**NOTE:** This pattern is designed to satisfy the 39 units of lower division General Education (GE) requirement to any CSU campus. ● A course with a grade of "P" or "CR" may be used if the grading policy of the community college where the course was taken states that the "P" or "CR" grade is equivalent to a "C" grade or better. ● Catalog rights do not apply to CSU GE-B. Courses must be on the CSU GE-B at the time the course was taken. ● Courses taken in person or online at other community colleges will be applied to CSU GE-B according to how they were approved at the college and semester where completed. ● Woodland Community College and Yuba College do not share CSU GE-B patterns. If taking a course in person or online at WCC, check to see what area it satisfies on WCC's pattern. ● Courses listed in more than one area may only be used once except for courses in US History, Constitution and American Ideals. ● Advanced Placement (AP) exams completed with a score of 3, 4, or 5 may be applied to the CSU GE-B. See "Advanced Placement Examinations" in the catalog for more information. ● Students majoring in Engineering may be waived/exempted from specific areas of CSU GE-B for some campuses. ● Students majoring in Liberal Studies may be required to complete specific course in each area of CSU GE-B. **Contact a Yuba College Counselor for CSU GE-B and major information at 530.634.7766.**

**CSU campuses may have additional graduation requirements outside of GE. See below CSU Chico and CSU Sacramento graduation requirements.**
