Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission with the following exceptions:

- Courses that are specifically exempted by statute, including "impacted" allied health programs (such as Radiologic Technology, Veterinary Technology, Associate Degree Nursing and Psychiatric Technician.)
- Courses closed by maximum enrollment of students by the "priority registration" policies;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Applicants may apply for admission on-line by going to the Yuba College website at: yc.yccd.edu

Day 6	Continuing students in Good Standing with fewer than 12 units* and first time students who are fully matriculated	Monday, May 8, 2017

*Priority registration units are based on YCCD Degree Applicable units (courses numbered between 1 and 99, i.e. ENGL-51, MATH-52, BIOL-10).

How many degree applicable units do I have?

Please check WebAdvisor under Academic Profile / Registration Priorities and Holds to view your degree applicable units.

Attend the First Day of Class

Information and expectations presented in the first class meeting are critical to successfully participate in each class. If the class has a Wait List, students enrolled in that class who do not attend the First day may be dropped.

Do Not Assume That The Instructor Will Automatically Drop You

Students are responsible for dropping themselves to qualify for a fee refund and avoid F grades.

More Eligibility Dates:

Date	Eligibility
Tuesday, May 9, 2017	Students with more than 90 units (who are not near graduation/transfer) Students on Probation
Wednesday, May 10, 2017	Students who have not fully matriculated (completed orientation, assessment, and student educational plan)
Monday, May 22, 2017	Dual enrollment students

Registration for Continuing Students:

Definition: If you were enrolled in a Yuba Community College District class in the Spring 2017 semester (January-May 2017) you are a continuing student:

Students who were enrolled in high school during the Spring 2017 semester are **not** continuing students. See "Current High School Students" section if still enrolled in high school or "New/Transfer/Returning Student" section if you have now graduated, for registration process.

Continuing Students Registration Process:

- ❶ Apply for enrollment fee waiver (at Financial Aid Office) before registering.

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at fafsa.ed.gov.

Apply for BOGW at your local Financial Aid Office

If you were on a fee waiver for any part of the 2016-2017 year, you must re-apply.

- ❷ Active duty military at Beale AFB
You may register on-line or go to the Beale AFB Outreach Services to register.

- ❸ Clear all outstanding debts and holds.

- ❹ Use WebAdvisor at yc.yccd.edu to register on your PRIORITY registration date.
See chart for priority date.

Adds and drops should be processed through WebAdvisor.

It is your responsibility to verify that all transactions are processed by the established deadlines.

Continuing Students WebAdvisor Registration Dates for Spring

WebAdvisor registration is scheduled by the Enrollment Priorities guidelines (AP 5055)

You may register on your scheduled priority date (see previous page).

Take advantage of your status to register before new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Registration for Returning Students

Definition: Enrolled at any Yuba Community College District site in the last THREE years (Spring 2015-2017), not counting Summer Session classes.

- ❶ Apply on-line at yc.yccd.edu
- ❷ See enrollment priorities guidelines

Important Reminders:

Prior to your first semester:

- Submit your application
- Apply for a Fee Waiver and/or Financial Aid
- Provide official copies of all educational transcripts
- Take the placement exam
- Locate the Library, College Success Center, Hard Math Cafe, Veterans Service Office, Career and Job Placement Offices, Transfer Center, Bookstore, Re-entry/WIA Office, CalWORKS Office, and DSPS Office
- Complete an on-line orientation
- Meet with a counselor
- Initiate an educational plan
- Register for classes and pay fees
- Tour the campus

Every semester:

- Meet with your counselor
- Update your educational plan
- Research careers in the Career Center
- Meet with university representatives
- Research transfer universities at the Transfer Center
- Check on scholarships
- Request tutoring, if needed, in the College Success Center

Attend the first day of class!

Information and expectations presented in the first class session are critical to successful participation in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day "may" be dropped. However, ***do not assume the instructor will automatically drop you from classes. Students are responsible for dropping classes they do not attend.***

Registration for First Time Students

Definition: Students who enroll at the college for the first time, excluding students who transferred from another college of higher education.

① Complete (Matriculation Process):

a. An application

Apply on-line at yc.yccd.edu

b. On-line Orientation:

From the website at yc.yccd.edu, click on Apply, Step 2.

Complete the Orientation.

c. Complete the Yuba College Placement Exam if you plan to take a class with a prerequisite or if you plan to meet with a counselor for course placement.

Contact Assessment and Testing Center, 741-6864 for placement exam times. Current and valid County, State, or Federal PICTURE I.D. IS REQUIRED.

d. Prerequisite Verification:

If you completed a prerequisite course at another college, provide documentation prior to registration.

e. Counseling:

Call the Counseling Office at (530) 634-7766 to schedule a date for counseling, assistance in selecting appropriate classes, and completion of an educational plan.

② After completion of the application, on-line orientation process, assessment, and completing a student educational plan **you will be eligible to register for classes starting May 8, 2017.**

Dual Enrollment High School Students:

The Yuba Community College District may accept as a Part-Time student, eligible high school students who have completed the eighth grade.

Students must submit an Application and "High School Recommendation Form," including the signature of the high school principal and the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). The Placement Exam can be taken to demonstrate level. PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
5. **Register starting May 22, 2017 in person.**

According to AP 5020 and AP 5030 high school students enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (Note: Dual enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Late Registration and Changes:

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature and date) on an add form is required.

WebAdvisor Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu

Don't assume you won't qualify, APPLY NOW!

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at: fafsa.ed.gov

Apply for BOGW at your local Financial Aid Office

Residency:

Residency is determined by the laws of the State of California.

California residents are those who have maintained legal residency status in California for one year and a day PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The burden of proof rests with the student.

Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the BOGW enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.

WebAdvisor Step-by-Step Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

**Apply for
Financial Aid
before you
access
WebAdvisor.**

① Log In:

1. Use your mouse to click on the Log In button.
2. Your "Log In" ID (also known as "MyCampus Key") is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
3. Enter your (previously established) password. If you have never used WebAdvisor before, your initial password is your birth date in the format MMDDYY (i.e., Jan. 10, 1963, is 011063).
4. Click on the SUBMIT button.
To use WebAdvisor, log onto yc.yccd.edu
Click on My Campus Portal
Log in to Portal
Click on WebAdvisor Online Registration

② To Register or Add a class:

Click on Registration/Register or Drop

If you know the 4-digit class code (listed in the Schedule of Classes), select **Express Registration**. Enter the 4-digit code in the class code column. When you have entered the class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

If you do not know the 4-digit class code, use the Search/Register for Sections. Use the pull-down menu to select appropriate term. Use the pull-down screen to enter the Subject (i.e., Art) of the class. Scroll down the screen to the "location" field and use the pull-down menu to select the location. (You need to enter the location of a class IF you are only interested in classes at a particular location. For example, a student who only wants to take a Marysville class would not want to view the classes taught at Clearlake or Woodland.) Click Submit button.

When you have the classes displayed, review the classes (including location). Click in the Select Section(s) column for those classes you want. Click Submit button.

This will create a "shopping cart" of Preferred Sections including location. **Preferred sections are NOT registered classes** -- see next step. You can select the pull-down menu to register for all sections listed, or use the pull-down menu under the ACTION Column to select "RG-Register" for each section.

You can add your name on a waitlist (if the class is full and has a waitlist). All registration rules will apply to wait-listed courses. You can only be placed on one waitlist per course -- and if you enroll in another section of that class, your name will be REMOVED from the waitlist. If you have a time conflict, you cannot be registered for a class. Time conflicts will result in you being dropped from the waitlisted class. You will be automatically moved from the waitlist to enrolled status once a space becomes available. Please review your schedule regularly.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, etc. A class with a problem will NOT be added.

WebAdvisor Registration (Continued)

③ Dropping a Class:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button.

The next screen will display a list of the REMAINING classes you are still registered in.

To verify that the course was dropped successfully either: 1) print the revised schedule, or 2) close out of WebAdvisor, then re enter and review your schedule. **Petitions will no longer be approved for registration procedure errors.**

④ Print:

Print a copy of your Schedule from WebAdvisor as your verification of enrollment.

You will NOT be mailed a copy of your class schedule.

Report cards are *not* mailed at the end of the semester. Access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is *your* responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

Payment Options/How to Pay Fees

10 Days to Pay

Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. The new policy for dropping due to non payment began in the Spring 2012 semester. Payment is due within 10 days of registration if you do not qualify for a Board of Governor's Fee Waiver.

Students must:

- Be approved for a BOGW (Board of Governor's Fee Waiver) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan (deadline to enroll is: Friday, August 18, 2017)

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending.

Students who do not take one of these actions will be subject to being dropped from their classes for non-payment. Before registering for classes, **you must have your BOGW waiver in place** or you will be directed to:

1. Pay your registration fees in full at MyCampus Portal located on our website, yc.yccd.edu

Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. Setup a Payment Plan

Students may sign up for a payment plan at yc.yccd.edu. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. There is a \$25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.

Use Your Student E-mail Because:

Yuba College will use your campus e-mail as a means to communicate with students.

You can create documents using Microsoft Word, Excel, PowerPoint and OneNote through your e-mail service.

Store up to 1 terabyte of data on OneDrive.

Create personal and shared Photo Albums.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, fee waiver or payment plan.

Board of Governors Enrollment Fee Waiver:

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California Board of Governors Fee Waiver (BOGW). If you qualify, the BOGW program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

Effective Fall 2016, California Community College students receiving the BOG Fee Waiver must meet minimum academic and progress standards to remain eligible for the BOG Fee Waiver (<http://www.yccd.edu/educational-services/bog.aspx>). Students must: maintain a cumulative GPA of 2.00 and successfully complete at least 50% of all units attempted

The best way to apply for this BOGW program is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov. When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a BOGW you will save the cost of tuition and possible qualify for a Pell Grant which can help pay for your books.

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit. Fees are set by State. If fee is increased students are billed at the new rate.	All students, except those eligible for a Board of Governors' Enrollment Fee Waiver (BOGW) & dual enrolled students
Health Fee	\$10 per semester	All students, except those qualified for the BOG waiver and dual enrolled students
Parking Decals	\$40 fee per semester or \$2.00 per day (BOGW = \$20) \$20 Summer Session (Subject to change)	All vehicles using campus facilities must display a valid permit (purchase on-line).
Non-Resident Tuition Foreign Student Tuition	\$215 non-resident fee Total: \$215 per unit	All non-resident and non-resident foreign students (from another country); dual enrolled students are exempt.

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

Refunds: Deadline for Short Term Classes:

You **must** drop your class by the end of the **second** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:
31-40 days – end of 3rd class meeting
41-50 days – end of 4th class meeting
51-60 days – end of 5th class meeting

Deadline for Full Term Classes: August 25, 2017

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in Webadvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

AB 540 and the CA Dream Act

Any student, other than one with a USCIS nonimmigrant visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).¹

• Requirements:

- The student must have:
 - attended a high school (public or private) in California for three or more years, or
 - attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years² and
- The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam) and
- The student must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

AB 540 Affidavit - "California Non-Resident Tuition Exemption Request"

In order to receive the exemption from non-resident tuition, students must obtain, complete, and submit the AB 540 Affidavit to the Admissions and Records Office. Students may be required to submit additional documentation such as high school transcripts and appropriate records of high school graduation or the equivalent.

The California Dream Act

AB 130 allows students, who meet AB 540 criteria (California Education Code 68130.5(a)), to apply for and receive non-state funded scholarships for public colleges and universities; AB 131 allows students, who meet AB 540 criteria, to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant. Therefore, AB 540 students are allowed to apply for the following types of financial aid:

- Board of Governors Fee Waivers (BOG)
- State financial aid like Cal Grants and Chafee Grants
- Assistance from EOPS, CARE or Cal-WORKS
- Privately-funded scholarships

If eligible for the AB 540, students must:

- Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
- Contact the Financial Aid Office to determine the next steps to take
- Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
- Students who do not have a Social Security Number need to enter a California Dream Act
- Application at: <https://dream.csac.ca.gov/>

¹ This exemption to the requirement to pay the nonresident tuition fee is often referred to "AB 540" after the Assembly Bill which enacted the exemption. (Ed. Code, § 68130.5.)

² In 2014, Assembly Bill 2000 was enacted amending Education Code section 68130.5 to allow this additional flexibility in meeting the requirements for the exemption

Placement Levels: *Exam Information*

Assessment in reading, English, and math helps to determine the student's academic skill levels and needs. Placement exam results are one of the multiple criteria used to counsel and help place students into suitable classes and to create a Student Educational Plan (SEP) to define educational goals. The exam may also be used to meet course prerequisites. The exam is NOT used for admission purposes and is given free of charge. Current and valid County, State, or Federal picture I.D. is required.

The Yuba Community College District offers the College Board Computerized Placement Test System (CPTS). Students receive their placement exam results immediately upon completing the test. No computer skills are necessary to take the exam. A SAMPLE exam and Tutoring are available on our web site - www.yccd.edu. Click on "Students Resources" and "Assessment & Testing" and then "Placement Examination Information"

All District sites offer the exam by appointment, and some also offer walk-in convenience. Students may enroll in courses above their placement level only through the challenge process.

Placement Exam Locations:

Call the office at (530) 741-6864 to obtain information on dates and times which will be most convenient for you to complete the placement exam.

After satisfactorily completing the beginning level class (grade of "C" or better), students progress to the next higher class level. All students are advised to discuss their placement options with a Yuba Community College District counselor.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a "(L)", "(M)", or "(L,M)" in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

The (L) designation means that the content of the course is such that the student must have college-level language skills to successfully complete the course. Students may meet the requirements for the (L) courses by one of the following:

Early Assessment Program

Yuba College proudly accepts EAP (Early Assessment Program) scores for incoming freshman that have achieved "Ready" status in Math, English, or both in lieu of taking the placement assessment. In addition, students may also use their ACT, SAT, or AP scores should they fall within a specific range (see scale below).

Math

CAASPP EAP: Standard Exceeded "Ready"
ACT: 23 or higher
SAT: 570 or higher
AP Calculus or AP Statistics Exam: 3 or higher

English

CAASPP EAP: Standard Exceeded "Ready"
ACT: 23 or higher
SAT: 550 or higher
AP Language or AP Literature Composition
Exam: 3 or higher

Students who select to use the aforementioned criteria to fulfill their Math and/or English placement assessment requirement needs to first complete a Yuba College application for admission and then notify the Assessment and Testing Office that they are seeking an exemption. EAP scores will be verified at the Assessment and Testing Office, so the students will not need to bring a copy of those scores. However, if you plan to use your ACT, SAT, or AP scores, you will need to bring a copy of the score to the Assessment and Testing Office at Yuba College (Marysville) or at the Sutter County Center.

For further information, please contact the Assessment and Testing Office at (530) 741-6846.

canvas
BY INSTRUCTURE

The YCCD eLearning courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Learning Management System: Canvas is the Learning Management System we use for our Online courses. Log into Canvas using the same ID & Password you use for WebAdvisor/MyCampusPortal. Log into Canvas from the college home page by selecting the Canvas link in the upper right hand corner.

Successful students must: 1) Have reliable access to a computer and the internet; 2) Commit to 10 hours per week, per course; 3) Use good time management; 4) Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research,
BCA 42A: Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

Exam proctoring is available for Online courses. Contact your local YCCD library for more information.

Problems logging into Canvas contact: helpdesk@yccd.edu

Problems once you're logged into Canvas: select the help tab in the upper right corner and submit a ticket.

Chemistry

CHEM 1A General Chemistry 5 units

Transferable to CSU/UC

Students will explore the fundamental principles of inorganic chemistry including the nomenclature of inorganic compounds, chemical formulas, equations and reactions; stoichiometry; structure of atoms, ions, and molecules and the periodic table; oxidation-reduction and acid-base reactions; gas laws; thermochemistry and equilibrium. Laboratory techniques in the investigation of these chemical systems will be extensively developed including experiments utilizing calorimetry to determine the enthalpy change associated with physical and chemical processes, fundamental gas laws analyzing pressure, volume, and temperature relationships, and acid-base chemistry utilizing titration analysis. Prerequisite: MATH 52 and CHEM 2A or 1 yr of high school Chem with a grade of "B" or better. (L,M)

ENGR 10 Introduction to Engineering & Science 3 units

Transferable to CSU/UC

Exploration of the Science, Technology, Engineering and Mathematics (STEM) fields, particularly engineering, for both the decided engineering/STEM majors and others who may be curious about engineering. This course will provide the student added college success skills which will improve his/her chances of succeeding in a technical field such as engineering. The course surveys the contemporary role of STEM professions in society, the engineering approach to problem solving, the design process, and ethics/responsibilities of engineers and scientists. The course offers a variety of hands-on activities and interactive laboratories. Prerequisite: MATH 50. (L,M)

Please allow enough processing time for this to be completed before classes begin.

ENGR 35 Statics 3 units

Transferable to CSU/UC

This is a first course in mechanics as used in engineering- with emphasis on force systems and equilibrium conditions in two and three dimensions including moments, couples and resultants. Engineering problems concerning structures, machines, centers of gravity, moments of inertia, distributed forces, friction and methods of virtual work are covered. Trigonometric and vector methods are used in this course. Understanding and application of the concepts of engineering problems is a key component of this course. Optional topics include cable systems and Mohr's circle. Corerequisite: MATH 1C. Prerequisite: PHYS 4A. (L,M)

Math 50 and 50A have been renumbered to Math 101 and 101A beginning in Fall 2017. Please check the schedule for Math 101 classes.

MATH 50B Elementary Algebra Second Half 3 units

Introductory algebra. Topics include: quadratic equations, absolute value equations, systems of linear equations in two variables, compound inequalities, factorization of polynomials. Designed for a wide variety of students, including those who have been unsuccessful in Math 50, are math anxious, or desire a slower paced, year-long version of Math 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them. It is the second half of Elementary Algebra and, together with Math 50A, is equivalent to Math 50 for courses that require Math 50 as a prerequisite. Math 50B is also suitable for students who desire to review the latter part of Math 50 before taking Math 52. Prerequisite: MATH 50A. (L)

MATH 50B Elementary Algebra Second Half 3 units

Introductory algebra. Topics include: quadratic equations, absolute value equations, systems of linear equations in two variables, compound inequalities, factorization of polynomials. Designed for a wide variety of students, including those who have been unsuccessful in Math 50, are math anxious, or desire a slower paced, year-long version of Math 50. Intended to provide students with additional exposure to algebraic concepts and additional time to practice them. It is the second half of Elementary Algebra and, together with Math 50A, is equivalent to Math 50 for courses that require Math 50 as a prerequisite. Math 50B is also suitable for students who desire to review the latter part of Math 50 before taking Math 52. Prerequisite: MATH 50A. (L)

The YCCD eLearning courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Learning Management System: Canvas is the Learning Management System we use for our Online courses. Log into Canvas using the same ID & Password you use for WebAdvisor/MyCampusPortal. Log into Canvas from the college home page by selecting the Canvas link in the upper right hand corner.

Successful students must: **1)** Have reliable access to a computer and the internet; **2)** Commit to 10 hours per week, per course; **3)** Use good time management; **4)** Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research,
BCA 42A: Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

Exam proctoring is available for Online courses. Contact your local YCCD library for more information.

Problems logging into Canvas contact: helpdesk@yccd.edu

Problems once you're logged into Canvas: select the help tab in the upper right corner and submit a ticket.

For additional info call: 530-741-6981.

MyCampus Portal course materials

If your instructor uses MyCampus Portal to post class materials, you will need to log into the MyCampus Portal to locate your Course Site. <http://yc.yccd.edu/campus/mycampus.aspx>

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All first-time college students, transfer, and returning students (who have not attended a Yuba College class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. Yuba College is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College via the online application: yc.yccd.edu • Assessment of English, mathematics, and reading skill levels • Orientation, which provides information about programs and services, academic expectations, and procedures
- Counseling services to assist in defining goals and developing a plan to achieve those goals • Enrollment in classes via WebAdvisor
- Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as either Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. (NOTE: These exemptions do not provide clearance for Priority Registration or enrollment into specified English, mathematics, or reading courses.)

- * Have completed an Associate or higher degree; provide verification of degree;
- * Concurrently enrolled in high school; need permission form signed by parents and high school official
- * Enrolled in only classes for which they have approved previous training (e.g., firefighters taking a fire science class);
- * Enrolled in fewer than 6 units;
- * Do not plan to earn a degree or certificate;
- * Completed at least 24 units at another college within the past three years and were in good standing-verification required;
- * Enrolled in only performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
- * Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Students seeking an exemption from the matriculation process must submit an Exemption Form. Forms are available at all Admissions and Records sites and in the Yuba College Counseling Department.

Matriculation – Students' Rights, Challenges, and Complaints process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Office of the Dean of Student Services, which is responsible for investigation and resolution. Students who meet the criteria and receive an exemption from a Yuba College counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

- For the purpose of registration status classification, such a student will be classified as non-matriculated.
- For the purpose of academic classification, the student's statement on the registration form will be accepted without verification. Students classified as non-matriculated will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan. Continuing students should schedule a counseling appointment for assistance with registration, advising, and completion of an educational plan. All other applicants (first-time college students and transfer students) should file an online Application for Admission, complete the online orientation, the Placement Examination, and have high school and/or college transcripts sent to the Admissions and Records Office at the Yuba College Marysville campus. Applicants will then meet with counselors to

Public Law 101-542 and 102-26: Student Right to Know

In compliance with the Student Right to Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the District to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2009, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2009 to Spring 2012. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2010 to Spring 2012, are transfer students.

The following are the numbers of degrees and certificates awarded District-wide for the last three years (counts Fall, Spring, and Summer). These totals do not consider the students' status upon entering the District.

Academic and General Information:

Address Changes

It is the student's responsibility to notify the college of an address change.

Adds and Drops

Students wishing to change their course enrollment may add or drop classes using WebAdvisor registration, or by submitting the appropriate forms to the Admissions and Records Office. Full-term courses may be added during the late Registration period (see "Schedule of Classes"), later only in special cases and with instructor approval.

Articulation System Stimulating Inter-Institutional Student Transfer (ASSIST)

ASSIST is a single computerized database located at ASSIST.org that provides access to articulation agreements developed between California Community College, the California State Universities (CSU) and the University of California (UC). As articulation agreements are updated, so is the information maintained in ASSIST. See a counselor for assistance on how to use Assist.

Attendance

A student is expected to attend all sessions of each class in which enrolled. Attendance is the student's responsibility. Any student who ceases to attend a class without officially dropping it through WebAdvisor or at the Admissions and Records Office may receive a failing grade.

Audit Classes

There are restrictions on auditing a class. Please check with the Admissions and Records Office or the Yuba College Catalog for more information.

C.S.U. General Education - Breadth Requirements

The CSU General Education-Breadth program allows California community college transfer students to fulfill lower division general education-breadth requirements for any CSU campus prior to transfer. Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses.

Computer/Network Use Policy

The Yuba Community College District Board of Trustees, in granting access to College computers and networks, expects that students, in their use of these systems, will adhere to legal and ethical standards consistent with the College's mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of college computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of students.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at "C" or higher level. "D" or "F" work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

Grade	Grade Points	Definition
A	4	Excellent
B	3	Good
C	2	Satisfactory
D	1	Less than satisfactory
F	0	Failing

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

Grade	Definition
P	Pass ("C" or better)
NP	No Pass ("D" or "F")
W	Withdrawal
I	Incomplete
IP	In Progress
RD	Report Delayed

Drug-Free School Policy

The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated.

Yuba College has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.

It is the stated policy of the District to implement a comprehensive substance abuse strategy that will work more effectively in combating use and potential use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Graduation

Students who plan to graduate must file a PETITION for graduation. Yuba College has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or Summer (July 1) terms. Students must apply to graduate prior to the deadline in order to be considered. It is the student's responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admission and Records Office technicians.

Intersegmental General Education Transfer Curriculum (IGETC)

IGETC is a general education program that California community college transfer students may use to fulfill lower division general education requirements for any California State University (CSU) or University of California (UC) and many California private colleges and universities.

It is important to know, IGETC is not an admission requirement, nor does completion of the IGETC guarantee admission to the college, university, or program of choice.

Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

Parking Regulations

Students who drive vehicles on campus will pay a Parking Fee and be issued a decal. The cost is \$40 per semester; \$20 for summer session. As an option, students may purchase a \$2 daily parking pass in lieu of a semester decal. The Parking Fee covers day and evening campus attendance. Parking decals are required and must be affixed to the inside right corner of the windshield.

Decals are not transferable. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department.

Prerequisites/Corequisites

Prerequisites are required only for courses where specific academic background is necessary in order to assure students a reasonable chance of success in the course. Prerequisites which are listed as “required” include:

- Courses for which specific prerequisites have been validated,
- Sequential course work in a degree or program, or
- Courses in which a prerequisite is necessary for transfer to a four-year college. Responsibility for having met the prerequisite rests with the student.

It is the student's responsibility to be aware of and comply with the prerequisite regulations. Prerequisites are shown for each course in the Catalog and Schedule of Classes. It is the student's responsibility to check the course descriptions and not register in any class for which the prerequisite has not been completed.

Students may show they have met the prerequisite/corequisite requirements through one or more of the following:

- Successful completion of the prerequisite course with a “C” or better grade.
- Appropriate placement score on the Yuba College *Placement Examination*.
- Official grade report or transcript from another college/school showing successful completion of the prerequisite with a “C” or better grade (requires a prerequisite verification form approval).
- Approved *Prerequisite Challenge Form* (Challenge Forms are available from the Counseling Office at Yuba College; Sutter County Center and Beale AFB Outreach Services, the forms are available from the campus administrator.)

Students may be dropped from a class for not having completed the prerequisite. Such action may also result in a student losing Financial Aid, Veteran's Benefits, etc., since the drop may result in the student's units falling below full-time/part-time status.

"Corequisites" for a course are those courses in which a student may enroll prior to enrolling in the target course or simultaneously with the target course. Corequisites provide the necessary skill or supplementary body of knowledge or laboratory time during the course to help assure success in the course.

Release of Student Information

In order to help protect your privacy, a picture I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. If you do not wish this information released, you must file a request at the Admissions and Records Office within seven calendar days of registration. (See catalog for further details.)

Repeatable Courses

Course Repetition

State legislation has changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal ("W") to be calculated in as a repeat. If a student receives a "W" or substandard grade, the student is only able to attempt the course for a "W" or passing grade a total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student's academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student's academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

Selective Service Registration

Almost all male U.S. citizens and male aliens living in the U.S., who are 18 through 25, are required to register for the military draft. However, men who currently register are not automatically inducted into military service. Presently, the United States operates its military through volunteer enlistment. The last time men were inducted into the military was during the Vietnam War. Registration for a possible future draft is required to ensure America's preparedness in the event of a military crisis. In the event of a crisis that necessitates a draft to be invoked, men would be called in sequence determined by random lottery number and year of birth. They would then be examined for mental, physical and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces. You may register as soon as you reach the age of 17 years and 3 months but must register within 30 days of turning 18.

If you do not register, you could be prosecuted and fined up to \$250,000 and/or be put in jail for up to five years. Registration is also required to qualify for Federal student financial aid, job training benefits, and most Federal employment. The Selective Service Registration Form may be obtained from the Yuba College Registration Office or from your local post office.

Students who have questions about Selective Service registration may contact the Selective Service at (847) 688-6888 or on the Web.

Short-term Courses

Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading option. Contact the Admissions and Records Office for deadline dates.

Smoking Policy

In the interest of public health, Yuba Community College District became a tobacco/nicotine free campus effective January 2017. This policy applies to all employees, students, vendors, volunteers and visitors.

Use of any form of tobacco/nicotine is prohibited at all times in the following areas:

- On all owned, rented, and leased Yuba Community College District properties, grounds and buildings within the Yuba Community College District.
- In all Yuba College and Yuba Community College District owned, rented and leased vehicles and mobile equipment.

This prohibition includes but is not limited to cigarettes, cigars, bidis, pipes, hookah, electronic cigarettes and smokeless tobacco/nicotine products.

Student Learning Outcomes

Student Learning Outcomes (SLO's) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO's differ from traditional measures of student success—letter grades—in that they measure specific skills within a course and program that prepares students for roles outside of Yuba College transfer, workforce and citizenship—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how these types of probation may affect a student's educational goals. Students who are receiving financial aid or veterans' benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

Academic Probation:

A student who has attempted at least 12 semester units of YCCD classes as shown by the student's transcript shall be placed on *Academic Probation* when the student has earned a cumulative grade point average of less than 2.0 in grades earned.

Progress Probation:

A student who has enrolled, beginning fall 1981, in a total of at least 12 semester units of YCCD classes as shown on the student's transcript shall be placed on *Progress Probation* when the percentage of all units in which a student has enrolled and for which entries of "W," "I," "NC" and "NP" are recorded reaches or exceeds fifty percent (50%).

Removal from Probation:

A student is removed from *Academic Probation* when the cumulative GPA (earned in YCCD classes only) reaches 2.0 or higher. A student is removed from *Progress Probation* when the units of "W," "I," "NC" and "NP" grades drop below 50% of the accumulated units of completion as shown on the student's transcript.

Dismissal:

A student who is on Academic Probation shall be subject to dismissal if the student earned a cumulative GPA of less than 2.0 in all units attempted in each of 3 consecutive semesters even though a lapse of college attendance may occur between the semesters. A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of "W," "I," and "NP" are recorded in at least 3 consecutive semesters reaches or exceeds fifty percent (50%). Dismissal may be postponed by the Yuba College Academic Standards Committee when evidence of academic improvement or extenuating circumstances exist.

Students who feel they have extenuating circumstances with regard to these regulations should see a counselor and file a petition with the Academic Standards Committee who may conditionally reinstate a student when the circumstances are justifiable. Justifiable circumstances include accidents, illnesses, changes in working conditions, and other reasons beyond the student's control.

Readmission:

A dismissed student may petition for readmission (on probation) after consultation with a counselor. Generally, the student must wait a semester before petitioning for readmission. The counselor will help the student select appropriate classes, limit the number of units of enrollment and set up a visitation schedule to check the student's progress during the semester of attendance.

NOTE: Students receiving financial aid must refer to the current Financial Aid Handbook concerning Probation Status. Students receiving veteran's benefits should contact the Veterans' Services Office concerning consequences of probation. All students receiving aid/benefits should consult a counselor concerning consequences of probation. Students on probation may be prohibited from receiving aid/benefits.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Responsibility

It is each student's responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts

A student may apply for an official transcript of college courses at the Admissions and Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are \$5 each. Transcripts requested "over the counter" or a "48-hour rush mail" will require a \$10 "rush" fee. Transcript fees must be paid at the time of request.

Official transcripts may be requested in person, by mail, by fax, or online. For information about transcripts, contact the Admissions and Records Office at (530) 741-6720, email ycadmissions@yccd.edu, or visit the Admissions and Records Office webpage on the Yuba College website.

Transcripts will not be released for students who have holds placed on records for outstanding obligations to the College.

Students may print out their own free "unofficial" transcript copy online by logging on to the Yuba College website. Select WebAdvisor and follow instructions.

Maximum Unit Load

The average student load is sixteen (16) units per semester. In any case, nineteen (19) units is the maximum load which is allowed. Units in excess of nineteen (19) are allowed only for the most urgent reasons and on the basis of counselor approval.

Eight (8) units is the maximum in which a student may register during the summer session without counselor approval.

Wait List

Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be "added" and notified through an announcement in the college portal. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Admission and Records Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on the wait list.

Student Services

A.S.Y.C. - Student Government

The Associated Students of Yuba College (ASYC) is the title of the official organization which controls student affairs. The Student Council, the governing body of the ASYC, provides services and social activities for students and represents students' views and interests to the administration and Board of Trustees through participation on college committees.

Bookstore

Yuba College Bookstore located in Building 200. The Bookstore is a one-stop shop, supporting community needs in and out of the classroom. When it comes to textbooks, the bookstore offers a variety of affordable options including used, rental and digital books as well as a price match promise to guarantee students get their materials at the lowest cost possible. The bookstore also makes shopping hassle-free with its Text A to Z program. Simply log in to Follett Discover and pull up a personalized course materials shopping list, alphabetized by author. Students can print and email the list or just use the kiosk in the bookstore. The bookstore also carries every day essentials like clothing, gifts, supplies, general reference and bargain books, as well as snack food and drinks. For more information on payment options, returns, shipping, store hours and more, visit www.yubashop.com or call (530) 741-6998.

Buy Backs: The bookstore buys back textbooks for cash every day, regardless of where the text was purchased! The textbook can be new, used, hardback, or paperback (excluding workbooks). Prices fluctuate according to demand.

California Work Opportunity and Responsibility to Kids (CalWORKs)

The Yuba College CalWORKs Program, located in Building 100b, offers services for eligible students in the following areas: Academic, Vocational and Personal Counseling, Job Placement (related to the student's major), CalWORKs Work-Study, access to the CalWORKs Lending Library, Educational Supplies and Child Care. For more information or to schedule an in person or distance appointment, call the Yuba College CalWORKs Office at (530) 634-7773 or email calworks@yccd.edu.

Cooperative Agencies Resources for Education (CARE)

As a supplemental component of EOP&S, CARE provides additional support services for eligible EOP&S students who are single head of household, have at least one child under the age of 14, and receiving TANF benefits. Grants for educationally related expenses (such as child care, transportation, textbooks and supplies) may be awarded as a means of strengthening the retention, persistence, graduation and transfer rates of these individuals. For additional information visit the EOP&S website: <http://yc.yccd.edu/student/EOPS/default.aspx> or call EOP&S at Yuba College, (530) 741-6995.

Career Center

The Yuba College Career Center, located in Building 100b, provides a process to lead students through various assessments giving them the necessary tools to make career and life planning decisions. Services and tools available to students to achieve this goal include: career and vocational assessment and testing; occupational computer-assisted career information; and a library of occupational books and reference materials. For more information, contact the Yuba College Career Center.

Career Technical Education Transitions

The Yuba College Career Technical Education Transitions Program, located in Room 305 in Building 300, coordinates the awarding of college credit to high school students who meet approved articulation requirements. An articulated course is one in which the high school instructor/Regional Occupational Program (ROP) and Yuba College faculty have formally agreed that the high school's/ROPs course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Yuba College. Students receive credit on a Yuba College transcript once articulation requirements have been completed. The CTE (Career Technical Education) Transitions Program prepares students to earn a certificate, an associate's degree or transfer to a university.

For more information about the CTE Transitions Program, contact the Yuba College CTE Transitions Office at (530) 741-6588, ctetransitions@yccd.edu, visit the Admissions and Records Office at any campus, or see your counselor. Also visit the CTE Transitions website at <http://www.yccd.edu/educational-services/cte/default.aspx>.

Child Development Center – Toddler and Preschool Services

The Child Development Center is located in Building 1600 at Yuba College. The program provides children with many opportunities to grow and learn. Our environment is designed to enhance a child's age appropriate learning through natural science, creative & language art experiences, physical activities and number concepts. The Child Development program is state funded and follows California Department of Education guidelines, Foundations and Framework curriculum. Eligibility to enroll can be met by private pay or income eligibility and by meeting one of the following need criteria:

- Students with a need for childcare*
- Searching for work
- Working
- Incapacitated
- Searching for housing

Child Development Center hours of operation: Monday-Friday 7:30 a.m.-5:30 p.m. (530) 749-3808. Yuba College serves toddlers (18 months-36 months) and preschoolers (3-5 years) in a full day, part day or state preschool program (9 a.m.-12 p.m. or 2:30 p.m.-5:30 p.m. *There is no need requirement when attending only preschool hours.

College Success Center

The College Success Center (Room 1103) in the Library Learning Center (Building 1100) on the Yuba College campus delivers academic learning and support services across many disciplines to all currently enrolled Yuba College students at no cost and provides a positive, supportive learning environment that, if fully utilized, significantly enhances students' abilities to pass their classes.

Academic Learning and Support Services

- scheduled collaborative learning sessions
- facilitated collaborative learning groups
- drop-in mathematics assistance (all day)
- scheduled individualized tutoring
- test and examination reviews
- Supplemental Instruction® (Content Tutoring only)
- quiet study areas for groups and individuals
- access to wireless internet, computers and academic software
- test preparation materials
- assistance with research projects
- assistance with multimedia presentations

The two major components of the College Success Center are the Math Tutoring Program and the Content Tutoring Program.

Counseling Services

Community colleges are distinguished by the personal attention given to students and the quality of guidance and counseling services provided. Counseling is an essential part of Yuba College, designed to complement and facilitate instruction and to aid students in academic, career, and personal planning. Individual and group counseling is provided. Students are strongly encouraged to meet with a counselor twice each semester or more frequently as needed. Counselors are available at Yuba College, Sutter County Center and Beale AFB.

For more information or to schedule an in person or distance appointment, call Yuba College at (530) 634-7766, Sutter County Center at (530) 751-5600, Beale AFB Outreach Services at (530) 788-0973 or email yccounseling@yccd.edu.

Disabled Student Program & Services

DSP&S, located in Building 1800, is designed to equalize educational opportunities for students with disabilities that impact their academic participation such as vision, hearing, psychological, mobility, and learning. Screening for learning disabilities is available to all currently registered Yuba College students experiencing difficulty in their classes or who have a history of special education needs. Support services for eligible students may include academic accommodations such as test proctoring, note taking, disability advising, priority registration, auxiliary aids, interpreter services, and mobility aids. Specialized classes are offered each semester at Yuba College including Adapted Physical Education, Academic Strategies, Assisted Computer Technology, and Reading/Writing Development.

For more information about eligibility or to apply for services or to schedule an in person or distance appointment, call DSP&S at Yuba College at (530) 741-6795 (voice) or (866) 274-7530 (video phone) or email dspinfo@yccd.edu.

ESL Counseling/Admissions Services

For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Hmong students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

English as a Second Language (ESL) Program

The ESL Program is designed to provide assistance and support to non-native English speakers. The goal is to help ESL students develop their communication skills in English and prepare them to transition into other academic subjects, vocational programs and career fields. Interpreters (Spanish/Punjabi/Hmong); counseling; placement testing; and assistance with registration are available.

Extended Opportunity Programs and Services (EOPS)

Extended Opportunity Program and Services (EOP&S), located in Building 100b, is a state funded program that provides "over and above" support services to economically and educationally disadvantaged students. EOP&S promotes student success with priority registration, comprehensive educational planning, career and transfer planning, free tutoring, textbook assistance, limited financial assistance, and other additional services designed to support the student.

For additional information or to schedule an in person or stance appointment at Yuba College or the Sutter County Center, visit the EOP&S website: <http://yc.yccd.edu/student/EOPS/default.aspx>, call EOP&S at Yuba College, (530) 741-6995 or email yceops@yccd.edu.

Financial Aid

Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) on-line for faster processing. Applications should be completed as soon as possible. FAFSA may be filed on line at www.fafsa.ed.gov

If students need financial assistance they are encouraged to stop by the Financial Aid Office in Building 100B to talk with a Financial Aid Technician (picture I.D. required).

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Library/Learning Resource Center

The Yuba College Library, located in Building 1100, offers a wide variety of information services and resources to support student learning across curriculum. With access to updated book and electronic book collections, periodical subscriptions, and online research databases, the library is a great place to start any research project. Students are welcome to study in a quiet environment, search on a topic, and get help in finding information. Appointments are available to meet one-on-one with a librarian. Students may learn how to use the library and its resources by attending an orientation session or enrolling in LIBSCI - Library Research Skills which is offered online.

The new Learning Resources Center, located in the Library, features group study rooms, quiet study areas, and a computer lab.

Students can receive their first Library/Media card free. The cost for community users is \$1.00. The cost of a replacement card is \$5.00. The library phone number is (530) 741-6755 and the Cyber Lab phone number is (530) 741-6752.

MESA Program

MESA is an award-winning academic enrichment program that provides educationally disadvantaged students with the tools to earn bachelor's degrees in math-based fields. With tutoring and mentoring, extra study sessions, transfer counseling and study centers, MESA provides an environment that allows students to succeed in math and science and navigate the transfer system more easily.

The program's mission is to provide math, engineering and science academic enrichment to educationally disadvantaged community college students so they excel academically and transfer to four-year institutions as math-based majors. Furthermore, the program establishes an environment in which students receive opportunities for peer support, information-sharing and learn first-hand about career options and scholarships, internships and special programs.

Services include:

- Academic Excellence Workshops
- Orientation Course
- Assistance in the Transfer Process
- Career Advising
- Student Study Center
- Tutoring

For more information, call (530) 749-3830 or 741-6986, or visit our MESA Center in Room 701.

Student Publication Notice/ Academic Accommodations

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website: www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extracurricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

Transfer Center

The Yuba College Transfer Center, located in Building 100b, hosts an annual fall transfer program called, "College Information Day". This program brings representatives on campus from the University of California, California State University, independent California colleges and universities, in addition to out-of-state colleges. Both Yuba College and area high school students have an opportunity to visit informally with these representatives to obtain information concerning their programs, services, and application procedures.

The Transfer Center offers services and resources for students seeking information about baccalaureate level colleges and universities. For some students, the transfer process can be overwhelming. Yuba College counselors and Transfer Center staff are committed to help students with the phases of the transfer process and the many transfer options available. These services include:

- Computers with Internet links to web sites related to transfer
- Appointment opportunities with representatives from baccalaureate level colleges and universities.
- The annual College Information Day
- Workshops related to transfer

For more information, call (530) 634-7766 at Yuba College.

Veterans Service Office

The Yuba College's Veterans Service Office (VSO) is approved for the training of veterans and veteran's dependents relating to veteran's education benefits which are administered under various laws of the United States and California. Services available at the Yuba College VSO include: veterans education benefit advising, step-by-step instructions to begin benefits, assistance with on-line applications for education benefit processing, certification of benefits for pay, counselor referral, financial aid information, fee waiver and deferral assistance, work study opportunities and other services to help students achieve their educational goals. Veteran's services are offered at the main Yuba College campus, its centers and outreach facilities. For more information on veteran's benefits, call (530) 741-6822.

Veterans Resource Center

Located in building 725, The Yuba College Veterans Resource Center (VRC) is committed to military affiliated students who have chosen to make the transition from their military environment to campus life. The VRC is dedicated to veteran success by instituting peer-to-peer support, mentoring, and social networking; the structure of camaraderie military service members were accustomed to. The VRC partners with campus and community resources such as; Counseling, Financial Aid, Learning Resource Center, Career and Transfer Services, Disabled Students Program and Services along with referrals to other community veterans' organizations.

Workforce Innovation and Opportunity Act (WIOA)

The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have un-met needs after applying for the tuition fee waiver and financial aid. The program will help you find a job or train for a new career. Authorized WIOA activities provided at the local level benefit job seekers, dislocated workers, youth, incumbent workers, new entrants to the workforce, veterans, and employers. These activities promote an increase in the employment, job retention, earnings, and occupational skill attainment by participants. This improves the quality of the workforce, reduces welfare dependency, and enhances the productivity and competitiveness of the nation. Acquiring employment, retention, and self-sufficiency through training are priorities with WIOA. It is important that you choose a career with a labor market. If jobs are not available in your local area, you will need to consider relocating or commuting to another area.

The WIOA Office is located in Room 121, in Building 100b. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, tools, fees, testing, transportation assistance, and other school or job-related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOP&S, unemployment, and scholarships, and still receive WIOA assistance. This is not an entitlement program, you must qualify and then it is based on funds available at the county level. For more information call (530) 741-6830.

Writing and Language Development Center

The Writing and Language Development Center (WLDC) is open to all currently enrolled Yuba College students during the fall and spring sessions and is located inside the Learning Resource Center in Room 1116. The following services are offered:

- Drop-in assistance for any writing assignment
- Help with MLA, APA, Chicago style formatting
- One-time or regular weekly appointments
- Informal study space & private study rooms
- Technology assistance & computer lab
- Proofreading tips
- ESL conversation groups
- English final exam workshops
- Kurzweil 3000 software for assisted reading and writing
- Writing and grammar tip sheets
