

We Believe In Your Future!

Meet Yulisa, a graduating Yuba College sophomore, who will transfer to Chico State this fall. Yulisa felt welcome as soon as she walked in the door, took advantage of tutoring and other Yuba College services, which allowed her to meet (and exceed) her educational goals. "Dream ... don't be afraid." 🦋

Hours of Operation:

*Admissions and Records Office
Counseling Office and Financial Aid Office
Extended evening hours will be posted online at yc.yccd.edu*

April 8, 2019 - May 31, 2019:

Monday: 8:00 a.m. - 7:45 p.m.
Tuesday-Friday: 8:00 a.m. - 4:45 p.m.

Summer Hours: June 3, 2019 - August 2, 2019:

Monday-Thursday: 7:30 a.m. - 5:30 p.m.
Administrative Offices Closed on Fridays

Starting August 5, 2019:

Monday: 8:00 a.m. - 7:45 p.m.
Tuesday-Friday: 8:00 a.m. - 4:45 p.m.

***Walk-ins for quick questions
are also available
Monday-Friday at the
times listed above.***

Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission with the following exceptions:

- Courses that are specifically exempted by statute, including "impacted" allied health programs (such as Radiologic Technology, Veterinary Technology, Associate Degree Nursing and Psychiatric Technician.)
- Courses closed by maximum enrollment of students by the "priority registration" policies;
- Courses with academic requisites that restrict enrollment of academically unqualified students; and
- Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Applicants may apply for admission on-line by going to the Yuba College website at: yc.yccd.edu

Nondiscrimination Statement

Yuba College does not discriminate on the basis of race, color, national origin, sex (gender), physical and mental disability, age, sexual orientation, religion, medical condition, ancestry, or marital status in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the *Americans with Disabilities Act of 1991*, *Title VI of the Civil Rights Act of 1964* (pertaining to race, color, and national origin), *Title IX of the Education Amendments of 1972* (pertaining to sex), *Section 504 of the Rehabilitation Act of 1973* (pertaining to handicap), and *Age Discrimination Act of 1975* (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College's programs and activities.

This Schedule of Classes is published for informational purposes. Every effort is made to ensure its accuracy; however, the contents should not be regarded as an irrevocable contract between students and the Yuba Community College District. The District reserves the right to correct, modify, or change this document without notice for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District. The District further reserves the right to add to, amend, or repeal any of their rules, regulations, and procedures, consistent with applicable laws. Please be advised, students should review the latest schedule changes on WebAdvisor prior to registering for courses.

Summer 2019

June 10	Summer Session 2019 commences for regular six-week summer classes; other classes have different dates
June 12	Last day to add a class/register for six-week classes
June 17	Refund deadline for six-week classes
June 17	Last day to drop class(es) to prevent “W” grade(s) on permanent record for six-week classes
June 17	Census date for six-week classes
July 3	Deadline to apply for summer 2019 graduation
July 3	Last day to drop a class with a “W” for six-week classes
July 4	Academic and administrative holiday – Independence Day (Thursday)
July 18	Regular six-week classes end

Fall 2019

Fall Semester 2019 - 84 days of regular instruction

August 12-16	Professional Development Days (optional flex activities) – NO CLASSES
August 14	CONVOCATION – CAMPUS CLOSED
August 19	INSTRUCTION BEGINS FOR FALL SEMESTER
August 23	** Last day to add courses or register without special permission
August 30	** Last day to be eligible for refund of enrollment, parking, student services fees, and non-resident tuition
September 2	Cal Grant deadline
September 2	Academic and administrative holiday – Labor Day (Monday)
September 6	Instructors are to drop No Shows for Census Roster Clearance
September 6	** Last day to drop class(es) to prevent “W” grade(s) on permanent record
September 9	Census date for full-term classes (Monday)
September 17	Constitution Day (observance) – activities to be announced
September 20	** Last day to elect Pass/No Pass grading option
November 11	Academic and administrative holiday – Veterans Day observed (Monday)
November 15	** Last day to drop class(es) with a “W” grade on permanent record
November 15	Deadline to apply for fall 2019 graduation
November 28-29	Academic and administrative holiday – Thanksgiving (Thursday – Friday)
December 1	Closing date for International Student Applications for spring 2020
December 9-18	Limited extracurricular student activities
December 12-18	Final examination period
December 18	Conclusion of fall semester
December 23	Grades from instructors are due for fall 2019 semester
December 24 – Jan 1	Winter recess – all offices CLOSED

**Dates apply to full-semester classes; short-term class dates will vary.

Priority Registration for Summer/Fall 2019

If you have not already done so, apply for an enrollment fee waiver before registering for classes. Use WebAdvisor or login through your MyCampus Portal page to process your registration. Take advantage of your status to register.

Avoid long lines and have the best selection of classes by registering online on your priority date.

	Eligibility	Priority registration Date
Day 1	DSPS, EOPS, CalWORKS, Veteran, and Foster Youth	Monday, April 22, 2019
Day 2	Continuing students near graduation or transfer (verified by counselor using a special priority form), Athletes, TRiO, ASYC	Tuesday, April 23, 2019
Day 3	Continuing students in Good Standing with 50–89.5 units*	Wednesday, April 24, 2019
Day 4	Continuing students in Good Standing with 30–49.5 units*	Thursday, April 25, 2019
Day 5	Continuing students in Good Standing with 12–29.5 units*	Friday, April 26, 2019
Day 6	Continuing students in Good Standing with fewer than 12 units* and first time students who are fully matriculated	Monday, April 29, 2019

*Priority registration units are based on YCCD Degree Applicable units (courses numbered between 1 and 99, i.e. ENGL-51, MATH-52, BIOL-10).

How many degree applicable units do I have?
Please check WebAdvisor under Academic Profile / Registration Priorities and Holds to view your degree applicable units.

Attend the First Day of Class
Information and expectations presented in the first class meeting are critical to successfully participate in each class. If the class has a Wait List, students enrolled in that class who do not attend the First day may be dropped.

Do Not Assume That The Instructor Will Automatically Drop You
Students are responsible for dropping themselves to qualify for a fee refund and avoid F grades.

More Eligibility Dates:

Date	Eligibility
Tuesday, April 30, 2019	Students with more than 90 units (who are not near graduation/transfer) Students on Probation
Wednesday, May 1, 2019	Students who have not fully matriculated (completed orientation, assessment, and student educational plan), transfer students, returning students.
Monday, May 13, 2019	Dual enrollment students

Registration for Continuing Students:

Definition: If you were enrolled in a Yuba Community College District class in the Spring 2019 semester (January-May 2019) you are a continuing student:

Students who were enrolled in high school during the Spring 2019 semester are **not** continuing students. See "Current High School Students" section if still enrolled in high school or "New/Transfer/Returning Student" section if you have now graduated, for registration process.

Continuing Students Registration Process:

- ❶ Apply for enrollment fee waiver (at Financial Aid Office or yc.yccd.edu) before registering.

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at fafsa.ed.gov.

Apply for CCPG at your local Financial Aid Office

If you were on a fee waiver for any part of the 2018-2019 year, you must re-apply.

- ❷ Active duty military at Beale AFB
You may register on-line or go to the Beale AFB Outreach Services to register.

- ❸ Clear all outstanding debts and holds.

- ❹ Use WebAdvisor at yc.yccd.edu to register on your PRIORITY registration date.
See chart for priority date.

Adds and drops should be processed through WebAdvisor.

It is your responsibility to verify that all transactions are processed by the established deadlines.

Continuing Students WebAdvisor Registration Dates for Spring

WebAdvisor registration is scheduled by the Enrollment Priorities guidelines (AP 5055)

You may register on your scheduled priority date (see previous page).

Take advantage of your status to register before new students. Avoid long lines and have the best selection of classes by registering on your priority date.

Registration for Returning Students

Definition: Enrolled at any Yuba Community College District site in the last THREE years (Fall 2016-2018), not counting Summer Session classes.

- ❶ Apply on-line at yc.yccd.edu
- ❷ See enrollment priorities guidelines

Important Reminders:

Prior to your first semester:

- Submit your application
- Apply for a Fee Waiver and/or Financial Aid
- Provide official copies of all educational transcripts
- Locate the Library, College Success Center, Hard Math Cafe, Veterans Service Office, Career and Job Placement Offices, Transfer Center, Bookstore, Re-entry/WIA Office, CalWORKs Office, and DSPS Office
- Tour the campus

Every semester:

- Meet with your counselor
- Update your educational plan
- Research careers in the Career Center
- Meet with university representatives
- Research transfer universities at the Transfer Center
- Check on scholarships
- Request tutoring, if needed, in the College Success Center

Attend the first day of class!

Information and expectations presented in the first class session are critical to successful participation in each class.

If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day "may" be dropped. However, **do not assume the instructor will automatically drop you from classes. Students are responsible for dropping classes they do not attend.**

Registration for First Time Students

Definition: Students who enroll at the college for the first time, excluding students who transferred from another college of higher education.

❶ Complete (Matriculation Process):

a. An application

Apply on-line at yc.yccd.edu

b. On-line Orientation:

From the website at yc.yccd.edu, click on Apply, Step 2.
Complete the Orientation.

c. Meet with a counselor for course placement.

Call the Yuba College Counseling Department to schedule a time to meet with a counselor to develop an Education Plan and register for courses.

Yuba College (Marysville):
(530) 634:7766

Sutter County Center:
(530) 751-5600

Please arrive 10 minutes before your counseling appointment to complete a Self Report Form or bring your high school transcripts and receive placement in the English and Math.

d. After completion of the application, on-line orientation process, and completing a student educational plan **you will be eligible to register for classes starting April 29, 2019.**

Dual Enrollment High School Students:

The Yuba Community College District may accept as a Part-Time student, eligible high school students who have completed the eighth grade.

Students must submit an Application and "High School Recommendation Form," including the signature of the high school principal and the student's parent. You can apply on-line at yc.yccd.edu, but you will be required to register in-person with the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.). Placement can be determined (after completion of 10th grade). PICTURE I.D. IS REQUIRED.
3. Students should enroll in college level courses (courses numbered 1-99) -- No Physical Education courses allowed.
4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.
5. **Register starting May 13, 2019 in person.**

According to AP 5020 and AP 5030 high school students enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (Note: Dual enrolled students do NOT obtain continuing student status (per Education Code) and are not eligible for Web registration.)

Residency:

Residency is determined by the laws of the State of California.

California residents are those who have maintained legal residency status in California for one year and a day PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver's license, taxes, car registration, etc.) The burden of proof rests with the student.

Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the California College Promise Grant CCPG (formerly BOGW) enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it on-line under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.

Late Registration and Changes:

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through WebAdvisor or in person at the Registration Office. If the class is full, instructor approval (signature and date) on an add form is required.

WebAdvisor Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the WebAdvisor process at yc.yccd.edu.

✓ **Don't assume you won't qualify, APPLY NOW!**

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at: fafsa.ed.gov

Apply for CCPG (formerly BOGW) at your local Financial Aid Office

WebAdvisor Step-by-Step Registration

WebAdvisor allows you to register, add, or drop classes. It also allows you to review your grades and print your own schedule and unofficial transcript.

Apply for
Financial Aid
before you
access
WebAdvisor.

① Log In:

1. Go to webadvisor.yccd.edu
2. Click on the Log In button.
3. Your "Log In" ID (also known as "Student ID") is the first initial of your last name (capitalize) + your 7 digit Colleague ID number. (Example: J0012345)
4. Enter your (previously established) password that you set through the Single Sign-on Portal (login.yccd.edu).
5. Click on the SUBMIT button

② To Register or Add a class:

Click on Students on the right side of the screen

Click on Registration/Register or Drop

If you know the 4-digit class code (listed in the Schedule of Classes), select **Express Registration**. Enter the 4-digit code in the class code column. When you have entered the class code for all classes, click on the Submit button. This action will display the classes entered on the next screen.

If you do not know the 4-digit class code, use the Search/Register for Sections. Use the pull-down menu to select appropriate term. Use the pull-down screen to enter the Subject (i.e., Art) of the class. Scroll down the screen to the "location" field and use the pull-down menu to select the location. (You need to enter the location of a class IF you are only interested in classes at a particular location. For example, a student who only wants to take a Marysville class would not want to view the classes taught at Clearlake or Woodland.) Click Submit button.

When you have the classes displayed, review the classes (including location). Click in the Select Section(s) column for those classes you want. Click Submit button.

This will create a "shopping cart" of Preferred Sections including location. **Preferred sections are NOT registered classes** -- see next step. You can select the pull-down menu to register for all sections listed, or use the pull-down menu under the ACTION Column to select "RG-Register" for each section.

You can add your name on a waitlist (if the class is full and has a waitlist). All registration rules will apply to waitlisted courses. You can only be placed on one waitlist per course -- and if you enroll in another section of that class, your name will be REMOVED from the waitlist. If you have a time conflict, you cannot be registered for a class. Time conflicts will result in you being dropped from the waitlisted class. You will be automatically moved from the waitlist to enrolled status once a space becomes available. Please review your schedule regularly.

If there are problems, the screen will display a "failed" message. Problems include such things as class is already full (closed), class has started, prerequisite has not been met, etc. A class with a problem will NOT be added.

WebAdvisor Registration (Continued)

③ Dropping a Class:

Select Drop Classes option from the menu. Scroll down the screen to display a list of your classes. Click in the "DROP" window next to the class you want to drop. (If you click on the wrong box, you can click on the check mark again and it will remove the drop check mark for that class.) Review carefully. When the correct classes are checked, click on Submit button.

The next screen will display a list of the REMAINING classes you are still registered in.

To verify that the course was dropped successfully either: 1) print the revised schedule, or 2) close out of WebAdvisor, then re enter and review your schedule. **Petitions will no longer be approved for registration procedure errors.**

④ Print:

Print a copy of your Schedule from WebAdvisor as your verification of enrollment. You will NOT be mailed a copy of your class schedule.

Report cards are *not* mailed at the end of the semester. Access your grades through the WebAdvisor process. All holds must be cleared to access WebAdvisor.

It is *your* responsibility to drop any class that you do not plan to attend. There are deadlines to drop classes for refunds and avoiding failing grades. Deadline dates vary for short term classes.

Payment Options/How to Pay Fees

10 Days to Pay

Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. Payment is due within 10 days of registration if you do not qualify for a the California College Promise Grant (CCPG) - fee waiver.

Students must:

- Be approved for CCPG (California College Promise Grant) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan (deadline to enroll is: Friday, August 23, 2019)

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending.

Students who do not take one of these actions will be subject to being dropped from their classes for non-payment. Before registering for classes, **you must have your CCPG waiver in place** or you will be directed to:

1. Pay your registration fees in full at MyCampus Portal, Webadvisor located on our website, yc.yccd.edu
Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. Setup a Payment Plan

Students may sign up for a payment plan at yc.yccd.edu. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. There is a \$25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.

Single Sign-on Portal and Student E-Mail

Use the Single Sign-on Portal to access WebAdvisor, your student E-mail and Canvas.

- Single Sign-on allows you easy access to all of the sites
- Self Service password management and recovery

Using Single Sign-on Portal:

① Go to: login.yccd.edu

② Log In:

User Name: Your Student ID Password:
Your (previously established) password.

If you are new to YCCD and have never
logged in your default password schema is:

First letter of your legal first name (Uppercase) +
First letter of your legal last name (Lowercase) +
Last 4 digits of your Social Security Number (if no
SSN, then use the last 4 digits of Student ID #)+
2 digit designation of your birth month(e.g., April
=04)

Accessing Student E-mail:

① Go to: login.yccd.edu

② Log into the Single Sign-on Portal

③ Click the student email button

Student e-mail information:

Address:

Your Student ID@go.yccd.edu

Example: Name: John Doe

Colleague ID: 0012345

E-mail: D0012345@go.yccd.edu

***If you have questions
or need further
assistance, e-mail:
helpdesk@yccd.edu or
call (530) 741-6981***

Use Your Student E-mail Because:

Yuba College will use your campus e-mail as a means to communicate with students.

You can create documents using Microsoft Word, Excel, PowerPoint and OneNote through your e-mail service.

Store up to 1 terabyte of data on OneDrive.

Create personal and shared Photo Albums.

Fee and Expense Information:

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, fee waiver or payment plan.

California College Promise Grant (CCPG):

Formerly known as Board of Governors Fee Waiver (BOGW)

Beginning the 2018/2019 aid year, the Board of Governors Fee Waiver (BOGFW) will now be called the California College Promise Grant. The California College Promise Grant is a state sponsored program, which waives enrollment fees for qualifying students.

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California College Promise Grant (CCPG). If you qualify, the CCPG program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

Effective Fall 2016, California Community College students receiving the CCPG must meet minimum academic and progress standards to remain eligible for the CCPG (<http://www.yccd.edu/educational-services/bog.aspx>). Students must: maintain a cumulative GPA of 2.00 and successfully complete at least 50% of all units attempted

The best way to apply for this CCPG is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov or the California Dream Act Application at www.caldreamact.org When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a CCPG you will save the cost of tuition and possible qualify for a Pell Grant which can help pay for your books.

Yuba College Promise

Starting in Fall 2018, the Yuba College Promise will pay for tuition for new, first-time, full-time Yuba College students for up to two semesters. Yuba College Promise is for student who do not qualify for the CCPG, who enrolls in 12 or more units and completes and submits the Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application (CADAA).

FEE	AMOUNT	REQUIRED OF
Enrollment Fee	\$46 per unit. Fees are set by State. If fee is increased students are billed at the new rate.	All students, except those eligible for a California College Promise Grant Fee Waiver (CCPG) & dual enrolled students
Health Fee	\$10 per semester	All students, except dual enrolled students
Parking Decals	\$40 fee per semester or \$2.00 per day (CCPG = \$20) \$20 Summer Session (Subject to change)	All vehicles using campus facilities must display a valid permit (purchase on-line).
Non-Resident Tuition Foreign Student Tuition	\$265 non-resident fee Total: \$265 per unit	All non-resident and non-resident foreign students (from another country); dual enrolled students are exempt.

Hope and/or Lifetime Learning Tax Credits - Taxpayer Relief Act of 1997:

In accordance with the Taxpayer Relief Act of 1997, the District will send information required by the IRS to eligible students. Please check with your tax preparer to determine if you are eligible to take advantage of this tax credit.

Refunds: Deadline for Short Term Classes:

You **must** drop your class by the end of the **second** class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through WebAdvisor.

If your class has more than 30 meeting days:
31-40 days – end of 3rd class meeting
41-50 days – end of 4th class meeting
51-60 days – end of 5th class meeting

Deadline for Full Term Classes: August 30, 2019

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A \$10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the on-line request form in Webadvisor. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

AB 540 and the CA Dream Act

Any student, other than one with a USCIS nonimmigrant visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).¹

- Requirements:
 - The student must have:
 - attended a high school (public or private) in California for three or more years, or
 - attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.
 - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam) and
 - The student must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

As of October 5, 2017, Senate Bill 68 was approved, which expands AB 540 to enable students to count years spent at a California Community College and Adult School toward s AB 540 eligibility. Additionally, the bill will allow the completion of an Associate's Degree or satisfaction of the minimum requirements to transfer to the University of California (UC) or California State University (CSU) to meet the degree or units requirements, which expands possibilities for a student to qualify for in-state tuition and financial aid at CCCs and the CSUs.

AB 540 Affidavit - “California Non-Resident Tuition Exemption Request”

In order to receive the exemption from non-resident tuition, students must obtain, complete, and submit the AB 540 Affidavit to the Admissions and Records Office. Students may be required to submit additional documentation such as high school transcripts and appropriate records of high school graduation or the equivalent.

The California Dream Act

AB 130 allows students, who meet AB 540 criteria (California Education Code 68130.5(a)), to apply for and receive non-state funded scholarships for public colleges and universities; AB 131 allows students, who meet AB 540 criteria, to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant. Therefore, AB 540 students are allowed to apply for the following types of financial aid:

- California College Promise Grant (CCPG), formerly known as the Board of Governors Fee Waivers (BOG)
- State financial aid like Cal Grants, Full-time Student Success Grant, Community College Completion Grant and Chafee Grants
- Assistance from EOPS, CARE or Cal-WORKS
- Privately-funded scholarships

If eligible for the AB 540, students must:

- Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
- Contact the Financial Aid Office to determine the next steps to take
- Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
- Students who do not have a Social Security Number need to enter a California Dream Act
- Application at: <https://dream.csac.ca.gov/>

¹ This exemption to the requirement to pay the nonresident tuition fee is often referred to “AB 540” after the Assembly Bill which enacted the exemption. (Ed. Code, § 68130.5.)

² In 2014, Assembly Bill 2000 was enacted amending Education Code section 68130.5 to allow this additional flexibility in meeting the requirements for the exemption

Placement Levels: Exam Information

As one of the mandates of Assembly Bill (AB 705) passed in Fall of 2017, Yuba College is changing the way that students are placed in their English and Math classes!

All students are placed based on their high school GPA and coursework. Students who did not complete at least 10th grade in a U.S. high school, graduates of a non-U.S. high school or and international students, will need to complete the Guided Self-Placement process.

The Guided Self-Placement will be available in Summer 2019.

If you speak a language other than English and feel that you would benefit from taking classes in our English for Multilingual Students, please schedule an appointment to see a Counselor, you can call (530) 634-7766.

Advisory Skills for Entry Level Courses

Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a “(L)”, “(M)”, or “(L,M)” in the course description.

Early Assessment Program

Yuba College proudly accepts EAP (Early Assessment Program) scores for incoming freshman that have achieved “Ready” status in Math, English, or both in lieu of taking the placement assessment. In addition, students may also use their ACT, SAT, or AP scores should they fall within a specific range (see scale below).

Math

CAASPP EAP: Standard Exceeded “Ready”
ACT: 23 or higher
SAT: 570 or higher
AP Calculus or AP Statistics Exam: 3 or higher

English

CAASPP EAP: Standard Exceeded “Ready”
ACT: 22 or higher
SAT: 550 or higher
AP Language or AP Literature Composition Exam: 3 or higher

Students who select to use the aforementioned criteria to fulfill their Math and/or English placement requirement needs to first complete a Yuba College application for admission and then notify the Testing Office that they are seeking an exemption. EAP scores will be verified at the Testing Office, so the students will need to bring a copy of those scores. However, if you plan to use your ACT, SAT, or AP scores, you will need to bring a copy of the score to the Testing Office at Yuba College (Marysville) or at the Sutter County Center.

For further information, please contact the Assessment and Testing Office at (530) 741-6846.

All students enrolled in CWEE/Intrn must attend one orientation session or risk being dropped from the program. If you cannot attend one of the dates listed below you must contact the work experience coordinator at mha@yccd.edu within one week of the course start date. Tuesday, June 11th - 2:30-3:20pm Room 2104 Wednesday, June 12th - 12-12:50pm Sutter Center Room 222 Thursday, June 13th - 8:00-8:50am Room 2104 Monday, June 17th - 6-6:50pm Room 2104

Kinesiology

KINES 1.27 Fitness Walking/Jogging **1.5 units**
Transferable to CSU/UC-Unit limit
Individualized walking/jogging program designed to improve cardiovascular endurance and muscular strength. Emphasis is on lifetime fitness including principles of nutrition, fitness and safety.

Yuba College
5243 MTWTH 8:00AM-8:35AM & E.Hoal M-TRACK
MTWTH 8:35AM-10:05AM

KINES 1.36 Yoga **1.5 units**
Transferable to CSU/UC-Unit limit
Development of basic Yoga postures, breathing practices, stretching, and relaxation techniques as a method to improve flexibility, decrease stress and improve physical and mental well-being.

Yuba College
6546 MTWTH 1:00PM-1:35PM & PE-Staff M-1225
MTWTH 1:35PM-3:05PM

KINES 1.37 Club Fitness **1.5 units**
Transferable to CSU/UC-Unit limit
Club fitness uses treadmills, stationary bikes, rowing machines, and step machines for developing fitness levels. Physical fitness assessment and analysis is performed. Development of individualized fitness and wellness programs.

Yuba College
6547 MTWTH 3:30PM-4:05PM & J.Coats M-2001
MTWTH 4:05PM-5:35PM

Kinesiology

KINES 1.57 Weight Training **1.5 units**
Transferable to CSU/UC-Unit limit
Individualized weight training program designed to improve muscular strength and endurance. Emphasis is on lifetime fitness including principles of nutrition, fitness, and safety.

Yuba College
5283 MTWTH 10:15AM-10:50AM & E.Hoal M-1224
MTWTH 10:50AM-12:20PM
6552 MTWTH 7:30PM-8:05PM & J.Kline M-1224
MTWTH 6:00PM-7:30PM

KINES 1.57B Weight Training Intermediate **1.5 units**
Transferable to CSU/UC-Unit limit
Individual weight conditioning for intermediate level students. Emphasis will be on learning proper use of machines, free weights, cables and stretching routines. Instruction form, technique, safety, and muscle development. Participation will increase muscle size, strength, and endurance. Co-education class format.

Yuba College
5284 MTWTH 10:15AM-11:45AM & E.Hoal M-1224
MTWTH 11:45AM-12:20PM
6550 MTWTH 6:00PM-6:35PM & J.Kline M-1224
MTWTH 6:35PM-8:05PM

KINES 20 Introduction to Kinesiology **3 units**
Transferable to CSU
This course provides an introduction to the interdisciplinary approach to the study of human movement. It provides an orientation to various educational pathways, requirements, and career opportunities in kinesiology in the areas of teaching, coaching, allied health, and fitness professions. Basic concepts of the kinesiology discipline and the importance of the sub-disciplines are discussed.

On-Line
9738 TBA TBA PE-Staff NET

KINES 24 Analysis of Football **2 units**
Transferable to CSU/UC-Unit limit
Analysis of offensive and defensive football, including philosophy and strategies; current techniques of passing, blocking, and tackling along with practical application of scouting.

Yuba College
6554 TWTH 1:00PM-2:30PM PE-Staff M-FIELD
06/11/19 to 07/25/19

Learning Assistance

LEARN 251 Academic Evaluation **.5 unit**
Designed for students who wish to better understand their individual spectrum of learning aptitudes including current achievement levels. Eligibility for academic accommodations may be considered based on testing information using step-by-step guidelines mandated by the California Community College System. Grades are P/NP.

Yuba College
7121 TW 10:00AM-2:15PM J.Ponticelli M-1819
06/18/19 to 06/19/19

Mass Communications

MCOMM 2 Introduction to Electronic Media **3 units**
Transferable to CSU/UC
This course introduces the history, structure, function, economics, content and evolution of radio, television, film, the Internet, and new media, including traditional and mature formats. The social, political, regulatory, ethical and occupational impact of the electronic media are also studied. Advisories: Language - recommended eligibility for English 1A

On-Line
9355 TBA TBA J.Poulos NET

MCOMM 40 Introduction to Online Learning **1 unit**
Transferable to CSU
This course is designed to familiarize students with the online learning environment and prepare them to successfully complete an online course. Students will be introduced to the technology, the online environment, and managing an online course. Topics include hardware and software requirements, problem-solving online issues, using additional software to review or submit class assignments, effective online communication skills and strategies, online assessment tools, critical thinking in the online environment, ethical online behavior, and emerging learning technologies. Not open for credit to students with credit in EDUC 40. Grades are P/NP.

Mathematics

Please note: MyMathLab (MML) is used for online homework in some Math 101 (A/B), Math 52 (A/B) and Math 59 classes. Please check with individual instructors regarding online assignments.

MATH 1B Single Var Cal li-Early Transcendentals **4 units**
Transferable to CSU/UC
A second course in differential and integral calculus of a single variable; integration; techniques of integration; infinite sequences and series; polar and parametric equations; applications of integration. Primarily for science, technology, engineering and mathematics majors. Prerequisite: MATH 1A. (L,M)

Yuba College
2173 MTWTH 11:00AM-1:50PM M.Sharma M-849

MATH 20 College Algebra **4 units**
Transferable to CSU/UC-Unit limit
College level course in algebra for majors in science, technology, engineering and mathematics. Topics include polynomial, rational, radical, exponential, absolute value and logarithmic functions, systems of equations, theory of polynomial equations and analytic geometry. Prerequisite: MATH 52 or a satisfactory score on the mathematics placement test. (L,M)

Yuba College
1484 MTWTH 2:00PM-4:50PM T.Chetra M-849

MATH 21 Plane Trigonometry **3 units**
Transferable to CSU
The study of trigonometric functions, their inverses and their graphs, identities and proofs related to trigonometric expressions, trigonometric equations, solving right triangles, solving triangles using the Law of Cosines and the Law of Sines, polar coordinates, and introduction to vectors. Prerequisite: MATH 52 or MATH 52B. (L,M)

Yuba College
2514 MTWTH 11:00AM-1:05PM T.Chetra M-803

Anthropology

ANTHR 1 Introduction to Physical Anthropology 3 units
Transferable to CSU/UC
This course examines human biological variation within an evolutionary context. It includes an introduction to the history and principles of evolutionary theory; basic human genetics and molecular biology; the anatomy, behavior, and ecology of our closest living relatives, non-human primates; the evolution of the human lineage through the hominid fossil record; variation among modern human groups, past and present; and a brief introduction to forensic anthropology. Throughout the course, attention is paid to the complex interaction between biology, behavior, and culture.

Sutter County				
5253	MTW	6:00PM-8:50PM	E.Blackthorne	SF-105

ANTHR 2 Cultural Anthropology 3 units
Transferable to CSU/UC
Investigates the diversity of cultures in regards to language, economics, kinship, art, religion, technology, and cultural universals; functional aspects of culture and cultural change; varieties of customs and institutions of different peoples; significance of human culture.

Sutter County				
5255	MTWTH	10:15AM-12:20PM	P.Dagrossa	SF-211

Art

ART 5 Art Appreciation 3 units
Transferable to CSU/UC
Introduction to art appreciation with an emphasis on basic 2D, 3D, and film mediums and their relationships to humanities. Historical and contemporary work with a multicultural focus will be emphasized. Not open for credit to students with credit in HUMAN 5. (L)

Sutter County				
7077	MTWTH	10:15AM-12:20PM	A.De Silva	SF-201

Biology

BIOL 10 General Biology 3 units
Transferable to CSU/UC-Unit limit
The science of life for non-science majors. Provides an overview of the world of living organisms including their classification and unifying characteristics. Introduces basic biological processes such as homeostasis, photosynthesis, cellular respiration, DNA function, cellular reproduction, evolution, and ecosystem interactions with an emphasis on the relationship of structure to function and the interrelationships of living organisms. Lecture only. Not open for credit to student with credit in BIOL 10L. (L)

YCCD eLearning

The YCCD eLearning courses are specifically designed to meet the educational lifestyle of Yuba Community College District’s students. Students may take a course while at home, work, at a high school, or on another one of YCCD’s campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Learning Management System: Canvas is the Learning Operating System we use for our Online courses. Log into Canvas using the same ID & Password you use for Webadvisor/MyCampusPortal. Log into Canvas from the college home page by selecting the Canvas link in the upper right hand corner.

Successful students must: **1)** Have reliable access to a computer and the internet; **2)** Commit to 10 hours per week, per course; **3)** Use good time management; **4)** Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research, **BCA 42A:** Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

Exam proctoring is available for Online courses. Contact your local YCCD library for more information.

Problems logging into Canvas contact: helpdesk@yccd.edu
Problems once you’re logged into Canvas: select the help tab in the upper right corner and submit a ticket.

For additional info call: 530-741-6981.

MyCampus Portal course materials
If your instructor uses MyCampus Portal to post class materials, you will need to log into the MyCampus Portal to locate your Course Site. <http://yc.yccd.edu/campus/mycampus.aspx>

COUNS 25 Career Planning and Development **3 units**
Transferable to CSU
Survey of techniques of career exploration and selection. In the context of a study of the changes that occur during a typical life span, each student will construct a personal profile of current and projected interests, aptitudes, skills, values, personality, and life and personal circumstances. Not open for credit to student with credit in GNBUS 25. (L)

<u>On-Line</u>				
9022	TBA	TBA	G.O'Keefe-Schwering	NET

Early Childhood Education

ECE 1A Prin/Prac of Teaching Young Children **3 units**
Transferable to CSU
An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics and professional identity. (L)

<u>On-Line</u>				
9222	TBA	TBA	G.Madrid	NET

ECE 3 Child Growth and Development **3 units**
Transferable to CSU/UC
This course examines the major physical, psychosocial, and cognitive/ language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual difference and analyze characteristics of development at various stages. Designed as a foundation course for careers in ECE, Education, Human Services, Health and related fields. (L)

<u>On-Line</u>				
9807	TBA	TBA	M.Wagener	NET

Ecology

ECOL 10 Environment-Concepts and Issues **3 units**
Transferable to CSU/UC
Ecology studies the interaction and interdependence among living organisms in their environment. The course presents fundamental scientific principles in examining how natural ecosystems function and how human actions affect natural ecosystems. Emphasis is placed on the role of science in determining causes and in contributing solutions to local and global environmental problems. (L)

<u>On-Line</u>				
9035	TBA	TBA	D.Carney	NET
<i>The final exam for this course will be proctored and not given online. The exam must be taken on the last day of class at a Yuba Community College District testing site or at an instructor-approved proctoring location.</i>				

English

ENGL 1A College Composition and Reading **4 units**
Transferable to CSU/UC
Development of analytical reading and the writing of college-level essays, including critical analysis, rhetorical forms, and collegiate research. Prerequisite: Satisfactory score on Placement Exam OR ENGL 51 or ENGL 97 or ENGL 56 with a grade of "C" or better. (L)

AJ 78 Investigative Rpt Writ Pub Safety Prof 3 units
Investigative report writing for the public safety professional relative to law enforcement, probation, correctional institutions, parole activities, and private security services. Includes practical experience in preparing field notes, letters, memorandums, and official administrative reports; the role of reports in civil litigation, criminal prosecution, and the presentation of court testimony. Emphasis will be placed on recognizing the characteristics of good report writing and addressing the common report writing problems, including use of correct terminology, grammar, spelling and composition. Students will also be introduced to contemporary information technologies and the methods employed for the collection, storage, and distribution of official information and reports. (L)

Yuba College				
5624	MW	8:30AM-9:45AM	R.Hearne	M-2149

Agriculture and Plant Science

AG 45 Principles of Animal Science 3 units
Transferable to CSU/UC-Unit limit
An overview of the principles of animal science and the interrelationships of domestic animals and humankind. This course will investigate animal anatomy, physiology, reproduction, nutrition, health, products and by-products, as well as behavior and genetics from a scientific prospective. Current topics on influences of humans on genetic potential and productivity will be addressed. Experimental design and reporting, animal dissections, basic animal handling and husbandry practices, recognition of animal health, and use of biotechnology in animal science. Not open for credit to students with credit in AG 45L. (L)

On-Line

------	------	-------	------------	------

Agriculture and Plant Science

PLSCI 20L Principles of Plant Science 4 units
Transferable to CSU/UC-Unit limit
Principles of plant growth including structure, growth processes, propa-gation, physiology, growth media, and biological competitors. Laboratory topics include microscope use, plant structures internal and external, photosynthesis,respiration and other aspects of plant growth and develop-ment. Not open for credit to students with credit in PLSCI 20. (L,M)

Yuba College				
1211	TTH	9:00AM-10:15AM &	K.Voigt	M-806
	TTH	10:30AM-11:45AM		

Anthropology

ANTHR 1 Introduction to Physical Anthropology 3 units
Transferable to CSU/UC
This course examines human biological variation within an evolutionary context. It includes an introduction to the history and principles of evolu-tionary theory; basic human genetics and molecular biology; the anatomy, behavior, and ecology of our closest living relatives, non-human primates; the evolution of the human lineage through the hominid fossil record; variation among modern human groups, past and present; and a brief introduction to forensic anthropology. Throughout the course, attention is paid to the complex interaction between biology, behavior, and culture.

Sutter County				
5354	TTH	10:00AM-11:15AM	P.Dagrossa	SF-211

ANTHR 2 Cultural Anthropology 3 units
Transferable to CSU/UC
Investigates the diversity of cultures in regards to language, economics, kinship, art, religion, technology, and cultural universals;functional aspects of culture and cultural change; varieties of customs and institutions of dif-ferent peoples; significance of human culture.

Yuba College				
5355	MW	4:00PM-5:15PM	J.Green	M-1170
Television				
5356	TBA	TBA	J.Green	TV

ANTHR 3 Introduction to Archaeology 3 units
Transferable to CSU/UC
Introduction to the methods and theories of modern archaeology, including site exploration and interpretation. Patterns of evidence for human behavior from the first humans to the beginnings of written history. Advisories: (L) Language - recommended eligibility for English 1A.

Sutter County				
5674	TTH	11:30AM-12:45PM	P.Dagrossa	SF-211

Art

ART 1A History of Art-I 3 units
Transferable to CSU/UC
Survey of Art history, painting, sculpture, and architecture; Art from the Paleolithic period through the Early Christian World. (L)

Sutter County				
2867	TTH	8:15AM-9:30AM	A.De Silva	SF-201

ART 4A Drawing and Composition Beginning 3 units
Transferable to CSU/UC
Drawing and composition using various materials. Basic instruction in perspective, landscape, still life, and other subjects. (L)

Yuba College				
6874	MW	9:00AM-9:45AM &	R.Wallace	M-1001
	MW	9:45AM-11:50AM		
1297	MW	2:00PM-2:45PM &	R.Wallace	M-1001
	MW	2:45PM-4:50PM		
3256	TTH	6:00PM-6:45PM &	M.Pappas	M-1001
	TTH	6:45PM-8:50PM		

ART 4B Drawing and Composition Intermediate 3 units
Transferable to CSU/UC
Students in this class will build on fundamental drawing skills to develop personalized solutions to content and materials in exercises coverig multiple historical and contemporary approaches to drawing. (L)

Yuba College				
3068	TTH	8:05PM-8:50PM &	M.Pappas	M-1001
	TTH	6:00PM-8:05PM		

ART 5 Art Appreciation 3 units
Transferable to CSU/UC
This course provides a general introduction to visual art through selected examination of art works and architecture from diverse cultures of the world from the prehistoric period to the present, familiarizing students with art historical context and terminology, visual elements, design principles, and visual art media. Not open for credit to students who have completed HUMAN 5. Advisories: Computer Literacy - recommended basic computer skills Language - recommended eligibility for English 1A

Yuba College				
6913	MW	1:00PM-2:15PM	A.De Silva	M-3003
Sutter County				
6914	TTH	4:00PM-5:15PM	A.De Silva	SF-201

ART 6A Beginning Basic Design 3 units
Transferable to CSU/UC
Introduction to the concepts, applications, and historical references that apply to two-dimensional art, including the basic principles and elements as they relate to two-dimensional problems. Advisories Language - rec-ommended eligibility for English 1A.

Yuba College				
6907	TTH	2:00PM-2:45PM &	M.Pappas	M-1004B
	TTH	2:45PM-4:50PM

ART 6B Intermediate Basic Design, 3-D 3 units <i>Transferable to CSU/UC</i> Students will explore the concepts, applications, and historical references that relate to three dimensional design and spatial composition, including the study of elements and organizing principles of design as they apply to three dimensional space and form. Prerequisite: ART 6A. (L)						ART 14A Sculpture 3 units <i>Transferable to CSU/UC</i> Introductory course in sculpture; using and exploring the media of clay, plaster, wood, and armature building. (L)					
<u>Yuba College</u> 2868 TTH 4:05PM-4:50PM & M.Pappas M-1004B TTH 2:00PM-4:05PM						<u>Yuba College</u> 8934 MW 4:00PM-4:45PM & G.Husted M-1005 MW 4:45PM-6:50PM					
ART 9A Beginning Painting 3 units <i>Transferable to CSU/UC</i> Introduction to the principles, elements, and practices of painting. Focus on painting materials, perceptual skills and color theory, paint mixing and technique, as well as creative response to materials and subject matter.						ART 14B Intermediate Sculpture 3 units <i>Transferable to CSU/UC</i> Further study of three dimensional form and use of materials such as clay, plaster, wood, metal and armature building. Pre-requisite: ART 14A.					
<u>Yuba College</u> 8932 TTH 9:00AM-9:45AM & G.Husted M-1001 TTH 9:45AM-11:50AM						<u>Yuba College</u> 8935 MW 6:05PM-6:50PM & G.Husted M-1005 MW 4:00PM-6:05PM					
ART 9B Intermediate Painting 3 units <i>Transferable to CSU/UC</i> Continued exploration of painting media and techniques. Emphasis on painting from life. Pre-requisite: ART 9A. (L)						ART 18 Beginning Graphic Arts 3 units <i>Transferable to CSU</i> This course is an introductory overview of the technical software and aesthetic fundamental elements for creating typography for print ready visual communications. This course will also include a study of "letter-form", typeface, copy fitting, software and the creative application of all the above. (L,C)					
<u>Yuba College</u> 8939 TTH 11:05AM-11:50AM & G.Husted M-1001 TTH 9:00AM-11:05AM						<u>Yuba College</u> 5438 T 1:00PM-2:50PM & D.Cook M-1310 TH 1:00PM-3:50PM					
ART 12A Beginning Ceramics 3 units <i>Transferable to CSU/UC</i> Basic studio techniques and processes in hand building, use of the Potter wheel, and creative, artistic expression using clay. Introduction to ceramic materials and concepts with processes including basic design principles and creative development in hand building and wheel thrown techniques, techniques for glaze use, firing and ceramic terminology. This course covers aesthetic and creative development of clay objects through examining historical, contemporary, and personal modes of expression across cultures. Advisories Language - recommended eligibility for English 1A						ART 19A Introduction to Commercial Art 3 units <i>Transferable to CSU</i> Introduce the student to a broad range of assignments to acquaint the student with the unselfish use of their skills to solve the needs of a client and use principles of computerized drawing and design. Using the basic concepts, drawing tools, and vocabulary of Adobe CS6 Design & Web Premium, which includes: Photoshop CS6 Extended, Illustrator CS6, InDesign CS6, Dreamweaver CS6, Flash Professional CS6, Fireworks CS6, Acrobat X Pro, Bridge CS6, and Media Encoder CS6. (C)					
<u>Yuba College</u> 6903 MW 12:00PM-12:45PM & G.Husted M-1005 MW 12:45PM-2:50PM 6904 TTH 1:00PM-1:45PM & G.Husted M-1005 TTH 1:45PM-3:50PM						<u>Yuba College</u> 4336 TTH 4:00PM-4:45PM & J.McConnell M-1310 TTH 4:45PM-6:50PM M-1308					
ART 12B Intermediate Ceramics 3 units <i>Transferable to CSU/UC</i> Intermediate techniques and processes; creative and artistic expression through the use of clay and glazes. Pre-requisite: ART 12A. (L)						ART 19B Commercial Art: Illustration 3 units <i>Transferable to CSU</i> Studio practice in the basic concepts and techniques of commercial illustration, using typical projects that occur in employment situations. Stress on various media, portfolio, and camera ready work. Pre-requisite:ART 19A. (C)					
<u>Yuba College</u> 8897 MW 2:05PM-2:50PM & G.Husted M-1005 MW 12:00PM-2:05PM 8892 TTH 3:05PM-3:50PM & G.Husted M-1005 TTH 1:00PM-3:05PM						<u>Yuba College</u> 4337 TTH 5:00PM-5:45PM & J.McConnell M-1310 TTH 4:00PM-5:00PM& M-1308 TTH 5:45PM-6:50PM

Automotive Technology

AUTO 41 Alignment and Suspension

4 units

Transferable to CSU
Basic operating principles of automotive suspension and steering systems with an emphasis on 4-wheel alignment including suspension and steering operating theory, tire repair and balancing, operating replacement of all suspension and steering components, rebuilding of steering gears and pumps, and front and rear wheel alignment.

Yuba College				
5781	T	9:00AM-11:50AM & AS-Staff		M-607
	TH	9:00AM-11:50AM		M-611

AUTO 44 Electrical Systems

6 units

Transferable to CSU
A comprehensive study of current automotive electrical systems with a strong emphasis on diagnosis, service and repair of wiring, igitions, charging, starting, domestic and import computer management systems. Involves usage of manuals, meters, scanners, and state-of-the-art test equipment. Recommended enrollment in AUTO 33.

Yuba College				
8930	MW	12:00PM-1:50PM & MW	P.Milks	M-616
		2:00PM-4:50PM		M-611

AUTO 46 Engine Machining & Reconditioning

3 units

Transferable to CSU
Applied principles of engine machining and reconditioning techniques with a strong emphasis on high performance production machining. Intended for students who desire further study and skills working with automotive machining and assembly methods.

Yuba College				
4513	M	6:00PM-7:50PM & D.Ferrari		M-607
	W	6:00PM-8:50PM		M-611

AUTO 50B Advanced Engine Performance/Diagnosis

2 units

Advanced study with current automotive/diesel diagnostic tools and methods used to troubleshoot and repair complex problem related in fuel, electrical, and emissions control. Activities include diagnostic skills in drive-ability, onboard diagnostics I and II, including scan tools, meter usage, lab scopes, computerized analyzers and dynamometer five-gas emission diagnostic equipment and other related equipment as it pertains to gas or diesel electronic engine management systems. Bureau of Automotive Repair L-1 certification is offered upon successful completion of final test.

Yuba College

Automotive Technology

AUTO 61A Engine Repair Experience

1 unit

Individualized activities intended to meet the specific needs of advanced students through specialized training in automotive engine repair. Activities include in-depth operations not normally covered in the basic courses. Intended primarily for students with prior practical experience in automotive engine repair. Co-requisite: AUTO 45 or Prerequisite: AUTO 45.

Yuba College				
5935	T	10:00AM-12:50PM	AS-Staff	M-611

AUTO 61C Electrical Systems Experience

1 unit

Individualized activities intended to meet the specific needs of advanced students through specialized training in automotive electrical systems. Activi-ties include in-depth operations not normally covered in the basic course. Intended primarily for students with prior practical experience in automo-tive electrical systems. Corequisite: AUTO 44 or Prerequisite: AUTO 44.

Yuba College				
4129	T	10:00AM-12:50PM	AS-Staff	M-611

AUTO 61D Engine Performance Experience

1 unit

Individualized activities intended to meet the specific needs of advanced students through specialized training in automotive fuel, emissions and electrical systems. Activities include in-depth operations not normally covered in the basic courses. Intended primarily for student with prior practical experience in automotive engine performance. Corequisite: AUTO 44 or Prerequisite: AUTO 44.

Yuba College				
4130	T	10:00AM-12:50PM	AS-Staff	M-611

AUTO 70 Introduction to Autobody Technology

4 units

Introduces the student to the fundamentals of Autobody Collision repair. Topics include hazardous material regulations including handling, storage, and disposal of hazard wastes, SDS code information, personal protective equipment, repair facility safety, basic electrical circuitry, electric hybrid vehicles, vehicle design and collision energy management, tool identifica-tion usage, and maintenance.

Yuba College				
6739	M	9:00AM-11:50AM & D.Schumacher		M-1701

Automotive Technology

AUTO 75 I-Car Structural Steel I

4 units

This course covers the principles and theory of automotive collision repair including component alignment, component replacement, structural panel repair or replacement, and chassis/frame alignment. Sectioning and full-panel replacement techniques and procedures are covered. Practical applications are emphasized. Students enrolled in the Auto Body Technology program at Yuba College (YC) may be eligible to apply for Inter-Conference on Automotive Repair (I-CAR) points. This YC/I-CAR alliance course also prepares students for Automotive Service Excellence (ASE) testing and National Automotive Technicians Education Foundation (NATEF) training standards. (L)

Yuba College				
6740	T	9:00AM-11:50AM & AS-Staff		M-1701
	TH	9:00AM-11:50AM		

AUTO 76 I-Car Autobody Non-Structural 1 and 2

5 units

This course provides the technical information and hands on experience needed to perform cosmetic straightening of steel, aluminum and plastic repair. Topics include: removal and replacement of bolted on panels; re-moval, replacement and repair of bumper facias; removal and replacement of headlight and tail lamp assemblies; removal, replacement and adjustment of movable glass. Introduction to steel GMAW-MIG welding, aluminum GTAW-TIG welding, STRSW- squeeze-type resistance spot welding, MIG Brazing, nitrogen plastic welding, plasma arc cutting and adhesively bonded panel replacement. Body working hand tools, abrasives and fillers will be covered. Advisories: Language - recommended eligibility for English 1A

Yuba College				
6741	M	1:00PM-4:50PM & D.Schumacher		M-1701
	W	1:00PM-3:50PM		

AUTO 77 I-Car Autobody--Refinishing 1 and 2

5 units

This course includes the principles of paint finish application, tinting/blending, color adjustments, color mismatch problems, finish inspection, removal of finish defects, interior and exterior detailing, refinish equipment, surface prep, and masking. Other topics include paint application techniques, corrosion protection, new paint technologies, color identification, and vehicle color codes. This course will also provide the information needed to start a home based detailing business. The course also addresses compliance with OSHA and EPA rules. Students enrolled may be eligible to apply for Inter-Industry Conference on Automotive Collision repair (I-CAR) points. This YCCD/I-CAR alliance course also prepares student for ASE testing. Advisories: Language - recommended eligibility for English 1A

Automotive Technology

AUTO 81 Hybrid/Alt Fuels Vehicle Service Tech

2 units

Advanced study of hybrid and alternative fuel vehicles to equip automotive majors and field technicians with the information and skills necessary to service and repair current automotive hybrid vehicles to manufacturer's safety procedures. Student's are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills. (L,C,M)

Yuba College				
6745	M	6:00PM-7:15PM & AS-Staff		M-611
	W	6:00PM-7:15PM		M-616

AUTO 52.30 Manual Drive Trains/Gas/Diesel Vehicles

3 units

This course will cover basic operating principles of manual drive trains which consist of clutches, standard transmission/transaxles, drive shafts, drive axle assemblies, and transfer cases. Emphasis on related gear, bearing, and lubrication theory; normal maintenance service, and adjustment operations; problem diagnosis; and overhaul procedures for gasoline and diesel vehicles.

Yuba College				
5587	T	8:00AM-9:50AM & P.Milks		M-616
	TH	8:00AM-10:50AM		

AUTO 52.40 Brake Systems

4 units

This course covers basic operating principles of automotive braking systems including brake theory, hydraulic operation, hydraulic control valves, power brake units, electronic control systems and anti-lock brake systems (ABS). Industry standards and practices for the inspection, diagnosis, service, and repair of automotive and light truck braking systems will also be covered. Students are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills.

Yuba College				
5532	M	8:00AM-8:50AM & P.Milks		M-616
	W	8:00AM-9:50AM&		
	M	9:00AM-11:50AM		

Biology

BIOL 1 Principles of Biology

5 units

Transferable to CSU/UC
An introduction to biology for majors that emphasizes the molecular, cellular, and environmental processes that are common to most organisms. Topics include an introduction to biomolecules, cell structure, cell reproduction, enzymes, fermentation, respiration, photosynthesis, molecular genetics, heredity, and evolution. Prerequisite: MATH 52 or MATH 52B and CHEM 1A. Other: Background in high school biology is recommended. (L,C)

Biology

BIOL 2 General Zoology **4 units**
Transferable to CSU/UC
Applies the concepts introduced in Biology 1 to the study of animals and evolution. Course includes a survey of animal phyla and non-photosynthetic, single-celled, eukaryotic taxa. Specific animal topics include: patterns of diversity and classification, morphology and physiology, life cycles and development, the significance of sexual reproduction, and animal behavior. Evolution topics include speciation, phylogeny, macro- and microevolution, adaptation to environmental and social challenges, and natural selection. Other topics include genetic drift, gene flow, mutation, nonrandom mating, and basic population genetics. Designed for biology majors and related fields, but open to all qualified students. Prerequisite: BIOL 1 or BIOL 15 and MATH 52. (L)

<u>Yuba College</u>				
4397	TTH	1:00PM-1:50PM &	J.Stollberg	M-843
	TTH	2:00PM-4:50PM		M-804

BIOL 4 Human Anatomy **4 units**
Transferable to CSU/UC
An introduction to the gross,microscopic and organizational structure of the human body. Includes an emphasis upon the interrelationship between structure and function of cells, tissues, organs, and systems. The course is primarily intended for nursing, allied health, kinesiology, and other health related majors. Prerequisite: BIOL 1 or BIOL 15. (L,C)

<u>Yuba College</u>				
4481	TTH	1:00PM-1:50PM &	L.Staffero	M-846

	MW	6:30PM-9:20PM		M-817

BIOL 5 Human Physiology **4 units**
Transferable to CSU/UC
An introduction to the physiological principles, function, integration and homeostasis of the human body at the cellular, tissue, organ, organ system and organismic levels. Includes physiological topics within the integumentary, skeletal, muscular, nervous, endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary and reproductive systems. Prerequisite: BIOL 1 or BIOL 15 with a grade of “C” or better. (L,M,C)

<u>Yuba College</u>

	TTH	6:30PM-9:20PM		M-814

Biology

BIOL 6 Introductory Microbiology **4 units**
Transferable to CSU/UC
History, structure, metabolism, genetics, and ecology of microscopic life forms; their relationship to disease, immunology, agriculture, and industry. Laboratory emphasizes the development of techniques for the detection, isolation, and identification of both harmless and pathogenic species. Prerequisite: BIOL 1 or BIOL 15. (L)

<u>Yuba College</u>				
2730	TTH	12:00PM-12:50PM &	J.Pittenger	M-800

Business Accounting

ACCT 1 Principles of Accounting--Financial **4 units**
Transferable to CSU

This is the study of accounting as an information system, examining why it is important and how it is used by investors, creditors, and other to make decisions. The course covers the accounting information system, including recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, the financial statements, and statement analysis. Includes issues relating to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal controls, and ethics. Co-requisite: ACCT 1A and BCA 15 or BCA 33A. Pre-requisite: ACCT 10A with a grade of “C” or better, or qualifying score on Mathematics placement exam and BCA 15 or BCA 33A. (L,M,C)

<u>Yuba College</u>

Business Accounting

ACCT 3 Computerized Accounting **3 units**
Transferable to CSU

Computerized accounting using QuickBooks Pro. Basic through intermediate features for small and medium size businesses including banking, sales and customers, purchases and vendors, inventory, reports and graphs. Application of all aspects of accounting cycle. Prerequisite: Completion of ACCT-10A or ACCT-1 or ACCT-1L or ACCT-2L with a “C” or better.

<u>On-Line</u>				
9166	TBA	TBA	S.Spina	NET

ACCT 6 Individual Income Taxes-Federal/State **4 units**
Transferable to CSU

Individual income tax preparation, forms and computations; business and professional returns; federal and state returns. Individual Income Taxes - Federal/State (ACCT 6) is a CTEC approved course, which fulfills the 60-hour “qualifying education” requirement for tax preparers. A listing of additional requirements to register as a tax preparer may be obtained by contacting CTEC at P.O. Box 2890, Sacramento, CA 95812-2890, toll-free by phone at (877) 850-2832, or on the Internet at www.ctec.org Other Conditions of Enrollment: ACCT 10A or prior knowledge of accounting terminology/concepts recommended. (L,M)

<u>Sutter County</u>				
6734	MW	6:00PM-7:50PM	P.Phillips	SF-114

ACCT 10A General Accounting **4 units**
Transferable to CSU

Introductory accounting course covering accounting principles and practices, the complete accounting cycle, and creation of financial reports. Use of proper procedures in the General Journal, Special Journals, General Ledger and Subsidiary Ledgers. Includes payroll processes, and proper financial reporting. Advisories: Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

CHEM 10 Concepts of Chemistry 3 units
Transferable to CSU/UC-Unit limit
A survey of basic concepts of chemistry. Designed for non-science majors desiring an introduction to fundamental chemistry concepts and skills. Not intended for students who will enroll in subsequent chemistry coursework. (L)

<u>Sutter County</u>				
7538	MW	8:30AM-9:45AM MS-Staff	SF-212	

CHEM 18A Organic Chem for Health and Life Science 4 units
Transferable to CSU/UC
The first semester of a one-year course in organic chemistry designed for students planning professional school studies in health and life sciences. A rigorous, in-depth presentation of basic principles with emphasis on reaction mechanisms, multi-step synthesis, stereochemistry and spectroscopy and preparation and reactions of nonaromatic hydrocarbons, haloalkanes, reactions of alkenes and alkynes, alcohols, ethers and organometallic compounds. Reactions include SN1, SN2, E1 and E2. Prerequisite: Satisfactory completion of CHEM 1B. Advisories Mathematics - recommended eligibility for Math 52

Computer Science

COMSC 2 Computer Assembly Language 3 units

Transferable to CSU/UC
Basic operating principles and structure of digital computers including addressing mode, stack manipulation, interrupt processing, fixed and floating point formats, subroutines, features of assemblers, directives, symbol tables, and macros. Programs are written using typical operating systems and machine language for typical modern processors. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52 Computer Literacy - recommended basic computer skills

<u>Yuba College</u>				
7167	TTH	8:00AM-8:50AM &	D.Joksch	M-847
	TTH	9:00AM-10:15AM		

COMSC 6 Basic Language Programming 3 units

Transferable to CSU/UC
Introduction to programming using object-orientated programming techniques, including problem solving, algorithm development, coding solutions, program life cycle, and source code maintenance. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

<u>On-Line</u>				
9852	TBA	TBA	S.Shepard	NET

COMSC 8 Digital Logic Fundamentals 4 units

Transferable to CSU/UC
Properties of switching algebra. Minimization of algebraic function using Karnaugh maps and DeMorgan's theorem. Design of combinational logic networks. Design of sequential logic devices including flip-flops, registers, and counters. Analysis and applications of digital devices. Analysis and design of synchronous and asynchronous sequential state machines, state table derivation and reduction. Use of HDL compilers, schematic capture, TTL circuit implementation, and logic simulations tools. Logic design implementation using PLD, FPGA, and TTL. Prerequisite: Satisfactory completion of: COMSC 9A; MATH 52 or MATH 52B.

<u>Yuba College</u>				
7169	TTH	11:30AM-12:45PM &	D.Joksch	M-603
	F	8:00AM-10:50AM		

COMSC 9A C++ Programming 4 units

Transferable to CSU/UC
Introduction to the C++ programming language. Emphasis on structured programming methods, object-oriented design, and structured data types. The programming cycle from problem solving to debugging is emphasized. COMSC 6 recommended. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

<u>Yuba College</u>				
7171	MW	1:00PM-2:15PM &	D.Joksch	M-847

Computer Science

COMSC 9B Data Structures 4 units

Transferable to CSU/UC
A continuation of Computer Science 9A using Object Oriented Programming techniques. An introduction to abstract data types, algorithm analysis, data structures including lists, hash tables, trees, and graphs. Required for Computer Science majors. Prerequisite: Satisfactory completion of: COMSC 9A. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

<u>Yuba College</u>				
8986	TTH	1:00PM-2:15PM &	D.Joksch	M-847
	F	2:00PM-4:50PM		

COMSC 12 Java Programming 3 units

Transferable to CSU/UC
Introduction to Java Programming. Intended for those with prior experience or coursework in at least one formal programming language, preferably C or C++.Topics include: Java and HTML, Applet user interfaces, graphics and multimedia, objects, classes and methods,input and output and IO streaming, networking, threads, packages, the Java AWT and API. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

<u>On-Line</u>				
9850	TBA	TBA	D.Joksch	NET

COMSC 20 Beginning Web Publishing With Html 3 units

Transferable to CSU
Fundamentals of web publishing using HTML, covering design, writing, and maintenance of webpages. Emphasis on real-life informational and interactive presentation to include testing, revising and maintenance of web presentation on the World Wide Web. Other: Course is Open Entry/Open Exit. Advisories Computer Literacy - recommended basic computer skills

<u>On-Line</u>				
9851	TBA	TBA	S.Shepard	NET

Cooperative Work Experience Education

CWEE 44A 1st Semester General Work Experience variable units

Transferable to CSU
Coordination of introductory on-the-job learning with college experience to develop desirable work habits,attitudes, and career awareness through supervised "paid" or "volunteer" employment. A maximum of sixteen (16) semester units can be earned in General Work Experience during a student's enrollment within Yuba Community College District with a six (6) unit maximum in any one semester. Students enrolled in this class are not eligible for other Cooperative Work Experience/Internship classes during the same semester. Students may not exceed sixteen (16)units in the combination of programs (CWEE 44A/44B/44C/44D, CWEE 45A/45B or INTRN 46A/B. Co-requisite: Must have PAID or VOLUNTEER position. Grades are P/NP. (L)

Engineering

ENGR 35 Statics **3 units**

Transferable to CSU/UC
This is a first course in mechanics as used in engineering- with emphasis on force systems and equilibrium conditions in two and three dimensions including moments, couples and resultants. Engineering problems concern- ing structures, machines, centers of gravity, moments of inertia, distributed forces, friction and methods of virtual work are covered. Trigonometric and vector methods are used in this course. Understanding and application of the concepts of engineering problems is a key component of this course. Optional topics include cable systems and Mohr's circle. Corerquisite: MATH 1C. Prerequisite: PHYS 4A. (L,M)

Yuba College				
3070	MW	10:00AM-11:15AM	A.Shaukat	M-821

ENGR 45 Properties of Materials **4 units**

Transferable to CSU/UC
An introductory course in properties of materials used in engineering; emphasis on the theory underlying the behavior of engineering materi- als. Includes a face-to-face laboratory component covering the testing of metals, polymers, composites, wood, and other materials. Prerequisite: Satisfactory completion of: CHEM 1A; PHYS 4A. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

This course is part of a Puente Project Learning Community cohort. Students enrolling in this course will be automatically enrolled in Puente cohort which includes English 1A, English 10 and Counseling 10. Students enrolled in the Puente Project Cohort will also participate in extra-curricular community building activities and campus tours throughout the semester. The Puente Project is a national award-winning program that for more than 30 years has improved the college-going rate of tens of thousands of California's educationally underrepresented students. Its mission is to increase the number of educationally disadvantaged students who enroll in four-year colleges and universities, earn college degrees and return to the community as mentors and leaders to future generations. The program is interdisciplinary in approach, with writing, counseling and mentoring components. For more information and specifics about the cohort contact David Perez in the Counseling Department or call (530) 634-7770.

English as a Second Language

ESL 245 Integrated ESL Skills, Level 4 **5 units**
Language development for low-intermediate limited English speakers. Concentration on all language skills: listening, speaking, reading, writing, and grammar. This is the fourth course in a series of six leading to a certificate of completion in English at the low-intermediate level. Prerequisite: Completion with a C or better in: ESL 235 or ESL 535. Or by placement exam.

<u>Yuba College</u>				
5423	MW	8:00AM-10:15AM	E.Roome	M-1015
<u>Sutter County</u>				
5425	TTH	6:00PM-8:15PM	K.Leaf	SF-214

ESL 249COM Computer Skills for ESL Students **3 units**
Provides students with the basic computer and word processing skills necessary to format, type, retrieve, and revise simple documents. Students learn to use varied software and perform basic research related to their academic needs and future employment using the internet. Additionally, students will work on English skills, such as reading and following directions (both reading and listening), and development of vocabulary related to computers. Intended for non-native English speakers with at least low-intermediate English proficiency. Concurrent enrollment in Level 4 ESL courses (e.g. 245, 243) is strongly recommended.

<u>Yuba College</u>				
5920	MW	1:00PM-2:15PM	W.Cook	M-1021

ESL 253 Intermediate Grammar **3 units**
Intermediate grammar for ESL students. This course introduces students to writing paragraphs and/or compositions containing compound and complex sentences in present, past, and future tenses. Concurrent enrollment in ESL 255/555 or 258/558 is highly recommended. Prerequisite: Satisfactory completion of: ESL 243 or ESL 543 Or by placement.

<u>Yuba College</u>				
7001	TTH	10:30AM-11:45AM	W.Cook	M-1016

ESL 255 Integrated ESL Skills, Level 5 **5 units**
Language development for high-intermediate limited English speakers. Concentration on all language skills - reading, writing, speaking, listening, and grammar. This course is the fifth in a series of six integrated skill courses (215, 225, 235, 245, 255, and 265) leading to a certificate of completion in English at the high-intermediate level. Prerequisite: ESL 245 or Intermediate English skills level.

<u>Sutter County</u>				
5914	TTH	6:00PM-8:15PM	K.Mello	SF-114

English as a Second Language

ESL 258 Intermediate Writing **4 units**
Writing for intermediate ESL. Develops ability to write more detailed paragraphs using simple and compound sentences in varied verb tenses with proper grammar and mechanics. Concurrent enrollment in ESL 253/553 and 255/555 highly recommended. Prerequisite: Complete ESL 245 or ESL 545 with a grade of “C” or better, or by placement exam.

<u>Yuba College</u>				
5430	TTH	8:00AM-9:50AM	L.Talley	M-1021

ESL 265 Integrated ESL Skills, Level 6 **5 units**
Language development for high-intermediate limited English speakers. Concentration on all language skills - reading, writing, speaking, listening, and grammar. This course is the last in a series of six integrated skill courses (225, 225, 235, 245, 255, and 265) leading to a certificate of completion in English at the high-intermediate level. Prepares students for college-level courses. Prerequisite: ESL 255 or Placement at High-Intermediate level in English.

<u>Yuba College</u>				
4220	MW	8:00AM-10:15AM	W.Cook	M-1021

Ethnic Studies

ASIAN 31 Asian-American Humanities and Cultures **3 units**
Transferable to CSU/UC
Survey of Asian-American cultures, including religions, traditions, and some highlights of history. Not open for credit to student with credit in HUMAN 31. (L)

<u>Yuba College</u>				
8472	TTH	1:00PM-2:15PM	S.Burgeson	M-716

Fire Technology

FIRTC 1 Fire Protection & Emergency Services **3 units**
Transferable to CSU
Introduction to fire protection; career opportunities in fire protection and related fields; philosophy and history of fire protection, fire loss analysis; organization and function of public and private fire protection services; fire department as part of local government; laws and regulations affecting the fire service; fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire protection systems; introduction to fire strategy and tactics.

CODE	DAYS	TIMES	INSTRUCTOR	ROOM
------	------	-------	------------	------

Fire Technology

FIRTC 4 Bldg Construction for Fire Protection **3 units**
Transferable to CSU
Fundamentals of building construction that relate to fire safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at fires. The development and evolution of building and fire codes will be studied in relationship to past fires and residential, commercial, and industrial occupancies. Not open for credit to students with credit in FIRSC 27. (L)

<u>Yuba College</u>				
4520	W	6:00PM-8:50PM	D.Ray	M-2142

FIRTC 5 Fire Behavior and Combustion **3 units**
Transferable to CSU
Theory and fundamentals of how and why fires start, spread, and are controlled; an in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques. Not open for credit to students with credit in FIRSC 13. (L)

<u>Yuba College</u>				
4246	TH	6:00PM-8:50PM	D.Ray	M-2142

French

FRNCH 1 Elementary French, Part 1 **4 units**
Transferable to CSU/UC
Introduction to the language and culture of the French-speaking world. It includes the development of listening, speaking, reading, and writing French with an emphasis on the communicative skills, as well as the fundamentals of French grammar. This course is equivalent to one year of high school French. (L)

<u>Sutter County</u>				
7006	MW	6:00PM-7:50PM	B.Jukes	SF-103

Geography

GEOG 1 Physical Geography **3 units**
Transferable to CSU/UC
Aspatial study of Earth's dynamic physical systems and processes. Topics include maps, earth-sun relations, weather, climate, water, landforms, soils, and the biosphere. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. (L)

<u>Yuba College</u>				
5333	TTH	8:30AM-9:45AM	K.Champe	M-818

<u>Sutter County</u>				
5334	TTH	10:00AM-11:15AM	C.Bowen	SF-106

Geography

GEOG 5 World Regional Geography **3 units**
Transferable to CSU
Survey of the world's culture regions and nations as interpreted by geographers, including physical, cultural, and economic features. Emphasis on spatial and historical influences on population growth, transportation networks, and natural environments. Identification and importance of the significant features of regions.

<u>Sutter County</u>				
7091	TTH	8:30AM-9:45AM	C.Bowen	SF-106

Geology

GEOG 12 Oceanography **3 units**
Transferable to CSU/UC
General introduction to the basic principles of oceanography, including the study of geological, physical, and chemical oceanography. Topics will include the origin of Earth and the oceans, plate tectonics, marine provinces, sediment, seawater composition and geochemical distributions, surficial and deep-water oceanic circulation, waves, tides, coastal erosion and deposition, marine ecosystems and human's effects on the oceans. (L)

<u>Yuba College</u>				
7092	TTH	11:30AM-12:45PM	K.Champe	M-818

GEOG 20 Geology of California **3 units**
Transferable to CSU/UC
General introduction to the geological sciences with emphasis on the geology of California. Topics covered will include the tectonic provinces, landforms, natural resources, geologic history, natural hazards, and related geologic environmental problems in the state. (L)

<u>Yuba College</u>				
5338	MW	11:00AM-12:15PM	K.Champe	M-818

GEOG 42 Regional Geology - Calif Volcanoes **1 unit**
Transferable to CSU
This field course provides an opportunity to explore a specific site of volcanic interest in California. The course will explore the tectonic setting, the rock cycle, weather and erosion, and topics secific to volcanoes. Trip location will vary depending on season and accessibility. Varying amounts of hiking will be required depending on the location. Students are responsible for the costs of meals, transportation, and camping or lodging.

<u>Yuba College</u>

LEARN 180 Reading and Writing Development 3 units

Designed especially for students with disabilities and others who have difficulty learning by traditional methods. Introductory course in basic reading/writing development in preparation for subsequent coursework requiring academic language arts skills. Emphasis on exploring current perception as a reader/writer, utilizing strategies for improved reading comprehension, understanding sentence/paragraph structure, building skills in mechanics of writing, and expanding vocabulary. This class will incorporate the use of educational technology to accelerate learning as a tool for raising efficiency of reading/writing tasks. Recommendation: Basic reading/writing skills, familiarity with computers and readiness for college participation.

<u>Yuba College</u>				
6797	MW	11:30AM-12:45PM	LA-Staff	M-3005

LEARN 251 Academic Evaluation 1 unit

Designed for students who wish to better understand their individual spectrum of learning aptitudes including current achievement levels. Eligibility for academic accommodations may be considered based on testing information using step-by-step guidelines mandated by the California Community College System. Grading Method: Pass/No Pass only.

<u>Yuba College</u>				
7007	F	8:00AM-12:15PM	J.Frost	M-1819
09/06/19 to 09/27/19				

Library Science

LIBSC 1 Basic Research Skills 1 unit

Transferable to CSU/UC
This course will help students acquire beginning information literacy skills necessary to conduct academic or personal research. It provides a step-by-step guide to the research process that is applicable to term papers, course work, and life-long learning. It emphasizes developing effective search strategies, selecting information tools, locating and retrieving information sources, analyzing and critically evaluating information, and using information. (L)

10/17/19 to 12/18/19				

Manufacturing Technology

MFGT 20 Principles of Machine Shop 3 units

Transferable to CSU
Basic set-up and operation of the Engine Lathe, Vertical Milling Machine, Drilling machines, Bandsaws, and grinding machines. Emphasis will also focus on precision measurement. The course includes tooling selection for the above machines. Introduction to computer numerical control is included. Safety in all aspects of machining. (L,M)

<u>Yuba College</u>				
6014	T	1:00PM-2:50PM &	J.Bauer	M-603
	TH	1:00PM-3:50PM		M-609

MFGT 34 Computer Numerical Control 4 units

Transferable to CSU
Manual programming of computer numerically controlled machine tools and processes, using the standard g-code format. Programs will include linear interpolation, circular interpolation, and helical interpolation. Canned cycles and macros are also used.

<u>Yuba College</u>

Mass Communications

MCOMM 2 Introduction to Electronic Media 3 units

Transferable to CSU/UC
This course introduces the history, structure, function, economics, content and evolution of radio, television, film, the Internet, and new media, including traditional and mature formats. The social, political, regulatory, ethical and occupational impact of the electronic media are also studied. Advisories: Language - recommended eligibility for English 1A

<u>Yuba College</u>

MCOMM 4 Beginning TV Studio Production 3 units

Transferable to CSU
This course introduces theory, terminology and operation of a multi-camera television studio and control room. Topics include studio signal flow, directing, theory and operation of camera and audio equipment, switcher operation, fundamentals of lighting, graphics, video control and video recording, and real-time video production. Advisories: Language - recommended eligibility for English 1A Computer Literacy - recommended basic computer skills

<u>Yuba College</u>				
7008	TH	1:00PM-2:50PM &	N.Schemel	M-1158
	T	1:00PM-3:50PM		

MCOMM 5 Beginning Motion Picture Production 3 units

Transferable to CSU/UC
This course provides an introduction to the theory, terminology, and process of motion picture production for film and television. Topics include basic cinematography including the operation, function and creative uses of production and post-production equipment, scriptwriting, camera operation, shot composition, lighting, sound recording and mixing, and editing. Advisories: Language - recommended eligibility for English 1A Computer Literacy - recommended basic computer skills

<u>Yuba College</u>				
7010	TH	9:00AM-10:50AM &	N.Schemel	M-1158
	T	9:00AM-11:50AM		

MCOMM 14 Advanced Studio Video Production 3 units

Transferable to CSU
Advanced technical operation and creative use of television studio equipment. Techniques of production, use of cameras, lighting, sound, titling, video recording, and video switching effects. Prerequisite: MCOMM 4. (L)

<u>Yuba College</u>				
8179	T	1:00PM-2:50PM &	N.Schemel	M-1158
	TH	1:00PM-3:50PM		

Mass Communications

MCOMM 15 Beginning Single Camera Production 3 units

Transferable to CSU
The course provides an introduction to the theory, terminology, and operation of single camera video production, including composition and editing techniques, camera operation, portable lighting, video recorder operation, audio control and basic editing. This course focuses on the aesthetics and fundamentals of scripting, producing, directing on location, postproduction, and exhibition/distribution. Advisories: Language - recommended eligibility for English 1A Computer Literacy - recommended basic computer skills

<u>Yuba College</u>				
7009	T	9:00AM-10:50AM &	N.Schemel	M-1158
	TH	9:00AM-11:50AM		

MCOMM 19 News Writing and Reporting 3 units

Transferable to CSU/UC
Recognizing, gathering, and writing the news in accepted journalistic style; learning to conduct personal interviews and cover speeches, meetings, and other events; understanding the legal and ethical issues related to reporting; emphasis on language and style, accuracy in news gathering, and research and organization of various types of stories. Prerequisite: ENGL 51. Not open for credit to students with credit in ENGL 19. (L)

<u>On-Line</u>				
9114	TBA	TBA	D.Welton	NET

MCOMM 40 Introduction to Online Learning 1 unit

Transferable to CSU
This course is designed to familiarize students with the online learning environment and prepare them to successfully complete an online course. Students will be introduced to the technology, the online environment, and managing an online course. Topics include hardware and software requirements, problem-solving online issues, using additional software to review or submit class assignments, effective online communication skills and strategies, online assessment tools, critical thinking in the online environment, ethical online behavior, and emerging learning technologies. Not open for credit to students with credit in EDUC 40. Grades are P/NP.

Mathematics

Please note: MyMathLab (MML) is used for online homework in some Math 101, Math 52 (A/B) and Math 59 classes. Please check with individual instructors regarding online assignments.

MATH 1A Single Var Cal I-Early Transcendentals 4 units
Transferable to CSU/UC-Unit limit
A first course in differential and integral calculus of a single variable: functions; limits and continuity; techniques and applications of differentiation and integration; Fundamental Theorem of Calculus. Primarily for Science, Technology, Engineering and Math Majors. Prerequisite: A satisfactory score on the mathematics placement test or MATH 20 and MATH 21. (L)

<u>Yuba College</u>				
8207	TTH	8:00AM-9:50AM	M.Sharma	M-2155

<u>Sutter County</u>				
7133	TTH	4:00PM-5:50PM	J.Thoo	SF-106

MATH 1B Single Var Cal II-Early Transcendentals 4 units
Transferable to CSU/UC
A second course in differential and integral calculus of a single variable: integration; techniques of integration; infinite sequences and series; polar and parametric equations; applications of integration. Primarily for science, technology, engineering and mathematics majors. Prerequisite: MATH 1A. (L,M)

<u>Yuba College</u>				
5325	MW	8:00AM-9:50AM	C.Noffsinger	M-1017

MATH 1C Multivariable Calculus 4 units
Transferable to CSU/UC
Vector valued functions, calculus of functions of more than one variable, partial derivatives, multiple integration, Green's theorem, Stokes' theorem, divergence theorem. Prerequisite: MATH 1B. (L,M)

<u>Yuba College</u>				
8847	TTH	10:00AM-11:50AM	J.Thoo	M-713

MATH 9 Calc for Business, Social/Life Sciences 4 units
Transferable to CSU/UC-Unit limit
Topics of calculus including differentiation, integration, graphs, limits, and rates. Applications from economics, business, life science, and behavioral science. Not open for credit to student with credit in MATH 1A. Prerequisite: MATH 52 or MATH 52B. (L,M)

<u>Yuba College</u>				
7205	MW	8:00AM-9:50AM	E.Noffsinger	M-1000
<u>Sutter County</u>				
2604	MW	2:00PM-3:50PM	T.Chetra	SF-102

Mathematics

Please note: MyMathLab (MML) is used for online homework in some Math 101, Math 52 (A/B) and Math 59 classes. Please check with individual instructors regarding online assignments.

MATH 10 Liberal Arts Mathematics 3 units
Transferable to CSU/UC
Designed for students majoring in areas other than science, mathematics, or business to give appreciation and insight into structure and applications of mathematics. Some typical topics, to be chosen by the instructor may include probability and statistics, sequences and series, population growth, graph theory, geometry and topology, number theory, history of mathematics, finance mathematics, voting methods and apportionment. Prerequisite: MATH 52. (L,M)

<u>Sutter County</u>				
1463	TTH	1:00PM-2:15PM	MS-Staff	SF-106

MATH 15 Concepts and Structures of Mathematics 3 units
Transferable to CSU/UC-Unit limit
This course focuses on the development of quantitative reasoning skills through in-depth, integrated explorations of topics in mathematics, including real number systems and subsystems. Emphasis is on comprehension and analysis of mathematical concepts and applications of logical reasoning. Prerequisite: MATH 52 or MATH 52A and MATH 52B. (L)

<u>Sutter County</u>				
5324	TTH	6:00PM-7:15PM	MS-Staff	SF-111

MATH 20 College Algebra 4 units
Transferable to CSU/UC-Unit limit
College level course in algebra for majors in science, technology, engineering and mathematics. Topics include polynomial, rational, radical, exponential, absolute value and logarithmic functions, systems of equations, theory of polynomial equations and analytic geometry. Prerequisite: MATH 52 or a satisfactory score on the mathematics placement test. (L,M)

<u>Yuba College</u>				
1366	TTH	8:00AM-9:50AM	E.Noffsinger	M-846
5326	MW	10:00AM-11:50AM	K.Stemmann	M-713
<u>Sutter County</u>				
8617	MW	6:00PM-7:50PM	T.Chetra	SF-211

MATH 21 Plane Trigonometry 3 units
Transferable to CSU
The study of trigonometric functions, their inverses and their graphs, identities and proofs related to trigonometric expressions, trigonometric equations, solving right triangles, solving triangles using the Law of Cosines and the Law of Sines, polar coordinates, and introduction to vectors. Prerequisite: MATH 52 or MATH 52B. (L,M)

<u>Yuba College</u>				
5327	MW	11:30AM-12:45PM	C.Noffsinger	M-1006

Mathematics

Please note: MyMathLab (MML) is used for online homework in some Math 101, Math 52 (A/B) and Math 59 classes. Please check with individual instructors regarding online assignments.

MATH 51 Plane Geometry 3 units
Introductory plane geometry, the study of geometric relationships in the plane from an inductive and deductive viewpoints. Satisfies the university admission requirement of high school plane geometry. Prerequisite: MATH 50. (L,M)

<u>Sutter County</u>				
5330	TTH	4:00PM-5:35PM	MS-Staff	SF-102
09/10/19 to 12/18/19				

MATH 52 Intermediate Algebra 4 units
To prepare students to take transfer-level mathematics or statistics courses. Topics include: real and complex numbers; factoring of polynomials; rational and radical expressions and equations; functions (general); linear, quadratic, exponential, and logarithm functions and equations; graphs; distance, midpoint, and circles in the Cartesian plane; application problems. Prerequisite: MATH 101 or MATH 101B or Qualifying score on the mathematics placement test. (L)

<u>Yuba College</u>

Some or all of the exams for this course will be proctored and not given online. If the exams require proctoring, then they must be taken at a Yuba Community College District site or at an instructor-approved proctoring location.

MATH 52A Intermediate Algebra First Half 3 units
Together with Math 52B, this course prepares students to take transfer-level mathematics or statistics courses. Topics include: real and complex numbers; factoring of polynomials; rational and radical expressions and equations; linear and quadratic equations; application problems. Designed for a variety of students, especially those who are math anxious or require a slower-paced, year-long version of Math 52. Math 52A and 52B must both be completed successfully to be equivalent to Math 52 as a prerequisite or to meet degree requirements. Prerequisite: MATH 101 or MATH 101B or Qualifying score on the mathematics placement test. (L)

<u>Yuba College</u>				
7134	MW	1:00PM-2:15PM	K.Stemmann	M-800

Please note: MyMathLab (MML) is used for online homework in some Math 101, Math 52 (A/B) and Math 59 classes. Please check with individual instructors regarding online assignments.

MATH 52B Intermediate Algebra Second Half 3 units
Together with Math 52A, this course prepares students to take transfer-level mathematics or statistics courses. Topics include: functions (general); linear, quadratic, exponential, and logarithm functions and equations; graphs; distance, midpoint, and circles in the Cartesian plane; application problems. Designed for a variety of students, especially those who are math anxious or require a slower-paced, year-long version of Math 52. Math 52A and 52B must both be completed successfully to be equivalent to Math 52 as a prerequisite or to meet degree requirements. Prerequisite: MATH 52A. (L)

<u>Yuba College</u>				
7135	MW	2:30PM-3:45PM	MS-Staff	M-800

MATH 58 Mathematics for Everyday Living 3 units
Interpretation of and reasoning with quantitative information. Coverage of logic; units analysis; uses and abuses of percentages, ratios, and indices; financial management; and statistics. This course satisfies the AA and AS degree requirement but does not satisfy the prerequisite for a transferable math course. Prerequisite: Completion with a C or better in: MATH 101 or MATH 101B. Or by placement exam.

<u>Yuba College</u>				
7137	TTH	4:00PM-5:15PM	MS-Staff	M-843

MATH 59 Foundations of Algebra 4 units
This course consists of elements of beginning and intermediate algebra necessary for long-term engagement in math-intensive fields. Topics include polynomial, rational, radical, exponential, and logarithmic expressions, equations, functions, graphs, modeling and applications; polynomial, rational, and radical inequalities; systems of equations and conic sections; algebra of functions; and complex numbers.

MATH 101B Elementary Algebra Second Half **3 units**
Together with Math 101A, to prepare students to take Intermediate Algebra. Topics include: real numbers; algebraic expressions; systems of linear equations (algebraic); linear inequalities in one and two variables (compound, system); scientific notation; absolute value function and equations; application problems. Designed for a variety of students, especially those who are math anxious or require a slower-paced, year-long version of Math 101. Math 101A and 101B, if taken sequentially, can substitute for Math 101 as a prerequisite or to meet degree requirements. Prerequisite: MATH 101A. (L)

<u>Yuba College</u>				
5328	MW	2:30PM-3:45PM	MS-Staff	M-843

Music

MUSIC 1 Music Fundamentals **3 units**
Transferable to CSU
An introduction to the notation and primary elements of tonal music, including staff notation in treble and bass clefs, rhythm and meter, basic properties of sound, intervals, diatonic scales and triads, and diatonic chords. Students will experience applying the skills learned to basic singing and keyboard playing. Suitable for both music majors and non-majors who have no previous experience in reading or playing music notation. Not open to students with credit in ECE 21.

<u>Yuba College</u>				
7016	MW	10:00AM-11:15AM	R.Mathews	M-200

CODE	DAYS	TIMES	INSTRUCTOR	ROOM
------	------	-------	------------	------

Music

MUSIC 1A Elementary Harmony **3 units**
Transferable to CSU/UC
Review of music fundamentals through composition and analysis. Emphasis on principle triads; part-writing procedures and analysis, incorporating the following concepts: rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; diatonic chords, basic cadential formulas and phrase structure; dominant seventh chords; figured bass symbols; and non-harmonic tones. Development of skills in handwritten notation is expected. Required of all music majors and minors. Required enrollment in MUSIC 1C (Theory Skills). Corequisite: MUSIC 1C. (L)

<u>Yuba College</u>				
8813	MW	8:30AM-9:45AM	R.Mathews	M-200

MUSIC 1C Theory Skills **1 unit**
Transferable to CSU/UC
Exercises in applying theoretical concepts to the voice and keyboard developing the rhythmic, melodic, and harmonic elements of beginning theory. Emphasis on ear-training employing exercises in rhythmic reading and dictation, sight-singing, analysis, and melodic dictation. Required of all music majors and minors. Corequisite: Concurrent enrollment or completion with a "C" or better in: MUSIC-1A.

<u>Yuba College</u>				
5481	TTH	1:00PM-1:10PM & 1:10PM-1:50PM	R.Mathews	M-200

MUSIC 2A Advanced Harmony **3 units**
Transferable to CSU/UC
Theoretical and practical techniques of chromatic harmony, continued from Music 1A, studied through written exercises and analysis, including introduction to chromatic harmony, secondary chords, modulation, change of mode (borrowed chords), Neapolitan sixth and augmented sixth chords. Required of all music majors. Corequisite: MUSIC 1D or MUSIC 2C. Pre-requisite: MUSIC 1B. (L)

<u>Yuba College</u>				
8811	MW	1:00PM-2:15PM	R.Mathews	M-200

MUSIC 2C Advanced Theory Skills **1 unit**
Transferable to CSU/UC
Continuation of MUSIC 1D. Exercises in continuing to apply theoretical concepts to develop rhythm, melody and harmonic materials through ear-training-employing programmed exercises in rhythmic reading and dictation of rhythmic, melodic, and harmonic materials-and sight-singing, analysis, and melodic and harmonic dictation. Required of all music majors. Corequisite: MUSIC 2A or MUSIC 2B. Prerequisite: MUSIC 1D. (L)

<u>Yuba College</u>				
8810	TTH	2:00PM-2:10PM & 2:10PM-2:50PM	R.Mathews	M-202

CODE	DAYS	TIMES	INSTRUCTOR	ROOM
------	------	-------	------------	------

Music

MUSIC 2E Keyboard Harmony II **1 unit**
Transferable to CSU/UC
Intermediate keyboard application of music theory for music majors. The course prepares students toward piano proficiency exams required at transferring universities. Prerequisite: MUSIC 1B and MUSIC 1E.

<u>Yuba College</u>				
7018	TTH	10:00AM-10:10AM & 10:10AM-10:50AM	M.Hmeleva	M-202

MUSIC 3 Music Appreciation **3 units**
Transferable to CSU/UC
Study of art music in relation to the humanities; music and composers of the western world from medieval to the contemporary period. (L)

<u>Yuba College</u>				
4229	MW	2:30PM-3:45PM	A.Miller	M-201
<u>On-Line</u>				
9800	TBA	TBA	A.Ueda	NET

MUSIC 8A Music History 1 **3 units**
Transferable to CSU/UC
A chronological survey of Western Art Music with special emphasis on style development, genres, composers, and important works. Covers the period from antiquity to the early Baroque. Intended for the music major. The ability to read music notation is essential. Extensive listening to recorded examples is required. (L)

<u>Yuba College</u>				
4231	MW	10:00AM-11:15AM	A.Ueda	M-201

MUSIC 12 Jazz Appreciation **3 units**
Transferable to CSU/UC
General survey of jazz from its original and early development to present day; extensive listening to recorded and live performance supports the lecture material. Not open to students with credit in HUMAN 12.

<u>Yuba College</u>				
5246	MW	1:00PM-2:15PM	A.Miller	M-201

MUSIC 17 Music As Culture **3 units**
Transferable to CSU/UC
A search for a better understanding of what gives music meaning. Explorations into multiple genres, including classical, rock, rap, folk, Latino and World Music with an emphasis on the nature of sound, meaning, diversity, performance and value judgements.

<u>Yuba College</u>				
4226	TTH	8:30AM-9:45AM	R.Mathews	M-201

CODE	DAYS	TIMES	INSTRUCTOR	ROOM
------	------	-------	------------	------

Music

MUSIC 18 Rock Music History and Culture **3 units**
Transferable to CSU/UC
A survey of Rock music history with emphasis on its importance to culture and popular music. Covers the roots of rock, emergence and early styles. The Beatles/British Invasion, San Francisco, Folk Rock, Soul and Motown, Jazz Rock, Art Rock, Mainstream, Heavy Metal, Dance, Rap and Hip-Hop culture, Alternative and Progressive Rock. (L)

<u>Sutter County</u>				
7015	T	1:00PM-3:50PM	W.Rossel	SF-201

MUSIC 28R Community Jazz Ensemble **1 unit**
Transferable to CSU/UC
Study and performance of jazz music literature. Grades are P/NP. (Repeatable: May be taken four times only.)

<u>Yuba College</u>				
7017	M	7:00PM-7:35PM & 7:35PM-8:50PM	J.Molina	M-200

MUSIC 30AR Applied Skills: Woodwinds **1 unit**
Transferable to CSU/UC
This course consists of individualized study of the appropriate techniques and repertoire for a woodwind instrument. The emphasis is on the progressive improvement of technical facility, musicianship, expressive interpretation, and other skills necessary for solo performance. For music majors with a concentration in either flute, oboe, clarinet, saxophone or bassoon. Audition is required. Other Conditions of Enrollment: Audition Required (Students may enroll in the course, but may be dropped based on the audition result(Repeatable: May be taken four times times only.)

<u>Yuba College</u>				
5486	TTH	4:00PM-4:10PM & 4:10PM-4:50PM	J.Aldridge	M-208

MUSIC 30BR Applied Skills: Brass **1 unit**
Transferable to CSU/UC
Improvement of technical facility, musicianship, and performing aspects of a brass instrument. For music majors with a concentration in either trumpet, French horn, trombone, euphonium, or tuba. Corequisite: MUSIC 1C or 1D or 2C or 2D or consent of instructor. Other: Previous performance experience is helpful. (Repeatable: May be taken four times only.)

<u>Yuba College</u>				
3710	MW	12:00PM-12:10PM & 12:10PM-12:50PM	A.Miller	M-205

MUSIC 30CR Applied Skills: Composition **1 unit**
Transferable to CSU/UC
Application of theory and harmony skills to original music composition. Composing art music for piano, voice and other instruments. Prerequisite: MUSIC 2A or Consent of Instructor. (Repeatable: May be taken four times only.)

<u>Yuba College</u>				
2981	TTH	3:00PM-3:10PM & 3:10PM-3:50PM	M.Grasso	M-201

Nursing

NURS 1 Fundamentals of Medical Surgical **9 units**
Transferable to CSU
Fundamentals of Medical Surgical Nursing introduces the foundational concepts, knowledge and skills essential to the practice of professional nursing. This course provides an introduction for the first semester nursing student to concepts and practices as they relate to the non-critical young adult through geriatric adult in the medical surgical (and/or skilled care) environment. Through utilization of the nursing process, the student will begin to recognize alterations in physiological functioning and formulate age and acuity appropriate nursing interventions. Selected psychomotor skills associated with meeting the basic needs, medication administration, physical assessment, and sterile techniques will be studied and practiced. Prerequisite: NURS 36 and NURS 26. Other Conditions: Forma Admission to the Yuba College Nursing Program. (L,M)

Theatre Arts

THART 10 Introduction to Theatre **3 units**

Transferable to CSU/UC

This course introduces students to theatre arts, including the production process, play writing, acting, directing, producing, design, criticism and the relations between theatre and society. Students survey different periods, styles, genres, and theatre practice through play reading, discussion, films, and viewing and critiquing live theatre performance to develop an understanding of theatre as a collaborative art form. Further, the course explores the relationship of theatre to various cultures, to TV and film, and to other arts and humanities. (L)

Yuba College				
4240	TTH	1:00PM-2:15PM	T.Gilbreath	M-400

THART 11A Introduction to Acting I **3 units**

Transferable to CSU/UC

This course prepares students to apply basic acting theory to performance and develops the skills of interpretation of drama through acting. Special attention is paid to skills for performance, such as memorization, stage movement, vocal production, diction, improvisational technique, characterization, scene study, and interpretation of text. Several monologues and scenes will be developed and presented in class.

Yuba College				
4241	T	2:30PM-4:45PM &	T.Gilbreath	M-400
	TH	2:30PM-3:45PM		

THART 11B Introduction to Acting II **3 units**

Transferable to CSU/UC

This course continues Introduction to Acting I (Thart 11A), further developing the students' understanding of theories and techniques used in the interpretation of drama through acting. The emphasis will be placed on deepening the understanding of the acting process through character analysis, monologues, scenes, pantomime, stage movement, imagination, improvisation, and verse study. Increased emphasis is also placed on acting in more complex scenes and plays. Students will engage in in-depth scenic analysis of classical plays. Prerequisite: Completion with a C or better in: THART 11A.

Veterinary Technology

VETT 55 Veterinary Medical Terminology 3 units

This course guides learners through the process of reading, writing, and comprehending medical terminology used in the veterinary medical field including analysis and origin of word roots, prefixes and suffixes. Additionally word construction, definitions, and use of words related to the body systems are covered. Topics include the pronunciation, spelling and definition of word parts and vocabulary terms unique to the anatomy, clinical pathology, and treatment of animals. Lectures demonstrate the importance of proper vocabulary usage in patient records. (L,C)

<u>On-Line</u>				
9285	TBA	TBA	M.Kratochvil	NET

VETT 91 Veterinary Assisting 3 units

Concepts of veterinary medicine needed to function effectively as a veterinary assistant, veterinary receptionist, kennel staff or animal shelter worker. This course does not lead to the AS Degree in Veterinary Technology but can be used as a step towards entry into that program.

<u>On-Line</u>				
9731	TBA	TBA	B.Loghry	NET

Welding

WELD 10 Intro Shielded Metal Arc Welding (SMAW) 4 units

Transferable to CSU
This course advances beginning arc welding skills with an emphasis on Shielded Metal Arc Welding (SMAW). Power sources, electrode identification, weldability of metals, joint design, air arc, oxyacetylene cutting, and introduction to other welding processes are covered. Activities include learning to weld stringer and weave beads, and producing butt and fillet welds in the flat and horizontal positions. Welds will be performed to the AWS welding standards.

08/14/19 to 12/13/19
This class will be offered on the Lindhurst High School Campus. Classes will not meet on Lindhurst High School holidays. Prior to the first day of class, students who are not enrolled at Lindhurst High School must visit the high school administrative office to have fingerprinting and a background check completed. Please allow enough processing time for this to be completed before classes begin.

Welding

WELD 12 Inter Shielded Metal Arc Welding (SMAW) 4 units

Transferable to CSU
This course covers intermediate arc welding skills with emphasis on vertical and overhead welding with the Shielded Metal Arc Welding (SMAW) process. Course activities prepare the student for weld certification, pipe welding and advanced arc welding classes. Weld symbols, joint preparation, weld codes, AWS standards and weld alloys are covered. Prerequisite: Completion of WELD 10 with a C or better.

ESL 539ECE ENGL Skills- Parents-Child Care Provid

This high-beginning course develops oral and written communication skills in standard English within the context of child care, child rearing, and parenting. Students develop and practice the listening, speaking, reading, and writing skills useful for communicating with and about children at different stages of development on topics including day-to-day care, health, and safety. This course is intended for non-native speakers of English who are parents, grandparents, child care providers, preschool teachers, and students of Child Development. This course is recommended for non-native speakers at high-beginning level. It is recommended that students enroll in or have successfully completed ESL 235/535. Conditions of Enrollment: Or by placement exam.

<u>Yuba College</u>				
5408	MW	6:00PM-8:15PM	K.Leaf	M-1006

ESL 539MAT The Language of Arith for ESL Students

This course is intended to develop the abilities of speakers of other languages and cultures to (1) read and comprehend, (2) write, in words, numbers, and notations, and (3) verbally express the language of arithmetic necessary for appropriate computations using whole numbers within standards of the American educational system, including, but not necessarily limited to addition, subtraction, multiplication, and division. Prerequisite: Completion with a C or better in: ESL 223 or ESL 225; ESL 523 or ESL 525. Other: (Placement Exam Score)or ESL level 3 (high-beginning) and above. Students should demonstrate via the placement exam or completion of ESL 223/523 and/or 225/525 that they have achieved a high-beginning competency of English to better their chance of success in this course. Not open to students who have successfully completed ESL 259MAT/559MAT.. Or by placement exam

<u>Yuba College</u>				
5433	TTH	1:00PM-2:15PM	T.Jow	M-1007

ESL 540A Low-Advanced Grammar

Low-advanced grammar for ESL students. This course introduces students to a theme-based grammar and teaches them to read, write and speak English with grammatical accuracy and fluency in real-life contexts. Includes a functional study of the 12 tenses. Concurrent enrollment in ESL 116A/B, ESL 516A/B, or ENGL 51/56/1A is highly recommended. Prerequisite: Satisfactory completion of: ESL 263 or ESL 563 Or by placement.

<u>Yuba College</u>				
7004	TTH	1:00PM-2:15PM	W.Cook	M-1021

ESL 545 Integrated Skills, Level 4

Language development for low-intermediate limited English speakers. Concentration on all language skills: listening, speaking, reading, writing, and grammar. This is the fourth course in a series of six leading to a certificate of completion in English at the low-intermediate level. Prerequisite: Completion of ESL 235 or ESL 535 with a grade of "C" or better or by placement exam.

<u>Yuba College</u>				
5424	MW	8:00AM-10:15AM	E.Roome	M-1015

Non-Credit Classes

ESL 549COM Computer Skills for ESL Students

Provides students with the basic computer and word processing skills necessary to format, type, retrieve, and revise simple documents. Students learn to use varied software and perform basic research related to their academic needs and future employment using the internet. Additionally, students will work on English skills, such as reading and following directions (both reading and listening), and development of vocabulary related to computers. Intended for non-native English speakers with at least low-intermediate English proficiency. Concurrent enrollment in Level 4 ESL courses (e.g. 245, 243) is strongly recommended.

<u>Yuba College</u>				
5921	MW	1:00PM-2:15PM	W.Cook	M-1021

ESL 553 Intermediate Grammar

Intermediate grammar for ESL students. This course introduces students to writing paragraphs containing compound and complex sentences in present, past, and future tenses. Concurrent enrollment in ESL 255/555 or 258/558 is highly recommended. Prerequisite: Satisfactory completion of: ESL 243 or ESL 543 Or by placement.

<u>Yuba College</u>				
7002	TTH	10:30AM-11:45AM	W.Cook	M-1016

ESL 555 Integrated ESL Skills, Level 5

Language development for intermediate limited English speakers. Concentration on all language skills - reading, writing, speaking, listening, and grammar. This non-credit course is the fifth in a series of six non-credit integrated skill courses (515, 525, 535, 545, 555, and 565) leading to a certificate of completion in English at the high-intermediate level. Prerequisite: Completion of ESL 245 or ESL 545 with a grade of "C" or better or by placement exam.

<u>Sutter County</u>				
5915	TTH	6:00PM-8:15PM	K.Mello	SF-114

ESL 558 Intermediate Writing

Writing for intermediate ESL. Develops ability to write more detailed paragraphs using simple and compound sentences in varied verb tenses with proper grammar and mechanics. Concurrent enrollment in ESL 253/553 and 255/555 highly recommended. Prerequisite: Completion with a C or better in: ESL 245 or ESL 545. Or by placement exam.

<u>Yuba College</u>				
5431	TTH	8:00AM-9:50AM	L.Talley	M-1021

Anthropology

ANTHR 1 Introduction to Physical Anthropology 3 units

Transferable to CSU/UC

This course examines human biological variation within an evolutionary context. It includes an introduction to the history and principles of evolutionary theory; basic human genetics and molecular biology; the anatomy, behavior, and ecology of our closest living relatives, non-human primates; the evolution of the human lineage through the hominid fossil record; variation among modern human groups, past and present; and a brief introduction to forensic anthropology. Throughout the course, attention is paid to the complex interaction between biology, behavior, and culture.

Early Childhood Education

ECE 17 The Exceptional Child **3 units**
Transferable to CSU
Focus on identification of children with special needs, resource and referral, full inclusion, activities and teaching strategies within the preschool setting. Typical and exceptional development, family partnerships, the IEP (individual education plan), and IFSP (individual family service plan) and approaches to environment, behavior, and planning are topics for individual and group study. (L)

<u>On-Line</u>				
7933	TBA	TBA	E.Robinson	NET

ECE 31 Child, Family, Community **3 units**
Transferable to CSU/UC
An examination of the developing child in a societal context focusing on the interrelationship of family, school and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. Not open for credit to student with credit in FCS 31. (L)

French

FRNCH 1 Elementary French, Part 1 **4 units**
Transferable to CSU/UC
Introduction to the language and culture of the French-speaking world. It includes the development of listening, speaking, reading, and writing French with an emphasis on the communicative skills, as well as the fundamentals of French grammar. This course is equivalent to one year of high school French. (L)

<u>Sutter County</u>				
7006	MW	6:00PM-7:50PM	B.Jukes	SF-103

Geography

GEOG 1 Physical Geography **3 units**
Transferable to CSU/UC
A spatial study of Earth's dynamic physical systems and processes. Topics include maps, earth-sun relations, weather, climate, water, landforms, soils, and the biosphere. Emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. (L)

<u>Sutter County</u>				
5334	TTH	10:00AM-11:15AM	C.Bowen	SF-106

GEOG 5 World Regional Geography **3 units**
Transferable to CSU
Survey of the world's culture regions and nations as interpreted by geographers, including physical, cultural, and economic features. Emphasis on spatial and historical influences on population growth, transportation networks, and natural environments. Identification and importance of the significant features of regions.

<u>Sutter County</u>				
7091	TTH	8:30AM-9:45AM	C.Bowen	SF-106

Health Education

HLTH 1 Health and Life Style Choices **3 units**
Transferable to CSU/UC-Unit limit
This course focuses on health and wellness concepts important in making informed choices about one's physical, mental, and emotional well-being. A personal approach to health and wellness will be explored through self-assessment and practical application to every day life. Topics such as fitness, obesity, weight management, nutrition, stress, substance use and abuse, prevention of diseases, sexual health, relationships, mental health, cardiovascular disease, cancer, and healthy aging will be discussed.

MATH 10 Liberal Arts Mathematics **3 units**
Transferable to CSU/UC
Designed for students majoring in areas other than science, mathematics, or business to give appreciation and insight into structure and applications of mathematics. Some typical topics, to be chosen by the instructor may include probability and statistics, sequences and series, population growth, graph theory, geometry and topology, number theory, history of mathematics, finance mathematics, voting methods and apportionment. Prerequisite: MATH 52. (L,M)

<u>Sutter County</u>				
1463	TTH	1:00PM-2:15PM	MS-Staff	SF-106

MATH 15 Concepts and Structures of Mathematics **3 units**
Transferable to CSU/UC-Unit limit
This course focuses on the development of quantitative reasoning skills through in-depth, integrated explorations of topics in mathematics, including real number systems and subsystems. Emphasis is on comprehension and analysis of mathematical concepts and applications of logical reasoning. Prerequisite: MATH 52 or MATH 52A and MATH 52B. (L)

<u>Sutter County</u>				
5324	TTH	6:00PM-7:15PM	MS-Staff	SF-111

MATH 20 College Algebra **4 units**
Transferable to CSU/UC-Unit limit
College level course in algebra for majors in science, technology, engineering and mathematics. Topics include polynomial, rational, radical, exponential, absolute value and logarithmic functions, systems of equations, theory of polynomial equations and analytic geometry. Prerequisite: MATH 52 or a satisfactory score on the mathematics placement test. (L,M)

<u>Sutter County</u>				
8617	MW	6:00PM-7:50PM	T.Chetra	SF-211

MATH 21 Plane Trigonometry **3 units**
Transferable to CSU
The study of trigonometric functions, their inverses and their graphs, identities and proofs related to trigonometric expressions, trigonometric equations, solving right triangles, solving triangles using the Law of Cosines and the Law of Sines, polar coordinates, and introduction to vectors. Prerequisite: MATH 52 or MATH 52B. (L,M)

Beale AFB Outreach Services Schedule of Classes

Fall 2019

17849 16th Street, Beale AFB, CA 95903

Telephone: (530) 788-0973

Class Definitions

Day Courses (8 a.m. to 4:30 p.m.)

Evening Courses: 4:30 p.m. to 10 p.m.

Weekends: Saturdays & Sundays

(v) Variable Unit

(R) Repeatable

(L,M) College level language or math skills advised

Beale AFB Outreach Services:
(530) 788-0973

Office Hours:
Monday-Thursday: 8:30 a.m. - 5:30 p.m.
Friday: 9:00 a.m. - 2:00 p.m.

Computerized Placement Exams:
Placement Examinations are available by appointment at Beale. Please call to schedule an appointment.

Counseling Services:
A Yuba College counselor is available at Beale AFB. Please call to schedule a counseling appointment.

Textbook Sales:
Books may be purchased at the Yuba College Bookstore.

Notice to Students Enrolling in Beale Air Force Base Classes:

Civilian student access to Beale AFB: Civilian students who fulfill the security clearance requirement will be allowed access to Beale Air Force. Beale Air Force Base Security Forces require that Yuba College provide specific student data for all civilian students enrolled in Beale classes. Security Forces will use this information (including driver's license number) to insure that students entering Beale Air Force Base are free of any outstanding wants and warrants. Students without a valid Drivers License must present a valid California Identification Card (issued by the DMV). In order to collect and report the required data, each student enrolling in Beale Center classes must complete a "Yuba College - Beale Air Force Security Information Release and Agreement" form. Students using telephone or web registration may access the form by clicking on the Beale AFB link at the Yuba College website. Completion of this form is required and is the student's responsibility. Without exception, students who fail to comply with this requirement will not be admitted to Beale Air Force Base.

Beale AFB Outreach Services:

Welcomes the opportunity to serve the active duty members and their families. The Beale AFB Outreach Services of Yuba College provides counseling, assessment, financial aid information and registration

Active duty military at Beale AFB: You may register on-line or go to the Beale AFB Outreach Services to register.

YCCD eLearning

The YCCD eLearning courses are specifically designed to meet the educational lifestyle of Yuba Community College District’s students. Students may take a course while at home, work, at a high school, or on another one of YCCD’s campuses. Some faculty may require you to come to a YCCD campus for an orientation, review, and examination.

Learning Management System: Canvas is the Learning Operating System we use for our Online courses. Log into Canvas using the same ID & Password you use for Webadvisor/MyCampusPortal. Log into Canvas from the college home page by selecting the Canvas link in the upper right hand corner.

Successful students must: 1) Have reliable access to a computer and the internet; 2) Commit to 10 hours per week, per course; 3) Use good time management; 4) Check your course early and often.

New to Online Learning? Complete one or more of these one unit courses prior to taking an online course to sharpen the skills needed for online research and online learning.

EDUC/MCOMM 40: Intro to Online Learning, **LIBSC 1:** Basic Research, **BCA 42A:** Internet Literacy/Safety

How to order books: Textbooks can be purchased via the campus bookstore online, by phone or in person. For contact information and hours go to www.yuba-ccd.bkstr.com

Exam proctoring is available for Online courses. Contact your local YCCD library for more information.

Problems logging into Canvas contact: helpdesk@yccd.edu
Problems once you’re logged into Canvas: select the help tab in the upper right corner and submit a ticket.

For additional info call: 530-741-6981.

MyCampus Portal course materials
If your instructor uses MyCampus Portal to post class materials, you will need to log into the MyCampus Portal to locate your Course Site. <http://yc.yccd.edu/campus/mycampus.aspx>

Concepts of veterinary medicine needed to function effectively as a veterinary assistant, veterinary receptionist, kennel staff or animal shelter worker. This course does not lead to the AS Degree in Veterinary Technology but can be used as a step towards entry into that program.

<u>On-Line</u>				
9731	TBA	TBA	B.Loghry	NET

Matriculation

Matriculation is a process designed to help students achieve their educational goals. All first-time college students, transfer, and returning students (who have not attended a Yuba College class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. Yuba College is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College via the online application: yc.yccd.edu
- Assessment of English, mathematics, and reading skill levels
- Orientation, which provides information about programs and services, academic expectations, and procedures
- Counseling services to assist in defining goals and developing a plan to achieve those goals
- Enrollment in classes via WebAdvisor
- Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as either Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. (NOTE: These exemptions do not provide clearance for Priority Registration or enrollment into specified English, mathematics, or reading courses.)

- * Have completed an Associate or higher degree; provide verification of degree;
- * Concurrently enrolled in high school; need permission form signed by parents and high school official
- * Enrolled in only classes for which they have approved previous training (e.g., firefighters taking a fire science class);
- * Enrolled in fewer than 6 units;
- * Do not plan to earn a degree or certificate;
- * Completed at least 24 units at another college within the past three years and were in good standing-verification required;
- * Enrolled in only performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
- * Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Students seeking an exemption from the matriculation process must submit an Exemption Form. Forms are available at all Admissions and Records sites and in the Yuba College Counseling Department.

Matriculation – Students’ Rights, Challenges, and Complaints process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Office of the Dean of Student Services, which is responsible for investigation and resolution. Students who meet the criteria and receive an exemption from a Yuba College counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

- For the purpose of registration status classification, such a student will be classified as non-matriculated.
- For the purpose of academic classification, the student’s statement on the registration form will be accepted without verification. Students classified as non-matriculated will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan. Continuing students should schedule a counseling appointment for assistance with registration, advising, and completion of an educational plan. All other applicants (first-time college students and transfer students) should file an online Application for Admission, complete the online orientation, the Placement Examination, and have high school and/or college transcripts sent to the Admissions and Records Office at the Yuba College Marysville campus.

Academic and General Information:

Address Changes

It is the student’s responsibility to notify the college of an address change.

Adds and Drops

Students wishing to change their course enrollment may add or drop classes using WebAdvisor registration, or by submitting the appropriate forms to the Admissions and Records Office. Full-term courses may be added during the late Registration period (see “Schedule of Classes”), later only in special cases and with instructor approval.

Articulation System Stimulating Inter-Institutional Student Transfer (ASSIST)

ASSIST is a single computerized database located at ASSIST.org that provides access to articulation agreements developed between California Community College, the California State Universities (CSU) and the University of California (UC). As articulation agreements are updated, so is the information maintained in ASSIST. See a counselor for assistance on how to use Assist.

- CSU Transferable Courses;
- CSU GE-Breadth Certification Courses;
- CSU U.S. History, Constitution, American Ideals Courses
- IGETC for UC and CSU
- UC Transferable Courses;
- UC Transfer Admission Eligibility Courses
- By Major

Attendance

A student is expected to attend all sessions of each class in which enrolled. Attendance is the student’s responsibility. Any student who ceases to attend a class without officially dropping it through WebAdvisor or at the Admissions and Records Office may receive a failing grade.

Audit Classes

There are restrictions on auditing a class. Please check with the Admissions and Records Office or the Yuba College Catalog for more information.

C.S.U. General Education - Breadth Requirements

The CSU General Education-Breadth program allows California community college transfer students to fulfill lower division general education-breadth requirements for any CSU campus prior to transfer. Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses.

Computer/Network Use Policy

The Yuba Community College District Board of Trustees, in granting access to College computers and networks, expects that students, in their use of these systems, will adhere to legal and ethical standards consistent with the College’s mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of college computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of students.

Pass/No Pass Option

A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at “C” or higher level. “D” or “F” work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy

Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

Grade	Grade Points	Definition
A	4	Excellent
B	3	Good
C	2	Satisfactory
D	1	Less than satisfactory
F	0	Failing

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

Grade	Definition
P	Pass (“C” or better)
NP	No Pass (“D” or “F”)
W	Withdrawal
I	Incomplete
IP	In Progress
RD	Report Delayed

Drug-Free School Policy

The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated. **Yuba College has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.**

It is the stated policy of the District to implement a comprehensive substance abuse strategy that will work more effectively in combating use and potential use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Graduation

Students who plan to graduate must file a PETITION for graduation. Yuba College has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or Summer (July 1) terms. Students must apply to graduate prior to the deadline in order to be considered. It is the student’s responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admission and Records Office technicians.

Intersegmental General Education Transfer Curriculum (IGETC)

IGETC is a general education program that California community college transfer students may use to fulfill lower division general education requirements for any California State University (CSU) or University of California (UC) and many California private colleges and universities.

It is important to now, IGETC is not an admission requirement, nor does completion of the IGETC guarantee admission to the college, university, or program of choice.

Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

Other Information

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

Parking Regulations

Students who drive vehicles on campus will pay a Parking Fee and be issued a decal. The cost is \$40 per semester; \$20 for summer session. As an option, students may purchase a \$2 daily parking pass in lieu of a semester decal. The Parking Fee covers day and evening campus attendance. Parking decals are required and must be affixed to the inside right corner of the windshield.

Decals are not transferable. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department.

Prerequisites/Corequisites

Prerequisites are required only for courses where specific academic background is necessary in order to assure students a reasonable chance of success in the course. Prerequisites which are listed as “required” include:

- Courses for which specific prerequisites have been validated,
- Sequential course work in a degree or program, or
- Courses in which a prerequisite is necessary for transfer to a four-year college. Responsibility for having met the prerequisite rests with the student.

It is the student’s responsibility to be aware of and comply with the prerequisite regulations. Prerequisites are shown for each course in the Catalog and Schedule of Classes. It is the student’s responsibility to check the course descriptions and not register in any class for which the prerequisite has not been completed.

Students may show they have met the prerequisite/corequisite requirements through one or more of the following:

- Successful completion of the prerequisite course with a “C” or better grade.
- Appropriate placement score on the Yuba College *Placement Examination*.
- Official grade report or transcript from another college/school showing successful completion of the prerequisite with a “C” or better grade (requires a prerequisite verification form approval).
- Approved *Prerequisite Challenge Form* (Challenge Forms are available from the Counseling Office at Yuba College; Sutter County Center and Beale AFB Outreach Services, the forms are available from the campus administrator.)

Students may be dropped from a class for not having completed the prerequisite. Such action may also result in a student losing Financial Aid, Veteran’s Benefits, etc., since the drop may result in the student’s units falling below full-time/part-time status.

“Corequisites” for a course are those courses in which a student may enroll prior to enrolling in the target course or simultaneously with the target course. Corequisites provide the necessary skill or supplementary body of knowledge or laboratory time during the course to help assure success in the course.

Release of Student Information

In order to help protect your privacy, a picture I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. If you do not wish this information released, you must file a request at the Admissions and Records Office within seven calendar days of registration. (See catalog for further details.)

Repeatable Courses

Course Repetition
State legislation has changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal (“W”) to be calculated in as a repeat. If a student receives a “W” or substandard grade, the student is only able to attempt the course for a “W” or passing grade a total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student’s academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student’s academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

Selective Service Registration

Almost all male U.S. citizens and male aliens living in the U.S., who are 18 through 25, are required to register for the military draft. However, men who currently register are not automatically inducted into military service. Presently, the United States operates its military through volunteer enlistment. The last time men were inducted into the military was during the Vietnam War. Registration for a possible future draft is required to ensure America’s preparedness in the event of a military crisis. In the event of a crisis that necessitates a draft to be invoked, men would be called in sequence determined by random lottery number and year of birth. They would then be examined for mental, physical and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces. You may register as soon as you reach the age of 17 years and 3 months but must register within 30 days of turning 18.

If you do not register, you could be prosecuted and fined up to \$250,000 and/or be put in jail for up to five years. Registration is also required to qualify for Federal student financial aid, job training benefits, and most Federal employment. The Selective Service Registration Form may be obtained from the Yuba College Registration Office or from your local post office.

Students who have questions about Selective Service registration may contact the Selective Service at (847) 688-6888 or on the Web.

Short-term Courses

Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading option. Contact the Admissions and Records Office for deadline dates.

Smoking Policy

In the interest of public health, Yuba Community College District became a tobacco/nicotine free campus effective January 2017. This policy applies to all employees, students, vendors, volunteers and visitors.

- Use of any form of tobacco/nicotine is prohibited at all times in the following areas:
- On all owned, rented, and leased Yuba Community College District properties, grounds and buildings within the Yuba Community College District.
 - In all Yuba College and Yuba Community College District owned, rented and leased vehicles and mobile equipment.

This prohibition includes but is not limited to cigarettes, cigars, bidis, pipes, hookah, electronic cigarettes and smokeless tobacco/nicotine products.

Student Learning Outcomes

Student Learning Outcomes (SLO’s) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO’s differ from traditional measures of student success—letter grades—in that they measure specific skills within a course and program that prepares students for roles outside of Yuba College transfer, workforce and citizenship—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

Student Probation

There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how these types of probation may affect a student’s educational goals. Students who are receiving financial aid or veterans’ benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

Academic Probation:

A student who has attempted at least 12 semester units of YCCD classes as shown by the student’s transcript shall be placed on *Academic Probation* when the student has earned a cumulative grade point average of less than 2.0 in grades earned.

Progress Probation:

A student who has enrolled, beginning fall 1981, in a total of at least 12 semester units of YCCD classes as shown on the student’s transcript shall be placed on *Progress Probation* when the percentage of all units in which a student has enrolled and for which entries of “W,” “I,” “NC” and “NP” are recorded reaches or exceeds fifty percent (50%).

Removal from Probation:

A student is removed from *Academic Probation* when the cumulative GPA (earned in YCCD classes only) reaches 2.0 or higher. A student is removed from Progress Probation when the units of “W,” “I,” “NC” and “NP” grades drop below 50% of the accumulated units of completion as shown on the student’s transcript.

Dismissal:

A student who is on Academic Probation shall be subject to dismissal if the student earned a cumulative GPA of less than 2.0 in all units attempted in each of 3 consecutive semesters even though a lapse of college attendance may occur between the semesters. A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of “W,” “I,” and “NP” are recorded in at least 3 consecutive semesters reaches or exceeds fifty percent (50%). Dismissal may be postponed by the Yuba College Academic Standards Committee when evidence of academic improvement or extenuating circumstances exist. Students who feel they have extenuating circumstances with regard to these regulations should see a counselor and file a petition with the Academic Standards Committee who may conditionally reinstate a student when the circumstances are justifiable. Justifiable circumstances include accidents, illnesses, changes in working conditions, and other reasons beyond the student’s control.

Readmission:

A dismissed student may petition for readmission (on probation) after consultation with a counselor. Generally, the student must wait a semester before petitioning for readmission. The counselor will help the student select appropriate classes, limit the number of units of enrollment and set up a visitation schedule to check the student’s progress during the semester of attendance.

NOTE: Students receiving financial aid must refer to the current Financial Aid Handbook concerning Probation Status. Students receiving veteran’s benefits should contact the Veterans’ Services Office concerning consequences of probation. All students receiving aid/benefits should consult a counselor concerning consequences of probation. Students on probation may be prohibited from receiving aid/benefits.

Financial Aid Probation:

Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. *Financial Aid Probation is NOT the same as Academic or Progress Probation.*

Student Responsibility

It is each student’s responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts

A student may apply for an official transcript of college courses at the Admissions and Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are \$5 each. Transcripts requested “over the counter” or a “48-hour rush mail” will require a \$10 “rush” fee. Transcript fees must be paid at the time of request.

Official transcripts may be requested in person, by mail, by fax, or online. For information about transcripts, contact the Admissions and Records Office at (530) 741-6720, email ycadmissions@yccd.edu, or visit the Admissions and Records Office webpage on the Yuba College website.

Transcripts will not be released for students who have holds placed on records for outstanding obligations to the College.

Students may print out their own free “unofficial” transcript copy online by logging on to the Yuba College website. Select WebAdvisor and follow instructions.

Maximum Unit Load

The average student load is sixteen (16) units per semester. In any case, nineteen (19) units is the maximum load which is allowed. Units in excess of nineteen (19) are allowed only for the most urgent reasons and on the basis of counselor approval.

Eight (8) units is the maximum in which a student may register during the summer session without counselor approval.

Wait List

Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be “added” and notified through an announcement in the college portal. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Admission and Records Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on the wait list.

Student Services

A.S.Y.C. - Student Government

The Associated Students of Yuba College (ASYC) is the title of the official organization which controls student affairs. The Student Council, the governing body of the ASYC, provides services and social activities for students and represents students’ views and interests to the administration and Board of Trustees through participation on college committees.

Bookstore

Yuba College Bookstore located in Building 300. The Bookstore is a one-stop shop, supporting community needs in and out of the classroom. When it comes to textbooks, the bookstore offers a variety of affordable options including used, rental and digital books as well as a price match promise to guarantee students get their materials at the lowest cost possible. The bookstore also makes shopping hassle-free with its Text A to Z program. Simply log in to Follett Discover and pull up a personalized course materials shopping list, alphabetized by author. Students can print and email the list or just use the kiosk in the bookstore. The bookstore also carries every day essentials like clothing, gifts, supplies, general reference and bargain books, as well as snack food and drinks. For more information on payment options, returns, shipping, store hours and more, visit www.yubashop.com or call (530) 741-6998.

Buy Backs: The bookstore buys back textbooks for cash every day, regardless of where the text was purchased! The textbook can be new, used, hardback, or paperback (excluding workbooks). Prices fluctuate according to demand.

California Work Opportunity and Responsibility to Kids (CalWORKs)

The Yuba College CalWORKs Program, located in Building 100B, offers services for eligible students in the following areas: Academic, Vocational and Personal Counseling, Job Placement (related to the student’s major), CalWORKs Work-Study, access to the CalWORKs Lending Library, Educational Supplies and Child Care. For more information or to schedule an in person or distance appointment, call the Yuba College CalWORKs Office at (530) 634-7773 or email calworks@yccd.edu.

Cooperative Agencies Resources for Education (CARE)

As a supplemental component of EOPS, CARE provides additional support services for eligible EOPS students who are single head of household, have at least one child under the age of 14, and receiving TANF benefits. Grants for educationally related expenses (such as child care, transportation, textbooks and supplies) may be awarded as a means of strengthening the retention, persistence, graduation and transfer rates of these individuals. For additional information visit the EOPS website: <http://yc.yccd.edu/student/EOPS/default.aspx> or call EOPS at Yuba College, (530) 741-6995.

Career Center

The Yuba College Career Center, located in Building 100B, provides a process to lead students through various assessments giving them the necessary tools to make career and life planning decisions. Services and tools available to students to achieve this goal include: career and vocational assessment and testing; occupational computer-assisted career information; and a library of occupational books and reference materials. For more information, contact the Yuba College Career Center.

Career Technical Education Transitions

The Yuba College Career Technical Education Transitions Program, located in Room 16 in Building 100A, coordinates the awarding of college credit to high school students who meet approved articulation requirements. An articulated course is one in which the high school instructor/Regional Occupational Program (ROP) and Yuba College faculty have formally agreed that the high school’s ROP’s course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Yuba College. Students receive credit on a Yuba College transcript once articulation requirements have been completed. The CTE (Career Technical Education) Transitions Program prepares students to earn a certificate, an associate’s degree or transfer to a university.

For more information about the CTE Transitions Program, contact the Yuba College CTE Transitions Office at (530) 741-6588, ctetransitions@yccd.edu, visit the Admissions and Records Office at any campus, or see a counselor. Also visit the CTE Transitions website at <http://www.yccd.edu/educational-services/cte/default.aspx>.

Child Development Center – Toddler and Preschool Services

The Child Development Center is located in Building 1600 at Yuba College. The program provides children with many opportunities to grow and learn. Our environment is designed to enhance a child’s age appropriate learning through natural science, creative & language art experiences, physical activities and number concepts. The Child Development program is state funded and follows California Department of Education guidelines, Foundations and Framework curriculum. Eligibility to enroll can be met by private pay or income eligibility and by meeting one of the following need criteria:

- Students with a need for childcare*
- Searching for work
- Working
- Incapacitated
- Searching for housing

Child Development Center hours of operation: Monday-Friday 7:30 a.m.-5:30 p.m. (530) 749-3808. Yuba College serves toddlers (18 months-36 months) and preschoolers (3-5 years) in a full day, part day or state preschool program (9 a.m.-12 p.m. or 2:30 p.m.-5:30 p.m. *There is no need requirement when attending only preschool hours.

College Success Center

The College Success Center (Room 1103) in the Library Learning Center (Building 1100) on the Yuba College campus delivers academic learning and support services across many disciplines to all currently enrolled Yuba College students at no cost and provides a positive, supportive learning environment that, if fully utilized, significantly enhances students' abilities to pass their classes.

Academic Learning and Support Services

- scheduled collaborative learning sessions
- facilitated collaborative learning groups
- drop-in mathematics assistance (all day)
- scheduled individualized tutoring
- test and examination reviews
- Supplemental Instruction® (Content Tutoring only)
- quiet study areas for groups and individuals
- access to wireless internet, computers and academic software
- test preparation materials
- assistance with research projects
- assistance with multimedia presentations

The two major components of the College Success Center are the Math Tutoring Program and the Content Tutoring Program.

Contact Information

General Information (Front Desk) (530) 741-6759
Ms. Quy Bui, Instructional Associate (530) 741-8752 qbui@yccd.edu
Mr. Tony Jow, Instructional Associate (530) 741-8751 tjow@yccd.edu
Dr. Travis R. Smith, Coordinator (530) 741-6787 trsmith@yccd.edu

Counseling Services

Community colleges are distinguished by the personal attention given to students and the quality of guidance and counseling services provided. Counseling is an essential part of Yuba College, designed to complement and facilitate instruction and to aid students in academic, career, and personal planning. Individual and group counseling is provided. Students are strongly encouraged to meet with a counselor twice each semester or more frequently as needed. Counselors are available at Yuba College, Sutter County Center and Beale AFB.

For more information or to schedule an in person or distance appointment, call Yuba College at (530) 634-7766, Sutter County Center at (530) 751-5600, Beale AFB Outreach Services at (530) 788-0973 or email yccounseling@yccd.edu.

Disabled Student Program & Services (DSPS)

DSPS, located in Building 1800, is designed to equalize educational opportunities for students with disabilities that impact their academic participation such as vision, hearing, psychological, mobility, and learning. Screening for learning disabilities is available to all currently registered Yuba College students experiencing difficulty in their classes or who have a history of special education needs. Support services for eligible students may include academic accommodations such as test proctoring, note taking, disability advising, priority registration, auxiliary aids, interpreter services, and mobility aids. Specialized classes are offered each semester at Yuba College including Adapted Physical Education, Academic Strategies, Assisted Computer Technology, and Reading/Writing Development.

For more information about eligibility or to apply for services or to schedule an in person or distance appointment, call DSPS at Yuba College at (530) 741-6795 (voice) or (866) 274-7530 (video phone) or email dspinfo@yccd.edu.

ESL Counseling/Admissions Services

For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Hmong students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

English as a Second Language (ESL) Program

The ESL Program is designed to provide assistance and support to non-native English speakers. The goal is to help ESL students develop their communication skills in English and prepare them to transition into other academic subjects, vocational programs and career fields. Interpreters (Spanish/Punjabi/Hmong); counseling; placement testing; and assistance with registration are available.

Extended Opportunity Programs and Services (EOPS)

Extended Opportunity Program and Services (EOPS), located in Building 100B, is a state funded program that provides "over and above" support services to economically and educationally disadvantaged students. EOPS promotes student success with priority registration, comprehensive educational planning, career and transfer planning, free tutoring, textbook assistance, limited financial assistance, and other additional services designed to support the student.

For additional information or to schedule an in person or stance appointment at Yuba College or the Sutter County Center, visit the EOPS website: <http://yc.yccd.edu/student/EOPS/default.aspx>, call EOPS at Yuba College, (530) 741-6995 or email yceops@yccd.edu.

Financial Aid

Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application (CADAA) on-line for faster processing. Applications should be completed as soon as possible.

FAFSA may be filed online at www.fafsa.ed.gov
CADAA may be filed online at www.caldreamact.org

If students need financial assistance they are encouraged to stop by the Financial Aid Office in Building 100B to talk with a Financial Aid Technician (picture I.D. required).

Health Information

Students are covered by an accident insurance policy up to a maximum of \$20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District's accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Library/Learning Resource Center

The Yuba College Library, located in Building 1100, offers a wide variety of information services and resources to support student learning across curriculum. With access to updated book and electronic book collections, periodical subscriptions, and online research databases, the library is a great place to start any research project. Students are welcome to study in a quiet environment, search on a topic, and get help in finding information. Appointments are available to meet one-on-one with a librarian. Students may learn how to use the library and it's resources by attending an orientation session or enrolling in LIBSCI - Library Research Skills which is offered online.

The new Learning Resources Center, located in the Library, features group study rooms, quiet study areas, and a computer lab.

Students can receive their first Library/Media card free. The cost for community users is \$1.00. The cost of a replacement card is \$5.00. The library phone number is (530) 741-6755 and the Cyber Lab phone number is (530) 741-6752.

MESA Program

MESA is an award-winning academic enrichment program that provides educationally disadvantaged students with the tools to earn bachelor's degrees in math-based fields. With tutoring and mentoring, extra study sessions, transfer counseling and study centers, MESA provides an environment that allows students to succeed in math and science and navigate the transfer system more easily

The program's mission is to provide math, engineering and science academic enrichment to educationally disadvantaged community college students so they excel academically and transfer to four-year institutions as math-based majors. Furthermore, the program establishes an environment in which students receive opportunities for peer support, information-sharing and learn first-hand about career options and scholarships, internships and special programs.

Services include:

- Academic Excellence Workshops
- Orientation Course
- Assistance in the Transfer Process
- Career Advising
- Student Study Center
- Tutoring

For more information, call (530) 749-3830 or 741-6986, or visit our MESA Center in Room 701.

Student Publication Notice/
Academic Accommodations

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website:www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extracurricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

Transfer Center

The Yuba College Transfer Center, located in Building 100B, hosts an annual fall transfer program called, “College Information Day”. This program brings representatives on campus from the University of California, California State University, independent California colleges and universities, in addition to out-of-state colleges. Both Yuba College and area high school students have an opportunity to visit informally with these representatives to obtain information concerning their programs, services, and application procedures.

The Transfer Center offers services and resources for students seeking information about baccalaureate level colleges and universities. For some students, the transfer process can be overwhelming. Yuba College counselors and Transfer Center staff are committed to help students with the phases of the transfer process and the many transfer options available. These services include:

- Computers with Internet links to web sites related to transfer
- Appointment opportunities with representatives from baccalaureate level colleges and universities.
- The annual College Information Day
- Workshops related to transfer

For more information, call (530) 634-7766 at Yuba College.

Veterans Service Office

The Yuba College’s Veterans Service Office (VSO) is approved for the training of veterans and veteran’s dependents relating to veteran’s education benefits which are administered under various laws of the United States and California. Services available at the Yuba College VSO include: veterans education benefit advising, step-by-step instructions to begin benefits, assistance with on-line applications for education benefit processing, certification of benefits for pay, counselor referral, financial aid information, fee waiver and deferral assistance, work study opportunities and other services to help students achieve their educational goals. Veteran’s services are offered at the main Yuba College campus, its centers and outreach facilities. For more information on veteran’s benefits, call (530) 741-6822.

Veterans Resource Center

Located in building 725, the Yuba College Veterans Resource Center (VRC) is committed to military affiliated students who have chosen to make the transition from their military environment to campus life. The VRC is dedicated to veteran success by instituting peer-to-peer support, mentoring, and social networking; the structure of camaraderie military service members were accustomed to. The VRC partners with campus and community resources such as; Counseling, Financial Aid, Learning Resource Center, Career and Transfer Services, Disabled Students Program and Services along with referrals to other community veterans’ organizations.

Workforce Innovation and Opportunity Act (WIOA)

The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have un-met needs after applying for the tuition fee waiver and financial aid. The program will help you find a job or train for a new career. Authorized WIOA activities provided at the local level benefit job seekers, dislocated workers, youth, incumbent workers, new entrants to the workforce, veterans, and employers. These activities promote an increase in the employment, job retention, earnings, and occupational skill attainment by participants. This improves the quality of the workforce, reduces welfare dependency, and enhances the productivity and competitiveness of the nation. Acquiring employment, retention, and self-sufficiency through training are priorities with WIOA. It is important that you choose a career with a labor market. If jobs are not available in your local area, you will need to consider relocating or commuting to another area.

The WIOA Office is located in Room 121, in Building 100B. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, tools, fees, testing, transportation assistance, and other school or job-related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOPS, unemployment, and scholarships, and still receive WIOA assistance. This is not an entitlement program, you must qualify and then it is based on funds available at the county level. For more information call (530) 741-6830.

Writing and Language Development Center

The Writing and Language Development Center (WLDC) is open to all currently enrolled Yuba College students during the fall and spring sessions and is located inside the Learning Resource Center in Room 1116. The following services are offered:

- Drop-in assistance for any writing assignment
 - Help with MLA, APA, Chicago style formatting
 - One-time or regular weekly appointments
 - Informal study space & private study rooms
 - Technology assistance & computer lab
 - Proofreading tips
 - ESL conversation groups
 - English final exam workshops
 - Kurzweil 3000 software for assisted reading and writing
 - Writing and grammar tip sheets
- For more information call (530) 740-1709.

Fall 2019 Final Exam Schedule

Thursday, December 12, through Wednesday, December 18

CLASSES WITH DEPARTMENTAL FINALS

ESL 215, 225, 235, 245, 255, and 265
Thursday, December 12 | 10:00 pm – 11:50 pm

Math 52, 59 and 101
Monday, December 16 | 2:00 pm - 3:50 pm

ALL OTHER CLASSES

For classes that are a combination lecture and lab, the final exam schedule is based on the time of the lecture. To use the tables below, locate the **start** time of the class and the day(s) it meets. If the start time of your class is not listed, please check with the instructor for the final exam time/date.

Classes that meet on M, W, MW, MWF, MTWTH, and Daily

CLASS MEETING TIME	EXAM DAY AND TIME
