

FUNDING REQUEST FORM Yuba College Alumni & Friends

Mission Statement

Yuba College Alumni & Friends is an organization of people who desire to serve and support the college. Yuba College has served the community since 1927 and we want to continue the tradition of excellence.

The purpose of the association is to maintain strong relationships between friends and former students and to support and promote the goals, activities, and interests of the college. The association provides the vehicle to stimulate this support and to keep the community, alumni and friends of Yuba College involved in college programs and activities. There is a growing pride in being a part of the Yuba College family of supporters and in giving something back to the college which has given so much to them.

Annual Fund Grants

Alumni & Friends of Yuba College help current students through generous donations to the A&F Fund, by giving gifts of money or time to societies, clubs and departments across the College in order to enhance the student experience at Yuba College.

To be awarded funding, projects must demonstrate that they will enhance the student experience across the wider student community, benefitting current and future generations of students and making Yuba College an even better place to live and study.

The A&F Fund supports a wide range of projects – for example they may support new innovations in academic contexts, provide new equipment for clubs or societies or enable new activities to be piloted.
