## Scholarship Opportunities

Scholarships are an excellent way to assist in funding your education. Many scholarships are one-time only, so plan on continuing your research for scholarships each year. Scholarships are awarded based on a student's academic performance, community service, residency and other criteria as defined by the founder or donor of the scholarship. Financial need is a criterion for some, but not all scholarships.

Yuba College offers two types of scholarships; Yuba Community College District Foundation and External Scholarships. These scholarships are available to incoming, continuing and transferring students.
