INNER-CLUB COUNCIL

Membership is one representative from Yuba College clubs and organizations.

The group meets for the purpose of unifying said groups and to stimulate activities on campus.

ICC may act as sponsoring body for organized activities but cannot obligate ASYC funds without prior approval of the Council.

ICC is directly responsible to the Council and must report its activities to ASYC by way of an ICC Representative.

Members shall only consist of representatives from officially recognized clubs and organizations.

Any club/organization which is absent from three consecutive meetings may, until further notice, have its charter revoked by the Student Council.
