

Student Support Services Programs

ABOUT THE PROGRAM

The PUENTE Project is a national award-winning program that has improved the college-going rate of tens of thousands of California's underrepresented students. Students enrolled in PUENTE Program receive the following services:

- Designated Counselor who provides academic, personal and career counseling to prepare students to transfer to a four-year college or university.
- PUENTE English and Counseling cohort for one academic year.
- Mentor support to build the social and cultural capital for future success as college students and career professionals.
- Conferences, leadership training, and university campus tours.
