OPEN ENROLLMENT POLICY

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission, with the following exceptions:

- Courses that are specifically exempted by statute, including "impacted" allied health programs (Rad Tech, ADN, Psych Tech, etc.);
- Courses closed by maximum enrollment of students by the "priority registration" policy;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and Dean approval).

Non-Discrimination Statement Yuba College does not discriminate on the basis of race, color, national origin, sex, disability, or age in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the *Americans with Disabilities Act of 1991, Title VI* of the *Civil Rights Act of 1964* (pertaining to race, color, and national origin), *Title IX* of the *Education Amendments of* 1972 (pertaining to sex), *Section 504* of the *Rehabilitation Act of 1973* (pertaining to handicap), and *Age Discrimination Act of 1975* (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College's programs and activities, including vocational education.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. The district reserves the right to correct, modify, or change this document without notice for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District. The District further reserves the right to add to, amend, or repeal any of their rules, regulations, and procedures, consistent with applicable laws. Please be advised, students should review the latest schedule changes on WeAdvisor prior to registering for courses.

ACADEMIC CALENDAR – 2011-2012

SUMMER 2011

June 13	Summer Session 2011 Commences for regular six-week Summer classes; other classes have different dates
June 15	Last day to add a class/register for six-week classes
June 20	Refund deadline for six-week classes
July 1	Deadline to apply for Summer 2011 graduation
July 4	Independence Day observed

**Dates apply to full-semester classes; short-term class dates will vary.

ATTEND THE FIRST DAY OF CLASS!

Information and expectations presented in the first class session are critical to successful participation in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day "may" be dropped. <u>HOWEVER, DO NOT ASSUME THE INSTUCTOR WILL AUTOMATICALLY</u> <u>DROP YOU FROM CLASSES.</u> Students are responsible for dropping classes they do not attend.

Deadline Dates for Short-term Classes

EACH Short-term class has a different deadline date.

REFUND Deadline for short-term classes:

★★★ You MUST drop your class by the end of the <u>SECOND</u> class meeting to receive a refund if the class meets fewer than 30 meeting days. You can drop by WebAdvisor or in person at the Registration Office.

If your class has more than 30 meeting days:

31-40 days - end of 3rd class meeting

41-50 days - end of 4th class meeting

51-60 days - end of 5th class meeting

Dron by the end

DROP Without a 'W' Deadline and Elect CR/NC grading option Deadline:

	Drop by the end
	of this class meeting
Class meets:	<u>to avoid a "W":</u>
15-18 days	5 th class meeting
19-21 days	6 th class meeting
22-24 days	7 th class meeting
25-28 days	8 th class meeting

Last Date to DROP a class to avoid a failing grade:

Class meets:	Drop deadline:
1-3 days	2 nd class meeting
4 days	. 3 rd class meeting
5 days	4 th class meeting
6-7 days	5 th class meeting
8 days	6 th class meeting
9 days	7 th class meeting
10-11 days	8 th class meeting
12 days	9 th class meeting

Class meets:	Drop deadline:
13 days	10 th class meeting
14-15 days	11 th class meeting
16 days	12 th class meeting
17 days	13 th class meeting
18-19 days	14 th class meeting
20 days	15 th class meeting
21 days	16 th class meeting
22-23 days	17 th class meeting

Class meets:	Drop deadline:
24 days	18 th class meeting
25 days	19 th class meeting
26-27 days	20 th class meeting
28 days	21 st class meeting
29 days	22 nd class meeting
30 days	23 rd class meeting
More than 30	days contact the
Registration	n Office for dates

Continuing Students

If you were enrolled in a Yuba Community College District class in the Spring 2011 semester (January-May 2011) you are a CONTINUING student:

Students who were enrolled in high school during the Spring 2011 semester are NOT continuing students -- see "CURRENT High School Students" section if still enrolled in high school or "NEW Student" section if you have now graduated, for registration process.

1. LOW INCOME? Apply for enrollment fee waiver (at Financial Aid Office) **BEFORE** registering.

You must apply for a new fee waiver for summer and/or fall

- 2. Active duty Beale AFB? Go to the Beale Center to register (required by Air Force for tuition assistance).
- Clear all outstanding debts and holds
- 4. Use WEBADVISOR (yc.yccd.edu) to register on your PRIORITY registration date -- See chart (opposite) for priority date.

Adds and drops should be processed through WEBADVISOR

It is your responsibility to verify that all transactions are processed by the established deadlines.

Take advantage of your status to register BEFORE new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Continuing students who are receiving Financial Aid MUST be registered prior to August (for the Fall semester) to receive the first financial aid check during the first week of the semester.

Continuing **Students WebAdvisor** Registration **Dates for Summer/Fall**

WebAdvisor registration is scheduled by the last four digits of your Social Security Number.

You may register on your scheduled priority date (SEE BELOW) or thereafter.

Last 4 digits of Social Security Number

Date for WebAdvisor Registration

7501-9999.....Tuesday, April 26 (and students with no social security number or social security number not on file)

0000-2500..... Wednesday, April 27

2501-5000......Thursday, April 28

5001-7500..... Friday, April 29

Priority Returning Students

Definition: Enrolled at any Yuba Community College District site in the last THREE years (Fall 2008-2010), NOT counting Summer Session classes.

- 1. Apply on-line at yc.yccd.edu
- You will then be eligible to use WebAdvisor (yc.yccd.edu) registration beginning May 2.

NEW STUDENT ORIENTATION SCHEDULE SUMMER & FALL 2011

Below is the schedule for orientations at Clearlake Campus of Yuba Community College. Orientation sessions take approximately one hour, to reserve a seat call 707-995-7900. Please arrive early as seating is limited and available on a first-come first-served basis. Please bring placement exam test results with you. Childcare is not available.

DAY	DATE	TIME	ROOM

New-Transfer-Returning Students Definition: Never enrolled in Yuba Community

College District OR enrolled in Yuba Community OR only enrolled in Summer classes

Fall ONLY or Summer and Fall:

- 1. Complete (Matriculation Process):
 - a. An application Apply on-line at www.yccd.edu/yuba or complete a paper application and submit it to the Registration Office.
 - b. Complete the Yuba College Placement Exam if you plan to take a class with a prerequisite or if you plan to meet with a counselor for course placement.

Contact Testing Office - 707-995-7900 for placement exam times. <u>PICTURE I.D. IS REQUIRED.</u>

- Prerequisite Verification: If you completed a prerequisite course at another college, provide documentation prior to registration.
- d. Counseling:

Call the Counseling Office at (707) 995-7900 to schedule a date for counseling, assistance in selecting appropriate classes, and completion of an educational plan.

 After completion of the matriculation process, including a New Student Orientation (see schedule on left), you will be eligible to register for classes starting May 4.

Summer ONLY:

- 1. Apply on-line at www.yccd.edu/yuba or complete a paper application and submit it to the Registration Office.
- 2. Complete the placement exam if you plan to register for a class with a prerequisite.
- 3. If you are registering for a class with a prerequisite, submit documentation (from another college).
- 4. You will be eligible to register for Summer classes starting May 4.

CURRENT High School Students:

The Yuba Community College District may accept eligible students who have <u>completed</u> the eighth grade as a PART-TIME student. The student completes the course(s) as a college student and earns full college credit.

Students must submit an Application AND "High School Recommendation Form," including the signature of the high school principal <u>AND</u> the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

- 1. Student must have completed the 8th grade;
- Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.) The Placement Exam can be taken to demonstrate level. <u>PICTURE I.D. IS REQUIRED.</u>
- Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
- For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
- 5. Register starting May 16 in person.

California residents are not required to pay enrollment fee -- only the student services fee (\$10.00) to register. Nonresident students MUST pay non-resident tuition and the \$10 fee. (Note: Concurrently enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Late Registration & Changes

Fall (full-semester) classes - Aug. 15-19

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

During late registration period, students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature) on an add form is required.

WebAdvisor Registration will be available for <u>drop-</u> <u>ping</u> classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu

Need financial assistance for enrollment fees and books? Apply for Financial Aid before you register. If you are a California resident, you may also qualify for the Board of Governors' Enrollment Fee Waiver.

RESIDENCY IS DETERMINED BY THE LAWS OF THE STATE OF CALIFORNIA.

California residents are those who have maintained legal residency status in California for one year PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that PHYSICAL PRESENCE, PROOF OF INTENT AND FINANCIAL INDEPENDENCE MUST BE MET one full year prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The BURDEN OF PROOF rests with the student.

NON-RESIDENTS who attended a California High School for three years or more AND graduated from a California high school may be eligible for AB 540 Non-Resident tuition. If you did, please request a California Non-Resident tuition exemption request from the Registration office. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify. If you qualify, you will NOT be eligible for the BOGW enrollment fee waiver.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, Visa, Mastercard, American Express, Discover, or fee waiver.

BOARD OF GOVERNORS' ENROLLMENT FEE WAIVER

If you are a low-income student (and a California resident), contact the Financial Aid Office for a Board of Governors' Enrollment Fee Waiver (BOGW) application -- or apply on the web at www.yccd.edu To register without paying the enrollment fee, students MUST have the BOGW application approved <u>BEFORE</u> registering.

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$26 per unit (Summer) \$36 (Fall) Fees are set by State.(If fee is increased students are billed at the new rate.)	All students, except those eligible for a Board of Governors' Enrollment Fee Waiver (BOGW) & Concurrently enrolled students
Student Services Fee	\$10 per semester	All students, except those qualified for the BOGW waiver
Parking Decals	\$40 fee per semester or \$2.00 per day (BOGW = \$20) \$20 Summer Session	All vehicles using campus facilities must display a valid permit.
Foreign Student Tuition Non-Resident Tuition	\$210 per unit in addition to enrollment fee	All non-resident foreign students (from another country)

REFUNDS:

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund. Refunds will NOT automatically be issued. If fees were paid by check, there will be a 3-week waiting period before refunds can be processed. If fees were paid by cash, the student must complete a Request for Refund form at yc.yccd.edu and a refund check will be mailed in 3-6 weeks. For fees paid by Mastercard or Visa, the refund can be credited back to the student's account -- contact the District Cashier in the Business Office (530-741-6724) for details.

Pro-Rata Refunds:

If you are a financial aid student attending for the first time and you are a non-resident, you will be granted a pro-rata refund of those fees if you withdraw from all classes prior to the 10th week of the semester (in full-semester classes). Contact the Financial Aid Office for more information. An administrative fee of \$100 or 5% of the total charges (whichever is less) will be collected for each prorated refund processed.

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

WebAdvisor Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

BOGW -- For California Residents:

Apply for Financial Aid <u>BEFORE</u> you access WebAdvisor.

LOG IN:

- 1. Use your mouse to click on the Log In button.
- 2. Your "Log In" ID is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
- 3. Enter your (previously established) password. If you have never used WebAdvisor before, your initial password is your birth date in the format MMDDYY (i.e., Jan. 10, 1963, is 011063).
- 4. Click on the SUBMIT button.

To use WebAdvisor, log onto http://www.yccd.edu Click on WebAdvisor icon Log in to system Click on WebAdvisor for Students

To Register or Add a class:

Click on "Register for Sections"

If you know the 4-digit class code (listed in the Spring Schedule of Classes), select "Express Registration". Enter the 4-digit code in the "class code" column. When you have entered the Class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

When you have the classes displayed, review the classes (including location). You must make a selection from the "Action" drop down box in this screen to complete your registration. Once a choice has been made for all classes, click on the Submit button to finalize.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, time conflict, etc. A class with a problem will NOT be added and a new "action" will need to be selected.

Once you have finalized your schedule, print a copy for your records. You will not be mailed a copy of your class schedule.

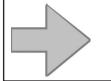

WebAdvisor Registration-Continued

DROPPING A CLASS:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button. The next screen will display a list of the REMAINING classes you are still registered in.

Print a copy of your Schedule from WebAdvisor as your verification of enrollment. You will NOT be mailed a copy of your class schedule.

Report cards are NOT mailed at the end of the semester -- you will access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is **YOUR** responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

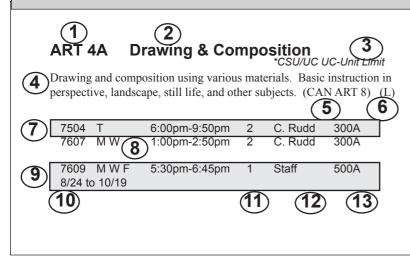

Fees may be paid by credit card on WebAdvisor. You can also mail in your payment using the coupon below, or pay in-person at your local Registration Office.

If you do NOT drop by the REFUND DEADLINE (refer to page 2 for deadlines) you will OWE the fees for the classes. You may not obtain transcripts or your diploma, or register for future semesters if you owe fees.

FEE PAYMENT COUPON Complete the coupon and mail with your check or money order to: YUBA COLLEGE CASHIER, 2088 North Beale Road, Marysville, CA 95901.

YCCD eLearning & Instructional Television Courses

The YCCD eLearning and Instructional Television courses are specifically designed to meet the educational lifestyle of Yuba Community College District's students. Students may take a course while at home, work, at a high school, or on another one of YCCD's campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Are You Ready to Take an Online Class?

EDUC/MCOMM 40: Introduction to Online Learning is highly recommended for YCCD eLearning.

If you can answer "yes" to five of the six questions below, you are probably ready to take an online class.

1. Do you have regular access to a computer? Yes _____ No _

You will regularly need to access the class via the Internet 2 or more times for approximately 10 hours per week. Recommended computer specifications and other helpful information can be found at: <u>http://de.yccd.edu/system-requirements.aspx</u>.

No

2. Are you able to work on your own and are you a self-starter? Yes _____

Online classes require you to take responsibility for your education. Do you complete assignments ahead of time? Are you well organized? Do you manage time well?

3. Do you have basic computer and word processing skills? Yes _____ No

You don't have to be a computer expert to take an online class, but you need to be able to navigate the web, download materials, print materials, word process, use e-mail and have other basic skills.

4. Do you have good reading and comprehension skills? Yes No

Most materials for online classes are provided in writing – generally you will not hear lectures, you will read them. The textbook for online classes is generally more critical than in a regular class. If you are a poor reader, you are not ready to take an online class.

5. Can you allocate at least 10 hours a week for online class work? Yes _____ No

Online students are expected to learn content, post assignments, take exams and participate in online discussions. Successful students commit time weekly for their online learning.

6. Have you taken an online class before and/or have you viewed the YCCD eLearning (Blackboard) Orientation? Yes _____ No _____

View the YCCD eLearning (Blackboard) Orientation linked off the Distributive Education home page prior to the first day of classes: <u>http://de.yccd.edu/bb-orientation.aspx</u>

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to <u>www.yuba-ccd.bkstr.com</u>

User Requirements: A personal computer with internet browser (IE 7.0 or higher or Firefox 2.0 or higher, Safari 5.0 or higher), Real player 10 or higher, and a reliable internet connection at least a 56.5 Kbps modem; broadband connection such as DSL, cable, or satellite highly recommended. All plug-ins and supported browsers are available to download at <u>http://de.yccd.edu/system-requirements.aspx</u>.

YCCD eLearning (Blackboard) – <u>http:de.yccd.edu</u> Log in before classes start to run a browser check, to view the orientation and FAQ section. To login to YCCD eLearning (Blackboard) use the same information as your WebAdvisor login. User name: First initial of your last name (capitalized) followed by your student ID number. Default Password: Your birth date in mmddyy format. Note: If you have changed your password in WebAdvisor, use that password for your login. **To reset password to birth date: https://webadvisor.yccd.edu/WebAdvisor/html/password.html**

Television access to the following cable TV companies: Comcast Cable, Channel 18 (Yuba, Sutter); Comcast Cable, Channel 37 (Maxwell, Arbuckle, Williams); Wave Broadband, Channel 19 (Woodland); Cableview, Channel 96 (Esparto), MediaCom, Channel 8 (Clearlake); Comcast Cable, Channel 43 (Colusa).

For problems with YCCD eLearning (Blackboard) contact: <u>elearningsupport@yccd.edu</u> For additional information call 530-741-6754

http://de.yccd.edu

YCCD eLearning – Summer 2011

Orientation to YCCD eLearning may be viewed online at: http://de.yccd.edu

ITV courses are streamed live and archived or broadcast on the following cable channels: Yuba/Sutter – Ch. 18, Woodland – Ch. 19, Esparto – Ch. 96, Maxwell, Arbuckle, Williams – Ch. 37, Clearlake – Ch. 8, Colusa – Ch. 43

Instructional Television - ITV 1		Date	Instructor email			
HLTH 1: Health & Life Style Choices	MTWTH, 10am-12:10pm	6/13/11-7/21/11	awillson@yccd.edu			
ITV courses include an YCCD eLearning component (Blackboard). Course syllabi and archived lectures will be posted in Blackboard.

<u>ENGLISH</u>

English, Math and Reading prerequisites are enforced. Prerequisites are shown for each course in the College Catalog and Schedule of Classes. The system will not allow you to register for a class for which you lack the prerequisite(s). You can meet the prerequisite by:

1) achieving an appropriate placement level on the CPT Placement Examination (Yuba Community College District); or

2) successfully completing the prerequisite class; or

3) completing the prerequisite class at another college. Note: if your transcripts have been submitted far enough in advance, the prerequisite course will have been entered into the computing system, allowing you access to the next level course. If you are a new transfer student, or have only recently submitted college transcripts, you should bring a copy of your transcript and meet with a counselor. Instructor email

Students in fully online courses must log in and participate during the first week of class to avoid being dropped.

MediaCom (Channel 8) does not cablecast most Yuba College Instructional Television courses on Tuesday or Thursday due to conflicting programming. Courses meeting on those days must be viewed in Room 800A on the Clear Lake Campus, OR via video-streaming through the internet. View the courses online at: http://yubaonline.yccd.edu. Select 'ITV LIVE' and choose 'View Live Lectures' or 'View Archived Lectures.'

DISTRIBUTIVE EDUCATION ACCT-10A General Accounting

Introductory accounting covering accounting principles and practices, the complete accounting cycle and creation of financial reports. Placement Levels - Exam Information

Assessment in reading, English, and math helps to determine the student's academic skill levels and needs. Placement exam results are one of the multiple criteria used to counsel and help place students into suitable classes and to create a Student Educational Plan (SEP) to define educational goals. The exam may also be used to meet course prerequisites. The exam is NOT used for admission purposes and is given free of charge. (PICTURE I.D. is REQUIRED to take the exam.)

The Yuba Community College District offers the College Board Computerized Placement Test System (CPTS). Students receive their placement exam results immediately upon completing the test. No computer skills are necessary to take the exam. A **PRACTICE** exam is available on our web site - yc.yccd.edu Click on Student Services and Counseling/Testing.

All District sites offer the exam by appointment, and some also offer walk-in convenience. Students may enroll in courses above their placment level only through the challenge process.

Placement Exam Locations:

Call the office at 707-995-7900 to obtain information on dates and times which will be most convenient for you to complete the placement exam.

After satisfactorily completing the beginning level class (grade of "C" or better), students progress to the next higher class level. All students are advised to discuss their placement options with a Yuba College counselor.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require collegelevel language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a "(L)", "(M)", or "(L)(M)" in the course description.

Recommended Skills Criteria for Associate Degree Applicable Courses

Students may meet the requirements for the (L) courses by:

- 1. Completing Reading 70 with a grade of "C" or better, or being concurrently enrolled in Reading 70, or achieving a reading placement level of "3004" or higher; or
- 2. Achieving an English placement level of "1003" or higher, or by achieving a grade of "C" or better in English 105 or 106, or concurrent enrollment in English 105 or 106.

The (M) designation means that the content of the course is such that the student must have college-level math skills to successfully participate in the course. Students may meet the requirements for (M) courses by: Achieving a math placement level of "2003") or higher, or by completing with a "C" or better, Math 110, Math 111, or General Business 100; or by concurrent enrollment in Math 110, Math 111, or General Business 100.

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All new, transfer, and returning students (who have not attended a Yuba Community College District class within the last three years) will complete the matriculation process. The Yuba Community College District is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College
- " Assessment of reading, English, and mathematical skill levels
- " Orientation provides information about programs & services, academic expectations, and procedures
- " Counseling to assist in defining goals and developing a plan to achieve those goals
- " Registration for classes
 - Follow-up services to help students progress toward their educational goals.

Students are responsible for expressing a broad educational intent at the time of admission, declaring a specific educational objective within a reasonable period of enrollment, attending classes and completing assigned course work, conferring with a counselor to discuss choices, seeking out support services as needed, completing courses, and maintaining academic progress toward an educational goal.

All students are encouraged to participate in the matriculation process. However, individual students may be eligible for an exemption based upon two or more of the following criteria:

- (1) have an Associate or higher degree;
- (2) concurrently enrolled in high school;
- (3) enroll only in classes for which they have approved previous training (i.e., firefighters taking a
- fire science class);
- (4) enroll in fewer than 6 units;
- (5) do not plan to earn a degree or certificate;
- (6) concurrently attend at a four-year college or university;
- (7) enroll in only performance classes (e.g., acting, drawing) or activity classes (e.g., physical education);
- (8) enroll in only job-skill upgrade, self-improvement, or general interest courses.

Exemption from taking the placement exam may apply to students who:

- (1) have completed previous coursework in math, English, and reading.
- (2) have completed placement tests at another post-secondary institution and provide documentation.

Students seeking an exemption from the matriculation process must obtain an exemption form from a counselor.

Matriculation - Students' Rights, Challenge, and Complaint process:

Students may challenge any matriculation component. To do so, consult with a college counselor. Complaints may be filed with the Dean of Student Development, who is responsible for investigation and resolution of such complaints. The Dean will maintain a file on all formal complaints.

Public Law 101-542 and 102-26: Student Right to Know

Student Right-to-Know Rates for Fall 2006 cohort

Completion Rate: 19.26 %

Transfer Rate: 14.12 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990(Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2006, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2006 to Spring 2009. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2007 to Spring 2009, are transfer students.

Academic and General Information:

Address Changes

It is the student's responsibility to notify the college of an address change.

Adds and Drops

It is the **Student's Responsibility** (not the instructor's) to file all adds and drops.

ASSIST

ASSIST (Articulation System Stimulating Interinstitutional Student Transfer) is a computerized information system that provides students with detailed course transfer and articulation information to help them plan their academic careers, facilitate a seamless transfer process, and reduce the number of redundant courses they may take as they move from community colleges to universities.

The ASSIST database includes all of the most current official articulation agreements that every CSU and UC campus has established with any of the 110 California Community Colleges. ASSIST also includes the following complete and historical information for all 109 California Community Colleges — UC Transferable Course Agreements; CSU Baccalaureate Course Lists; IGETC Course Lists; CSU GE Certification Course Lists.

ASSIST operates as California's official statewide source for course articulation and transfer information and is freely available to all students, faculty and staff via the Internet at www. assist.org.

<u>Attendance</u>

Attend the first class meeting of each new class. If you can't attend, notify your professor in advance. Without prior notification, you MAY be dropped and waiting students may be admitted in your place. A student must be registered in order to attend classes. If you don't attend the class, it is YOUR responsibility to drop by the deadline to avoid paying fees or receiving a grade.

Audit Policy

An audit fee will be charged for audited classes. The BOGW fee waiver does NOT cover the audit fee. There are restrictions on auditing a class. Please check with the Registration Office for more information.

C.S.U. General Education - Breadth Requirements

Students planning to transfer to a CSU system should consult with a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses. Students are also encouraged to contact the Transfer Center.

Computer/Network Use Policy

The Yuba Community College District administration has developed regulations and procedures setting forth the specific responsibilities and obligations related to use of District computers and networks. The administration has also established disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of employees and students. Contact the Information Systems Director for a copy of the regulations governing this policy.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at "C" or higher level. "D" or "F" work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

Grade Grade Points Definition

А	4	Excellent
В	3	Good
С	2	Satisfactory
D	1	Passing (less than
		satisfactory)
F	0	Failing

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

Grade Definition

- P Credit ("C" or better)
- NP No Credit ("D" or "F")
- W Withdrawal
- I Incomplete
- IP In Progress
- RD Report Delayed

Drug-Free School Policy

Yuba Community College District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire College community must be involved. Substance abuse is wrong and dangerous, and will not be tolerated.

The Yuba Community College District has implemented a comprehensive substance abuse strategy to work more effectively in combating potential drug use and use of drugs by students. The policy sets forth the procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs. More detailed information on the policy may be obtained from the office of the Vice President of Student Services

Graduation

Students who plan to graduate must file a formal petition for graduation. The graduation ceremony will occur near the end of the Spring semester. However, a student may graduate in the Summer, Fall, or Spring -- see DEADLINE dates to apply for graduation in the college calendar. It is the student's responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Records Office technicians.

I.G.E.T.C. - Intersegmental General Education Transfer Core

IGETC is a general education program which transfer students may use to fulfill lower division general education requirements in either the C.S.U. or U.C. system. Completion of the IGETC to fulfill lower division requirements has become a common path taken by California community college students who transfer to the many CSU or UC campuses.

Completion of the IGETC does not improve eligibility for admission to the C.S.U. or U.C. system, or admission to a specific campus or program. See a counselor for segmental and campus-specific admission requirements and lower division major requirements. All courses must be completed with a grade of "C" or better. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For explanations on policies and procedures, refer to the college catalog or consult a counselor.

Parking Regulations

Parking decals are REQUIRED and must be clearly visible (on the right side of the back bumper or hanging from the mirror on front windshield).

Decals are not transferable and do not guarantee that parking space will be available. Parking is permitted only in the student sections of the Parking lots (not in staff spaces). Citations will be issued to vehicles without the decal properly displayed or those parked in reserve spaces. Parking regulation information can be obtained from the Registration Office or the Campus Police Department.

Prerequisites, Corequisites, Advisories (Recommendations)

It is the intent of the Yuba Community College District to guide students into courses in which they will have the greatest chance for academic success. Some courses have prerequisites, corequisites, or advisories (recommended preparation) in their description. Following are the definitions for prerequisites, corequisites, and advisories on recommended preparation:

A) "Prerequisite" is a course requirement that a student must meet in order to demonstrate current readiness for enrollment in a course or educational program.

B) "Corequisite" means a course that a student is required to take in the same semester with another course, i.e., Biology 15 requires a Biology 15 lab.

C) "Advisory or Recommended Preparation" means a condition of enrollment that a student is advised, but not required, to meet before, or in conjunction with, enrollment in a course or educational program.

State regulations mandate that students have met the prerequisite for any class in which they are enrolled. The student must have documentation on file (placement exam, college/high school transcripts, etc.) verifying completion of English and math prerequisites. Students should consult a counselor.

Students who wish to challenge a prerequisite may file a challenge with the appropriate dean if the student can show that grounds exist for one of the following conditions:

- I. Prerequisite course is not available.
- II. Prerequisite has not been validated.
- III. Student has the knowledge or ability to succeed in the course without meeting the prerequisite; or
- IV. Student believes the prerequisite is discriminatory or is being applied in a discriminatory manner.

Students wishing to challenge a prerequisite should consult a counselor to discuss the procedures.

Probation Status

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss these categories and how they may affect a student's educational or personal goals. Students who are receiving financial aid or veterans' benefits, or who are participating in athletics, etc., should schedule several counseling appointments throughout the semester to discuss progress in classes. See section on "Student Probation" for more information.

Release of Student Information

In order to help protect your privacy, a PICTURE I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information (such as publishing of the HONORS list, graduation, etc.) is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. Directory information may include your name, address, telephone listing, student class schedule, date of birth, other institutions attended, major, participation in activities and sports, weight and height of athletes, dates of attendance, degrees and awards received, etc. If you do not wish this information released (for example to the newspaper for the Honors List), you must file a request at the Registration Office within seven calendar days of registration. (See catalog for details.)

Repeated Courses

State law mandates that courses may be repeated only under two circumstances: (1) if a substandard grade of D, F, or NP has been earned (the course may be repeated ONCE); or (2) The course is identified in the catalog description as "repeatable."

When reasons are educationally justifiable, a student may petition to repeat a course in which a passing grade was previously earned. If approved, the course will be listed on the transcript, but the grade will not be counted in the GPA, and the students will not earn any additional units. Consult your counselor for additional information.

Residency Information

Non-resident students will be charged non-resident tuition to register in classes. Further information is listed in the Catalog.

Selective Service Registration

By law, MEN must register with Selective Service at age 18. If you do not register, you could be prosecuted and fined up to \$250,000 and/or be put in jail for up to five years. Registration

is also required to qualify for federal student financial aid, job training benefits, and most federal employment. The Selective Service registration form can be obtained from the Registration Office, from your local post office, or by contacting the Selective Service at http://www.sss.gov.

Short-term Courses

Classes that do not meet for the full semester are called shortterm courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Credit/No Credit grading option. Contact the Registration Office for deadline dates.

Smoking Policy

Smoking, and other uses of tobacco, are prohibited in all District buildings. Smoking is permitted on the campus ONLY in designated areas. Smokers are requested to deposit cigarettes, etc. in receptacles to maintain a clean campus.

Student Learning Outcomes

Student Learning Outcomes (SLO's) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO's differ from traditional measures of student success—letter grades—in that they measure specific skills within a course—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.

2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.

3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.

4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.

5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.

6.Personal and Social Responsibility:interact with others by demonstrating respect for opinions, feelings, and values.

7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.

8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

Academic Probation:

Full-time students are placed on Academic Probation when their cumulative grade point average is less than 2.0, including grades earned in the Yuba Community College District and any other institution of higher education. Part-time students are subject to these regulations after enrolled in an accumulated total of 12 semester units in the Yuba Community College District.

Progress Probation:

Full-time students are placed on Progress Probation when 50% or more of the accumulated Yuba Community College District units of enrollment are entries of W, I, and NC. Part-time students are subject to these regulations after enrolled in an accumulated total of 12 semester units in the Yuba Community College District.

Removal from Probation:

Students are removed from Academic probation when their cumulative GPA reaches 2.00 or higher. Students are removed from Progress probation when the units of W, I, and NC grades drop below 50% of the accumulated units of enrollment as showing on their official academic record.

Dismissal:

Students who have been on Academic or Progress probation during two contiguous semesters (even though there may have been a break in attendance) are subject to dismissal from college. Dismissal may be postponed by the College Standards Subcommittee when evidence of academic improvement or extenuating circumstances exists.

Readmission:

A dismissed student may petition for readmission (on probation) after consultation with a counselor. The College Standards Subcommittee will then consider the petition.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Publication Notice

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the below individual is named as the District's Section 504 Coordinator.Al Alt, Vice Chancellor Administrative Services. In addition, the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website:www.yccd.edu

Student Responsibility

It is each student's responsibility to be aware of all rules, regulations, and deadlines relating to attendance at CLCC. See the catalog for more detailed information.

Transcripts

Yuba College will issue the first two (ever) requested transcripts free of charge. Additional copies thereafter cost \$5.00 per copy. An additional \$10.00 processing fee will be charged for "over the counter" rush requests.

Signatures are required for release of a transcript to a student or employer. Transcripts that are to be sent to another college or university may be requested over the telephone. Contact the Records Office for more information. In order to protect student records, a PICTURE I.D. will be required for a student to pick up a copy of his/her transcript or student's schedule.

Unit Limitation

You may not take more than 19 units without approval by a counselor. Students on academic or progress probation should consult a counselor to discuss options.

Wait Lists

Some classes are using a wait list process. For those classes that are "full", the wait list maximum is limited to 7 students. During the registration period, the wait list will be monitored. If an opening should occur in the class, the first student on the wait list will be "added" to the class and notified by mail. If the student no longer wishes to be in the class, the student will be required to drop the class.

On the first day of class, the instructor will receive a roster indicating the students enrolled in the class and the list of students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student will be responsible for bringing the add form to the Registration Office to officially register and pay fees.

If the Instructor has admitted everyone from the wait list who shows up for the first class meeting, and there are additional openings in the class, the instructor may then add students who were not on the wait list.

Student Services

Associated Students - Government

Clear Lake Associated Students (CLAS) controls student affairs, under the guidance of the Campus Life supervisor. The Student Senate is the governing body and provides services and social activities for students. They also represent students' views to the administration through participation in the college site council. For more information, call 995-7914.

Bookstore

The Bookstore is located in the 100 building, next to the student lounge. In addition to making available for purchase the required books for each class, the bookstore also sells assorted supplies (binders, pens, paper, etc.) Hours of operation will be posted at the Bookstore. Telephone: 995-7924. Toll-Free: (800) 434-1443 (Marysville campus)

Book order: www.yuba-ccd.bkstr.com

CalWORKs

The CalWORKs program at CLC offers services for eligible students in the following areas: Counseling, Job Placement, and Child Care. Please contact the CalWORKs office at 995-4176 or 530-634-7734 for more information.

C.A.R.E. Program

The Cooperative Agencies Resources for Education (C.A.R.E.) is a state-funded program developed to provide educational opportunities for persons receiving TANF benefits; to provide support for their retention and academic success; to assist them in their academic or vocational objectives; and to assist them in breaking away from welfare rolls. The program provides academic, vocational, and personal counseling; financial assistance, assistance with books, child care, transportation, and group support; tutoring, peer counseling; seminars on decision-making skills, job-seeking techniques, and parenting skills; and referral services. For further qualification information, call the EOP&S/CARE office at 995-7912.

Career Planning & Transfer Services

The Career Planning and Transfer Services are offered to assist students in selecting suitable career goals and in preparing for transfer to a four-year college or university. Consultations are available by appointment. Contact 995-7922 for more information concerning:

- career/vocational assessment and testing;
- occupational, career, and college information;
- computer-assisted career information;
- interviewing techniques and resume writing;

- academic/civil service test preparation;
- outreach career decision-making services to College's feeder middle and high schools;
- Information on trips to specific four-year institutions;
- Transfer Day and College/University Day programs.

The center provides a resource library of college catalogs, transfer guides, articulation agreements and information, applications for four-year colleges and universities, and other related transfer information. Appointments are preferred for assessment and employability skills information.

Child Care Center

The Child Care Center at Clear Lake Campus is open for students and the public. Fees for the Child Care Center vary based on the session for which each child is enrolled and on the total income of the family. Facilities are available for indoor and outdoor play, learning activities and for naps. For more information call 707-995-7909. Pre-registration is necessary. Call today for details and registration forms.

Child Development Center and Preschool

Need childcare during work/class/study time for your three to five year old? Yuba College State Preschool/Child Development Center (995-7909) is located on the Lake Campus and provides low/no cost preschool to qualified families.

Counseling Services

Evening appointments are available. Call 995-7900 to schedule an appointment.

The District provides counseling services designed to assist students in educational planning, career assessment, and personal development. Counselors are available by appointment. Appointments are strongly recommended for developing an educational plan to assure you are taking the right courses to transfer or to meet your educational goals. Counselors are ready to assist you with any concerns that may affect your successful participation in the college experience.

Student Peer Advisors are available to assist students with college information, filling in forms, and learning about the opportunities available. Both counselors and peer advisors are trained to make referrals to other agencies as needed.

Disabled Student Program & Services

The DSPS Resource Center is designed to equalize vocational and educational opportunities for students with physical limitations and/or learning disabilities. Lake Campus has computers equipped with assistive software programs as well as and Aladdin Pro for text enlarging. A host of other accommodations are available according to disability. DSPS is located in the Learning Center (300B) where study aids and tutors are available. Special parking is provided for those students who have a DMV placard or special DMV license plates. DSPS students should register early, as the coordination of services does take extra time. Interested potential students should contact the program at 995-7910.

Extended Opportunity Programs and Services (E.O.P.&S.)

E.O.P.&S. is a state-funded program that provides financial assistance and educational support services to eligible financially and educationally disadvantaged, non-traditional students. E.O.P.&S. includes intensive supportive services which enhance the potential for student retention, successful completion of academic and vocational programs, and transfer to other educational institutions. Some of the services offered include career planning, academic and transfer counseling, tutoring, peer support, and advising. For further qualification information, please call 995-7912.

Financial Aid

The Yuba Community College District offers financial aid in the form of grants, scholarships, student loans and other aid to help you pay for college expenses. While most colleges expect you and your family to contribute toward your education, financial aid can help close the gap between your resources and college costs.

To apply for most financial aid you must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. FAFSA Worksheets are available to help you gather the necessary information to complete the FAFSA. If you do not have internet access you may use the computers located in the Student Services Building, 402, or in the library Bldg. 200. After you submit your FAFSA, you'll receive your Student Aid Report (SAR). You will receive an electronic SAR if you provided an e-mail address on your FAFSA. If you did not provide an e-mail address you will receive a paper SAR. The SAR contains the information you provided on your FAFSA. Review your SAR and follow the instructions if you need to make corrections. For additional information or assistance contact the Financial Aid at 995-7923.

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Job Placement Center

Information about on-campus employment opportunities is located in the Student Services Center. Off-campus employment information is available at the Lake County Resource Center in Lakeport (707) 263-0630.

Learning Center

The Learning Center is located in Room 300B. This is the place to come for one-on-one help that focuses on test preparation. Peer tutors help explain classroom materials that are giving you trouble. These services are available to all students free of charge. Call 995-7911 for more infomation.

Library/Learning Resource Center

The library offers a collection of books, magazines, newspapers, pamphlets, tutorial cassettes, videotapes, and internet access. The District is also a member of the Mountain Valley Library System. This system is a cooperative network designed to provide answers or materials not available in the Library. For information on library services, call 995-7915.

Tech Prep "2+2" - Articulation Agreements

The Yuba Community College District has developed articulation agreements with many of its area high schools and ROP programs. Students who have met the conditions of the agreement are eligible for advanced placement in identified courses and may also be eligible for college credit. Specific information should be obtained from a high school or college counselors or the YCCD Tech Prep Office.

Veterans Affairs

The Yuba Community College District is approved for the training of veterans and veterans' dependents under various laws of the United States and California. All veterans who plan to collect benefits must consult a counselor who will provide guidance in selecting programs which qualify the veteran for benefits. The student must also be approved through the Veterans Affairs Office. For more information on veteran's benefits, call (530) 741-6822 or call counseling dept. 995-7900.

Workforce Investment Act (WIA)

The Workforce Investment Act (WIA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have unmet needs after applying for the tuition fee waiver and financial aid. The program will help you find a job or train for a new career.

Individuals may qualify for assistance in the form of books, supplies, tools, transportation needs, clothing, testing fees, State Board examinations, and school-related expenses. Students can receive WIA assistance while they are Re-entry, EOP&S, and/or a C.A.R.E. student; or receiving Financial Aid, unemployment benefits, disability, scholarship monies, and welfare assistance. WIA assistance is based on individual need. This is not a loan and does not have to be paid back. For more information call 707-263-0630.

STUDENT ASSESSMENT SCHEDULE

SUMMER & FALL 2011

In order to take an assessment test, you must have our admission application on file with the Office of Admissions & Records at least 24 hours in advance of testing. Apply by completing the application form on the web. Go to <u>www.yccd.edu</u>, Click: Apply now. Please bring a photo ID (for example: student body card, driver's license, passport etc) on the testing date and your Clearlake ID number (see instructions below on how to obtain your Clearlake ID number). **Childcare is <u>not</u> available.**

Completion of the assessment test will help determine which English, Reading and Math courses are best for you. The assessment test includes the subjects of English, Reading and Math and will take approximately 1.5 hours to complete.

The Yuba Community College Testing and Assessment Office offer an online <u>Sample Placement</u> <u>Test</u> includes examples of the different sections of the test.

Directions to the Sample Placement Test:

Go to: <u>www.yccd.edu</u>	Click on: Students	Click on: Assessment & Testing

Apply by filling out the application form on the web.

Go to: www.yccd.edu

Click: Apply now

To acquire your ID number:

Go to: www.yccd.edu

Click: WebAdvisor

Click: Login and Password info Click: What's my user ID ---Follow steps

A NEW way to collaborate with classmates and professors, access WebAdvisor and more!

The Portal is the latest college communication tool. It's important that you log-in to the Portal on a daily basis to see important campus and class information. This will now be the primary way that Yuba College will be communicating with you.

Log In Instructions

Go to the Yuba College Clear Lake web site: http://www.yccd.edu/clearlake Click on My Campus (Left blue bar)

Use your WebAdvisor login and password BUT put yccdweb\ in front of your WebAdvisor log in

Your password is your WebAdvisor password

The Best Way To Get A Parking Permit

Don't Stand In Line

Order Parking Permits On-Line

Go to:www.yccd.edu/clearlake

Class List Request Form

Counselor Use ONLY:

Unit Overload: _____ Total Units

Counselor Signature

Note: <u>It is the STUDENT'S respon-</u> <u>sibility to drop all classes</u>. Instructors may have attendance requirements in a class, but students are not automatically dropped for non-attendance. It is your responsibility to ensure classes are dropped; failure to drop a class by the established deadline may result in a "failing grade."

Student Signature

Course Selection Worksheet

- 1. Use this form to work out your tentative program using the Schedule of Classes.
- 2. Use a pencil so it can be easily changed.
- 3. Remember to select alternate class sections in the event your first choices are closed.
- 4. A counselor can assist you with an educational plan to ensure you meet your educational goals. Call the Counseling Office for an appointment.
