- Total units required for degree major 27

Students earning an AA/AS degree must complete a minimum of 18 units of General Education requirements, the multicultural graduation requirement, and the health requirement, in addition to the program units listed here. Students must complete a total of 60 degree applicable units to earn an AA or AS. Please see your counselor for additional information.

Update of Cosmetology AS Degree

From page 113:

COSMETOLOGY

(Associate in Science)

Required Courses

	Units
COSMT 50 Intro to Cosmetology	5
COSMT 51 Beginning Cosmetology I	5
COSMT 52 Beginning Cosmetology II	5
COSMT 53 Intermediate Cosmetology I	5
COSMT 54 Intermediate Cosmetology II	5
COSMT 55 Advanced Cosmetology I	5
COSMT 56 Advanced Cosmetology II	5
COSMT 57 Cosmetology State Board Prep	5
Total units required for degree major	40
Additional Required Units:	
General Education Requirements	18
Total units required for degree	58

Update of Nursing AS Degree

From page 177:

Description:

GENERAL INFORMATION. The Nursing Department Curriculum is currently under revision. We are incrementally transitioning into new courses and curriculum. All students are advised to check the Yuba College Website for nursing (<http://nursing.yccd.edu/>) often for new information relative to application and admission. We recommend making an appointment with a Yuba College Counselor to insure successful admission and progression information about Nursing. Nursing is a blend of science, technology, and compassion that allows the practitioner to provide health care in a wide variety of settings. It includes caring for the sick, helping people return to and maintain health, and prevention of disease. Examples of practice settings include acute care hospitals, extended care facilities, home health care, clinics, offices, schools, military service, occupational settings, and more. Yuba College offers an Associate Degree Nursing program leading to licensure as an RN. A career ladder program for LVN's wishing to advance to the RN level is also available. California is currently experiencing a nursing shortage, which is predicted to continue well into the twenty-first century. As a result, graduates, after passing the National Council of State Boards of Nursing Licensing Examination, are likely to have a variety of employment opportunities. Yuba College Nursing Programs offer clinical experiences in a variety of health care settings including: acute care hospitals, extended care facilities, offices, and clinics. Most lectures are broadcast via interactive TV from Yuba College in Marysville and Woodland Community College. Skill labs, in Marysville and Woodland, are staffed with faculty to provide additional support to students. Media, including videotapes and computer assisted instructional programs, simulation, resource books, and professional journals are available at all three campuses.

COSTS. In addition to the expenses of regularly enrolled students (living costs, activity fees, books, tuition, etc.), Nursing students have the additional expenses of uniforms, licensing, health examination, drug testing, criminal background check, and others expenses. Nursing students are eligible for grants and loans available to any Yuba College student meeting the financial aid criteria. Upon completion of the Program, the graduate, unless otherwise disqualified by the licensing board, is eligible to take the National Council of State Boards of Nursing Licensing Examination.

DRUG POLICY. All students enrolled in nursing and allied health programs are subject to the department drug policy and procedure which can be found in the Student Handbook located on the Nursing Website. Violation of this policy and procedure may result in denial of admission or dismissal from the program.

CRIMINAL BACKGROUND CHECKS. All clinical agencies used in the nursing programs require criminal background screening. Applicants who are found to have certain violations that preclude clinical placement will have the offer of admission rescinded. Costs associated with the background screening is the responsibility of the applicant.

PRE-ADMISSION TESTING. Prior to admission, all applicants are required to complete a pre-admission assessment exam (TEAS). Applicants who score below 70% will be required to re-admit and re-test. Recommended remediation is available and information will be provided to students following the exam. Notification of testing dates and location will be provided several months prior to scheduled program acceptance. Pre-admission testing is required for all students including those entering the LVN to RN Career Ladder program.

NURSING
(Associate in Science)
Required Courses

First Semester **Units**
 NURS 1 Fundamentals of Medical Surgical9

Second Semester **Units**
 NURS 2 Medical Surgical Nursing II..... 7
 NURS 22 Obstetrical Nursing..... 3.5

Third Semester **Units**
 NURS 3 Medical Surgical Nursing III..... 5
 NURS 21 Pediatric Nursing..... 3.5

Fourth Semester **Units**

Students earning an AA/AS degree must complete a minimum of 18 units of General Education requirements, the multicultural graduation requirement, and the health requirement, in addition to the program units listed here. Students must complete a total of 60 degree applicable units to earn an AA or AS. Please see your counselor for additional information.

**Update of Radiologic
 Technology Program
 Description**

From page 190:

**Radiologic
 Technology**

Accredited by the State of California Department of Public Health, Radiologic Health Branch and the Joint Review Committee on Education in Radiologic Technology. Upon completion of this program, the student will receive a Certificate of Achievement and is eligible to take the required California State Certification Examination which will qualify the graduate (passor) as a California Certified Radiologic Technologist and also the American Registry of Radiologic Technologist which qualifies the graduate (passor) as a Registered Technologist R.T. in Radiology.

Since enrollment is currently limited, applications are not being accepted at this time until further notice. Students are encouraged to review the website at: <http://radtech.yccd.edu> and make an appointment with a Yuba College counselor for advice on eligibility.

MINIMUM CRITERIA FOR ADMISSION.

1. High School graduation or equivalent.
2. Completion with a "C" or better grade: Biology 4, Biology 5, Chemistry 1A or 2A, Mathematics 52 or higher, English 1A, Humanities (course that fulfills area "C" of the General Education requirements), Psychology 1A, and **NURS 51 Medical Terminology.**

Students are also required to have specific immunizations, pass a drug screen and background check. (Criteria are subject to change each year.) Specific information and the application can be found on the website listed above.

New Kinesiology AS Degree

KINESIOLOGY (Associate in Arts)

Required Courses

Health and Wellness: Choose 12 units from the following courses listed:

HLTH 1 Health and Life Style Choices	3
HLTH 3 First Aid and CPR for Kinesiology Majors	3
HLTH 4 Psychosocial Health	3
HLTH 5 Sport Psychology	3
