

Women's History Month Activities

STEMinist Jeopardy: Celebrating Women in STEM

March 7, 10 am - 12 pm, Sutter County Center Hallway

March 12, 11:30 am - 1 pm, Marysville Campus Quad

Join us for an exciting game of “STEMinist Jeopardy” as we celebrate women in STEM! *Hosted by STEM (TRiO/MESA)*

Hidden Figures Film

March 11, 11 am - 1 pm, Marysville Campus IE Center RM 309b

This film reveals the untold story of three African American women mathematicians whose calculations were crucial to NASA’s early space missions, challenging racial and gender barriers in the process.

Breaking Barriers: Women Pioneering Change in their Community

March 20, 12 pm - 1 pm, Marysville Campus Theatre

Join us for an inspiring discussion as we celebrate the trailblazing women who are reshaping industries and communities.

Posterboard: Women in Innovation Showcase

March 25, 11 am - 1 pm, Marysville Campus IE Center RM 309b

Explore the stories of bold pioneers who broke barriers and trailblazing leaders who continue to shape tomorrow.

Activities coordinated through the IE Center, planned with Eliliana Becerra, Ruth Catalan, Dr. Tawny Dotson, Carlos Gamez, Crystal Garcia, Chrystal Gillming, and Anabel Toche
