: These exemptions do not provide clearance for Priority Registration or enrollment into specified English, mathematics, or reading courses.)

- * Have completed an Associate or higher degree; provide verification of degree;
- * Concurrently enrolled in high school; need permission form signed by parents and high school official
- * Enrolled in only classes for which they have approved previous training (e.g., firefighters taking a fire science class);
- * Enrolled in fewer than 6 units;
- * Do not plan to earn a degree or certificate;
- * Completed at least 24 units at another college within the past three years and were in good standing-verification required;
- * Enrolled in only performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
- * Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Students seeking an exemption from the matriculation process must submit an Exemption Form. Forms are available at all Admissions and Records sites and in the Yuba College Counseling Department.

Matriculation – Students' Rights, Challenges, and Complaints process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Office of the Dean of Student Services, which is responsible for investigation and resolution. Students who meet the criteria and receive an exemption from a Yuba College counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

- For the purpose of registration status classification, such a student will be classified as non-matriculated.
- For the purpose of academic classification, the student's statement on the registration form will be accepted without verification. Students classified as non-matriculated will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan. Continuing students should schedule a counseling appointment for assistance with registration, advising, and completion of an educational plan. All other applicants (first-time college students and transfer students) should file an online Application for Admission, complete the online orientation, the Placement Examination, and have high school and/or college transcripts sent to the Admissions and Records Office at the Yuba College Marysville campus. Applicants will then meet with counselors to

Public Law 101-542 and 102-26: Student Right to Know

In compliance with the Student Right to Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2009 to Spring 2012. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2010 to Spring 2012, are transfer students.

The following are the numbers of degrees and certificates awarded District-wide for the last three years (counts Fall, Spring, and Summer). These totals do not consider the students' status upon entering the District.

It is the Student's Responsibility (not the instructor's) to submit all adds and drops. Drop classes throughout the semester through WebAdvisor

ASSIST

The Articulation System Stimulating Interinstitutional Student Transfer (ASSIST) is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from Community Colleges to universities.

The ASSIST database includes the most current official articulation agreements that every CSU and UC campus has established with any of the 112 California Community Colleges. ASSIST also includes the following complete and historical information for all 112 California Community Colleges — CSU Transferable Courses; CSU GE-Breadth Certification Courses; IGETC Course Lists; UC Transferable Courses; UC Transfer Admission Eligibility Courses.

ASSIST operates as California's official statewide source for course articulation and transfer information and is available to all students, faculty and staff via the Internet at www.assist.org.

Attendance

A student is expected to attend all sessions of each class in which enrolled. Attendance is the student's responsibility. Any student who ceases to attend a class without officially dropping it through WebAdvisor or at the Admissions and Records Office may receive a failing grade.

Audit Policy

An audit fee will be charged for audited classes. The BOGW fee waiver does NOT cover the audit fee. There are restrictions on auditing a class. Please check with the Admissions and Records Office for more information.

C.S.U. General Education - Breadth Requirements

Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses. Students are also encouraged to contact the Counseling Office.

Computer/Network Use Policy

The Yuba Community College District Board of Trustees, in granting access to College computers and networks, expects that students, in their use of these systems, will adhere to legal and ethical standards consistent with the College's mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of college computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of students.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at "C" or higher level. "D" or "F" work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

| Grade | Grade Points | Definition |
|-------|--------------|------------------------|
| A | 4 | Excellent |
| B | 3 | Good |
| C | 2 | Satisfactory |
| D | 1 | Less than satisfactory |
| F | 0 | Failing |

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

| Grade | Definition |
|-------|----------------------|
| P | Pass ("C" or better) |
| NP | No Pass ("D" or "F") |
| W | Withdrawal |
| I | Incomplete |
| IP | In Progress |
| RD | Report Delayed |

Drug-Free School Policy

The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated. **Yuba College has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.**

It is the stated policy of the District to implement a comprehensive substance abuse strategy that will work more effectively in combating use and potential use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Graduation

Students who plan to graduate must file a PETITION for graduation. Yuba College has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or Summer (July 1) terms. Students must apply to graduate prior to the deadline in order to be considered. It is the student's responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admission and Records Office technicians.

I.G.E.T.C. - Intersegmental General Education Transfer Core

IGETC is a program which transfer students may use to fulfill lower division general education requirements in either the C.S.U. or U.C. system.

Completion of the IGETC does not improve eligibility for admission to the C.S.U. or U.C. system, or admission to a specific campus or program. See a counselor for segmental and campus-specific admission requirements and lower division major requirements. All courses must be completed with a grade of “C” or better. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

Parking Regulations

Parking decals are REQUIRED and must be affixed to the inside right corner of the windshield.

Decals are not transferable and do not guarantee that parking space will be available. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department.

Prerequisites, Corequisites, Advisories (Recommendations)

It is the intent of the Yuba Community College District to guide students into courses in which they will have the greatest chance for academic success. Some courses have prerequisites, corequisites, or advisories (recommended preparation) in their description. Following are the definitions for prerequisites, corequisites, and advisories on recommended preparation:

- A) “Prerequisite” is a course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program.
- B) “Corequisite” means a course that a student is required to take in the same semester with another course, i.e., Biology 15 requires a Biology 15 lab.
- C) “Advisory or Recommended Preparation” means a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

State regulations mandate that students have met the prerequisite for any class in which they are enrolled. The student must have documentation on file (placement exam, college/high school transcripts, etc.) verifying completion of English and math prerequisites. Students should consult a counselor.

Students who wish to challenge a prerequisite may file a challenge at the location where the student registers for the majority of her/his classes. Challenges at Yuba College should be filed with the Office of Student Support Services. Challenges at other locations should

be filed with the executive dean or site administrator if the student can show that grounds exist for one of the following conditions:

- I. Prerequisite course is not available.
- II. Prerequisite has not been validated.
- III. Student has the knowledge or ability to succeed in the course without meeting the prerequisite; or
- IV. Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Check with a counselor, your site administrator, or the Office of Student Support Services to obtain the required forms.

Students wishing to challenge a prerequisite should consult a counselor to discuss the procedures.

Release of Student Information

In order to help protect your privacy, a PICTURE I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. Directory information may include your name, address, telephone listing, student class schedule, date of birth, other institutions attended, major, participation in activities and sports, weight and height of athletes, dates of attendance, degrees and awards received, etc. If you do not wish this information released, you must file a request at the Admissions and Records Office within seven calendar days of registration. (See catalog for further details.)

Repeated Courses

Course Repetition

State legislation has recently changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal ("W") to be calculated in as a repeat. If a student receives a "W" or substandard grade, the student is only able to attempt the course for a "W" or passing grade a total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student's academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student's academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

Selective Service Registration

Any male required to register with Selective Service at any time must have done so to receive federal student aid.

Males (any person assigned the sex of male at birth) aged 18–25 are required to register with the Selective Service System (SSS). This requirement covers males residing in the United States who are U.S. citizens or noncitizens, except that a male who is in the U.S. as a lawful nonimmigrant isn't required to register as long as he maintains that status (see the exceptions to the registration requirement under "Exemptions" below). Students who are required to register with the Selective Service must do so to be eligible for FSA funds, but parents who want to borrow a PLUS loan aren't required to have registered.

The student has several ways to register, which include using the FAFSA; there is a question that asks if the student wants Selective Service to register him. If he indicates that he wants to be registered, we will submit his registration information to the Selective Service. If he doesn't answer this question, he can do so later on the student aid report (SAR) and submit the correction (the answer to the question "Are you male?" must be yes). The student may also register online at the Selective Service website (www.sss.gov) or by filling out a form available at the post office.

Exemptions:

Males exempted from the requirement to register include:

- males currently in the armed services and on active duty (this exception does not apply to members of the Reserve and National Guard who are not on active duty);
- males who are not yet 18 at the time that they complete their applications (an update is not required during the year, even if a student turns 18 after completing the application);
- males born before 1960;
- citizens of the Republic of Palau, the Republic of the Marshall Islands, or the Federated States of Micronesia;
- noncitizens who first entered the U.S. after they turned 26;
- transgender males who were assigned the sex of female at birth.
- There are certain less common situations in which registration isn't necessary. Students who weren't required to register prior to meeting one of these criteria and who meet a criterion for the entire time through the age of 25 qualify for the waiver if:
 - they are unable to register due to being hospitalized, incarcerated, or institutionalized;
 - they are enrolled in any officer procurement program at The Citadel, North Georgia College and State University, Norwich University, Virginia Military Institute, Texas A&M University, or Virginia Polytechnic and State University; or
 - they are commissioned Public Health Service officers on active duty or members of the Reserve of the Public Health Service on specified active duty.

Generally, a male student who is 18–25 and who has not registered previously may register using the FAFSA or SAR. Students who have questions about Selective Service registration may contact the Selective Service at 1-(847)-688-6888 or on the Web. The maximum penalty for not registering with the Selective Service is a fine up to \$250,000 and/or be put in jail for up to five years.

Short-term Courses

Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading option. Contact the Admissions and Records Office for deadline dates.

Smoking Policy

Smoking, *or other use of tobacco*, is prohibited within all Yuba College buildings, including restrooms, dining areas, classrooms, laboratories, Learning Resource Center, gymnasium, offices, and the theatre, along with any other interior building area, including quads. Smoking is only permitted on the Yuba College and Sutter County Center in outside open areas. Smokers are encouraged to deposit cigarettes, ashes, and matches in receptacles to maintain a refuse-free campus.

Student Learning Outcomes

Student Learning Outcomes (SLO's) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO's differ from traditional measures of student success—letter grades—in that they measure specific skills within a course and program that prepares students for roles outside of Yuba College transfer, workforce and citizenship—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how these types of probation may affect a student's educational goals. Students who are receiving financial aid or veterans' benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

Academic Probation:

Full-time students are placed on Academic Probation when their cumulative grade point average is less than 2.0, including grades earned in the Yuba Community College District. Part-time students are subject to these regulations after enrollment in an accumulated total of 12 semester units in the Yuba Community College District.

Progress Probation:

Full-time students are placed on Progress Probation when 50% or more of the accumulated Yuba Community College District units of enrollment are entries of W, I, and NP. Part-time students are subject to these regulations after enrollment in an accumulated total of 12 semester units in the Yuba Community College District.

Removal from Probation:

Students are removed from Academic probation when their cumulative GPA reaches 2.00 or higher. Students are removed from Progress probation when the units of W, I, and NP grades drop below 50% of the accumulated units of enrollment as showing on their official academic record.

Dismissal:

Students who have been on Academic or Progress probation during three consecutive semesters (even though there may have been a break in attendance) are subject to dismissal from college. Dismissal may be postponed by the Dean of Student Services when evidence of academic improvement or extenuating circumstances exists.

Readmission:

A dismissed student may petition for readmission after consultation with a counselor. The Dean of Student Services will then consider the petition.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Responsibility

It is each student's responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts

A student may apply for an official transcript of college courses at the Admissions and Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are \$5 each. Transcripts requested "over the counter" or a "48-hour rush mail" will require a \$10.00 "rush" fee.

Signatures are required for release of a transcript to a student or employer. Transcripts that are to be sent to another college may be requested by FAX or in person. Contact the Admissions and Records Office for more information. In order to protect student records, a PICTURE I.D. will be required for a student to pick up a copy of his/her transcript or schedule.

Unit Limitation

You may not take more than 19 units without approval by a counselor.

Wait Lists

Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be "added" and notified through an announcement in the college portal. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Admission and Records Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on the wait list.

Student Services

A.S.Y.C. - Student Government

The Associated Students of Yuba College (ASYC) is the title of the official organization which controls student affairs. The Student Council, the governing body of the ASYC, provides services and social activities for students and represents students' views and interests to the administration and Board of Trustees through participation on college committees.

Bookstore

The bookstore serves as a local one-stop shop, supporting community needs in and out of the classroom. When it comes to textbooks, the bookstore offers a variety of affordable options including new and used, print and digital titles for purchase or rent. We also carry every day college essentials like Yuba College clothing, gifts, supplies, general reference and bargain books, as well as snack food and drinks. For more information on payment options, returns, shipping, store hours and more, please visit our eFollett.com website at www.yubashop.com or call (530) 741-6998.

CalWORKs

The CalWORKs program at Yuba College offers services for eligible students in the following areas: Counseling, Job Placement, and Child Care. Please contact the CalWORKs office at (530) 634-7734 for more information.

Cooperative Agencies Resources for Education (CARE)

As a supplemental component of EOP&S, CARE provides additional support services for eligible EOP&S students who are single head of household, have at least one child under the age of 14, and receiving TANF benefits. Grants for educationally related expenses (such as child care, transportation, textbooks and supplies) may be awarded as a means of strengthening the retention, persistence, graduation and transfer rates of these individuals. For additional information visit the EOP&S website: <http://yc.yccd.edu/student/EOPS/default.aspx> or call EOP&S at Yuba College, (530) 741-6995.

Career Center

The Yuba College Career Center provides a process to lead students through various assessments giving them the necessary tools to make career and life planning decisions. Services and tools available to students to achieve this goal include: career and vocational assessment and testing; occupational computer-assisted career information; an extensive library of occupational

files, employer files, occupational books, and reference materials. For more information, call the Yuba College Career Center at (530) 634-6790.

Career Technical Education Transitions

The Career Technical Education Transitions Program at Yuba College coordinates the awarding of college credit to high school students who meet approved articulation requirements. An articulated course is one in which the high school instructor/Regional Occupational Program (ROP) and Yuba College faculty have formally agreed that the high school's/ROPs course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Yuba College. Students receive credit on a Yuba College transcript once articulation requirements have been completed. The CTE (Career Technical Education) Transitions Program prepares students to earn a certificate, an associate's degree or transfer to a 4-year university.

For more information about the CTE Transitions Program, contact the Yuba College CTE Transitions Office at (530) 741-6588, ctetransitions@yccd.edu, visit the Admissions and Records Office at any campus, or see your counselor. Also visit the CTE Transitions website at <http://www.yccd.edu/educational-services/cte/default.aspx>.

Child Development Center – Toddler and Preschool Services

Child Development Centers are located at Yuba College and at the Clear Lake Campus. The program provides children with many opportunities to grow and learn. Our environment is designed to enhance a child's age appropriate learning through natural science, creative arts, language experiences, physical activities and number concepts. It is a state funded program that follows California Department of Education guidelines. Parents may be private pay or be income eligible and meet one of the following needs criteria:

- Students with a need for childcare
- Searching for work
- Working
- Incapacitated
- Searching for housing

Yuba College hours of operation: Mon-Fri 7:30 a.m.-5:30 p.m. (530) 749-3808. Yuba College serves Toddlers (18 months-36 months) and preschoolers (3-5 years) in a full day, part day or state preschool program (9 a.m.-12 p.m. or 2:30 p.m.-5:30 p.m. No need required when attending only preschool hours.

College Success Center

The College Success Center (Room 1103) in the Library Learning Center (Building 1100) on the Yuba College campus delivers academic learning and support services across many disciplines to all currently enrolled Yuba College students at no cost and provides a positive, supportive learning environment that, if fully utilized, significantly enhances students' abilities to pass their classes.

Academic Learning and Support Services

- scheduled collaborative learning sessions
- facilitated collaborative learning groups
- drop-in mathematics assistance (all day)
- scheduled individualized tutoring
- test and examination reviews
- Supplemental Instruction® (Content Tutoring only)
- quiet study areas for groups and individuals
- access to wireless internet, computers and academic software
- test preparation materials
- a facility to complete EOP&S Commitment Hours
- assistance with research projects
- assistance with multimedia presentations

The two major components of the College Success Center are the Math Tutoring Program and the Content Tutoring Program.

Counseling Services

Community colleges are distinguished by the personal attention given to students and the quality of guidance and counseling services provided. Counseling is an essential part of Yuba College, designed to complement and facilitate the instructional program and to aid students in an academic, career, and personal planning.

Counselors provide services for helping each student:

- Analyze aptitudes and interests and learn decision-making processes related to academic and career planning.
- Determine the best educational program for achieving a chosen career.
- Select courses and college activities to maximize the student's opportunities and potential.
- Develop a student educational plan that encompasses both the course work and supplemental needs of the student.
- Plan a transfer program which leads to acceptance with junior (third-year) status at an upper division college or university, if such is the choice.

Resolve personal problems which are of such a nature that a college counselor can be of professional assistance. Call (530) 634-7766 to schedule a counseling appointment.

Disabled Student Program & Services

DSP&S is designed to equalize educational opportunities for students with disabilities that impact their academic participation such as vision, hearing, psychological, mobility, and learning. Screening for learning disabilities is available to all currently registered Yuba College students experiencing difficulty in their classes or who have a history of special education needs. Support services for eligible students may include academic accommodations such as test proctoring, note taking, disability advising, priority registration, auxiliary aids, interpreter services, and mobility aids. Specialized classes are offered each semester at Yuba College including Adaptive Physical Education, Academic Strategies, Assisted Computer Technology, and Reading/Writing Development. Interested applicants should contact the program at (530) 741-6795, TTY (530) 741-6582.

ESL Counseling/Admissions Services

For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Hmong students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

English as a Second Language (ESL) Program

The ESL Program is designed to provide assistance and support to non-native English speakers. The goal is to help ESL students develop their communication skills in English and prepare them to transition into other academic subjects, vocational programs and career fields. Interpreters (Spanish/Punjabi/Hmong); counseling; placement testing; and assistance with registration are available.

Extended Opportunity Programs and Services (EOPS)

Extended Opportunity Program and Services (EOP&S) is a state funded program that provides above and beyond support services to economically and educationally disadvantaged students. EOP&S promotes student success with priority registration, comprehensive educational planning, career and transfer planning, free tutoring, textbook assistance, limited financial assistance, and other additional services designed to support the student. For additional information visit the EOP&S website: <http://yc.yccd.edu/student/EOPS/default.aspx> or call EOP&S at Yuba College, (530) 741-6995.

Financial Aid

Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) on-line for faster processing. Applications should be completed as soon as possible. FAFSA may be filed on line at www.fafsa.ed.gov

If students need financial assistance they are encouraged to stop by the Financial Aid Office in Building 100B to talk with a Financial Aid Technician (PICTURE I.D. REQUIRED).

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Learning Resource Center and Cyber Lab

The Learning Resource Center offers quiet study areas, group study rooms, research computers, and low-cost copy machines. The Cyber Lab has 30+ computers, low-cost printing, and DE testing. Research assistance is provided by appointment, e-mail, phone, and in person. Our online collection of research databases and e-Books are available through My Campus Portal. The physical Library collection include reserve textbooks (many, but not all of the textbooks are available), a reference collection, book collection, and periodicals collection. The first Library/Media card is free for students. It is \$1.00 for community users. The cost of a replacement card is \$5.00. The library phone number is (530) 741-6755 and the Cyber Lab phone number is (530) 741-6752.

MESA Program

MESA is an award-winning academic enrichment program that provides educationally disadvantaged students with the tools to earn bachelor's degrees in math-based fields. With tutoring and mentoring, extra study sessions, transfer counseling and study centers, MESA provides an environment that allows students to succeed in math and science and navigate the transfer system more easily. The program's mission is to provide math, engineering and science academic enrichment to educationally disadvantaged community college students so they excel academically and transfer to four-year institutions as math-based majors.

Furthermore, the program establishes an environment in which students receive opportunities for peer support, information-sharing and learn firsthand about career options and scholarships, internships and special programs.

Services include:

- Academic Excellence Workshops
- Orientation Course
- Assistance in the Transfer Process
- Career Advising
- Student Study Center
- Tutoring

For more information, call (530) 749-3830 or 741-6986, or visit our MESA Center in Room 701.

**Student Publication Notice/
Academic Accommodations**

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website:www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extra-curricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

Transfer Center

The Transfer Center is the College's resource for transfer activities and programs. It links the District with campuses of the University of California, the California State University system, independent and out-of-state colleges and universities. The Transfer Center has a strong commitment to serving all students. The Transfer Center offers the following services: A resource library of college catalogs, transfer guides, articulation information (through www.assist.org), assistance with the application process to four-year colleges and universities, and other related transfer information.

The Transfer Center hosts representatives from four-year institutions; an annual College Information Day; and can provide Workshops in a variety of areas. Call (530) 741-6790 for more information.

Veterans Service Office

The Yuba College's Veterans Service Office (VSO) is approved for the training of veterans and veteran's dependents relating to veteran's education benefits which are administered under various laws of the United States and California. Services available at the Yuba College VSO include: veterans education benefit advising, step-by-step instructions to begin benefits, assistance with on-line applications for education benefit processing, certification of benefits for pay, counselor referral, financial aid information, fee waiver and deferral assistance, work study opportunities and other services to help students achieve their educational goals. Veteran's services are offered at the main Yuba College campus, its centers and outreach facilities. For more information on veteran's benefits, call (530) 741-6822.

Veterans Resource Center

Located in building 725, The Yuba College Veterans Resource Center (VRC) is committed to military affiliated students who have chosen to make the transition from their military environment to campus life. The VRC is dedicated to veteran success by instituting peer-to-peer support, mentoring, and social networking; the structure of camaraderie military service members were accustomed to. The VRC partners with campus and community resources such as; Counseling, Financial Aid, Learning Resource Center, Career and Transfer Services, Disabled Students Program and Services along with referrals to other community veterans' organizations.

Workforce Innovation Opportunity Act (WIOA)

The Workforce Innovation Opportunity Act (WIOA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have un-met needs after applying for the tuition fee waiver and financial aid. The program will help you find a job or train for a new career. Authorized WIOA activities provided at the local level benefit job seekers, dislocated workers, youth, incumbent workers, new entrants to the workforce, veterans, and employers. These activities promote an increase in the employment, job retention, earnings, and occupational skill attainment by participants.

This improves the quality of the workforce, reduces welfare dependency, and enhances the productivity and competitiveness of the nation. Acquiring employment, retention, and self-sufficiency through training are priorities with WIOA. It is important that you choose a career with a labor market. If jobs are not available in your local area, you will need to consider relocating or commuting to another area.

The WIOA office is located in room 121, next to the Admissions and Records Office. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, child care, tools, fees, testing, transportation assistance, and other school or job-related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOP&S, unemployment, and scholarships, and still receive WIOA assistance. This is not an entitlement program, you must qualify and then it is based on funds available at the county level. For more information call (530) 741-6830 or email: wia@yccd.edu.
