SCHEDULE OF CLASSES

SPRING 2022
WE BELIEVE IN YOUR FUTURE!

SPRING SEMESTER BEGINS JANUARY 24TH

APPLY NOW: yc.yccd.edu

For the latest schedule updates, visit yc.yccd.edu
Open Enrollment Policy

All courses, regardless of where offered, are open to members of the public who are otherwise eligible for admission with the following exceptions:

• Courses that are specifically exempted by statute, including "impacted" allied health programs (such as Radiologic Technology, Veterinary Technology, Associate Degree Nursing and Psychiatric Technician.)

• Courses closed by maximum enrollment of students by the "priority registration" policies;

• Courses with academic requisites that restrict enrollment of academically unqualified students; and

• Courses with content that would be a repeat of a course of equivalent or more advanced course work previously taken by the student (exceptions require counselor evaluation and approval).

Applicants may apply for admission online by going to the Yuba College website at: yc.yccd.edu

Nondiscrimination Statement

Yuba College does not discriminate on the basis of race, color, national origin, sex (gender), physical and mental disability, age, sexual orientation, religion, medical condition, ancestry, or marital status in any of its policies, procedures, or practices, nor does it tolerate sexual harassment, in compliance with the Americans with Disabilities Act of 1991, Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Education Amendments of 1972 (pertaining to sex), Section 504 of the Rehabilitation Act of 1973 (pertaining to handicap), and Age Discrimination Act of 1975 (pertaining to age). This nondiscrimination policy covers admission and access to, and treatment and employment in, the College’s programs and activities.
Calendar (with Deadline Dates)

**SPRING 2022**  
**Dates apply to full-semester classes; short-term class dates will vary.**

### JANUARY
- **17** Academic and administrative holiday – Martin Luther King Day observance (Monday)
- **18-21** Professional Development Days (optional flex activities) – NO CLASSES
- **24** INSTRUCTION BEGINS FOR SPRING SEMESTER
- **28** **Last day to add courses or register without special permission**

### FEBRUARY
- **4** **Last day to be eligible for refund of enrollment, parking, student health fee, and non-resident tuition**
- **4** Instructors are to drop No Shows for Census Roster Clearance
- **4** **Last day to drop class(es) to prevent “W” grade(s) on permanent record**
- **7** Census date for full-term classes (Tuesday)
- **18** Academic and administrative holiday – Lincoln’s Birthday observance (Friday)
- **21** Academic and administrative holiday – Lincoln’s Birthday observance (Friday)
- **25** **Last day to elect Pass/No Pass grading option**

### MARCH
- **2** CalGrant deadline-Free Application for Federal Student Aid (FAFSA)
- **28-1** Spring Recess: academic holidays (Monday-Friday)
- **30-1** Administrative holiday (Wednesday-Friday)

### APRIL
- **15** Deadline to apply for fall 2022 graduation
- **29** **Last day to drop class(es) with a “W” grade on permanent record**

### MAY
- **16-27** Limited extracurricular student activities
- **23-27** Final examination period
- **27** Commencement ceremonies
- **27** Conclusion of spring semester
- **30** Academic and administrative holiday-Memorial Day observance (Monday)

### JUNE
- **2** Grades from instructors are due for spring 2022 semester
- **15** Closing date for International Student Applications for fall 2022

**SUMMER 2022**  
*Dates apply to six-week classes; other classes will vary.*

### JUNE
- **13** Summer Session 2022 commences for regular six-week summer classes

### JULY
- **4** Academic and administrative holiday – Independence Day (Monday)
- **5** Deadline to apply for summer 2022 graduation
- **21** Regular six-week classes end
Priority Registration for Spring 2022

If you have not already done so, apply for an enrollment fee waiver before registering for classes.

Use Self Service or login through your Single Sign-On Portal Portal page to process your registration. Take advantage of your status to register @ login.yccd.edu

Avoid long lines and have the best selection of classes by registering online on your priority date.

Attend the First Day of Class
Information and expectations presented in the first-class meeting are critical to successfully participate in each class. If the class has a Wait List, students enrolled in that class who do not attend the First day may be dropped.

Do Not Assume That The Instructor Will Automatically Drop You
Students are responsible for dropping themselves to qualify for a fee refund and avoid F grades.
Registration for Continuing Students

*Definition:* If you were enrolled in a Yuba Community College District class in the Fall 2021 semester (August 2021-December 2021) you are a continuing student:

Students who were enrolled in high school during the Fall 2021 semester are *not* continuing students. See "Dual Enrollment High School Students" section (page 7) if still enrolled in high school or "First Time" section (page 6) if you have now graduated, for registration process.

Continuing Students Registration Process

1. Apply for enrollment fee waiver (at Financial Aid Office or yc.yccd.edu) before registering.
   
   Submit the FAFSA to see if you qualify for a fee waiver and additional grants at fafsa.ed.gov.

   Apply for CCPG at your local Financial Aid Office.

   If you were on a fee waiver for any part of the 2021-2022 year, you must re-apply.

2. Clear all outstanding debts and holds.

3. Use Self Service at yc.yccd.edu to register on your PRIORITY registration date. See chart for priority date.

   Adds and drops should be processed through Self Service.

It is your responsibility to verify that all transactions are processed by the established deadlines.

Registration for Returning Students

*Definition:* Enrolled at any Yuba Community College District site in the last THREE years (Spring 2019-2021), not counting Summer Session classes.

1. Apply online at yc.yccd.edu

2. See enrollment priorities guidelines
Important Reminders

Prior to your first semester:

- Submit your application
- Apply for a Fee Waiver and/or Financial Aid
- Provide official copies of all educational transcripts
- Locate your Classrooms, the Student Services Building, Library, Bookstore, Tutoring Centers, and DSPS
- Tour the campus

Every semester:

- Meet with your counselor
- Update your educational plan
- Meet with university representatives
- Research transfer universities at the Transfer Center
- Check on scholarships at the Financial Aid Office
- Request tutoring, if needed.

Registration for First Time Students

Definition: Students who enroll at the college for the first time, excluding students who transferred from another college of higher education.

1. Complete (Matriculation Process):
   a. An application
      Apply online at yc.yccd.edu
      Math/English Placement will be included in your application process.
   b. Online Orientation:
      From the website at yc.yccd.edu, click on Apply, Step 2.
      Complete the Orientation.
   c. Meet with a counselor for course placement.
      Call the Yuba College Counseling Department to schedule a time to meet with a counselor to develop an Education Plan and register for courses.

Yuba College (Marysville):
(530) 634-7766
Sutter County Center:
(530) 751-5600

After completion of the application, online orientation process, and completing a student educational plan you will be eligible to register for classes starting Monday, November 22, 2021.

ATTEND THE FIRST DAY OF CLASS!

Information and expectations presented in the first class session are critical to successful participation in each class. If the class has a WAIT LIST, students enrolled in that class who do not attend the FIRST day “may” be dropped. However, do not assume the instructor will automatically drop you from classes. Students are responsible for dropping classes they do not attend.
Dual Enrollment High School Students

The Yuba Community College District may accept as a Part-Time student, eligible high school students who have completed the eighth grade.

Students must submit an Application and “High School Recommendation Form,” including the signature of the high school principal and the student’s parent. You can apply online at yc.yccd.edu, and may be eligible to register online or in person, but you will be required to submit the completed form.

See your High School for details and form.

This special program is permitted under Education Code regulations, and enrollment is limited to the following restrictions.

1. Student must have completed the 8th grade;
2. Student must complete the prerequisites for courses with required prerequisites (i.e., English, math, reading, etc.)

Placement can be determined (after completion of 10th grade) through the college application process or by visiting the Placement Office. PICTURE I.D. IS REQUIRED.

3. Students should enroll in college level courses (courses numbered 1-99) - No Physical Education/Kinesiology courses allowed.

4. For charter/home schooled students: Present a grade equivalency certificate documenting grade level achieved; submit copy of the affidavit submitted to the State or County Office of Education to document the student’s involvement in an educational process.

5. Register starting Monday, December 6, 2021 online. In person only if college is open.

According to AP 5020 and AP 5030 high school students enrollment and health fees are waived. Exception: High school students in a full-time status are required to pay both enrollment and health fees. (NOTE: Dual enrolled students do NOT obtain continuing student status (per Education Code).

LATE REGISTRATION AND CHANGES

You may register for short-term classes anytime prior to the start of the class as long as space is available.

During Late Registration:

Students may add classes through Self Service or in person at the Registration Office. If the class is full, instructor approval (signature and date) on an add form is required.

Self Service Registration will be available for dropping classes up to the drop deadline for the specific class. You can check your grades and obtain an unofficial transcript using the Self Service process at yc.yccd.edu.

Don’t assume you won’t qualify, APPLY NOW!

Submit the FAFSA to see if you qualify for a fee waiver and additional grants at: fafsa.ed.gov

Apply for CCPG (formerly BOGW) at your local Financial Aid Office

RESIDENCY

Residency is determined by the laws of the State of California.

California residents are those who have maintained legal residency status in California for one year and a day PRIOR to the first day of the semester.

Non-Resident students interested in establishing California residency should understand that physical presence, proof of intent and financial independence must be met one full year and a day prior to the day before the semester begins. Residency will not be confirmed until the student provides documentation to meet the above criteria. The law requires that the student show no contrary intent, that is, he/she must not have maintained residence status in his/her former state (i.e., driver’s license, taxes, car registration, etc.) The burden of proof rests with the student.

Non-Residents who attended a California High School for three years or more and graduated from a California high school may be eligible for AB 540 or AB 2000 Non-Resident tuition. If you qualify, you may be eligible for the California College Promise Grant CCPG (formerly BOGW) enrollment fee waiver. If you did, please request a California Non-Resident tuition exemption request from the Admissions and Records Office or locate it online under Admissions Forms. You will need to provide official high school transcripts and follow the instructions listed on the form to see if you qualify.
YCCD PortalGuard/Single Sign-On

Log into YCCD PortalGuard. Click on the Self Service Icon which is a web interface that allows you to: register, add, or drop classes. It also allows you to review your personal information (grades, transcript, financial aid, etc.)

Log In:
1. Go to login.yccd.edu

2. If you are new to YCCD and have never logged into any of our YCCD systems, your default password schema is: Your letter of your legal first name (uppercase, first letter of your legal last name (lowercase), last four digits of our social security number (if no SSN, then use last 4 digits of Colleague ID#) and 2 digit designation of your birth month.

   - OR -

3. Enter your (previously established) password that you set through the Single Sign-on Portal (login.yccd.edu)

4. Click Login

To Register for class(es):
Students must complete Required Agreements for each semester they plan on registering. Select Yuba College Self-Service.
Select Required Agreements. Acknowledgement of these agreements are required to register.

Select a subject and review available classes.

Select add to course plan to see course details, select the term, and add to course plan.
You will see a confirmation of the added course to your plan. Repeat steps above for other courses.

ART-11 Mural Painting (3 Credits)
Studio course focused on the actual creation of a large mural. Students will design the composition, prepare the wall, and produce the mural. (M)

Requisites:
None

ART-11 Mural Painting (3 Credits)
Studio course focused on the creation of a large mural. Students will design, compose, prepare and produce a wall mural project. Students will explore the design and cultural significance of historical murals. Prerequisite: Satisfactory completion of ART 9B.

Return to the Self-Service main page and select Student Planning.

Select Go to Plan & Schedule.
You will find the courses you added to your plan on the left. Make sure you have selected the correct term. Review each course for available sections you would like to add to your plan. As you select sections, they will be added to the calendar. Sections that do not have specific meeting times will not be added to the calendar, but will be noted below the calendar. When you have selected your sections, click either Register or the Register Now button.

Check the Yuba College Admissions web page for video assistance https://yc.yccd.edu/admissions/

**Payment Options/How to Pay Fees**

**10 Days to Pay**
Students will have ten (10) calendar days from the time of their recent registration activity to complete their tuition and fee payment arrangements. Payment is due within 10 days of registration if you do not qualify for a The California College Promise Grant (CCPG) - fee waiver.

**Students must:**
- Be approved for CCPG (California College Promise Grant) by filling out the FAFSA OR
- Pay in full for classes OR
- Set-up a Payment Plan. The deadline for spring is January 18, 2022.

Students need to make sure when they choose a payment plan that they have dropped any classes they do not plan on attending. Students who do not take one of these actions will be subject to being dropped from their classes for nonpayment. Before registering for classes, you must have your CCPG waiver in place or you will be directed to:

1. **Pay your registration fees in full at login.yccd.edu, Self Service icon, student tab, pay for classes link.**
   Pay in Full with a Checking or Savings Account or pay in Full with a Credit or Debit Card.

2. **Setup a Payment Plan**
   Students may sign up for a payment plan at login.yccd.edu, Self Service. Nelnet Business Solutions e-Cashier is a third party vendor that allows students to sign up for a monthly payment plan. Click on Student Finance tab. From there the click on Make a Payment and then at the top of the page they click on Review Payment Plans, then they are given the option to set up a payment plan. There is a $25 non-refundable set up fee for this payment plan option. Payment plan options include a down payment and 3 or 4 monthly payments. Payments are automatically drafted on 5th of each month. Currently there is no option to include parking fees or textbook fees in a payment plan.
Single Sign-on Portal and Student E-Mail

Use the Single Sign-on Portal to access Self Service, your student E-mail and Canvas.
• Single Sign-on allows you easy access to all of the sites
• Self Service password management and recovery

Using Single Sign-on Portal

1. Go to: login.yccd.edu
2. Log In:
   - User Name: Your Student ID
   - Password: Your (previously established) password.

If you are new to YCCD and have never logged in your default password schema is:
   - First letter of your legal first name (Uppercase) + First letter of your legal last name (Lowercase) + Last 4 digits of your Social Security Number (if no SSN, then use the last 4 digits of Student ID #) + 2 digit designation of your birth month (e.g., April =04)

Accessing Student E-mail

1. Go to: login.yccd.edu
2. Log into the Single Sign-on Portal
3. Click the student email button

STUDENT E-MAIL INFORMATION
Address:
   - Your Student ID@go.yccd.edu

Example:
   - Name: John Doe
   - Colleague ID: 0012345
   - E-mail: D0012345@go.yccd.edu

If you have questions or need further assistance, e-mail: helpdesk@yccd.edu or call (530) 741-6981

BENEFITS OF USING YOUR STUDENT EMAIL
• Yuba College will use your campus e-mail as a means to communicate with students.
• You can create documents using Microsoft Word, Excel, PowerPoint and OneNote through your e-mail service.
• Store up to 1 terabyte of data on OneDrive.
• Create personal and shared Photo Albums.
Fee and Expense Information

The enrollment fee is established by the State Legislature and is subject to change. If the fees are raised by the Legislature, students will be billed for the additional fees. Fees may be paid by cash, check, credit card, fee waiver or payment plan.

California College Promise Grant (CCPG)

Formerly known as Board of Governors Fee Waiver (BOGW)

In the 2018/2019 aid year, the Board of Governors Fee Waiver (BOGW) was changed and is now called the California College Promise Grant. The California College Promise Grant is a state sponsored program, which waives enrollment fees for qualifying students.

If you are a student and a resident of California (also active military and military dependents) you may be eligible for a California College Promise Grant (CCPG). If you qualify, the CCPG program pays for all tuition for all semesters of an academic year. It also lowers the cost of the parking fees for the Fall and Spring semesters.

Effective Fall 2016, California Community College students receiving the CCPG must meet minimum academic and progress standards to remain eligible for the CCPG (http://www.yccd.edu/educational-services/bog.aspx). Students must maintain a cumulative GPA of 2.00 and successfully complete at least 50% of all units attempted.

The best way to apply for this CCPG is to complete a Federal Application for Student Aid (FAFSA) online at www.fafsa.gov or the California Dream Act Application at www.caldreamact.org. When you are applying this way you are also applying for a Pell Grant and doing one of the steps required of other types of Financial Aid.

The only way you will know if you qualify is to apply! If you do qualify for a CCPG you will save the cost of tuition and possibly qualify for a Pell Grant which can help pay for your books.

REFUNDS: DEADLINE FOR SHORT TERM CLASSES

You must drop your class by the end of the second class meeting to receive a refund if the class meets fewer than 30 meeting days. Adds and drops should be processed through Self Service.

If your class has more than 30 meeting days:

- 31-40 days – end of 3rd class meeting
- 41-50 days – end of 4th class meeting
- 51-60 days – end of 5th class meeting

DEADLINE FOR FULL TERM CLASSES: SPRING 2022-FEBRUARY 4, 2022

FALL: AUGUST 27, 2021

Refund dates VARY for each short-term class. See the refund deadline information for short-term classes. Contact the Registration Office for more information on the refund dates in EACH short-term class.

A $10.00 processing fee is charged for refunds. Students must make a request for a fee refund through the online request form in Self Service. If fees were paid by check, there will be a 3 week waiting period before the refund can be processed. For fees paid by credit card, the refund will be credited back to the original card used. Please allow up to four weeks processing time for cash and credit card refunds. E-mail cashier@yccd.edu for the status of your refund.

RETURN TO TITLE 4 (R2T4). Students who drop completely or withdraw from classes prior to completing 60% of the term may be required to repay any unearned federal funds to Yuba College or to the Department of Education, per Federal regulations.

Yuba College Promise

The Yuba College Promise is for students who do not qualify for the CCPG. The Yuba College Promise program will pay tuition up to 15 units per primary term (fall and spring) for up to two consecutive academic years. As a participant in the Yuba College Promise, you will be required to follow a contract in order to maintain your tuition funding. For more info visit https://yc.yccd.edu/student/financialaid/
AB 540 and the CA Dream Act

Any student, other than one with a USCIS nonimmigrant visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the University of California, and the California State University (all public colleges and universities in California).

Requirements:
The student must have:

- attended a high school (public or private) in California for three or more years, or
- attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.
  - The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam) and
  - The student must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

As of October 5, 2017, Senate Bill 68 was approved, which expands AB 540 to enable students to count years spent at a California Community College and Adult School toward AB 540 eligibility. Additionally, the bill will allow the completion of an Associate's Degree or satisfaction of the minimum requirements to transfer to the University of California (UC) or California State University (CSU) to meet the degree or units requirements, which expands possibilities for a student to qualify for in-state tuition and financial aid at CCCs and the CSUs.

AB 540 Affidavit - “California Non-Resident Tuition Exemption Request”

In order to receive the exemption from non-resident tuition, students must obtain, complete, and submit the AB 540 Affidavit to the Admissions and Records Office. Students may be required to submit additional documentation such as high school transcripts and appropriate records of high school graduation or the equivalent.

The California Dream Act

AB 130 allows students, who meet AB 540 criteria (California Education Code 68130.5(a)), to apply for and receive non-state funded scholarships for public colleges and universities; AB 131 allows students, who meet AB 540 criteria, to apply for and receive state-funded financial aid such as institutional grants, community college fee waivers, Cal Grant and Chafee Grant. Therefore, AB 540 students are allowed to apply for the following types of financial aid:

- California College Promise Grant (CCPG), formerly known as the Board of Governors Fee Waivers (BOG)
- State financial aid like Cal Grants, Student Success Completion Grant and Chafee Grant
- Assistance from EOPS, CARE or Cal-WORKS
- Privately-funded scholarships
- If eligible for the AB 540, students must:
  - Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
  - Contact the Financial Aid Office to determine the next steps to take
  - Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
  - Students who do not have a Social Security Number need to enter a California Dream Act Application at: https://dream.csac.ca.gov/

If eligible for the AB 540, students must:

- Contact the Admissions and Records Office to complete the Affidavit form and provide the required documentation to establish eligibility
- Contact the Financial Aid Office to determine the next steps to take
- Students who have a Social Security Number need to complete the FAFSA at: www.FAFSA.gov
- Students who do not have a Social Security Number need to enter a California Dream Act Application at: https://dream.csac.ca.gov/

*FREE*

E-MAIL, ONEDRIVE, PHOTO GALLERY AND WEB OFFICE

Why Should You Use Yuba College E-mail?

- The college will use this e-mail to communicate with you.
- You can create documents using Microsoft Word, Excel, Power Point and OneNote
- Store up to 1 terabyte of data on the OneDrive
- Create and share photo albums

Instructions:

1. Go to the Single Sign-On Portal web site: login.yccd.edu
2. Click on Email/Office 265
3. Use your Self Service login and password BUT put yccdweb\ in front of your Self Service login
4. Your password is your Self Service password

1 This exemption to the requirement to pay the nonresident tuition fee is often referred to “AB 540” after the Assembly Bill which enacted the exemption. (Ed. Code, § 68130.5.)

2 In 2014, Assembly Bill 2000 was enacted amending Education Code section 68130.5 to allow this additional flexibility in meeting the requirements for the exemption.
Placement Levels

Exam Information
As one of the mandates of Assembly Bill (AB 705) passed in Fall of 2017, Yuba College is changing the way that students are placed in their English and Math classes!
All students are placed based on their high school GPA and coursework. Students who did not complete at least 10th grade in a U.S. high school, graduates of a non-U.S. high school or and international students, will need to complete the Guided Self-Placement process.
If you speak a language other than English and feel that you would benefit from taking classes in our English for Multilingual Students, please schedule an appointment to see a Counselor, you can call (530) 634-7766.

ADVISORY SKILLS FOR ENTRY LEVEL COURSES
Many courses numbered between 1 and 99 carry credit/units which apply toward the associate degree and require college-level language and/or computation skills for successful participation. The courses are identified in the catalog and schedule with a “(L)”, “(M)”, or “(L,M)” in the course description.

EARLY ASSESSMENT PROGRAM
Yuba College proudly accepts EAP (Early Assessment Program) scores for incoming freshman that have achieved “Ready” status in Math, English, or both in lieu of taking the placement assessment. In addition, students may also use their ACT, SAT, or AP scores should they fall within a specific range (see scale below).

**Math**
- CAASPP EAP: Standard Exceeded “Ready”
- ACT: 23 or higher
- SAT: 570 or higher
- AP Calculus or AP Statistics Exam: 3 or higher

**English**
- CAASPP EAP: Standard Exceeded “Ready”
- ACT: 22 or higher
- SAT: 550 or higher
- AP Language or AP Literature Composition Exam: 3 or higher

Students who select to use the criteria to fulfill their Math and/or English placement requirement needs to first complete a Yuba College application for admission and then notify the Testing Office that they are seeking an exemption. EAP scores will be verified at the Testing Office, so the students will need to bring a copy of those scores. However, if you plan to use your ACT, SAT, or AP scores, you will need to bring a copy of the score to the Testing Office at Yuba College (Marysville) or at the Sutter County Center.

For further information, please contact the Assessment and Testing Office at (530) 741-6846.

How to Read the Schedule of Classes:

1. **Department Name**
2. **Course Title**
3. **Indicates if course transfers to CSU, UC, or both**
4. **Course Description**
5. **College level Language (L) or Math (M) or both (L,M) required**
6. **Class Code (4 digits)**
7. **Days/Time of Class and possible “&” sign for additional class meetings.**
8. **Look for Evening/Weekend Class**
9. **Dates indicate short class**
10. **Units**
11. **Instructor’s name**
12. **Room Number(s)**

If there is an “and” sign (&) after the class time, be sure to look at the line below for all the class meeting dates and times.

Administration of Justice

AJ-10  INTRODUCTION TO CRIMINAL JUSTICE SYSTEM  3.0 UNITS
Transferable to CSU/UC
Overview of the history and philosophy of the U.S. justice system; study of the modern criminal justice system and its components, law enforcement, courts, and corrections; identifying the roles of the various professionals within the system and their interrelationships; analysis of legal issues; study of theories of crime causation, punishment, and rehabilitation. (L)

AJ-11  CRIMINAL LAW  3.0 UNITS
Transferable to CSU/UC
This course provides an analysis of the history, philosophy, and constitutional provisions of criminal law in the United States; study of common law, statutory law, and case law applicable to law enforcement, including exploration of crimes against persons, property, public peace, narcotics, and dangerous weapons. Special emphasis is placed on the classification of crime, the general elements of crime, and the definitions of common and statutory law. This course also includes information on prosecution and defense procedure, including criminal defenses, legal justifications, and burdens of proof. This course utilizes case law and case studies to introduce students to criminal law. Advisories Language - recommended eligibility for English 1A

AJ-13  EVIDENCE  3.0 UNITS
Transferable to CSU
This course examines categories of evidence and legal rules governing its admission and exclusion in the criminal process; the origin and development of evidentiary law; and the study of both codified evidentiary law and applicable court decisions. Specific topics include, types of evidence, the judicial process, the admission and exclusion of evidence, legal standards of proof, direct and circumstantial evidence, testimonial evidence and witness competency, the hearsay rule and its exceptions, demonstrative evidence, judicial notice, and issues relating to search and seizure. Advisories Language - recommended eligibility for English 1A

AJ-14  CRIMINAL JUSTICE PROCESS  3.0 UNITS
Transferable to CSU
Analysis of legal processes from pre-arrest through trial and appeal, sentencing, and corrections procedures utilizing statutory law and state and constitutional law precedents. Advisories Language - recommended eligibility for English 1A

AJ-15  CRIMINAL INVESTIGATION  3.0 UNITS
Transferable to CSU
Addresses procedures and concepts as applied to criminal investigations, including surveillance; crime scene response management; and identification, collection, and processing of physical evidence. Covers U.S. Constitution and Statutory/Case Law; interview/interrogation processes and techniques; identifying information sources; procuring search warrants; serving search warrants; exceptions to the search warrant rule; and court processes. Emphasis is placed on developing the student's capacity to analyze specific situations and identify sound ethical investigative procedures. Advisories Language - recommended eligibility for English 1A

AJ-16  POLICE OPERATIONS  3.0 UNITS
Transferable to CSU
Philosophy, functions, organization, duties, and analysis of police operational functions, including public service responsibilities and special police problems. Language - recommended eligibility for English 1A

For P.O.S.T. and S.T.C. certified academies, please visit the Public Safety website for enrollment timelines and application forms. yc-publicsafety.yccd.edu/administration-of-justice

Transferable to CSU/UC
Intermediate techniques and processes for wheel-thrown and hand-built pottery; creative and artistic expression through the use of clay and glazes. 
Prerequisite: Satisfactory completion of: ART 12A. Grades are P/NP option. Advisories Language - recommended eligibility for English 1A
Yuba College
2989  MW  2:05PM-2:50PM &  S.Adams  M-1005
         12PM-2:05PM

ART-31  BASIC PHOTOGRAPHY  3.0 UNITS
Transferable to CSU/UC
An exploration into basic camera operation and black and white film processing and printing. History and development of photography. Emphasis is on personal expression. Manual film camera preferred. Advisories: Language - recommended eligibility for English 1A
Online
9181  TBA  TBA &  T.Boeger  NET
9182  TBA  TBA &  E.Baral  NET

ART-36A  DIGITAL PHOTOGRAPHY  3.0 UNITS
Transferable to CSU/UC
Introduction to digital photography: exposure control, file formats, archiving, and basic image editing/ manipulation.
Prerequisite: Complete ART-31 with a grade of “C” or better. (C)
Online
9184  TBA  TBA &  E.Baral  NET

ART-36B  INTERMEDIATE DIGITAL PHOTOGRAPHY  3.0 UNITS
Transferable to CSU/UC
Students will delve deeper into the possibilities of Adobe Photoshop pushing the photographic image beyond straight photography into the world of photo manipulation. Techniques that will be covered include but are not limited to creative retouching, montaging and transmissive/reflective scanning and alternative digital outputs producing quality image output.
Prerequisite: Satisfactory completion of ART 36A.
Online
9185  TBA  TBA &  E.Baral  NET

ART-36C  ADVANCED DIGITAL PHOTOGRAPHY  3.0 UNITS
Transferable to CSU
Individual exploration of advanced digital imaging concepts within a structured environment. Projects may include advanced montaging, text layers, web authoring, integration with other 2D/3D mediums. Self- generated projects are emphasized.
Prerequisite: Satisfactory completion of ART 36B.
Online
9183  TBA  TBA &  E.Baral  NET

ART-44  INDIVIDUAL PROBLEMS  3.0 UNITS
IN DRAWING
Transferable to CSU/UC
Development of a personal drawing style at an advanced level, working in series with the goal of producing a coherent group of works.
Prerequisite: ART 4B.
Online

Astronomy

**ASTRO-1 INTRODUCTION TO ASTRONOMY 3.0 UNITS**  
Transferable to CSU/UC

Survey of the solar system, stars, galaxies, history and tools of astronomy, cosmology, and exploration of space. (L,M)

**Athletics**

**ATHL-11R INTERCOLLEGIATE BASKETBALL—MEN 1.5 UNITS**  
Transferable to CSU/UC

Preparation and competition for Intercollegiate Men's basketball. Collegiate techniques and strategies will be implemented. Other: Repeatable three times.

**ATHL-12R INTERCOLLEGIATE TRACK AND FIELD—MEN 3.0 UNITS**  
Transferable to CSU/UC

Preparation and competition for Intercollegiate Men's Track and Field. Collegiate techniques and strategies will be implemented. Other: Repeatable three times.

**ATHL-17R INTERCOLLEGIATE BASEBALL 3.0 UNITS**  
Transferable to CSU/UC

Preparation for intercollegiate baseball competition. Collegiate baseball techniques and strategies performed. Practice and competition required. Other: Repeatable three times.

**ATHL-32R INTERCOLLEGIATE BASKETBALL—WOMEN 1.5 UNITS**  
Transferable to CSU/UC

Preparation for intercollegiate women's basketball. Collegiate level techniques and strategies for competition will be performed. Other: Repeatable three times.

**ATHL-33R INTERCOLLEGIATE SOFTBALL—WOMEN 3.0 UNITS**  
Transferable to CSU/UC

Intercollegiate softball competition, individual skills, position play, team play, and game strategy. Practice and competition required. Other: Repeatable three times.

**ATHL-36R INTERCOLLEGIATE TRACK AND FIELD—WOMEN 3.0 UNITS**  
Transferable to CSU/UC

Preparation and competition in Intercollegiate Track and Field for Women. Advanced collegiate techniques and skills will be performed in each event. Other: Repeatable three times.

**ATHL-39R SPORTS CONDITIONING 1.0 UNITS**  
Transferable to CSU/UC

Preparatory conditioning necessary for intercollegiate competition. Development of sport-specific strength, power, endurance, agility, and flexibility as well as mental training techniques. (Repeatable: May be repeated three times.)

**ATHL-42R FOOTBALL SKILLS 1.5 UNITS**  
Transferable to CSU/UC

Preparatory skills necessary for intercollegiate competition in football. Development in offensive and defensive systems, including passing, kicking, blocking and conditioning. Other: Repeatable three times. Grads are P/NP option.

### AUTOMOTIVE

#### AUTO-21  INTRODUCTION TO AUTOMOBILES  3.0 UNITS

**Transferable to CSU**

This course covers a comprehensive study of automobiles. Emphasis is placed on fundamental operating principles, nomenclature, structural analysis, major design theories, systems function, systems service, minor repair procedures, major repair complexities, current laws and regulations, political action, and personal economics/decision making.

**Yuba College**

#### AUTO-22  HYDRAULICS (FLUID POWER)  3.0 UNITS

**Transferable to CSU**

This course covers a comprehensive study of hydraulics (fluid power). Emphasis is placed on basic principles of hydraulics, pumps, fluids, linear and rotary actuators, reading automotive hydraulic schematics, robotics, and agricultural industry. Students are strongly encouraged to have an understanding of pre-algebra, college-level reading, and computer literacy skills.

#### AUTO-95  STATE EMISSION CONTROL LICENSE  7.0 UNITS

The course prepares students for a Smog Check Inspection/Repair license. Intended for students that possess ASE/BAR certifications in the following areas: A6-Automotive Electrical; A8-Automotive Engine Performance; L1-Advanced Engine Performance and/or students that are currently enrolled in electrical, automotive fuel systems and advanced engine performance/diagnostic courses. This is an intensive review of automotive electrical/electronic, engine mechanical, emission controls, and computer control systems as they relate to automotive emissions controls. This course satisfies the ASE/BAR certification requirement when applying for Smog Check technician licenses and may be used by the applicant in lieu of the ASE certifications. Grading Method: Letter Grade or Pass/No Pass.

AUTO-52.36 HEATING AND AIR CONDITIONING SYSTEMS
This course covers a comprehensive study of automotive heating, air conditioning and ventilation systems. Emphasis is placed on heating, cooling, and air conditioning systems, engine cooling system, adjustment procedures, problem diagnosis, system operation with normal service, repair procedures, and introduction to automatic temperature systems. Students are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills.
Yuba College
2904 TH 8AM-9:50AM & 8AM-10:50AM J.Wilcox M-616
2913 T 6PM-8:50PM D.Ferrari M-611
3.0 UNITS

AUTO-52.41 ALIGNMENT AND SUSPENSION
This course covers a comprehensive study of automotive alignment and suspension systems. Emphasis is placed on suspension and steering operating theory, 4-wheel alignment, front and rear-wheel alignment, tire repair and balancing, replacement of suspension and steering components, and rebuilding of steering gears and pumps. Students are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills.
Yuba College
2905 MW 1PM-2:15PM & 2:20PM-3:35PM P.Milks M-616
2904 TH 8AM-9:50AM & 8AM-10:50AM J.Wilcox M-611
4.0 UNITS

AUTO-52.45 ENGINE DIAGNOSIS AND REBUILDING
This course covers a comprehensive study of automotive engine diagnosis and rebuilding. Emphasis is placed on theory of operation, pre-teardown diagnosis, disassembly techniques, engine cleaning methods, measurement tools, component identification, lubrication systems, assembly break-in procedures, and introducing alternative fuel and hybrid engine drivetrains. Students are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills.
Yuba College
2907 TTH 1PM-1:50PM & 2PM-4:50PM P.Milks M-616

4.0 UNITS

AUTO-52.61B ENGINE MACHINING/RECONDITIONING EXP
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive engine machining and reconditioning. Emphasis is placed on engine tear-down, in-depth engine machining procedures, assembly component fit and high-performance engine considerations. This course is intended primarily for students with prior practical experience in automotive engine machining and reconditioning. Students are strongly encouraged to have problem solving and computer literacy skills.
Prerequisite: Satisfactory completion of AUTO 52.46.
Yuba College
2913 T 6PM-8:50PM D.Ferrari M-611
1.0 UNITS

AUTO-52.62A AUTO TRANSMISSION/TRANSAXLE EXP
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive automatic transmissions and transaxes. Emphasis is placed on diagnosis of mechanical and electrical systems, techniques for pre-assembly, disassembling, and on the road dyno testing of completed transmissions. Students are strongly encouraged to have problem solving and computer literacy skills. Co-requisite: Concurrent enrollment or satisfactory completion of: AUTO 53.31.
Yuba College
2947 F 11AM-1:50PM S.Mendez M-611
1.0 UNITS

AUTO-52.62B MANUAL DRIVETRAIN/AXLES EXPERIENCE
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive manual drivetrains and axles. Emphasis is placed on removal and installation considerations, diagnosis of transmissions, clutches, transfer cases, differentials, and electrical systems used in manual drivetrain and axle systems. Students are strongly encouraged to have problem solving, computer literacy skills, and basic electrical skills. Co-requisite: Concurrent enrollment or satisfactory completion of: AUTO 52.30.
Yuba College
2948 F 11AM-1:50PM S.Mendez M-611
1.0 UNITS

AUTO-52.62C ALIGNMENT AND SUSPENSION EXPERIENCE
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive alignment and suspension. Emphasis is placed on 4-wheel alignment, tire repair, balancing, replacement of suspension and steering components, electrical diagnosis as it relates to tire pressure monitoring system, and ride control. Students are strongly encouraged to have problem solving skills and computer literacy skills. Co-requisite: Concurrent enrollment or satisfactory completion of: AUTO 52.41.
Yuba College
2949 F 11AM-1:50PM S.Mendez M-611
1.0 UNITS

AUTO-52.62D BRAKES EXPERIENCE
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive brake systems. Emphasis is placed on diagnosing and repairing disc and drum brake systems, wheel and hub bearings, electrical diagnosis as it relates to anti-lock brake systems (ABS) and traction control. Students are strongly encouraged to have problem solving skills and computer literacy skills. Co-requisite: Concurrent enrollment or satisfactory completion of: AUTO 52.40.
Yuba College
2950 F 11AM-1:50PM S.Mendez M-611
1.0 UNITS

(L,M) - College level language or math skills advised
(v) Variable Unit
(R) Repeatable
AUTO-52.62E HEATING AND AIR CONDITIONING EXP
This course covers individualized advanced techniques with a strong emphasis on specialized training in automotive heating and air conditioning. Emphasis is placed on recovering and recharging of air conditioning system, heating system, semi/auto air controls, engine cooling system, and electrical diagnosis. Students are strongly encouraged to have problem solving skills and computer literacy skills. Co-requisite: Concurrent enrollment or satisfactory completion of: AUTO 52.36.

Yuba College
2951 F 11AM-1:50PM S.Mendez M-511

AUTO-53.31 AUTO TRANSMISSION/GAS & 4.0 UNITS DIESEL VEHICLES
This course covers a comprehensive study of automatic transmissions and transaxles. Emphasis is placed on operating principles, planetary gear sets, hydraulic operations, electronic controls, torque converters, normal maintenance adjustments and service operations, problem diagnosis, and overhaul procedures for automotive and truck applications. Students are strongly encouraged to have college-level reading, basic mathematics, and computer literacy skills.

Yuba College

W 8AM-10:50AM & 8AM-10:50AM

Biology

BIOL-1 PRINCIPLES OF BIOLOGY 5.0 UNITS
Transferable to CSU/UC
An introduction to biology for majors that emphasizes the molecular, cellular, and environmental processes that are common to most organisms. Topics include an introduction to biomolecules, cell structure, cell reproduction, enzymes, fermentation, respiration, photosynthesis, molecular genetics, heredity, and evolution.

Yuba College
3246 W 9AM-1:15PM & 9AM-1:15PM & M.Ha TBA TBA M-804 TBA NET
TBA

BIOL-3 GENERAL BOTANY 4.0 UNITS
Transferable to CSU/UC
Applies the concepts introduced in Biology 1 to the study of plants and general ecology. Topics include morphology, physiology, systematics, and evolutionary trends among cyanobacteria, algae, fungi, and plants. Population, community, and ecosystems dynamics of higher plants will be emphasized. Designed primarily for biology majors and related fields but open to all qualified students.

Yuba College
3467 TH 2PM-4:50PM & M.Ha M-804 TBA NET
TBA

BIOL-4 HUMAN ANATOMY 4.0 UNITS
Transferable to CSU/UC
An introduction to the gross, microscopic and organizational structure of the human body. Emphasizes the interrelationship between structure and function of cells, tissues, organs, and systems. The course is primarily intended for nursing, allied health, kinesiology, and other health related majors.

Prerequisite: Satisfactory completion of: BIOL 1 or BIOL 15.
Advisories Computer Literacy - recommended basic computer skills Language - recommended eligibility for English 1A.

### BIOL-6  INTRODUCTORY MICROBIOLOGY  4.0 UNITS

**Transferable to CSU/UC**

History, structure, metabolism, genetics, and ecology of microscopic life forms; their relationship to disease, immunology, agriculture, and industry. Laboratory emphasizes the development of techniques for the detection, isolation, and identification of both harmless and pathogenic species.

**Prerequisite:** BIOL 1 or BIOL 15. (L)

**Online**

**ACCT-2L  PRINCIPLES OF ACCOUNTING–MANAGERIAL**

Transferable to CSU/UC

Emphasizes accounting principles and tools used by management in decision-making, planning, directing, and controlling operations. Focuses on cost terms and concepts, cost behavior, cost structure, and cost-volume-profit analysis. Includes budgetary techniques, issues relating to cost systems, cost control, profit planning, and performance analysis for manufacturing and service environments. Students will utilize computer applications as a tool in preparing and analyzing managerial related accounting reports.

**Prerequisite:** Satisfactory completion of: ACCT 1, ACCT 1A and GNBUS 30 or GNBUS 33. Advisories: Computer Literacy - recommended basic computer skills Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

**CHEM-1A  GENERAL CHEMISTRY**

Transferable to CSU/UC

Students will explore the fundamental principles of inorganic chemistry including the nomenclature of inorganic compounds, chemical formulas, equations and reactions, stoichiometry; structure of atoms, ions, and molecules and the periodic table; oxidation-reduction and acid-base reactions; gas laws; thermochemistry and equilibrium. Laboratory techniques in the investigation of these chemical systems will be extensively developed, including experiments utilizing calorimetry to determine the enthalpy change associated with physical and chemical processes, fundamental gas laws analyzing pressure, volume, and temperature relationships, and acid-base chemistry utilizing titration analysis.

**Prerequisite:** Satisfactory completion of: MATH 52; CHEM 2A or High school chemistry with a grade of C or better AND a passing score on the Chemistry Assessment Examination. Advisories: Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

**Yuba College**
3630  TTH  9AM-11:50AM  C.Bass  M-822
TBA  TBA  NET

---

**CHEM-1B  GENERAL CHEMISTRY**

Transferable to CSU/UC-Unit limit

Continuation of the exploration and application of the fundamental principles of chemistry developed in CHEM 1A. Topics include intermolecular forces, solutions, colligative properties, kinetics; further aspects of equilibrium including acid-base and solubility equilibrium, thermodynamics, electrochemistry, descriptive chemistry, and qualitative analysis; coordination chemistry; nuclear chemistry and an introduction to organic chemistry. Laboratory techniques in the investigation of these chemical systems will be extensively developed.

**Prerequisite:** Satisfactory completion of CHEM 1A. (L,M)

**Online**
3631  MW  2PM-4:50PM  K.Orton  M-822

CHEM-10  CONCEPTS OF CHEMISTRY  3.0 UNITS
Transferable to CSU/UC-Unit limit

A survey of basic concepts of chemistry. Designed for non-science majors desiring an introduction to fundamental chemistry concepts and skills. Not intended for students who will enroll in subsequent chemistry coursework. (L)

Online
9209  TBA  TBA  E.Herrera  NET

CHEM-18B  ORGANIC CHEMISTRY FOR HEALTH AND LIFE SCIENCE  4.0 UNITS
Transferable to CSU/UC

A continuation of CHEM 18A. Designed for students planning professional school studies in health and life sciences with emphasis on reactions of aromatic hydrocarbons; aldehydes and ketones; the preparation, reactions and identification of carboxylic acids and their derivatives; alkyl and acyl amines; B-dicarbonyl compounds; and various classes of naturally occurring, biologically important compounds.

Prerequisite: Satisfactory completion of: CHEM 18A.

Online
3629  F  12PM-2:50PM  &  K.Orton  M-822
9212  TBA  TBA  D.Joksch  NET

COMSC-6  BASIC LANGUAGE PROGRAMMING  3.0 UNITS
Transferable to CSU/UC

Introduction to programming using object-orientated programming techniques, including problem solving, algorithm development, coding solutions, program life cycle, and source code maintenance. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

Online
9211  TBA  TBA  S.Shepard  NET

COMSC-7  INTRODUCTION TO VISUAL BASIC PROGRAMMING  3.0 UNITS
Transferable to CSU/UC

Introduction to event-driven programming in the Windows environment using Microsoft Visual BASIC.Net. Intended for those with prior experience or course work in at least one formal programming language. Includes objects, properties, user interface, forms, event procedures, custom controls, graphics, data access, report creation, and debugging methods. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

Online
9212  TBA  TBA  D.Joksch  NET

COMSC-9A  C++ PROGRAMMING  4.0 UNITS
Transferable to CSU/UC

Introduction to the C++ programming language. Emphasis on structured programming methods, object-oriented design, and structured data types. The programming cycle from problem solving to debugging is emphasized. COMSC 6 recommended. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

F  2PM-2:50PM  M-846  

COMSC-15  DISCRETE STRUCTURES FOR COMPUTER SCIENCE  
3.0 UNITS  
Transferable to CSU  
Introduction to the essential discrete structures for computer science with applications. Topics include: proof techniques, counting rules, elementary formal logic and set theory, functions, recursive analysis, digital logic and combinatorial circuits, real number representation, regular expressions, and finite automata. 
Prerequisite: Satisfactory completion of: MATH 20; (COMSC 9A or COMSC 12). 
Yuba College  
3486  TTH  12PM-12:50PM & D.Joksch  M-847  
TTH  1PM-2:15PM  

COMSC-20  BEGINNING WEB PUBLISHING WITH HTML  
3.0 UNITS  
Transferable to CSU  
Fundamentals of web publishing using HTML, covering design, writing, and maintenance of webpages. Emphasis on real-life informational and interactive presentation to include testing, revising and maintenance of web presentation on the World Wide Web. Other: Course is Open Entry/Open Exit. Advisories Computer Literacy - recommended basic computer skills 
Online  
9210  TBA  TBA &  S.Shepard  NET  

Cooperative Work Experience Education  

CWEE-44A  1ST SEMESTER GENERAL WORK EXPERIENCE  
V0.5 UNITS  
Transferable to CSU  
Coordination of introductory on-the-job learning with college experience to develop desirable work habits, attitudes, and career awareness through supervised paid employment or volunteer experience that is not directly related to the student’s specific career path and college major. Students may enroll in 1-6 units. Students enrolling in this class are not eligible for other Cooperative Work Experience Education (CWEE) or Internship (INTRN) classes during the same semester. Students may not exceed sixteen (16) units in the combination of CWEE and INTRN classes. Conditions of Enrollment: Must have local paid employment (75 hours per unit) or a volunteer position (60 hours per unit) that is not directly related to the student’s major or career path; student’s supervisor must agree to participate in the program, which entails communicating with and meeting with college staff (Work Experience Mentor), assisting the student in writing and completing learning objectives, verifying the student’s hours, evaluating the student, and otherwise training/guiding the student. 
Yuba College  
2923  TBA  TBA  M.Flacks  
450 lab hours to be arranged with instructor. Students must ensure that their current email address and phone number are on file with Yuba College so that they can be contacted by the CWEE Coordinator and/or Mentor. Students must log in to Canvas during the first week of the class to complete their orientation and application paperwork. Students may be dropped from the course if they do not complete their orientation on Canvas during the first week of the class.
CWEE-44B  2ND SEMESTER GENERAL  V0.5 UNITS  
WORK EXPERIENCE  
Transferable to CSU  

Coordination of intermediate on-the-job learning with college experience to develop desirable work habits, attitudes, and career awareness that is progressive from the first semester. This learning experience requires supervised paid employment or volunteer experience that is not directly related to the student’s specific career path and college major. Students may enroll in 1-6 units. Students enrolling in this class are not eligible for other Cooperative Work Experience Education (CWEE) or Internship (INTRN) classes during the same semester. Students may not exceed sixteen (16) units in the combination of CWEE and INTRN classes.  
Prerequisite: Satisfactory completion of: CWEE 44A and must have local paid employment (75 hours per unit) or a volunteer position (60 hours per unit) that is not directly related to the student’s major or career path; student’s supervisor must agree to participate in the program, which entails communicating and meeting with college staff (Work Experience Mentor), assisting the student in writing and completing learning objectives, verifying the student’s hours, evaluating the student, and otherwise training/guiding the student.

**ECE-18 CURRI/STRATEGIES CHILD W/SPECIAL NEEDS**

Transferable to CSU

Covers curriculum and intervention strategies for working with children with special needs in partnership with their families. Focuses on the use of observation and assessment in meeting the individualized needs of children in inclusive and natural environments. Includes the role of the teacher as a professional working with families, collaboration with interdisciplinary teams, and cultural competence. (L)

**ECE-25 GROUP EXPERIENCES IN OUTDOOR ENVIRONMENT**

Transferable to CSU

Developing creative outdoor learning environments including playgrounds, activities and cooperative games. Circle time or daily planned group experiences will also be explored and developed through integrated, thematic instruction. Advisories Language - recommended eligibility for English 1A

**ECE-27 TEACHING IN A DIVERSE SOCIETY**

Transferable to CSU

Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various classroom strategies will be explored emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. (L)

## Emergency Medical Technician

**EMT-61  EMERGENCY MEDICAL TECHNICIAN  7.0 UNITS**

The EMT program is a comprehensive curriculum that provides knowledge and critical thinking skills necessary to provide Emergency Medical Care in a pre-hospital environment. Academic rigor encompasses legal and moral aspects, primary and secondary patient assessments, interventions, proper use of emergency medical equipment, recognizing signs and symptoms, and pathophysiology of medical emergencies and traumatic injuries. This course meets EMT curriculum requirements of the California Code of Regulations Title 22. Upon successful completion, students are eligible to take the National Registry EMT certifying examination and qualify for a California EMT License.

**Prerequisite:** Satisfactory completion of EMT-510. Advisories: Language - recommended eligibility for English 1A Other Conditions of Enrollment: Have all course materials (Textbook with Premier Package) on the first day of class. Course Materials required by EMT instructors. CURRENT CPR CERTIFICATION California Code of Regulations Title 22. Social Security Division 9. Prehospital Emergency Medical Services Chapter 2. Emergency Medical Technician Article 3. Program Requirements for EMT Training Programs 100066. Procedure for EMT Training Program Approval. (2) A statement verifying CPR training equivalent to the 2015 American Heart Association’s Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care at the Healthcare Provider level is a prerequisite for admission to an EMT basic course. Students must be 18 years of age at start of Clinical Rotations California Code of Regulations Title 22. Division 9. Chapter 2. Emergency Medical Technician Article 4. EMT Certification Section 100079(a)(5). Provide proof of vaccinations; measles, mumps, and rubella (MMR) immunization. These vaccination requirements are outlined within the signed agreement between Rideout Hospital and Bi-County Ambulance. In addition these agreements afford students the opportunity to fulfill mandatory training requirements set forth by SSV and Bi-County Ambulance. In addition these agreements afford students the opportunity to fulfill mandatory training requirements set forth by SSV and the National Registry. Provide proof of a current season flu shot vaccination. These vaccination requirements are outlined within the signed agreement between Rideout Hospital and Bi-County Ambulance. In addition these agreements afford students the opportunity to fulfill mandatory training requirements set forth by SSV and the National Registry. Be prepared to purchase EMT uniform on the first day of class, and wear the uniform to all EMT class oriented activities. (approximately $100.00). Required as part of Yuba College’s EMT Program. Complete and provide proof of completed drug screen test and criminal background. Information regarding this requirement is provided 30 days prior to ER clinical (approximate cost: $90.00.) - Required by SSV - Rideout Hospital. Obtain Yuba College EMT badge: $10.00 Required for Bi-County Ambulance.

### ENGL-31B CREATIVE WRITING II: WRITE/EDIT FOR PUB

**Transferable to CSU**

This course focuses on literary editing and preparing poetry, drama, fiction, and creative non-fiction for publication. This includes both original work by students and the evaluation of submissions for inclusion in a literary journal/publication. The course is conducted primarily as a workshop. Students will give and apply in-depth criticism of original student pieces and work as an editorial board, evaluating creative work submitted for publication.

**Prerequisite:** Satisfactory completion of: ENGL 31A. Other: Successful completion of English 1A or 1E is strongly recommended. Enrollment in or completion of English 1B is encouraged. Advisories Language - recommended eligibility for English 1A Language: Students are advised to complete English 1A prior to enrollment in this course. English 1A emphasizes literacy skills needed to successfully complete this course. It is also suggested that students complete or be enrolled in English 1B, which emphasizes the literary terminology and critical thinking about literature that provides a foundation for effect critique of written work.

YUBA COLLEGE SCHEDULE OF CLASSES

ESL-265 INTEGRATED ESL SKILLS, LEVEL 6
Language development for high-intermediate limited English speakers. Concentration on all language skills - reading, writing, speaking, listening, and grammar. This course is the last in a series of six integrated skill courses (225, 226, 235, 245, 255, and 265) leading to a certificate of completion in English at the high-intermediate level. Prepares students for college-level courses.

Sutter County
3439 TTH 6PM-8:15PM W.Cook SF-114

ESL-268 HIGH-INTERMEDIATE WRITING
Writing for high-intermediate ESL students. Further develops ability to write longer, correctly formatted paragraphs and short compositions with simple, compound, and complex sentences using proper grammar, spelling, and verb tenses. Concurrent enrollment in ESL 263/563 and 265/565 is highly recommended.

Prerequisite: Complete ESL 258 or ESL 558 or ESL 255 or ESL 555 with a grade of "C" or better or by placement exam.

Yuba College
3441 TTH 8AM-9:50AM W.Cook M-1015

FIRTC-2 FIRE PREVENTION TECHNOLOGY
Transferable to CSU
This course provides fundamental knowledge relating to the field of fire prevention. Topics include: history and philosophy of fire prevention; organization and operation of a fire prevention bureau; use and application of codes and standards; plans review; fire inspections; fire and life safety education; and fire investigation. Advisories Language - recommended eligibility for English 1A

Online
9300 TBA TBA D.Vogelsang NET

FIRTC-3 FIRE PROTECTION EQUIPMENT AND SYSTEMS
Transferable to CSU
Provides information relating to the features of design and operation of fire detection and alarm systems, heat and smoke control systems, special protection and sprinkler systems, water supply for fire protection and portable fire extinguishers. Advisories Language - recommended eligibility for English 1A

Online
9301 TBA TBA D.Vogelsang NET

FIRTC-6 PRIN OF FIRE/EMERG SVCS SAFETY/SURVIVAL
Transferable to CSU
This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior throughout the emergency services.

Online
9302 TBA TBA D.Vogelsang NET

FIRTC-69 FIREFIGHTER II ACADEMY
Transferable to CSU
This course provides the skills and knowledge needed for the firefighter to take on increased leadership roles and responsibilities pertaining to fire department communications, fireground operations, rescue operations, and fire and life safety initiatives, preparedness, and maintenance. Grades are Letter Grade Only.

Prerequisite: Satisfactory completion of: FIRTC 64; EMT 61.
Other: Course has additional enrollment fees: State Fire Training Certification fees, Personal Protective Equipment.

Internship

INRN-45A  FIRST SEMESTER INTERNSHIP  V0.5 UNITS
Transferable to CSU
Coordination of introductory on-the-job learning within a career path and college major to improve employment skills and career opportunities through supervised paid employment or volunteer experience. Students may enroll in 1-8 units. Students enrolling in this class are not eligible for other Cooperative Work Experience Education (CWEE) or Internship (INTRN) classes during the same semester. Students may not exceed sixteen (16) units in the combination of CWEE and INTRN classes. Grades are P/NP Only. Conditions of Enrollment: Must have local paid employment (75 hours per unit) or a volunteer position (60 hours per unit) related to the student’s major; student’s supervisor must agree to participate in the program, which entails communicating and meeting with college staff (Work Experience Mentor), assisting the student in writing and completing learning objectives, verifying the student’s hours, evaluating the student, and otherwise training/guiding the student.

Yuba College
2953  TBA  TBA  M.Flacks
600 lab hours to be arranged with instructor. Students must ensure that their current email address and phone number are on file with Yuba College so that they can be contacted by the CWEE Coordinator and/or Mentor. Students must log in to Canvas during the first week of the class to complete their orientation and application paperwork—students may be dropped from the course if they do not complete their orientation on Canvas during the first week of the class.
### INTRN-45B  SECOND SEMESTER  V0.5 UNITS  
**INTERNSHIP**  
Transferable to CSU  

Coordination of intermediate on-the-job learning within a career path and college major to improve employment skills and career opportunities through supervised paid employment or volunteer experience, progressive from the first semester. Students may enroll in 1-8 units. Students enrolling in this class are not eligible for other Cooperative Work Experience Education (CWEE) or Internship (INTRN) classes during the same semester. Students may not exceed sixteen (16) units in the combination of CWEE and INTRN classes. Grades are P/NP Only.  

**Prerequisite:** Satisfactory completion of: CWEE 45A or CWEE 45B or INTRN 46 or INTRN 46A and must have local paid employment (75 hours per unit) or a volunteer position (60 hours per unit) related to the student’s major; student’s supervisor must agree to participate in the program, which entails communicating and meeting with college staff (Work Experience Mentor), assisting the student in writing and completing learning objectives, verifying the student’s hours, evaluating the student, and otherwise training/guiding the student.

Yuba College  

2954  TBA  TBA  M.Flacks  

600 lab hours to be arranged with instructor. Students must ensure that their current email address and phone number are on file with Yuba College so that they can be contacted by the CWEE Coordinator and/or Mentor. Students must log in to Canvas during the first week of the class to complete their orientation and application paperwork—students may be dropped from the course if they do not complete their orientation on Canvas during the first week of the class.

### INTRN-45C  THIRD SEMESTER  V0.5 UNITS  
**INTERNSHIP**  
Transferable to CSU  

Coordination of intermediate on-the-job learning within a career path and college major to improve employment skills and career opportunities through supervised paid employment or volunteer experience, progressive from the first and second semesters. Students may enroll in 1-8 units. Students enrolling in this class are not eligible for other Cooperative Work Experience Education (CWEE) or Internship (INTRN) classes during the same semester. Students may not exceed sixteen (16) units in the combination of CWEE and INTRN classes. Grades are P/NP Only.

**Prerequisite:** Satisfactory completion of: INTRN 45B and must have local paid employment (75 hours per unit) or a volunteer position (60 hours per unit) related to the student’s major; student's supervisor must agree to participate in the program, which entails communicating and meeting with college staff (Work Experience Mentor), assisting the student in writing and completing learning objectives, verifying the student’s hours, evaluating the student, and otherwise training/guiding the student.

Yuba College  

2955  TBA  TBA  M.Flacks  

600 lab hours to be arranged with instructor. Students must ensure that their current email address and phone number are on file with Yuba College so that they can be contacted by the CWEE Coordinator and/or Mentor. Students must log in to Canvas during the first week of the class to complete their orientation and application paperwork—students may be dropped from the course if they do not complete their orientation on Canvas during the first week of the class.

---

### Kinesiology  

**KINES-9  ADAPTED WEIGHT TRNG & REC ACTIVITIES**  
Transferable to CSU/UC-Unit limit  

Adapted strength training techniques and methods to improve over-all muscular endurance and fitness. Additionally specific modified activities, games and sports will be experienced by the student to enhance their participation in life-long activities designed to improve self-esteem, social interaction and fitness. Activities include but are not limited to bocci ball, volleyball, frisbee games, pickle ball, horseshoes and basketball. Principles of fitness and nutrition. Students with disabilities will be required to show proof of disability from a physician.

Yuba College  

3217  TTH  10AM-10:20AM  PE-Staff  M-2001  

3217  TTH  10:20AM-11:15AM
## KINES-20 INTRODUCTION TO KINESIOLOGY
**3.0 UNITS**

*Transferable to CSU*

This course provides an introduction to the interdisciplinary approach to the study of human movement. It provides an orientation to various educational pathways, requirements, and career opportunities in kinesiology in the areas of teaching, coaching, allied health, and fitness professions. Basic concepts of the kinesiology discipline and the importance of the sub-disciplines are discussed.

## KINES-1.34 BOOT CAMP FITNESS
**1.5 UNITS**

*Transferable to CSU/UC-Unit limit*

Designed to provide the student with a physically intense and challenging fitness class. Training exercise used will include jogging, interval training, obstacle course and a variety of calisthenics designed to enhance muscular strength and endurance. In addition, students will be challenged to understand and apply fitness training principles. The students will train individually, with a partner, and/or in a team setting.

#### LEARN-180  READING AND WRITING DEVELOPMENT  3.0 UNITS

Designed especially for students with disabilities and others who have difficulty learning by traditional methods. Introductory course in basic reading/writing development in preparation for subsequent coursework requiring academic language arts skills. Emphasis on exploring current perception as a reader/writer, utilizing strategies for improved reading comprehension, understanding sentence/paragraph structure, building skills in mechanics of writing, and expanding vocabulary. This class will incorporate the use of educational technology to accelerate learning as a tool for raising efficiency of reading/writing tasks. Recommendation: Basic reading/writing skills, familiarity with computers and readiness for college participation.

02/04/22 to 03/04/22

MFGT-21  INTERMEDIATE MACHINE SHOP  4.0 UNITS
Transferable to CSU
Intermediate level machine shop, with focus on precision layout and safety practices, the set-up and operation of the vertical milling machine, the horizontal milling machine, and the engine lathe. Special emphasis on the concept of fits and development of skills acquired in MFGT-20 or equivalent. Students will produce a machined mechanical object using the machine shop.
Prerequisite: Complete MFGT-20 with a “C” or better.
Yuba College
2958  M  9AM-11:50AM &  J.Bauer  M-607
W  9AM-11:50AM  M-608

MFGT-34  COMPUTER NUMERICAL CONTROL  4.0 UNITS
Transferable to CSU
Manual programming of computer numerically controlled machine tools and processes, using the standard g-code format. Programs will include linear interpolation, circular interpolation, and helical interpolation. Canned cycles and macros are also used.
Yuba College
2960  W  1PM-3:50PM &  J.Bauer  M-607
M  1PM-3:50PM

MFGT-35  COMPUTER AIDED MANUFACTURING  3.0 UNITS
Transferable to CSU
The use of a CAM (Computer Aided Manufacturing) software system to learn about Features, solids, geometry, and surfaces in the production of parts through the use of a CNC lathe and milling machine.
Prerequisite: Satisfactory completion of: MFGT 34. Advisories Computer Literacy - recommended basic computer skills Use of computer technology is required for Laboratory exercises
Yuba College
2961  M  1PM-2:50PM &  J.Bauer  M-607
W  1PM-3:50PM

MFGT-60  PROBLEMS IN MANUFACTURING TECHNOLOGY  3.0 UNITS
Analysis of special problems in manufacturing. Study in specialized areas of manufacturing technology with project goals and production paths determined in a team setting. Learning will be applied to problem solving and to product creation. Advisories Computer Literacy - recommended basic computer skills Use of computer technology is required for laboratory exercises
Yuba College
2962  T  9AM-10:50AM &  J.Bauer  M-607
TH  11AM-1:50PM  M-608

Library Science
LIBSC-1  BASIC RESEARCH SKILLS  1.0 UNITS
Transferable to CSU/UC
This course will help students acquire beginning information literacy skills necessary to conduct academic or personal research. It provides a step-by-step guide to the research process that is applicable to term papers, course work, and life-long learning. It emphasizes developing effective search strategies, selecting information tools, locating and retrieving information sources, analyzing and critically evaluating information, and using information. Advisories Language - recommended eligibility for English 1A

Manufacturing
MFGT-20  PRINCIPLES OF MACHINE SHOP  3.0 UNITS
Transferable to CSU
Basic set-up and operation of the Engine Lathe, Vertical Milling Machine, Drilling machines, Bandsaws, and grinding machines. Emphasis will also focus on precision measurement. The course includes tooling selection for the above machines. Introduction to computer numerical control is included. Safety in all aspects of machining. (L.M)
Yuba College
2957  T  2PM-3:50PM &  J.Bauer  M-607
TH  2PM-4:50PM  M-609
### MFGT-62 ADVANCED MACHINE SHOP 3.0 UNITS

This is an advanced course in machining, which encompasses tool & cutter grinding, part design using a turret lathe, and a tracing lathe. Concepts that will also be covered are aspects of surface grinding and EDM machining. (L,M)

</table>

**MATH-2**  **ORDINARY DIFFERENTIAL EQUATIONS**  **3.0 UNITS**
*Transferable to CSU/UC*

The course is an introduction to ordinary differential equations including both quantitative and qualitative methods as well as applications from a variety of disciplines. Introduces the theoretical aspects of differential equations, including establishing when solutions(s) exist, and techniques for obtaining solutions, including, series solutions, Laplace transforms and linear systems.

**Prerequisite:** MATH 1B, (L.C)

<table>

**MATH-3**  **LINEAR ALGEBRA**  **3.0 UNITS**
*Transferable to CSU/UC*

The course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. (L)

**Prerequisite:** MATH 1B. Other: Recommended successful completion of MATH 1C.

## Math Courses

### MATH-15  Concepts and Structures of Mathematics  3.0 Units
**Transferable to CSU/UC-Unit limit**

This course focuses on the development of quantitative reasoning skills through in-depth, integrated explorations of topics in mathematics, including real number systems and subsystems. Emphasis is on comprehension and analysis of mathematical concepts and applications of logical reasoning.

**Yuba College**
- Code: 3639
- Days: T
- Times: 4:30PM-5:45PM
- Instructor: T.Chetra
- Room: SF-104

### MATH-16  Concepts and Structures of Mathematics  3.0 Units
**Transferable to CSU/UC-Unit limit**

Designed for students who plan to become elementary school teachers. Problem-solving, probability and statistics, measurement and the metric system, and geometry. Essays on topics of current interest to the teaching profession, class presentations, and a study of techniques and materials used in today's elementary school classroom may also be included.

**Yuba College**
- Code: 3640
- Days: T
- Times: 6PM-7:15PM
- Instructor: T.Chetra
- Room: SF-104

### MATH-20  College Algebra  4.0 Units
**Transferable to CSU/UC-Unit limit**

College level course in algebra for majors in science, technology, engineering and mathematics. Topics include polynomial, rational, radical, exponential, absolute value and logarithmic functions, systems of equations, theory of polynomial equations and analytic geometry.

**Yuba College**
- Code: 3652
- Days: MW
- Times: 10AM-11:50AM
- Instructor: J.Thoo
- Room: M-1020

- Code: 3651
- Days: TTH
- Times: 12PM-1:50PM
- Instructor: E.Noffsinger
- Room: M-1018

- Code: 3655
- Days: MW
- Times: 6PM-7:50PM
- Instructor: K.Stemmann
- Room: CANVAS

- Code: 3653
- Days: TTH
- Times: 8AM-9:50AM
- Instructor: MS-Staff
- Room: SF-106

- Code: 9241
- Days: TBA
- Times: TBA
- Instructor: J.Steverson
- Room: NET

- Code: 9242
- Days: TBA
- Times: TBA
- Instructor: J.Steverson
- Room: NET

Exams for this course will be proctored and not given online. If the exams require proctoring, then they must be taken at a Yuba Community College District site or at an instructor-approved proctoring location.

### MATH-21  Plane Trigonometry  4.0 Units
**Transferable to CSU**

The study of trigonometric functions, their inverses and their graphs, identities and proofs related to trigonometric expressions, trigonometric equations, solving right triangles, solving triangles using the Law of Cosines and the Law of Sines, polar coordinates, and introduction to vectors.

**Prerequisite:** Satisfactory completion of MATH 52 or MATH 52B or MATH 59 or Placement based on multiple measures. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

**Yuba College**
- Code: 3648
- Days: MW
- Times: 12PM-1:50PM
- Instructor: J.Thoo
- Room: M-849

- Code: 3649
- Days: W
- Times: 8AM-9:50AM
- Instructor: E.Noffsinger
- Room: M-843

**Sutter County**
- Code: 3878
- Days: TTH
- Times: 4PM-5:50PM
- Instructor: J.Thoo
- Room: SF-106

### MATH-52  Intermediate Algebra  4.0 Units

To prepare students to take transfer-level mathematics or statistics courses. Topics include: real and complex numbers; factoring of polynomials; rational and radical expressions and equations; functions (general), linear, quadratic, exponential, and logarithm functions and equations; graphs; distance, midpoint, and circles in the Cartesian plane; application problems.

**Prerequisite:** MATH 101 or MATH 101B or Qualifying score on the mathematics placement test. (L)

**Yuba College**
- Code: 3648
- Days: MW
- Times: 10AM-11:50AM
- Instructor: J.Thoo
- Room: M-849

Exams for this course will be proctored and not given online. If the exams require proctoring, then they must be taken at a Yuba Community College District site or at an instructor-approved proctoring location.

### MATH-55  History of Algebra  3.0 Units

A history of algebra from ancient times up to the 18th century. Introduction to a variety of number systems; the operations of addition, subtraction, multiplication, and division, and the finding of square roots; sets and logic; rational, irrational, real, and complex numbers; Greek number theory; linear, quadratic, and cubic equations; and applications (including proportions, variation, compound interest, exponential growth and decay). Ideas and methods from different parts of the world and at different times are mainly presented in their historical context. This course satisfies the AA and AS degree requirement, but it does not satisfy the prerequisite for a transferable mathematics or statistics course.

**Prerequisite:** MATH 101 or MATH 101B or Qualifying score on the mathematics placement test. (L)

**Yuba College**
- Code: 3656
- Days: MW
- Times: 10AM-11:15AM
- Instructor: MS-Staff
- Room: M-800

---

(v) Variable Unit  (R) Repeatable  (L,M) - College level language or math skills advised
MATH-58  MATHEMATICS FOR EVERYDAY LIVING  3.0 UNITS
Interpretation of and reasoning with quantitative information. Coverage of logic; unit analysis; uses and abuses of percentages, ratios, and indices; financial management; and statistics. This course satisfies the AA and AS degree requirement but does not satisfy the prerequisite for a transferable math course.
Prerequisite: Completion with a C or better in: MATH 101 or MATH 101B. Or by placement exam.
Yuba College
3657  TTH  4PM-5:15PM  MS-Staff  M-849

MATH-59  FOUNDATIONS OF ALGEBRA  4.0 UNITS
This course consists of elements of beginning and intermediate algebra necessary for long-term engagement in math-intensive fields. Topics include polynomial, rational, radical, exponential, and logarithmic expressions, equations, functions, graphs, modeling and applications; polynomial, rational, and radical inequalities; systems of equations and conic sections; algebra of functions; and complex numbers.
Sutter County
3658  M  6PM-8:15PM &  MS-Staff  SF-103
  W  6PM-8:50PM&
  W  7PM-8:15PM

MATH-101  ELEMENTARY ALGEBRA  4.0 UNITS
To prepare students to take Intermediate Algebra. Topics include: real numbers; algebraic expressions; linear equations and systems of linear equations; linear inequalities in one and two variables (simple, compound, system); scientific notation; graphs and equations of lines in the Cartesian plane; introduction to functions and their graphs; absolute value function and equations; application problems.
Prerequisite: MATH 111 or Qualifying score on the mathematics placement test. (L)
Yuba College
3875  TTH  10AM-11:50AM  J.Thoo  M-803

Music

MUSIC-1B  MUSIC THEORY II  3.0 UNITS
Transferable to CSU/UC
This course incorporates the concepts from Music Theory I. Through guided composition and analysis, the course will include fundamental two voice contrapuntal principles and chromatic chord functions and voice-leading. Required of all music majors. Concurrent enrollment in MUS 1D Musicianship II is required. Course offered Spring semester only.
Prerequisite: Satisfactory completion of: MUSIC 1A; MUSIC 1C.
Co-requisite: Concurrent enrollment or satisfactory completion of: MUSIC 1D. Other: Concurrent enrollment in MUSIC 1E Keyboard Harmony I is highly recommended.
Yuba College
3680  TTH  10AM-11:15AM  M.Grasso  M-200

MUSIC-1D  MUSICIANSHIP II  1.0 UNITS
Transferable to CSU/UC
This course applies and develops the rhythmic, melodic, and harmonic materials of Music Theory II through ear training, sight singing. Continuation of Music 1C. Required of all music majors and minors. Concurrent enrollment in MUS 1B Music Theory II is required. Course offered Spring semester only.
Prerequisite: Satisfactory completion of: MUSIC 1A; MUSIC 1C.
Co-requisite: Concurrent enrollment or satisfactory completion of: MUSIC 1B.
Yuba College
3681  MW  10AM-10:15AM  A.Ueda  M-200
  MW  10:15AM-10:50AM

MUSIC-2B  MUSIC THEORY IV  3.0 UNITS
Transferable to CSU/UC
This course incorporates the concepts from Music Theory III. Through guided composition and analysis, the course will include late Romantic, neo-Romantic, and Modernist harmonic and rhythmic structures and techniques. Required of all music majors. Concurrent enrollment in MUSIC 2D Musicianship IV is required. Course offered Spring semester only.
Prerequisite: Satisfactory completion of: MUSIC 2A; MUSIC 2C.
Co-requisite: Concurrent enrollment or satisfactory completion of: MUSIC 2D.

MUSIC-32R  APPLIED SKILLS: VOICE  1.0 UNITS
Transferable to CSU/UC
Individualized instruction in vocal techniques, performance skills, and vocal repertoire. The emphasis is on the progressive development of skills needed for solo performance. Public performance is required. Achievement is evaluated through a juried performance. Audition is required. (Repeatable: May be taken four times only.) Other Conditions of Enrollment: Audition Required (Students may enroll in the course, but may be dropped based on the audition result). The student must already possess basic music reading skills, fundamental singing skills such as matching pitches and breath technique, and some prior experience in solo or ensemble singing. Students without these skills should take elementary voice classes first to gain the proficiency level before taking this course.

Yuba College

F  11:30AM-12:50PM

MUSIC-35  BEGINNING GUITAR  1.0 UNITS
Transferable to CSU/UC
Class instruction in basic guitar technique with an emphasis on melody, music reading, and ensemble performance. Students must furnish their own guitars.

Yuba College
3714  TTH  2:30PM-2:40PM &  M.Foley  M-200
TTH  2:40PM-3:20PM

MUSIC-36A  INTERMEDIATE GUITAR I  1.0 UNITS
Transferable to CSU/UC
Intermediate guitar technique with an emphasis on expanded techniques, chordal exploration, and ensemble performance. Students must furnish their own guitars.

Yuba College
3715  TTH  2:40PM-2:50PM &  M.Foley  M-200
TTH  2:30PM-2:40PM &  TTH  2:50PM-3:20PM

MUSIC-36B  INTERMEDIATE GUITAR II  1.0 UNITS
Transferable to CSU
Continuation of intermediate guitar techniques with an emphasis on optimal fingering principles, left- and right-hand techniques, chordal exploration, and ensemble performance. Students must furnish their own guitars.

Yuba College
3716  TTH  3:10PM-3:20PM &  M.Foley  M-200
TTH  2:30PM-3:10PM

MUSIC-41A  ELEMENTARY PIANO I  1.0 UNITS
Transferable to CSU/UC
This course is a continuation from MUS 41A in beginning piano skills. It includes basic finger techniques beyond five-finger patterns, pedal technique, sight reading, and solo repertoire as they are encountered in beginning piano music. An emphasis is on developing musical skills necessary for playing level-appropriate repertoire.

Yuba College
3703  MW  11:30AM-11:45AM &  A.Ueda  M-200
MW  11:45AM-12:20PM

MUSIC-41B  ELEMENTARY PIANO II  1.0 UNITS
Transferable to CSU/UC
Elementary piano, covering the fundamentals of keyboard theory and technique, reading, solo and ensemble repertoire, and creative activities.

Yuba College
3704  MW  12:05PM-12:20PM &  A.Ueda  M-200
MW  11:30AM-12:05PM

MUSIC-42A  INTERMEDIATE PIANO  1.0 UNITS
Transferable to CSU
Group piano class for students with at least one year of concentrated piano study. Emphasis on technique, repertoire, and sight-reading skills.

Prerequisite: MUSIC 41B or Approval of the Instructor upon Audition. (L)

Yuba College
3697  MW  2:45PM-3PM &  M.Hmeleva  M-202
MW  2:30PM-2:45PM &  M.Hmeleva  M-202
MW  3PM-3:20PM

MUSIC-42B  INTERMEDIATE PIANO II  1.0 UNITS
Transferable to CSU
Group piano class for students with at least one year of concentrated piano study. Emphasis on technique, repertoire, and sight-reading skills.

Prerequisite: MUSIC 42A. (L)

Yuba College
3698  MW  3:05PM-3:20PM &  M.Hmeleva  M-202
MW  2:30PM-3:05PM
### Music

**MUSIC-43R  SYMPHONIC BAND  1.0 UNITS**  
*Transferable to CSU/UC*

This course is for the study, rehearsal, and public performance of symphonic band literature, with an emphasis on the development of skills needed to perform within an ensemble. Different literature will be studied each semester. (Repeatable: May be repeated three times only.)

### Nursing

**NURS-1  FUNDAMENTALS OF MEDICAL SURGICAL  9.0 UNITS**  
*Transferable to CSU*

Introduces the first semester nursing student to concepts and practices of medical surgical (and/or skilled care) nursing, as they relate to non-critical patients (young adult through geriatric). Emphasis on recognizing alterations in physiological functioning and formulating age- and acuity-appropriate interventions. Psychomotor skills associated with meeting basic needs, medication administration, physical assessment, and sterile techniques will be studied and practiced.

**Prerequisite:** Satisfactory completion of: NURS 1; Advisories: Computer Literacy - recommended basic computer skills  
Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

### NURS-3  INTERMEDIATE MEDICAL SURGICAL NURSING

Transferable to CSU

This course is designed to provide learning opportunities for in-depth application of the nursing process to the health needs of a selection of acutely ill patients and simulated acutely ill patients. Emphasis is on the application of biophysical and psychosocial knowledge to meet the health care needs of the adult with acute and chronic disorders in selected body systems.

**Prerequisite:** Satisfactory completion of NURS 2. Advisories: Computer Literacy - recommended basic computer skills

**Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52**

**Yuba College**

### NURS-22  OBSTETRICAL NURSING

Transferable to CSU

This course focuses on integration and application of the nursing process as it relates to the provision of culturally sensitive nursing care to the childbearing family during pregnancy, birth, the postpartum period, and care of the newborn. Content will also include women’s health across the lifespan, including preventative care and diagnosis and treatment of gynecologic disorders. Application of concepts, theory, and clinical skills is provided by selected patient care experiences in a variety of inpatient and outpatient settings. Computer literacy skills are recommended.

**Prerequisite:** NURS 1. (L,M,C)

### NURS-36 Pathophysiology: Understanding Disease (4.0 units)

**Transferable to CSU**

The study of disease pathology in the human body with a focus on the study of abnormal physiological function of body systems at the cellular level. Correlation to disease etiology and biological and physical manifestations produced by abnormal physiology. Core course content for NURS 1 through NURS 4B, nursing courses. The content of this course is content required for licensure with the California Board of Registered Nursing. Course is required to be completed prior to formal admission to the Yuba College Nursing Program.

**Prerequisite:** Satisfactory completion of: BIOL 4; BIOL 5. Advisories Computer Literacy - recommended basic computer skills Language - recommended eligibility for English 1A.

(v) Variable Unit  (R) Repeatable  (L,M) - College level language or math skills advised
**Physics**

**PHYS-2B  GENERAL PHYSICS II  3.0 UNITS**

*Transferable to CSU/UC-Unit limit*

Comprehensive study of physics, including electricity and magnetism, optics, atomic and nuclear physics, and relativity; equal emphasis placed on active participation of students through a wide range of interactive classroom techniques for qualitative understanding and quantitative problem solving. Intended primarily for non-physics and non-engineering science majors including life science majors.

**Prerequisite:** Satisfactory completion of PHYS 2A; PHYS 3A. Co-requisite: Concurrent enrollment or satisfactory completion of PHYS 3B. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

**Online**
9255  TBA  TBA  B.Schulte  NET

**PHYS-3B  GENERAL PHYSICS LABORATORY II  1.0 UNITS**

*Transferable to CSU/UC-Unit limit*

Performance of lab experiments to verify the important concepts of PHYS 2B. Not open for credit to students with credit in the PHYS 4 series. (L,M)

**Online**
9256  TBA  TBA  B.Schulte  NET

**PHYS-4A  MECHANICS  4.0 UNITS**

*Transferable to CSU/UC-Unit limit*

An overview of the field of physics-- its position and significance relative to the sciences-- followed by a detailed study of mechanics. Primarily for architecture, chemistry, engineering, geophysics, and physics majors.

**Prerequisite:** Satisfactory completion of MATH 1A. Co-requisite: Concurrent enrollment or satisfactory completion of: MATH 1B. Advisories Language - recommended eligibility for English 1A Mathematics - recommended eligibility for Math 52

---

PSYCT-54  NURSING SCIENCE B  5.0 UNITS

Overview of diseases and disorders in terms of diagnostic criteria, symptom presentations, system pathology, medical/nursing interventions and typical prognosis. Emphasis shall be on nursing interventions, special care needs, and patient related skills. Application of basic nursing skills associated with “long term care” patients. The clinical affiliation also includes a 40 hour skills lab practicum at the Yuba College Nursing Lab to include basic nursing care. Must be an accepted student in the Psychiatric Technician Program in order to take this course. Other Conditions of Enrollment: Successful completion of all 1st semester classes in the Psych Tech program; Conform to clinical agency rules and regulations, such as passing a criminal background check and drug screen (specific regulations dependent on clinical site).

Yuba College
3264  TH  8AM-9:50AM  S.Ralls  M-2131C
162 lab hours to be arranged with instructor.

---

PSYCT-61  SUBSTANCE ABUSE  2.0 UNITS

Provides for the historical overview of those drugs that are most commonly misused, or abused within the contemporary U.S. society. Makes a distinction between substance-use disorders and substance-induced disorders. All major drugs that have the potential for abuse and or misuse shall be presented in terms of the following: classifications, physical/psychological effects and dependency potential. (L)

Yuba College
3265  F  8AM-9:50AM  S.Ralls  M-2128

---

PSYCT-62  PSYCHIATRIC DISORDERS B  4.0 UNITS

Provides for the general orientation to the ten personality disorders as described in Axis II of the DSM-V. Emphasis shall be upon the defining criteria, interpersonal impact, social consequences and intervention techniques. This course will also have 108 hours in mental and developmental disabilities clinical sites. Other Conditions of Enrollment: Students must have successfully completed all previous semester classes in the Psych Tech program.

Yuba College
3267  F  10AM-11:50AM  S.Ralls  M-2128
108 lab hours to be arranged with instructor.

---

PSYCT-63  DEVELOPMENTAL DISABILITIES B  6.0 UNITS

Provides an overview of the application of the behavioral science known as “behavior intervention” as it applies to the mentally retarded population. Included is a summary of the major state and federal legislation as it applies to the developmental disabilities. Also included is a general preparation for the Board of Vocational Nurses and Psychiatric Technicians (BVNPT) state board examination for licensure. This course is affiliated with the clinical course PSYCT 75. (L)

Yuba College
3268  F  1PM-3:50PM  S.Ralls  M-2128
162 lab hours to be arranged with instructor.
Psychology

PSYCH-1A  GENERAL PSYCHOLOGY  3.0 UNITS
Transferable to CSU/UC

Psychology is the scientific study of behavior and mental processes. The content focuses on the exploration of major psychological theories and concepts, methods, and research findings in psychology. Topics include the biological bases of behavior, perception, cognition and consciousness, learning, memory, emotion, motivation, development, personality, social psychology, psychological disorders and therapeutic approaches, and applied psychology.

PSYCH-6  INTRO TO STATISTICS IN SOC/BEHV SCIENCE  4.0 UNITS
Transferable to CSU

An introduction to the basic statistical methods and analyses commonly used in social and behavioral science research (use of probability techniques, hypothesis testing, and predictive techniques), including applications of statistical software to social science data. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. This course is designed for Psychology students who plan to transfer to a UC/CSU and does NOT fulfill the mathematics competency for local graduation requirements.

Prerequisite: Satisfactory completion of (MATH 52 or MATH 52B); PSYCH 1A.

Yuba College
3600  MW  12PM-1:50PM  M.Selden  M-843

PSYCH-7  RESEARCH METHODS IN PSYCHOLOGY  3.0 UNITS
Transferable to CSU/UC

This course covers the many research designs and methods in psychology, including descriptive, associative, and causal claims. The various instrumentation, collection procedures, data collection and analysis, and reporting procedures are also examined. Research methods and design will be surveyed from a wide section of psychological fields.

Prerequisite: Satisfactory completion of: PSYCH 1A; (STAT 1 or PSYCH 6).

### PSYCH-33 PERSONAL AND SOCIAL ADJUSTMENT 3.0 UNITS
*Transferable to CSU/UC*

This course is designed with an applied focus for students interested in how psychology is used in everyday life and is related to other social sciences. The course surveys different psychological perspectives and theoretical foundations and how these are applied across a person’s life taking into account the influence of factors such as culture, gender, ethnicity, historical cohort, and socio-economic status. A broad understanding of how scientists, clinicians, and practitioners study and apply psychology is emphasized. This course is not open to students who have completed COUNS 33.

**Online**
- 9269 TBA TBA SS-Staff NET

### PSYCH-41 LIFESPAN DEVELOPMENT 3.0 UNITS
*Transferable to CSU/UC*

Introduction to the scientific study of human development from conception to death. Examines the interplay of the biological, psychological, social and cultural influences on the developing human being.

**Online**
- 9270 TBA TBA SS-Staff NET
- 9800 TBA TBA T.Sasano NET

### PSYCH-46 ABNORMAL PSYCHOLOGY 3.0 UNITS
*Transferable to CSU*

This course introduces the scientific study of psychopathology and atypical behaviors, broadly defined. Students investigate abnormal behavior from a variety of perspectives including biological, psychological, and sociocultural approaches. An integrative survey of theory and research in abnormal behavior, and intervention and prevention strategies for psychological disorders are also introduced.

- 3141 M 12:30PM-2:20PM L.Schrettner CONFERENCE M-2156

54 lab hours to be arranged with instructor.

## RADT-3D RADIOGRAPHIC PROCEDURES 4 2.0 UNITS
*Transferable to CSU*

Critical thinking skills, professionalism, and analysis of images needed to obtain the best radiographic image in various situations. Conditions of Enrollment:

**Prerequisite:** Satisfactory completion of RADT 3C & RADT 55. Other: Acceptance into Radiologic Technology Program.

**Yuba College**
- 3144 T 1PM-4:25PM L.Schrettner M-2156

01/24/22 to 03/23/22

## RADT-4 PRIN OF RADIATION BIOLOGY-PROTECTION 2.0 UNITS
*Transferable to CSU*

Principles of radiation protection, including the responsibilities of the radiographer for patients, personnel and the public. Radiation health and safety requirements of federal and state regulatory agencies, accreditation agencies and health care organizations. Conditions of Enrollment:

**Prerequisite:** Satisfactory completion of RADT 55. Other: Acceptance into Radiologic Technology Program.

**Online**
- 9162 TBA TBA L.Schrettner NET
RADT-5  PRINCIPLES RADIATION EXPOSURE & EQUIP  
4.0 UNITS  
Transferable to CSU 
Knowledge of factors that govern and influence the production of the radiographic image; digital radiography image production and review, picture archiving and communication systems, DICOM, HL7. 
Online  
3146  W  8AM-10:50AM &  L. Schrettner  M-2156  
TBA  TBA  NET  
03/03/22 to 05/27/22

RADT-6B  RADIOLOGIC TECHNOLOGY INTERNSHIP 2  
4.5 UNITS  
Transferable to CSU 
Beginning radiologic experience in clinical facilities under the supervision of the college instructor, staff technologists, and clinical instructors. Enhanced development of skills in correlation with current radiologic practices. Rotation in various facilities. Grades: Letter grade or Pass/No Pass. Conditions of Enrollment: 
Prerequisite: Satisfactory completion of RADT 6A & RADT 55. Other: Acceptance into Radiologic Technology Program. 
Yuba College  
3148  TTH  TBA  A.Willson  
260 lab hours to be arranged with instructor.

RADT-6E  RADIOLOGIC TECHNOLOGY INTERNSHIP 5  
8.5 UNITS  
Transferable to CSU 
Advanced radiologic experience in clinical facilities under supervision by college instructor, staff technologists and clinical instructors. Increased development of skills in correlation with current radiologic practices. Rotation in various medical facilities. Grades: Pass/No Pass Only. Conditions of Enrollment: 
Prerequisite: Satisfactory completion of RADT 6D & RADT 55. Other: Acceptance into the Radiologic Technology Program. 
Yuba College  
3149  TBA  TBA  J.Bumanglag  
464 lab hours to be arranged with instructor.

RADT-9  ADVANCED MODALITIES 3.0 UNITS  
Transferable to CSU 
Computed tomography basics, cross-sectional anatomy, and advanced modalities in the field of Radiologic Technology. Conditions of Enrollment: Acceptance in Radiologic Technology Program. 
Online  
9163  TBA  TBA  L. Schrettner  NET

RADT-12  RADIOLOGIC TECHNOLOGY BOARD REVIEW  
1.5 UNITS  
Transferable to CSU 
Intensive review for the testing of the four (4) content areas tested by State of California Radiation Health Branch and the American Registry of Radiologic Technology: patient care, safety, image production, and procedures. Grades: Pass/No Pass Only. Conditions of Enrollment: 
Prerequisite: Satisfactory completion of RADT 55. Other: Acceptance into Radiologic Technology Program. 
Yuba College  
3138  T  1PM-4:05PM  L.Schrettner  M-2156  
04/04/22 to 05/27/22

RADT-55  INTRODUCTION TO RADIOLOGIC SCIENCES  
1.0 UNITS  
Introduction to the field of Radiologic Sciences and expectations of the program. Refresher course for program prerequisites. Grades: Letter or Pass/No Pass. Conditions of Enrollment: Acceptance into the Radiologic Technology Program. 
Yuba College  
3147  W  9AM-11:50AM &  L.Schrettner  M-2156  
W  1PM-3:50PM  
05/04/22 to 05/18/22

Sign Language

SIGN-1  AMERICAN SIGN LANGUAGE 1  
4.0 UNITS  
Transferable to CSU/UC-Unit limit 
This is the first course in a series of four courses in the fundamentals of American Sign Language (ASL) used by the Deaf community, including basic vocabulary, syntax, numbers, fingerspelling, and grammatical non-manual markers. The instructional activities are based on an immersion approach, in which the students develop language competency in source and target language, cultural knowledge, and an increased understanding of the Deaf community. Students are expected to participate in Deaf community events. Instructional materials will be in English. Students are strongly recommended to co-enroll in ASL 61 (Fingerspelling and Numbers 1). 
Yuba College  
3072  MW  4PM-5:50PM  C.Pell  M-1006  
3073  MW  6PM-7:50PM  C.Pell  M-1006  
Online  
9144  TBA  TBA  N.Dutra  NET
SIGN-2  
AMERICAN SIGN LANGUAGE 2  
4.0 UNITS  
Transferable to CSU/UC  
This is the second course in a series of four courses in the fundamentals of American Sign Language (ASL) used by the Deaf community. This course furthers students' study of vocabulary, syntax, classifiers and narrative form. The instructional activities are based on an immersion approach in which the students develop language competency in the target language, cultural knowledge, and an increased understanding of the Deaf community. Students are expected to participate in Deaf community events and read instructions in English.

Prerequisite: Complete SIGN-2 with a “C” or better. Advisories: Computer Literacy - recommended basic computer skills (Students will be using CANVAS on an almost daily basis to check and turn in assignments as well as receive communication from the professor and other students).

Yuba College  
3709 TTH 6PM-7:50PM  K.Dethlefsen  M-1019

SIGN-3  
AMERICAN SIGN LANGUAGE 3  
4.0 UNITS  
Transferable to CSU/UC  
This is the third course in a series of four courses in the fundamentals of American Sign Language (ASL) used by the Deaf community. This course furthers students' study of vocabulary, syntax, classifiers and narrative form. The instructional activities are based on an immersion approach in which the students develop language competency in the target language, cultural knowledge, and an increased understanding of the Deaf community. Students are expected to participate in Deaf community events and read instructions in English.

Prerequisite: Complete SIGN-2 with a “C” or better. Advisories: Computer Literacy - recommended basic computer skills (Students will be using CANVAS on an almost daily basis to check and turn in assignments as well as receive communication from the professor and other students).

Yuba College  
3709 TTH 6PM-7:50PM  K.Dethlefsen  M-1019

SIGN-61  
FINGERSPELLING AND NUMBERS 1  
2.0 UNITS  
This is the first of two courses in the fundamentals of fingerspelling and numbers as they are used in American Sign Language (ASL). The instructional activities are based on a practice approach, in which the students develop language competency ASL by finding parallels to those that exist in English. Emphasis is placed on both producing and understanding ASL fingerspelling and number usage, rules and parameters. It is recommended that students co-enroll in ASL 1 or ASL 2. (C)

Yuba College  
3076 TTH 5PM-5:50PM  K.Dethlefsen  M-1019

SOCIL-1  
INTRODUCTION TO SOCIOLOGY  
3.0 UNITS  
Transferable to CSU/UC  
Basic principles and concepts of sociology including culture, socialization, organizations, institutions, stratification, collective behavior, and social change. (L)

Yuba College  
3623 TTH 10AM-11:15AM  M.Flacks  M-1017

SOCIL-2  
SOCIAL PROBLEMS  
3.0 UNITS  
Transferable to CSU/UC  
Survey of social problems in present-day American culture and application of sociological theory and analysis to issues such as poverty, racism, crime, healthcare, education, and the environment. (L)

Yuba College  
3624 TTH 1PM-2:15PM  M.Flacks  M-1017

SOCIL-5  
SOCIOLOGY OF RACE AND ETHNICITY  
3.0 UNITS  
Transferable to CSU/UC  
Examines the social construction of categories of race and ethnicity in society. Focus on inequality and the impact of racial categorization on everyday life through institutions such as the labor market, schools, residential segregation, healthcare, media, and the criminal justice system. (L)

Yuba College  
3625 TTH 8:30AM-9:45AM  E.Davis  M-1017

SOCIL-10  
SOCIOLOGY OF MARRIAGE AND FAMILY  
3.0 UNITS  
Transferable to CSU/UC  
Sociological analysis of marriage and family, including history, cross-cultural comparison, gender roles, sexuality, parenthood, and contemporary debates about family values, form, and function. (L)

## Theatre Arts

### THART-10  INTRODUCTION TO THEATRE  3.0 UNITS
Transferable to CSU/UC

This course introduces students to theatre arts, including the production process, play writing, acting, directing, producing, design, criticism and the relations between theatre and society. Students survey different periods, styles, genres, and theatre practice through play reading, discussion, films, and viewing and critiquing live theatre performance to develop an understanding of theatre as a collaborative art form. Further, the course explores the relationship of theatre to various cultures, to TV and film, and to other arts and humanities. (L)

### THART-11A  INTRODUCTION TO ACTING I  3.0 UNITS
Transferable to CSU/UC

This course prepares students to apply basic acting theory to performance and develops the skills of interpretation of drama through acting. Special attention is paid to skills for performance, such as memorization, stage movement, vocal production, diction, improvisational technique, characterization, scene study, and interpretation of text. Several monologues and scenes will be developed and presented in class.

### THART-11B  INTRODUCTION TO ACTING II  3.0 UNITS
Transferable to CSU/UC

This course continues Introduction to Acting I (Thart 11A), further developing the students’ understanding of theories and techniques used in the interpretation of drama through acting. The emphasis will be placed on deepening the understanding of the acting process through character analysis, monologues, scenes, pantomime, stage movement, imagination, improvisation, and verse study. Increased emphasis is also placed on acting in more complex scenes and plays. Students will engage in in-depth scenic analysis of classical plays.

**Prerequisite:** Completion with a C or better in: THART 11A.

## STAT-100 ALGEBRA SUPPORT ELEMENTARY STATISTICS  2.0 UNITS

A review of prerequisite skills, competencies, and concepts needed in statistics. Intended for students who are concurrently enrolled in STAT 1 Introduction to Statistical Methods, at Yuba College. Topics include concepts from elementary and intermediate algebra that are needed to understand the basics of college-level statistics. Concepts are taught in the context of statistical analysis.

YUBA COLLEGE  SCHEDULE OF CLASSES

VETT-3  PHARMACOLOGY & THERAPEUTICS VET TECHS  3.0 UNITS
Transferable to CSU
Concepts of veterinary anesthesia and pharmacology to include agents used as pre-anesthetics, induction agents, and general anesthesia, the physiological impacts of anesthesia on the body, patient prep, high-risk patients and complications. Pharmacokinetics in animals, principles and mechanism of drug action, drug types and legal requirements. (L,M)

Yuba College
3360  TH  1PM-3:50PM  K.Mathis  M-1713

VETT-5B  VETERINARY TECHNOLOGY INTERNSHIP B  2.0 UNITS
Transferable to CSU
Introduction to the application of veterinary technology procedures at off-campus internship sites under direct supervision of a veterinarian or a registered veterinary technician. Internship sites include veterinary hospitals and clinics, research, and shelters. Rotation through various facilities is required. Apply application of knowledge and skills acquired in concurrent course work. Obtain competency in essential nursing tasks. Increase knowledge and ability to operate hospital lab equipment and develop skills to perform basic veterinary laboratory procedures.

Prerequisite: VETT 91. (L,M,C)

Online
9116  TBA  TBA  M.Kratochvil  NET

VETT-9  LABORATORY ANIMAL MEDICINE  3.0 UNITS
Transferable to CSU
Introduction to laboratory animal medicine. Survey of feeding, common management practices, and care of laboratory animals in a clinical setting. Appropriate methods of animal handling, restraint, management practices, research techniques, husbandry, nursing, care and observation of laboratory species will be emphasized. Students will learn about guidelines, regulations, and legislation governing the use of animals in research. This course will provide information and handling skills which will help the student prepare for AALAS certification. (L,C)

Online
9117  TBA  TBA  N.Rochin  NET

VETT-10  EXOTIC AND WILDLIFE MEDICINE  3.0 UNITS
Transferable to CSU
An overview of fundamentals of avian, exotic and wildlife husbandry, physiology, management, and medicine; includes appropriate methods of animal handling, restraint, husbandry, care and observation of exotic and wild species. (L)

Online
9112  TBA  TBA  N.Rochin  NET
VETT-53C  ADVANCED VETERINARY NURSING TECHNIQUES  4.0 UNITS  
Principles and techniques involving veterinary nursing. Emphasis on venipuncture, catheterization, fluid therapy preparation, nursing care and behavior of large and small animals, preventive medicine, nutrition, record keeping and medical procedures. Also includes mentoring techniques, teamwork, communications, and health problem assessment involving kennel management. Multiple species will be covered and students will participate in hands-on care of VT Program animals throughout the semester. Completion of a Capstone Project is required.  
Prerequisite: VETT 53A and VETT 53B. (L,M,C)

Yuba College  
2964  F  12PM-1:50PM & 9AM-2:50PM  
K.Mathis  M-1713

VETT-53D  PRINCIPLES OF VETERINARY DENTISTRY  2.0 UNITS  
Principles and techniques involving veterinary dentistry. Includes preparation and identification of dental instruments and equipment, routine dental procedures, dental charting, the oral examination, oral radiography, orthodontics, pathophysicsology and dental emergencies. The laboratory portion of the course utilizes demonstrations, laboratory exercises, group activities, online case studies and lectures to illustrate the principles presented in the lecture.  
Prerequisite: VETT 1. (L,M)

Yuba College  
2965  F  7AM-7:50AM & 8AM-10:50AM  
N.Rochin  M-1713

VETT-54  PUBLIC HEALTH AND INFECTIOUS DISEASE  3.0 UNITS  
This course introduces the core concepts of public health emphasizing zoonotic and infectious diseases important to both human and animal health. Collaborative efforts between human and veterinary medical professions through the “One Health Initiative” will be discussed, including issues and developments in food safety, global health and the principles of epidemiology in risk assessment and effective public health interventions. (L)

Online  
9113  TBA  TBA  B.Loghry  NET

VETT-55  VETERINARY MEDICAL TERMINOLOGY  3.0 UNITS  
This course guides learners through the process of reading, writing, and comprehending medical terminology used in the veterinary medical field including analysis and origin of word roots, prefixes and suffixes. Additionally, word construction, definitions, and use of words related to the body systems are covered. Topics include the pronunciation, spelling and definition of word parts and vocabulary terms unique to the anatomy, clinical pathology, and treatment of animals. Lectures demonstrate the importance of proper vocabulary usage in patient records. (L,C)

Online  
9114  TBA  TBA  N.Rochin  NET

(v) Variable Unit

(R) Repeatable

VETT-56  SHELTER MEDICINE  3.0 UNITS  
This course explores the origin of animal shelters as well as pet population dynamics. Students will analyze data about animal shelter systems and operations, devising solutions for identified health and welfare concerns. Topics include: behavioral assessment, infectious disease prevention and control, medical and emergency care. (L,C)

Online  
9115  TBA  TBA  B.Loghry  NET

VETT-59  VETERINARY TECHNOLOGY BOARD REVIEW  1.5 UNITS  
Review of pertinent subject matter in preparation for the national licensing examination for veterinary technicians (the VTNE). Includes a review of the nine content areas that comprise the VTNE. Also includes test taking skills, test anxiety reduction techniques and practice board exams; includes information on exam application processes.

Yuba College  
2966  M  9AM-10:15AM  K.Mathis  M-1713

VETT-91  VETERINARY ASSISTING  3.0 UNITS  
Concepts of veterinary medicine needed to function effectively as a veterinary assistant, veterinary receptionist, kennel staff or animal shelter worker. This course does not lead to the AS Degree in Veterinary Technology but can be used as a step towards entry into that program.

Online  
9118  TBA  TBA  B.Loghry  NET

Welding

WELD-10  INTRO SHIELDED METAL ARC WELDING (SMAW)  4.0 UNITS  
Transferable to CSU  
This course advances beginning arc welding skills with an emphasis on Shielded Metal Arc Welding (SMAW). Power sources, electrode identification, weldability of metals, joint design, air arc, oxyacetylene cutting, and introduction to other welding processes are covered. Activities include learning to weld stringer and weave beads, and producing butt and fillet welds in the flat and horizontal positions. Welds will be performed to the AWS welding standards.

Yuba College  
2940  M  9AM-11:50AM & 9AM-11:50AM  D.Turner  M-614
**WELD-12**  INTER SHIELDED METAL ARC (SMAW)  4.0 UNITS  
Transferable to CSU  
This course covers intermediate arc welding skills with emphasis on vertical and overhead welding with the Shielded Metal Arc Welding (SMAW) process. Course activities prepare the student for weld certification, pipe welding and advanced arc welding classes. Weld symbols, joint preparation, weld codes, AWS standards and weld alloys are covered.  
**Prerequisite:** Completion of WELD 10 with a C or better.  
Yuba College  
2941  W  9AM-11:50AM  9AM-11:50AM  D.Tumer  M-604A  
M  9AM-11:50AM  M-614  

**WELD-20**  INTRO GAS METAL ARC WELDING (GMAW)  4.0 UNITS  
Transferable to CSU  
This course emphasizes developing Gas Metal Arc Welding (GMAW) skills on light gauge steel. Students will learn GMAW (also known as MIG) welding applications and variables and how each affect their welds. Topics include: inert shielding gases and mixtures, as well as setting up and adjusting GMAW (MIG) equipment to ensure the best weld quality.  
**Prerequisite:** Completion of WELD-20 with a C or better.  
Yuba College  
2942  T  9AM-11:50AM  D.Tumer  M-603  
TH  9AM-11:50AM  M-604  

**WELD-42**  INTER GAS TUNGSTEN ARC WELDING (GTAW)  4.0 UNITS  
Transferable to CSU  
This is an intermediate course with an emphasis on vertical and overhead Gas Tungsten Arc Welding (GTAW). This class is designed for the student who is interested in improving his/her beginning skills in order to prepare for entry into the job force as a GTAW (also known as TIG) welder.  
**Prerequisite:** Completion of WELD-40 with a C or better. 
Yuba College  
2945  TTH  7:30PM-8:45PM  6PM-7:15PM  D.Turner  M-604  
M-603  

**WELD-62**  PIPE WELDING FUNDAMENTALS  4.0 UNITS  
This course covers fundamentals of pipe welding with emphasis on open groove pipe joints and pipe joint preparation using oxy-fuel cutting, plasma cutting, and proper grinding techniques. The course emphasizes shielded metal arc welding (SMAW) but will introduce students to other welding processes related to welding pipe in all positions.  
**Prerequisite:** Satisfactory completion of: WELD 10 or WELD 20 or WELD 40 or WELD 12. 
Yuba College  
2935  M  6PM-8:50PM  6PM-8:50PM  D.Turner  M-603  
W  6PM-8:50PM  M-604  

**WELD-64**  ADVANCED PIPE WELDING  4.0 UNITS  
This is an advanced pipe welding course with an emphasis on ASME, AWS and API certification. Course instruction includes pipe welding codes, and classification and identification of pipe and pipe welding procedures. Completion of the class does not guarantee certification unless welding procedure qualification tests are passed.  
**Prerequisite:** Completion with a C or better in: WELD 62. 
Yuba College  
2936  W  6PM-8:50PM  6PM-8:50PM  D.Turner  M-603  
M  6PM-8:50PM  M-614  

**WELD-85**  STRUCTURE DESIGN AND FABRICATION  4.0 UNITS  
Structural weld design and fabrication of weldments. Safe operation and use of mechanized iron workers, tubular benders, press brakes and other fabrication equipment. Students will receive instruction on utilization of blueprints, welding symbols, cost estimation, and layout techniques, in regards to structural steel applications.  
**Advisories**  
- Computer Literacy - recommended basic computer skills  
Projects are designed with CNC equipment  
Yuba College  
2937  M  1PM-3:50PM  J.Bauer  M-603  
W  1PM-3:50PM  M-604  

For schedule updates visit: yc-self-service.yccd.edu/Student
Matriculation

Matriculation is a process designed to help students achieve their educational goals. All first-time college students, transfer, and returning students (who have not attended a Yuba College class within the last three years and do not meet the matriculation exemptions) will complete the matriculation process. Yuba College is committed to helping students achieve their educational goals through the matriculation process, which includes:

- Admission to the College via the online application: yc.yccd.edu
- Assessment of English, mathematics, and reading skill levels
- Orientation, which provides information about programs and services, academic expectations, and procedures
- Counseling services to assist in defining goals and developing a plan to achieve those goals
- Enrollment in classes via Self-Service
- Follow-up services to help students progress toward their educational goals.

Matriculation Exemptions: At the time of application, all students are classified as either Exempt or Non-Exempt from various matriculation components. Exempt students are those who meet two or more of the criteria listed below. **(NOTE: These exemptions do not provide clearance for Priority Registration or enrollment into specified English, mathematics, or reading courses.)**

- Have completed an Associate or higher degree; provide verification of degree;
- Concurrently enrolled in high school; need permission form signed by parents and high school official
- Enrolled in only classes for which they have approved previous training (e.g., firefighters taking a fire science class);
- Enrolled in fewer than 6 units;
- Do not plan to earn a degree or certificate;
- Completed at least 24 units at another college within the past three years and were in good standing-verification required;
- Enrolled in only performance classes (e.g., acting, drawing) or activity classes (e.g. physical education);
- Enrolled in only job-skill upgrade, self-improvement, or general interest courses.

Students seeking an exemption from the matriculation process must submit an Exemption Form. Forms are available at all Admissions and Records sites and in the Yuba College Counseling Department.

Matriculation–Students’ Rights, Challenges, and Complaints

Process: Students may challenge any matriculation component. To do so, consult with a college counselor. Challenges and/or complaints may be filed with the Office of the Dean of Student Services, which is responsible for investigation and resolution. Students who meet the criteria and receive an exemption from a Yuba College counselor, and students enrolling in summer session only, are eligible to register as non-matriculated students without meeting any requirements other than the basic legal admission requirement.

- For the purpose of registration status classification, such a student will be classified as non-matriculated.
- For the purpose of academic classification, the student’s statement on the registration form will be accepted without verification. Students classified as non-matriculated will be required to declare an educational goal during the term after which the student completes 15 semester units of degree-applicable credit course work. These students will be provided an opportunity to see a Counselor to develop a student educational plan. Continuing students should schedule a counseling appointment for assistance with registration, advising, and completion of an educational plan. All other applicants (first-time college students and transfer students) should file an online Application for Admission, complete the online orientation, the Placement Examination, have high school and/or college transcripts sent to the Admissions and Records Office at the Yuba College Marysville campus.
Academic and General Information:

Address Changes
It is the student's responsibility to notify the college of an address change. Students can update their address in Self Service. Click on your student ID number (located on top right), then User Profile.

Adds and Drops
Students wishing to change their course enrollment may add or drop classes using Self Service registration, or by submitting the appropriate forms to the Admissions and Records Office. Full-term courses may be added during the late Registration period (see "Schedule of Classes"), later only in special cases and with instructor approval.

Articulation System Stimulating Inter-Institutional Student Transfer (ASSIST)
ASSIST is a single computerized database located at ASSIST.org that provides access to articulation agreements developed between California Community College, the California State Universities (CSU) and the University of California (UC). As articulation agreements are updated, so is the information maintained in ASSIST. See a counselor for assistance on how to use Assist.
- CSU Transferable Courses;
- CSU GE-Breadth Certification Courses;
- CSU U.S. History, Constitution, American Ideals Courses
- IGETC for UC and CSU
- UC Transferable Courses;
- UC Transfer Admission Eligibility Courses
- By Major
- By Department
- C-ID

Attendance
A student is expected to attend all sessions of each class in which enrolled. Attendance is the student's responsibility. Any student who ceases to attend a class without officially dropping it through Self Service or at the Admissions and Records Office may receive a failing grade.

Audit Classes
There are restrictions on auditing a class. Please check with the Admissions and Records Office or the Yuba College Catalog for more information.

C.S.U. General Education - Breadth Requirements
The CSU General Education-Breadth program allows California community college transfer students to fulfill lower division general education-breadth requirements for any CSU campus prior to transfer. Students planning to transfer to the CSU system should consult a counselor to obtain the General Education Breadth transfer requirements. Requirements vary at different campuses.

Computer/Network Use Policy
The Yuba Community College District Board of Trustees, in granting access to College computers and networks, expects that students, in their use of these systems, will adhere to legal and ethical standards consistent with the College’s mission. The Board hereby directs the administration to develop regulations and procedures setting forth the specific responsibilities and obligations related to use of college computers and networks. The administration shall also establish disciplinary procedures to enforce this policy that are consistent with policies and laws governing the conduct of students.

Pass/No Pass Option
A student may elect to take ONE graded class, not in his/her major, each semester on a P/NP grading basis. The P grade will be awarded for work completed at “C” or higher level. “D” or “F” work will result in a NP grade. Dates vary for short-term classes for electing/removing this grading option. Consult a counselor if you are planning to transfer since this option may affect transferability of the class.

District Grading Policy
Awarding grades to students is the responsibility of the course instructor. Grades and grade points are:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Points</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>A4</td>
<td>Excellent</td>
<td></td>
</tr>
<tr>
<td>B3</td>
<td>Good</td>
<td></td>
</tr>
<tr>
<td>C2</td>
<td>Satisfactory</td>
<td></td>
</tr>
<tr>
<td>D1</td>
<td>Less than satisfactory</td>
<td></td>
</tr>
<tr>
<td>F0</td>
<td>Failing</td>
<td></td>
</tr>
<tr>
<td>FW0</td>
<td>Failing Withdrawal</td>
<td></td>
</tr>
</tbody>
</table>

The following grades are not used in computing grade point averages. The W, I, and NP grades are used for progress probation purposes.

<table>

</tr>
</tbody>
</table>

Drug-Free School Policy
The District recognizes that substance abuse is a major health problem throughout the United States. Therefore, in order to eliminate abuse, the entire college community must be involved. The single consistent message is that substance abuse is wrong, dangerous, and will not be tolerated. Yuba College has a “zero tolerance” policy; all campuses and centers are to be alcohol and drug free.

It is the stated policy of the District to implement a comprehensive substance abuse strategy that will work more effectively in combating use and potential use of drugs by students. The policy sets forth procedures that not only expose students to awareness of the dangers of drugs and alcohol, but also encourages each individual to act to prevent the sale and use of drugs.

Graduation
Students who plan to graduate must file a PETITION for graduation. Yuba College has a formal graduation ceremony once a year (at the end of the spring semester), but the student may petition to graduate at the end of Fall (November 15), Spring (April 15), or
Summer (July 1) terms. Students must apply to graduate prior to the deadline in order to be considered. It is the student’s responsibility to meet all requirements. Students are encouraged to meet with a counselor, obtain a college catalog, and obtain a graduation requirements check list in order to determine if all requirements have been completed. Final graduation evaluations are done by the Admission and Records Office technicians.

**Intersegmental General Education Transfer Curriculum (IGETC)**

IGETC is a general education program that California community college transfer students may use to fulfill lower division general education requirements for any California State University (CSU) or University of California (UC) and many California private colleges and universities. It is important to know, IGETC is not an admission requirement, nor does completion of the IGETC guarantee admission to the college, university, or program of choice. Contact a counselor to discuss transfer plans and to obtain information concerning the IGETC requirements.

**Other Information**

This class schedule contains academic information in a condensed form. For more detailed explanations, refer to the college catalog or consult a counselor.

**Parking Regulations**

Students who drive vehicles on campus will pay a Parking Fee and be issued a decal. The cost is $40 per semester, $20 for summer session. As an option, students may purchase a $2 daily parking pass in lieu of a semester decal. The Parking Fee covers day and evening campus attendance. Parking decals are required and must be affixed to the inside right corner of the windshield. Decals are not transferable. Parking is permitted only in the student sections of the Parking lots (not in reserved spaces).

Citations will be issued to vehicles without the decal properly displayed or those parked in staff spaces. Parking regulation information can be obtained from the Campus Police Department. Persons parking on campus are responsible for know the parking policy AP6750.

**Prerequisites/Corequisites**

Prerequisites are required only for courses where specific academic background is necessary in order to assure students a reasonable chance of success in the course. Prerequisites which are listed as “required” include:

- Courses for which specific prerequisites have been validated.
- Sequential course work in a degree or program, or
- Courses in which a prerequisite is necessary for transfer to a four-year college. Responsibility for having met the prerequisite rests with the student.

It is the student’s responsibility to be aware of and comply with the prerequisite regulations. Prerequisites are shown for each course in the Catalog and Schedule of Classes. It is the student’s responsibility to check the course descriptions and not register in any class for which the prerequisite has not been completed.

Students may show they have met the prerequisite/corequisite requirements through one or more of the following:

- Successful completion of the prerequisite course with a “C” or better grade.
- Appropriate placement score on the Yuba College Placement Examination.
- Official grade report or transcript from another college/school showing successful completion of the prerequisite with a “C” or better grade (requires a prerequisite verification form approval).
- Approved Prerequisite Challenge Form (Challenge Forms are available from the Counseling Office at Yuba College and Sutter County Center, the forms are available from the campus administrator.)

Students may be dropped from a class for not having completed the prerequisite. Such action may also result in a student losing Financial Aid, Veteran’s Benefits, etc., since the drop may result in the student’s units falling below full-time/part-time status.

“Corequisites” for a course are those courses in which a student may enroll prior to enrolling in the target course or simultaneously with the target course. Corequisites provide the necessary skill or supplementary body of knowledge or laboratory time during the course to help assure success in the course.

**Release of Student Information**

In order to help protect your privacy, a picture I.D. will be required to obtain a copy of your transcript, class schedule, or test scores. Generally, no information concerning a student will be released without a written release from the student. Directory information is given out only when it is necessary or appropriate to do so in the opinion of a member of the Student Personnel Services professional staff. If you do not wish this information released, you must file a request at the Admissions and Records Office within seven calendar days of registration. (See catalog for further details.)

**Repeatable Courses**

**Course Repetition**

State legislation has changed the law regarding the amount of times a student may repeat a course at a community college. The law has also changed to include a withdrawal (“W”) to be calculated in as a repeat. If a student receives a “W” or substandard grade, the student is only able to attempt the course for a “W” or passing grade total of three times. Once the student passes the course, they are not permitted to take the course again.

Upon completion of the repeated course, the best grade earned will be computed in the cumulative grade point average. The lower grade will remain on the permanent academic record, but will be coded with a symbol indicating the course has been repeated and will be disregarded in the computation of the grade point average. The student’s academic record will be notated so that all work reflects a true and complete academic history.

Students may file a petition for extenuating circumstances regardless of the grade received if there is a verified case of accident, illness, or other circumstances beyond the control of the student. The student’s academic record will be notated and previous grade and credit may be excluded in the computation of the grade point average.

A student who has completed a course with a substandard grade at another accredited college or university may repeat the equivalent course in the Yuba Community College District, and if successfully
completed, the student may petition to have the substandard grade and units disregarded in the transfer totals from the other college/university.

**Selective Service Registration**
Almost all male U.S. citizens and male aliens living in the U.S., who are 18 through 25, are required to register for the military draft. However, men who currently register are not automatically inducted into military service. Presently, the United States operates its military through volunteer enlistment. The last time men were inducted into the military was during the Vietnam War. Registration for a possible future draft is required to ensure America’s preparedness in the event of a military crisis. In the event of a crisis that necessitates a draft to be invoked, men would be called in sequence determined by random lottery number and year of birth. They would then be examined for mental, physical and moral fitness by the military before being deferred or exempted from military service or inducted into the Armed Forces. You may register as soon as you reach the age of 17 years and 3 months but must register within 30 days of turning 18.

If you do not register, you could be prosecuted and fined up to $250,000 and/or be put in jail for up to five years. Registration is also required to qualify for Federal student financial aid, job training benefits, and most Federal employment. The Selective Service Registration Form may be obtained from the Yuba College Registration Office or from your local post office.

Students who have questions about Selective Service registration may contact the Selective Service at (847) 688-6888 or on the Web.

**Short-term Courses**
Classes that do not meet for the full semester are called short-term courses. These courses have their own deadlines to add, drop, withdraw, receive a refund, and petition for Pass/No Pass grading option. Contact the Admissions and Records Office for deadline dates.

**Smoking Policy**
In the interest of public health, Yuba Community College District became a tobacco/nicotine free campus effective January 2017. This policy applies to all employees, students, vendors, volunteers and visitors.

Use of any form of tobacco/nicotine is prohibited at all times in the following areas:

- On all owned, rented, and leased Yuba Community College District properties, grounds and buildings within the Yuba Community College District.
- In all Yuba College and Yuba Community College District owned, rented and leased vehicles and mobile equipment.

This prohibition includes but is not limited to cigarettes, cigars, bidis, pipes, hookah, electronic cigarettes and smokeless tobacco/nicotine products.

**Student Learning Outcomes**
Student Learning Outcomes (SLO’s) are the intended knowledge, skills, or abilities a student should gain or develop as the result of attending class, participating in a program, or earning a degree or certificate from Yuba College. SLO’s differ from traditional measures of student success—letter grades—in that they measure specific skills within a course and program that prepares students for roles outside of Yuba College transfer, workforce and citizenship—and separate them from other factors that affect student success.

1. Communication: effectively use language and non-verbal communication consistent with and appropriate for the audience and purpose.
2. Computation: use appropriate mathematical concepts and methods to understand, analyze, and communicate issues in quantitative terms.
3. Critical Thinking: analyze data/information in addressing and evaluating problems and issues in making decisions.
4. Global Awareness: articulate similarities and difference among cultures, times, and environments, demonstrating an understanding of cultural pluralism and knowledge of global issues.
5. Information Competency: conduct, present and use research necessary to achieve educational, professional and personal objectives.
6. Personal and Social Responsibility: interact with others by demonstrating respect for opinions, feelings, and values.
7. Technological Awareness: select and use appropriate tools for personal, academic, and career tasks.
8. Scientific Awareness: understand the purpose of scientific inquiry and the implications and application of basic scientific principles.

**Student Probation**
There are several types of probation: Academic, Progress, and Financial Aid. Students should consult with a counselor to discuss how these types of probation may affect a student’s educational goals. Students who are receiving financial aid or veterans’ benefits, or who are participating in athletics, etc., should meet with a counselor to discuss progress in classes.

**Academic Probation**
A student who has attempted at least 12 semester units of YCCD classes as shown by the student’s transcript shall be placed on Academic Probation when the student has earned a cumulative grade point average of less than 2.0 in grades earned.

**Progress Probation**
A student who has enrolled, beginning fall 1981, in a total of at least 12 semester units of YCCD classes as shown on the student’s transcript shall be placed on Progress Probation when the percentage of all units in which a student has enrolled and for which entries of “W,” “I,” “NC” and “NP” are recorded reaches or exceeds fifty percent (50%).

**Removal from Probation**
A student is removed from Academic Probation when the cumulative GPA (earned in YCCD classes only) reaches 2.0 or higher. A student is removed from Progress Probation when the units of “W,” “I,” “NC” and “NP” grades drop below 50% of the accumulated units of completion as shown on the student’s transcript.

**Dismissal**
A student who is on Academic Probation shall be subject to dismissal if the student earned a cumulative GPA of less than 2.0 in
all units attempted in each of 3 consecutive semesters even though a lapse of college attendance may occur between the semesters. A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled for which entries of “W,” “I,” and “NP” are recorded in at least 3 consecutive semesters reaches or exceeds fifty percent (50%). Dismissal may be postponed by the Yuba College Academic Standards Committee when evidence of academic improvement or extenuating circumstances exist.

Students who feel they have extenuating circumstances with regard to these regulations should see a counselor and file a petition with the Academic Standards Committee who may conditionally reinstate a student when the circumstances are justifiable. Justifiable circumstances include accidents, illnesses, changes in working conditions, and other reasons beyond the student’s control.

Readmission:
A dismissed student may petition for readmission (on probation) after consultation with a counselor. Generally, the student must wait a semester before petitioning for readmission. The counselor will help the student select appropriate classes, limit the number of units of enrollment and set up a visitation schedule to check the student’s progress during the semester of attendance.

NOTE: Students receiving financial aid must refer to the current Financial Aid Handbook concerning Probation Status. Students receiving veteran’s benefits should contact the Veterans’ Services Office concerning consequences of probation. All students receiving aid/benefits should consult a counselor concerning consequences of probation. Students on probation may be prohibited from receiving aid/benefits.

Financial Aid Probation:
Students who are receiving financial aid should consult the Financial Aid Office regarding the Satisfactory Academic Progress (SAP) requirements. Financial Aid Probation is NOT the same as Academic or Progress Probation.

Student Responsibility
It is each student’s responsibility to be aware of all rules, regulations, and deadlines relating to attendance at Yuba College. See the catalog for more detailed information.

Transcripts
A student may apply for an official transcript of college courses at the Admissions and Records Office. A student in good standing may receive a transcript at any time. Two copies are furnished free by the College; additional copies are $5 each. Transcripts requested “over the counter” or a “48-hour rush mail” will require a $10 “rush” fee. Transcript fees must be paid at the time of request.

Official transcripts may be requested in person, by mail, by fax, or online. For information about transcripts, contact the Admissions and Records Office at (530) 741-6720, email ycadmissions@yccd.edu, or visit the Admissions and Records Office webpage on the Yuba College website.

Transcripts will not be released for students who have holds placed on records for outstanding obligations to the College.

Students may print out their own free “unofficial” transcript copy online by logging on to the Yuba College website. Select Self Service and follow instructions.

Maximum Unit Load
The average student load is sixteen (16) units per semester. In any case, nineteen (19) units is the maximum load which is allowed. Units in excess of nineteen (19) are allowed only for the most urgent reasons and on the basis of counselor approval.

Eight (8) units is the maximum in which a student may register during the summer session without counselor approval.

Wait List
Some classes use a wait list. The wait list is limited to 7 students. If an opening occurs in the class, the first student on the wait list will be “added” and notified through an announcement in the college portal. If the student no longer wishes to be in the class, the student must drop the class.

On the first day of class, the instructor will receive a roster indicating the students who are on the wait list (in the order they signed up for the wait list). If there are students who do not show up for the first class meeting, the instructor will drop those students and admit students from the wait list to fill the class. The instructor will sign the add form and the student must bring the add form to the Admission and Records Office to officially register and pay fees. After the wait list is exhausted, the instructor may then add students who were not on Student Services
Student Services

Bookstore
Yuba College Bookstore is located in Building 300. The Bookstore is a one-stop shop, supporting community needs in and out of the classroom. When it comes to textbooks, the bookstore offers a variety of affordable options including used, rental and digital books as well as a price match promise to guarantee students get their materials at the lowest cost possible. The bookstore also makes shopping hassle-free with its Shop by Author program. Simply log in to Follett Discover (via Campus), or visit list.follettdiscover.com/yuba to pull up a personalized course materials shopping list. The bookstore also carries everyday essentials like clothing, gifts, supplies, general reference books, as well as snack food and drinks. For more information on payment options, returns, shipping, store hours and more, visit www.yubashop.com or call (530) 741-6998.

Textbook Buyback: The bookstore buys back textbooks for cash every day, regardless of where the text was purchased! The textbook can be new, used, hardback, or paperback (excluding workbooks). Prices fluctuate according to demand. *Must have a valid Student ID to participate.

California Work Opportunity and Responsibility to Kids (CalWORKs)
The Yuba College CalWORKs Program, located in Building 100B, offers services for eligible students in the following areas: Academic, Vocational and Personal Counseling, Job Placement (related to the student’s major), CalWORKs Work-Study, access to the CalWORKs Lending Library, Educational Supplies. For more information or to schedule an in person or distance appointment, call the Yuba College CalWORKs Office at (530) 634-7773 or email calworks@yccd.edu.

Cooperative Agencies
Resources for Education (CARE)
As a supplemental component of EOPS, CARE provides additional support services for eligible EOPS students who are single head of household, have at least one child under the age of 14, and receiving TANF benefits. Grants for educationally related expenses (such as child care, transportation, textbooks and supplies) may be awarded as a means of strengthening the retention, persistence, graduation and transfer rates of these individuals. For additional information visit the EOPS website: http://yc.yccd.edu/student/EOPS/default.aspx or call EOPS at Yuba College, (530) 741-6995.

Career Technical Education Transitions
The Yuba College Career Technical Education Transitions Program, located in Room 16 in Building 100A, coordinates the awarding of college credit to high school students who meet approved articulation requirements.

An articulated course is one in which the high school instructor Regional Occupational Program (ROP) and Yuba College faculty have formally agreed that the high school’s ROP’s course outline, syllabus, textbook, and final exam are comparable to those in a course of the same major within Yuba College. Students receive credit on a Yuba College transcript once articulation requirements have been completed. The CTE (Career Technical Education) Transitions Program prepares students to earn a certificate, an associate’s degree or transfer to a university.

For more information about the CTE Transitions Program, contact the Yuba College CTE Transitions Office at (530) 741-6588, ctetransitions@yccd.edu, visit the Admissions and Records Office at any campus, or see a counselor.

Child Development Center – Toddler and Preschool Services
The Child Development Center is located in Building 1600 at Yuba College. The program provides children with many opportunities to grow and learn. Our environment is designed to enhance a child’s age appropriate learning through natural science, creative & language art experiences, physical activities and number concepts. The Child Development program is state funded and follows California Department of Education guidelines. Foundations and Framework curriculum. All staff wear facial covering and encourage children over 2yrs. to wear them, handwashing upon arrival and frequently through the day. Temperatures and health checks done on staff and children before entering the classrooms. Physical distancing is encouraged among children during activities/meals. Smaller group sizes. Eligibility to enroll can be met by private pay or income eligibility and by meeting one of the following need criteria:

- Students with a need for childcare*
- Searching for work
- Working
- Incapacitated
- Searching for housing

Child Development Center hours of operation: Monday-Friday 7:30 a.m. - 5:30 p.m. (530) 749-3808. Yuba College serves toddlers (18 months-36 months) and preschoolers (3-5 years) in a full day, part day or state preschool program (9 a.m.-12 p.m. or 2:30 p.m.-5:30 p.m. *There is no need requirement when attending only preschool hours.

College Success Center (Tutoring)
The College Success Center (Room 1103) in the Library Learning Center (Building 1100) on the Yuba College campus delivers academic learning and support services across many disciplines to all currently enrolled Yuba College students at no cost and provides a positive, supportive learning environment that, if fully utilized, significantly enhances students’ abilities to pass their classes.

Academic Learning and Support Services
- scheduled collaborative learning sessions
- facilitated collaborative learning groups
- drop-in mathematics assistance (all day)
- scheduled individualized tutoring
- test and examination reviews
- Supplemental Instruction® (Content Tutoring only)
- quiet study areas for groups and individuals
- access to wireless internet, computers and academic software
- test preparation materials
- assistance with research projects
- assistance with multimedia presentations

The two major components of the College Success Center are the
(Cont’d from previous page)

Math Tutoring Program and the Content Tutoring Program.

Contact Information
General Information (Front Desk) (530) 741-6759 Ms. Ha Truong, Instructional Associate (530) 741-8752 qtruong@yccd.edu Dr. Travis R. Smith, Coordinator (530) 741-6787 trsmith@yccd.edu Riley Hang, Instructional Associate: (530) 741-8751 or rfrederk@yccd.edu

Counseling Services
Community colleges are distinguished by the personal attention given to students and the quality of guidance and counseling services provided. Counseling is an essential part of Yuba College, designed to complement and facilitate instruction and to aid students in academic, career, and personal planning. Individual and group counseling is provided. Students are strongly encouraged to meet with a counselor twice each semester or more frequently as needed. Counselors are available at Yuba College, and Sutter County Center. For more information or to schedule an in person or distance appointment, call Yuba College at (530) 634-7766, Sutter County Center at (530) 751-5600, or email YubaCounseling@yccd.edu

Disabled Student Program & Services (DSPS)
DSPS, located in Building 1800, is designed to equalize educational opportunities for students with disabilities that impact their academic participation such as vision, hearing, psychological, mobility, and learning. Screening for learning disabilities is available to all currently registered Yuba College students experiencing difficulty in their classes or who have a history of special education needs. Support services for eligible students may include academic accommodations such as test proctoring, note taking, disability advising, priority registration, auxiliary aids, interpreter services, and mobility aids. Specialized classes are offered each semester at Yuba College including Adapted Physical Education, Assisted Computer Technology, and Reading/Writing Development.

For more information about eligibility or to apply for services or to schedule an in person or distance appointment, call DSPS at Yuba College at (530) 741-6795 (voice) or (866) 274-7530 (video phone) or email dspsinfo@yccd.edu.

Dusty’s Pantry
Dusty’s Pantry, located in Building 100B, at the Welcome Center open from 10 a.m. to 2 p.m. Monday through Thursday, closed on Friday’s. The mission of the pantry is to provide a short-term assistance while helping student find a long-term solution to meet their food insecurity. Students will be provided a breakfast, lunch or a family meal, along with community resources of food banks available in the community. Students will also be provided assistance in applying for CalFresh food assistance. For more information visit the website: yc.yccd.edu/student/dustys-food-pantry/, or call (530) 741-8988.

CalFresh is a monthly cash assistance to purchase food and fresh produce at participating farmer’s markets. Yuba College assists students apply for CalFresh food aid benefits and will also provide follow-up services to students by helping them submit all required documents. If you would like assistance applying for food aid benefits, CalFresh is located in building 100B in the Welcome Center from Monday-Friday from 8:30 a.m. to 12:30 p.m. and 2:00 p.m. to 4:00 p.m. or you can schedule an appointment by calling (530) 741-8988.

ESL Counseling/Admissions Services
For students that want to learn English, the Yuba College Counseling Department offers assistance with all required forms for admission to college. Students can get help with specialized ESL (English as a Second Language) testing, counseling, and orientation. Spanish interpreters are available daily. Special arrangements can be made for Punjabi or Farsi students. For more information call the ESL Desk in the counseling department, (530) 634-7764.

Extended Opportunity Programs and Services (EOPS)
Extended Opportunity Program and Services (EOPS), located in Building 100B, is a state funded program that provides “over and above” support services to economically and educationally disadvantaged students. EOPS promotes student success with priority registration, comprehensive educational planning, career and transfer planning, free tutoring, textbook assistance, limited financial assistance, and other additional services designed to support the student.

For additional information or to schedule an in person or distance appointment at Yuba College or the Sutter County Center, visit the EOPS website: http://yc.yccd.edu/student/EOPS/default.aspx, call EOPS at Yuba College, (530) 741-8995 or email yceops@yccd.edu.

Financial Aid
Yuba College has a financial aid program that includes scholarships, grants, and other aid, designed to help students who need financial assistance to further their educational goals. Students need to complete a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application (CADAA) online for faster processing. Applications should be completed as soon as possible.

• FAFSA may be filed online at www.fafsa.ed.gov
• CADAA may be filed online at www.caldreamact.org

If students need financial assistance, they are encouraged to stop by the Financial Aid Office in Building 100B to talk with a Financial Aid Technician (picture I.D. required).

Hard Math Cafe
The Hard Math Cafe (HMC) is a drop-in mathematics and statistics tutoring center on the Marysville campus. Our goal is to foster an inclusive, welcoming, and safe educational environment. We work collaboratively to strengthen concept comprehension, build study skills, boost confidence, and foster connections on campus.

For more information, visit us in M700 or go to https://yc.yccd.edu/student/tutoring/

Health Information
Students are covered by an accident insurance policy up to a maximum of $20,000 liability for any on-campus activity or school-related activity off campus. This is secondary accident insurance coverage, which means that if students have their own accident policy, it will provide the primary coverage and the District’s accident insurance policy provides secondary coverage up to the maximum limit. However, the policy does not provide 100% coverage.

Library/Learning Resource Center
The Yuba College Library, located in Building 1100, offers a wide variety of information services and resources to support student
learning across curriculum. With access to updated book and electronic book collections, periodical subscriptions, and online research databases, the library is a great place to start any research project. Students are welcome to study in a quiet environment, search on a topic, and get help in finding information. Appointments are available to meet one-on-one with a librarian. Students may learn how to use the library and its resources by attending an orientation session or enrolling in LIBSCI - Library Research Skills which is offered online. The new Learning Resources Center, located in the Library, features group study rooms, quiet study areas, and a computer lab. The library phone number is (530) 741-6755 and the Cyber Lab phone number is (530) 741-6752.

**MESA Program**

MESA is an award-winning academic enrichment program that provides educationally disadvantaged students with the tools to earn bachelor's degrees in math-based fields. With tutoring and mentoring, extra study sessions, transfer counseling and study centers, MESA provides an environment that allows students to succeed in math and science and navigate the transfer system more easily. Furthermore, the program establishes an environment in which students receive opportunities for peer support, information-sharing and learn firsthand about career options and scholarships, internships, and special programs. Services include:

- Academic Excellence Workshops
- Orientation Course
- Assistance in the Transfer Process
- Career Advising
- Student Study Center
- Tutoring

For more information, call (530) 749-3830 or 741-6986, or visit our MESA Center in Room 701.

**PUENTE Program**

The mission of the PUENTE Program is to increase the number of students who transfer and enroll in baccalaureate level colleges and universities, earn their degree and return to the community as leaders and mentors of future generations. The program offers academic, counseling and mentoring support for students to build the skills necessary for success in both academic and career goals while in community college. Students enrolled in the program work closely with their counselor, instructor, and mentor. To qualify, students must submit an application for the PUENTE Program. For more information, contact David Perez, PUENTE Counselor, at (530) 634-7770 or Zachary O'Neill, PUENTE English Professor, at (530) 741-6884.

**Student Government**

The Associated Students of Yuba College (ASYC) is the title of the official student government organization. The ASYC provides for an expanded educational and social program through activities, sponsorship of clubs, and leadership opportunities. Student IDs may be obtained through ASYC. The Associated Students of Yuba College also represent student views and interests to the administration and Board of Trustees through participation on college and district committees.

**Student Publication Notice**

**Academic Accommodations**

In accordance with guidelines set forth by the Equal Employment Opportunity Commission (EEOC) and the Office of Civil Rights (OCR), the YCCD Board adopted BP/AP 5141-Academic Accommodations. Both documents are posted to the District website: www.yccd.edu

The Yuba Community College District Board of Trustees (Board) recognizes that no qualified student, on the basis of a disability, who may be reasonably accommodated, be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination under, any academic, research, occupational training, housing, health insurance, counseling, financial aid, athletics, recreations, transportation, other extracurricular or education program or activity provided by the District. The Board hereby directs that appropriate Administrative Regulations be formulated to allow qualified students with disabilities, who may be reasonably accommodated, to fully participate and benefit in the educational programs and services of the District.

**Transfer Center**

The Yuba College Transfer Center, located in Building 100B, hosts an annual fall transfer program called, “College Information Day.” This program brings representatives on campus from the University of California, California State University, independent California colleges and universities, in addition to out-of-state colleges. Both Yuba College and area high school students have an opportunity to visit informally with these representatives to obtain information concerning their programs, services, and application procedures. The Transfer Center offers services and resources for students seeking information about baccalaureate level colleges and universities. For some students, the transfer process can be overwhelming. Yuba College counselors and Transfer Center staff are committed to help students with the phases of the transfer process and the many transfer options available.

These services include:

- Computers with Internet links to web sites related to transfer
- Appointment opportunities with representatives from baccalaureate level colleges and universities.
- The annual College Information Day
- Workshops related to transfer
- For more information, call (530) 634-7766 at Yuba College.
- Veterans Service Office

The Yuba College’s Veterans Service Office (VSO) is approved for the training of veterans and veteran’s dependents relating to veteran’s education benefits which are administered under various laws of the United States and California. Services available at the Yuba College VSO include veterans education benefit advising, step-by-step instructions to begin benefits, assistance with online applications for education benefit processing, certification of benefits for pay, counselor referral, financial aid information, fee waiver and deferral assistance, work study opportunities and other services to help students achieve their educational goals. Veteran’s services are offered at the main Yuba College campus, its centers and outreach facilities. For more information on veteran’s benefits, call (530) 741-6822.

**TRiO**

(Cont’d on next page)
The Student Support Services (SSS) Program is a federally funded TRIO program under the Department of Education and is designed to help students of disadvantaged backgrounds (first generation, low-income, and students with disabilities) be able to succeed in their pursuit of higher education. The goal of SSS is to increase college retention and graduation rates for its college participants and assist its participants from making the transition from one level of higher education to the next. SSS is a support system for students, to help them realize their academic dream. Students who intend to major in a STEM related field are be placed in the STEM project while all others are placed in the regular SSS program. Some of the services provided include academic advising, tutoring, and financial aid program information, and guidance. TRIO is a cluster of eight federally funded programs, which started in the 1960s in an effort to identify and provide educational opportunities for students from disadvantaged backgrounds. The TRIO name is derived after the emergence of the first three programs: Upward Bound (UB), Talent Search (TS) and Student Support Services (SSS). The TRIO programs serve students ranging from middle school up to the university level and each program has specific guidelines for enrollment. At Yuba College, there are three projects funded under the two TRIO programs:

- Student Support Services (SSS and SSS-STEM)
- Upward Bound (UB)

Veterans Resource Center
Located in building 725, the Yuba College Veterans Resource Center (VRC) is committed to military affiliated students who have chosen to make the transition from their military environment to campus life. The VRC is dedicated to veteran success by instituting peer-to-peer support, mentoring, and social networking, the structure of camaraderie military service members were accustomed to. The VRC partners with campus and community resources such as; Counseling, Financial Aid, Learning Resource Center, Career and Transfer Services, Disabled Students Program and Services along with referrals to other community veterans’ organizations.

Workforce Innovation and Opportunity Act (WIOA)
The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that offers financial assistance to individuals who wish to obtain vocational training and have unmet needs after applying for the tuition fee waiver and financial aid. The program will help you find a job or train for a new career. Authorized WIOA activities provided at the local level benefit job seekers, dislocated workers, youth, incumbent workers, new entrants to the workforce, veterans, students with disabilities, and employers. These activities promote an increase in employment, job retention, earnings, and occupational skill attainment by participants. This improves the quality of the workforce, reduces welfare dependency, and enhances the productivity and competitiveness of the nation. Acquiring employment, retention, and self-sufficiency through training are priorities with WIOA. It is important that you choose a career with a labor market. If jobs are not available in your local area, you will need to consider relocating or commuting to another area.

The WIOA Office is located in Room 121, in Building 100B. This office offers a computer lab with current software programs, internet access, a study area, and a small lending library for textbooks. Come by and see if you qualify for on-the-job training, books, supplies, tools, fees, testing, transportation assistance, and other school or job-related needs. This is not a loan and does not have to be repaid. You can be on Financial Aid, EOPS, unemployment, and scholarships, and still receive WIOA assistance. This is not an entitlement program, you must qualify and then it is based on funds available at the county level. For more information call (530) 741-6830.

Writing and Language Development Center
The Writing and Language Development Center (WLDC) is open to all currently enrolled Yuba College students during the fall and spring sessions and is located inside the Learning Resource Center in Room 1116. The following services are offered: Drop-in assistance for any writing assignment
- Help with MLA, APA, Chicago style formatting
- One-time or regular weekly appointments
- Informal study space & private study rooms
- Technology assistance & computer lab
- Proofreading tips
- ESL conversation groups
- English final exam workshops
- Kurzweil 3000 software for assisted reading and writing
