2021-2022 Satisfactory Academic Progress Appeal Instructions

In order to comply with federal regulations, Yuba Community College District is required to monitor whether or not students are maintaining Satisfactory Academic Progress (SAP) in their course of study, regardless of whether they have ever applied for or received financial aid.

Based on the above regulation, it has been determined that you are ineligible to receive financial aid since you did not meet the requirements for SAP by the Department of Education. Students who are ineligible may continue to attend classes at their own expense or may apply for the California College Promise Grant formerly known as the BOG Fee Waiver. The CCPG will only waive enrollment fees. It does not provide assistance for books, supplies, or other costs. Students must meet academic and progress standards in order to avoid losing their CCPG eligibility.

Students who have not met all SAP requirements and had extenuating circumstances (i.e., illness, death of an immediate family member, medical/emotional disability) and have completed the SAP appeal quiz may submit this appeal to the Financial Aid Office.

Appeals not meeting the “extenuating circumstances” category will not be accepted. Furthermore, submission of an appeal does **NOT GUARANTEE** the reinstatement of students’ financial aid. Therefore, students should be prepared to pay for their books, and other school related expenses pending the outcome of their “**extenuating circumstances**” financial aid appeal.

IMPORTANT: To be considered, extenuating appeals must be submitted by the following deadlines:

Appeal Filing Deadlines			
Fall 2021	November 12, 2021	Spring 2022	April 29, 2022
Summer 2022	June 30, 2022		

If you qualify to file an appeal for reinstatement of your financial aid, please follow the instructions below:

1. **Complete a mandatory SAP appeal quiz.** The SAP appeal Quiz must be authenticated by having a Financial Aid Administrator review the quiz and verify your understanding of Yuba Colleges appeal process and policies.
2. **Complete the attached Financial Aid Appeal form.** Complete all questions in **ink** and in a legible and complete manner, or you may type in the fillable form. Describe the extenuating circumstance(s) that led to you not meeting the SAP requirements. Attach the required supporting documentation that supports your request. **An appeal may be denied without question if it is incomplete or lacks supporting documentation.**

Supporting Documentation:

- **Illness of student or immediate family member.** Attach medical documentation confirming the onset and duration of illness.
- **Severe emotional difficulties.** Attach documentation from a qualified counselor documenting the onset and duration of the problem(s).
- **Death in family.** Attach copy of death certificate or obituary.
- **Accident or injury to student or immediate family member.** Attach medical and/or other documentation verifying the date and duration of the occurrence.
- **Loss or change of employment.** Attach a letter from the employer verifying the circumstances and dates of loss or change in employment.
- **Disasters affecting the student’s attendance.** Attach documentation of insurance claims or other third-party information verifying the date of the disaster.

3. **Include a current educational plan.** If you do not have a Comprehensive Educational Plan (CEP), you may submit an “unofficial” educational plan with your extenuating circumstances financial aid appeal form. You must schedule an appointment with an academic counselor to complete a CEP. You must submit the CEP within 30 days from the date you submitted your extenuating circumstances financial aid appeal to the Financial Aid Office.
4. **Your financial aid appeal will not be reviewed or accepted if:**
 - You failed to complete the mandatory SAP appeal quiz
 - You do not fall under the “extenuating circumstances” category
 - You have not filed your FAFSA for the current academic year
 - You are not enrolled in classes
 - You do not submit a current educational plan
 - Your financial aid appeal form is incomplete
 - You do not submit the proper supporting documentation
5. **Submit the following documents to the Financial Aid Office at the college you are attending.**
 - The mandatory SAP appeal quiz with Financial Aid
 - Your completed financial aid appeal form
 - Your TYPED one-page statement about what has happened and what has changed
 - Your comprehensive educational plan
 - Supporting documentation of extenuating circumstances
6. **Please allow at least 30 days for your appeal to be reviewed by the Dean/Financial Aid Director or assigned designee.** You will be notified of the decision via your YCCD student email. Appeal approval is effective as of the semester the appeal is approved and **is not retroactive** to prior semesters.
7. **For additional assistance/clarification** contact your campus Financial Aid Office.

YCCD Satisfactory Academic Progress (SAP) Definitions

Federal regulations require that all students who receive financial aid maintain SAP and be enrolled in an approved certificate, associate degree, or transfer program. YCCD monitors that progress using Quantitative and Qualitative Progress criteria along with evaluating whether the student has exceeded the Maximum time limit to complete their program.

Failure to meet Quantitative and/or Qualitative Progress standards during the prior semester will place the student on financial aid warning or terminated status. Students’ placed on terminated status will not be eligible for any financial aid, except for the California Promise Grant if they meet the California Promise Grant eligibility criteria.

If your appeal is approved, you will be placed on “probation”. You must make satisfactory academic progress or follow the approved academic plan that will be reviewed each semester for compliance in order to remove your “probation” status.

- **Pace of Progression below 66.67% (Quantitative Progress):** A student did not complete the required number of attempted units based upon their enrollment status for their last attended semester and/or cumulative units.
- **GPA below 2.0 (Qualitative Progress):** A student who did not maintain a GPA of at least 2.0 for their last attended semester and/or cumulative attended semesters.
- **Exceed maximum units:** A student who did not complete their educational objectives within 150% of the published length of their chosen educational goal/program. For Certificate programs the maximum is 45 units, with students receiving a “warning” notice at 30 units. For AA/AS/Transfer programs, the maximum is 90 units, with students receiving a “warning” notice at 60 units.
- **30 Plus Remedial:** A student who has accumulated more than 30 remedial attempted units will receive a “warning” notice when the student accumulates 20 plus remedial units.
- **R2T4 (Return of Title IV Funds):** A student who withdraws, stops attending or receives all failing grades.
