

# Native American & Indigenous Peoples

## Heritage Month November Activities

### Acorn Cooking Demonstration 12pm-1pm, Flavors (Bldg. 300)

Join the American Indian Education program as they host an enjoyable acorn cooking demonstration where nature meets the kitchen! Learn how to harvest, process, and transform acorns into delicious dishes. This event is perfect for food lovers and anyone interested in sustainable cooking!

### Indigenous Tales: Stories from the heart of tradition 11am-12pm, Marysville Campus Theatre (Bldg. 400)

Stories have been the teaching instrument since the beginning of man. Before there was an alphabet and before there were writing utensils, stories were used to tell tales, teach a child, share values, and record history. Students will hear stories that have been told for many generations.

### Smoke Signals 11 am-1pm, Marysville Campus, Identity and Engagement Center RM:309B

Smoke Signals is recognized as being the first feature-length film written, directed, and produced by Native Americans to reach a wide audience both in the United States and abroad. It was also filmed on the Coeur d'Alene Indian Reservation in Idaho.

Activities coordinated through the Identity and Engagement Center.
