Dr. G. H. Javaheripour
President
Yuba College
2088 North Beale Road
Marysville, CA 95901

Dear President Javaheripour:

Thank you for your inquiry. Based on previous Distance Education (DE) substantive change applications submitted to ACCJC by Yuba College, the ACCJC has verified that the institution has the necessary infrastructure and protocols to offer courses via distance education, which can lead to programs where 50% or more of the curriculum is offered online. Therefore, it has been determined a Distance Education substantive change application is not required at this time.

Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education.

Sincerely,
